

Step-28: Trinary Universe

The Trinary Universe has the prefix Trinary, meaning it represents the 3 State Changes seen in all Atoms under an Electron Microscope, proving they are Trinary Atoms, and every Galaxy, Sun, Planet and Moon, have a Trinary Engine, which are larger versions of Trinary Atoms and follows the same Laws, and fully explains the Universe with just its name, proving it is not complicated to understand or prove, God is All Light without Darkness found inside all those Trinary Atoms and Trinary Engines and is based on Trinary Science, which proves how all Atomic State Changes take place, using a simple math equation known as Gods Equation also known as $(+1) + (-1) = 0$ when you graph this function by putting $(+1)$ on the first line, and 0 on the second line where they are equal, and (-1) on the third line, then fill it in using your brain waveform, and you will understand what the Torah called God.

```
(+1)  -----*-----*-----*-----  
      0   ---*---*---*---*---*---*---*---*  
(-1)  -----*-----*-----*-----*---
```

The Trinary Universe is based on the Science of Kepler, Newton, and Tesla, Trinary means it is based on the 3 Logical State Changes of Atoms, I define Atoms as Trinary Atoms, and there is a larger-scale version I call Trinary Engines, these are the Core of every Galaxy, Sun, Planet, and Moon in the Universe. Trinary Universe is very simple to understand, the Universe is not complex once you understand that God is All Light without Darkness found inside all Atoms, and we know Kepler and Newton both based all their Math as having God as the Force of Gravity, and trust me, Newton is an Aspie with a High IQ, and being one I know Newton did not say it like most Stars getting an Award in Hollywood for Lying to the Public about everything, knowing they are all Satanic, I find it a little Fake for then to say I would like to thank God for allowing my Lies to be so Convincing, seriously People, Kepler and Newton both said God is the Force of Gravity, the Torah is only about the Science of God, it is not about Religion which is only about getting People to take the Mark of the Beast to get them to commit Treason, which is also the Job of Hollywood, I cannot help but to make the comparison of the Movie 2012, it has to do with Neutrinos, and the End of Time with a Flood, and true, as is the price for those underground cities, only fools would be on the surface of the planet when the Sky Falls or Atmosphere vents, they are events few will survive even if they do build Trinary Sanctuary, because there is a 90% chance that our Planet will Freeze solid due to the Lack of Oil known as the Blood of this Planet, its job most of the time is to generate heat for the Surface of the Planet, so when it vents the Atmosphere, the Planet does not Freeze Solid and go Nova, if you have Hope for that 10%, you have better odds of being born as Jesus Bar Abbas, and I do not feel lucky so if you do, you have been lied to for so long you are starting to believe your own lies.

The one thing that the Trinary Universe is about, is surviving the End of Time, and also record it, and record the extinction of the Human Race, and how it happened, think about this, they have

known this since 1666, that is 355 years to prepare for it, and digging their own Graves and telling no one that the Sky is Falling in 2027 and the End of Time is in 2033 when our Atmosphere vents into Space, that is truly pathetic, that is not a plan, it is suicide, first off, you have Engineers that only believe in the Science of Einstein, need I say more, I predict that their underground tombs will not last the first day when the whole Earthquakes causing the Oceans & Lakes to flood the surface of the planet, after that they watch the water levels rise as the ceilings get lower, proving how stupid all of them are, they believed Jesus Bar Abbas would not return in the Flesh, and now they will Deny it, proving they are all Insane, those Satanic Sheep only know how to Rape, Pillage and Plunder, they should have a Holliday for it, call it Moses/Lincoln day, where you can celebrate these two Mass Murdering Liars only truly Satanic Sheep could Worship, proving Satan is in Charge, and will send everyone on this Planet straight to Hell, the whole Human Race goes extinct because those committing Treason are doing so to build underground cities Satan told them would survive, knowing they depleted the Earths Blood and the ground will freeze solid to the core now, there is no way in the world anyone could be that stupid as to believe building underground is even an option, they plan to let everyone on the Surface die, writing in their History Books that this is for the Good of the Human Race, that only the Treasonous Traders survive this, knowing the Torah and Science proves they will not, thus the Church and its Federal Reserve is going to be responsible for the Extinction of the Human Race, and there is nothing anyone will do about it, proving they are all in on it, and everyone on this Planet is in fact, Satanic and only Serve Satan, and Money is proof of this since the Torah always forbid it.

