

Step-13: Lucky

This is the 14th Episode since I started with 0, I was born on 14th January 1961 under the Gregorian Calendar, or 25 December 1960 under the Julian Calendar only the Military use nowadays, I was born on a Saturday, the day after Friday the 13th and like Good Friday, being born on those dates seem to mean more to more people for one reason or the other, mostly due to Masonic use of the Number 13, the Dollar Bill \$ is proof of this with an Eagle with 13 Arrows used to Kill everyone at the Supper table, and 13 Fasci Branches for a Fascism form of Government owned by the Federal Reserve, so what is so Lucky about 13 is all a Masonic Secret, and to understand them, you need to know what Masonic Orders are, and why the Torah said someone would be born on my Birthday at the exact time I was born, with the exact name Jesus said he would come back as, which is Jeffrey Scott Flesher, the Light Wizzard in the Flesh, and Flesh is just short for the Meat we live in, but no one is Lucky if they are born on the Date the Torah said 100-Years before the End of Time, Jesus would come back as the Flesh, so Lucky me, which is short for Meat known as Flesh, and that is my Legal Name.

The Torah written before Satan Altered it like Satan Alter's Boys, or before the 4th Century, there was a Book of Alchemy written using Witchcraft, which is the Art of using Words or Spells that have more than one meaning, knowing which one is the true meaning is an Art form, only Witches understand, but Wizards who understand Alchemy the Witches do not understand at the time if at all, they are better at making Potions, so Witches & Wizards can be the same person, like myself, and why I did not realize that the End of Time in the Torah is in 3 Stages, the First Stage is the Head of Pisces the Fish, this is Year 1 AD of the Calendar that aligns with the Mayan Calendar that only has 2012 year cycles, which makes more sense, each Cycle is an Age of something, we are now in the Age of Aquarius, the bringer of Water for the Fish to swim in, the Second Stage is the Body that last 2013 years, since the Mayan Calendar starts at 0, this is when the North Magnetic Pole starts to move towards the Equator, and when it gets there will reverse its Polarity, passing through Ground, thus collapsing its Electromagnetic Field known as our Magnetosphere, which holds in our Atmosphere which will then Vent into Space, Freezing all the Moisture in that Atmosphere, Raining down Frozen Water that will cover all the lands for 6-feet deep in ice, so Lucky for you that I remembered that the Third Stage was when our North Magnetic Pole makes it to the South Pole, and the Fish is Complete, right out of the Torah.

The Torah said at the End of Time, most People will have taken the Mark of the Beast known as a Sheep like Ewe, Teaching you to *believe* in the God that does not Physically Exist, or Exist at all since both are the same *belief*, and why most People are Sheep who use Treasonous Money to Buy & Sell Souls, yet they *believe* they are not Satanic, and that only the Love of Money is Evil the very Lie Satan wants his Sheep to tell, proving every Religious Person on this Planet is Satanic & Evil according to the Torah written in any Century, proving Satan cannot hide his Lies, nor does he need to since everyone is Sheep who except Treasonous Money as payment for their Soul, and all because most People *believe* in Mainstream BS or *Belief* System.

Most People do not know who God is, or what IAM God means, all because I And Me is short for Meat known as Flesh, most People are made of Flesh called Meat, referring to me as themselves, as they do I. IAM or I am is not a translation problem, the fact that every living thing in existence has been made of Atoms made of Neutrino Particles with the Light without Darkness or God inside them, the Father is Matter and the Son is Antimatter, so they chase each other around this waveform for all eternity, the Father goes to the Mother and out comes a Son, who grows up making a Mother, becoming the Father, this is what the Torah was talking about, look into a Mirror and say "IAM" and mean it, feel