The Trinary Universe is teaching People why the Human Race is going to go extinct, I gave up on anyone building Trinary Sanctuary, Satan never would, and that is all the Human Race is now, so I am just going to document why they went Extinct, and will not be a lifeform to go on to the next new cycle this planet is going through, and it is a shame since it will wipe the presents of Humans right off the face of the Planet, Glaciers will grind everything into Sand, hundreds of years from now the UFO people will be living on the Surface again since it will be safe for them to come out and build again, this will be a new Age for this Planet, no more Money and Crime, no more Wars and Vaccines used to murder people, and no one will be reborn from all the Human Race, going back thousands of years, I know my Soul will eventually find its way back up to Heaven where I belong, but I also know few reside there nowadays.

Those Advanced Societies we call UFO's, know all about Trinary Science and the Trinary Universe since this all came out of the Torah they wrote, all I did was learn out to read Witchcraft, not hard, the Church did it, but decided to Serve Satan instead, and go to War with those Advanced Societies, that will now abandon Earth, and wait till everyone on this Planet is Dead or Dying before they return, I have no knowledge of them other than what the Military has written about, so I have no knowledge of their plans, nor do I know much about them, other than they can communicate through thought, I have had dreams about them, but we all have dreams, all I am interested in is the Truth, and UFO's is something I cannot Prove.

To understand the Truth, never take my word or anyone else's, I would not intentionally lie to you, but everyone in the world can say the same, yet we know who is the liar, and it is not the Torah, Kepler, Newton, Tesla or myself, and you can prove it by just reading their work, most of it is Public Domain, watch the BBC Special "The Last Magician" which Magician translates to Wizard, it is about Sir Isaac Newton, but History calls Tesla the Last Wizard, and I AM the Light Wizzard in the Flesh, who like Isaac Newton, was born at the same time and date, and Newton figured that Me is short for Meat and that is Flesh, so he figured the Torah was talking about him, and I must agree, as I have to admit I feel the same way for the same reason, the Truth about the Torah.

The Trinary Universe is about proving the Real Science behind the Torah, what I have learned from it is nothing compared to what I did not learn, all because there is too much to learn about, my first thought was that they were the UFO's the Torah has pictures of, they show Jesus Bar Abbas communicating with them, and that is something I have always hoped for, but it never came to be, but I am still alive and who knows, maybe my dreams will come true.

I understand what the Torah said about Light without Darkness, people believe God is like us, the Torah said God created all Life in his Image, and God is Light, so all Life is Light, and that Light is an Image of God, proving all Life is God, in my Dreams when I die I always wake up as God, who now has to pass judgement on how God Spent that life, and if God should allow that Soul, or Electron, into Heaven and Ball Lightning also known as Angels, and do not ask me if they have Names, the Torah was talking about Constellations most of the Time, and not about People, but Stars, which are Galaxies and Suns, as such, the Angel name God might have been inserted just as Christ was, but it did talk about some Angels by Name, those Fallen Angels that got women pregnant, and there is real science behind it, the Spark of our Life, or our Soul, is part of what the Torah talks about the most, we are Light most of the time, we are rarely in a Lifeform, and rarely remember our past lives once our Freewill kicks in, and we become individuals, with only our bodies memories, I have had many dreams about past lives, but that does not prove they are real, and I tend to only want to know what I can prove, and the Afterlife is something I cannot prove, like UFO's I believe they exist, but have never been dead for long enough, and never met any UFO's, so I only go by what I can prove is the Truth.

In history there was a woman named Henrietta Swan Levitt, who saw a pattern in how our Suns form Tracks like on an old-style Record, which was a flat disc with grooves, and she said if you count the Tracks, we are on track 666, I wrote the Math Formula to prove this, you can find it on my GitHub Light-Wizzard repository for the Galaxy Calculator, this proves the Centrifugal force model of the Universe is wrong, she worked for Hubble, who ignored her work because she was

a Female, and he believed in Einstein and was totally insane, Light does not travel in a straight line, it travels like any Electromagnetic Force and is in a Circular Path.

My Galaxy Calculator can calculate where Life in a Galaxy can exist, which is a very narrow band in a Galaxy and can be used to find life in any Galaxy. Once I realized that all the Heavenly Bodies move using Electrical Frequencies, I realized our own Sun has a Frequency of 30 MHz, which accounts for it going through the Galactic Disk every 30 Million years, and our Planet has a Frequency of 6.66 Hz and accounts for how our Planet orbits our Sun sideways at an average speed of 66,666.666 Mph while the Sun is moving forward at an average speed of 666,666.666 Mph, all due to the Frequency of its Trinary Engine.

All Trinary Atoms & Engine move like our DNA Helix, proving we are all related in ways that make it clear we are all Electrical in Nature, even Chemical reactions are Electrical, once you understand the Trinary Universe you will understand that all the so-called Scientists are all Lying to you so that you would not figure out you are Buying & Selling Souls, just so they could get all of you to build their underground tombs, and since they will not survive after sacrificing all the Souls on the surface of the planet, thus ensuring the Human Races Extinction, I can calculate when everyone on this planet will die, but I cannot Calculate the Madness of People on this Planet that use Money they know is Treason, follow Laws they know are Treasonous and allow those Satanic Liars to let them all die, those that trust anyone Religious or that uses Money needs to have their head examined for brain damage, all humans have a short in their brain.

The Trinary Universe is proof that God is All Light without Darkness found inside all the Atoms & Engines in our Universe, Electricity is how our Galaxy, Sun, Planets and Moons work, it is how all Life works, we are all Bodies of Electric Flesh, our thoughts are energy power, that Higher Power known as Electricity is what runs this Universe, and Humans were lied to for two thousand years just for Money, proving how Evil it is, and why the Torah made it Forbidden, but the Church and its Satanic Members only worship Satan, and so they Lie to everyone to carry out Satan's plans for the Human Race, Death & Destruction, all of them will die and they all know they deserve to die for Serving Satan by worshiping a Deity-God known as Money & Law, the tools of Satan, and the Torah told you, all because Gay Pedophiles want to get paid to Alter Boys like they Altered the Torah to get all of you to Worship Satan, and take over the World with their Satanic ways, all to Sacrifice all of You at the End of Time, and you Paid them to Lie to you.

I realize that in just 6 to 12 years from the date I wrote this, most if not all people will be dead, and we all know why, Satan is real, and the Torah told you all about Satan, and the truth is most people are really Retarded, that is just a fact, they lie about IQ test just to make most of them normal, but all they know is lies, none of them know any truth, because Satan has to Lie about everything, and why they have such Satanic Science and Religion is Pure Satanism, the most

Evil Satanic People you will ever meet are those that are Religious, they only serve Satan and lie to you about everything, to them Money is all that Matters, they only think about Money, and Money is their whole Life, and why none of them will ever care about the Trinary Universe, nor Trinary Sanctuary since Money is not allowed there, nor is the Worship of Satan known as Religion, to Realign People into Sheeple who took the Mark of the Beast by Satan, proving the Church knows this, you think they will ever give up a job they get paid to Alter Boys by just Altering the Torah to do the Bidding of Satan in the name of their Deity God, teaching those Sheep the Science of the Trinary Universe is a waste of time, Satan only believes in Lies.

Once you decide that you know Trinary Militia is a better way to live your life in Freedom, and want to learn more about the Trinary Universe, you might want some Light reading like “**The Principles of the Trinary Universe**” and other books I have written, I have many websites like TrinaryScience.com, TrinaryUniverse.org, and the LightWizzard.com, and I have a YouTube Channel the Light-Wizzard, and you will find a lot of information on my GitHub Light-Wizzard Repositories, make sure to check the Wiki, I make it all Free, but if you want a Printed Book, you have to buy them at your Favorite Book Store, I self-publish on Amazon and Lulu, I try my best to get this Trinary Science out there for people to learn, but Sheep just want to Debunk Facts, and that is just Stupid, but so are Sheep.

Satan has a very strict way of Teaching Lies that you will believe, the first lie is that everyone has the Right to believe what they want, they have Prisons full of those who proved that was a lie, but you have to believe this Lie, or they cannot Lie to you, so this Belief is Satanic, and all those that tell you this are Satan, so never allow their kind into Trinary Sanctuary, Trinary Militia are only allowed to believe the Truth after they Prove it is the truth, otherwise that is how Satan gets you to believe in Lies, and the Second way Satan Teaches is by calling their Deity-God, God, that is how Satan gets you to believe they are the same, knowing only God exists, it is clear a Deity-God does not Exist, therefore a Satanic Belief, the Third way Satan Teaches you is that a Theory is a Way of Explaining Facts, that is just Stupid, but stupid Sheep believe all Lies.

People have to prove what they believe, if you believe in God, make sure that God is Real, Angels are what the Torah said Satan can appear as one of them, Tesla proved they are Ball Lightning, but they Physically Exist, therefore not a Deity-God, proving that believing God does not exist is just Satan trying to get you to use Treasonous Money he knows you can be Legally Executed for, and Treason is the Worst Crime anyone on this Planet can Commit, yet it is just a Fact that everyone in the United States is Guilty of Treason for allowing the Federal Reserve to Print Money Instead of Congress, and to allow Congress to exist after it was dissolved in 1933 for not making the First Payment on the Loan they used our Constitution as Collateral for, all because of their Huge Salaries, the last Legal President was Lincoln, who was Legally Executed by their Militia, and their Military Committed Treason by making their own Militia Outlaws in the Country they Founded, and this Fake Government with their Fake Congress and Presidents,

and Fake Military and Police Pigs who all Enforce this Treason, proving its Citizens are all Guilty of that Treason by allowing it to exist, proving that the United States is nothing but a Satanic Nation of Treasonous Sheeple, all because of Religion, the Church you know Murdered Jesus Bar Abbas and inserted Jesus Christ to get all of you to Commit Treason, proving the Church and all its Members are Satanic Treasonous Marked Beast, who the Torah told you would dig their own Graves at the End of Time, and look at what they are Digging, all because you do not know anything about Science, or even the Reality of the Trinary Universe.

The Trinary Universe is only being taught for Trinary Militia Members, it is not being taught to Satanic People who believe in Money and Theory, you cannot teach them anything because their Cup is full of BS, a Belief System in Satanic Laws, meaning those Laws not Legal, meaning all Laws since all of them are Treasonous, and not Legal but Lies to make you Satanic, and considering everyone on this Planet is Truly Totally Satanic, not even one thing about them is not Satanic, they are so retarded they cannot be taught anything, all those in the United States proved that Satan is in control, everyone in that Country is Satanic Sheep Guilty of Treason and will all be Executed by God for Destroying this Planet by lying about what Oil does, which is keeping our Planet from Freezing Solid and going Nova after the Atmosphere Vents into Space and all that Space Junk you paid for with your Souls Freefalls to Earth on 14 January 2033 at 6:32 PM Standard-Pacific-time.

The Truth is that anyone can claim to be Jesus Bar Abbas coming back in the Flesh, and as long as they did a good job, I could care less, if they follow the Torah, I might even listen to them to see where that takes them, I have no claim that Bar/Abbas can only come back as one person, the Torah never said that, and I cannot assume it, Newton talk the Talk and walked the Walk, and so did all the Wizards, and they all claimed to be Jesus Bar Abbas coming back in their Flesh, and I find that very fascinating, what is it about the Torah that makes us want to be Jesus Bar Abbas, I am Military and Militia as was Bar/Abbas, but not all the other Wizard were Military or Militia, Benjamin Franklin was Militia, and a Warrior, and did his part for Bar/Abbas, his Soul like all the Wizards, will go to Heaven, like all those that Defend Jesus Bar Abbas and tell the Truth about Jesus Christ and why he did not exist in History, and was not in the Torah till after the 4th Century proving Christ is a Deity-God known as Satan, who gets People to take the Mark of the Beast known as a Sheep like Ewe, Jesus Bar Abbas is the Truth about how Evil Money is, and why all of us want to have his Courage to tell the Truth, that Truth starts with the Trinary Universe, and why I AM the Light Wizzard in the Flesh.
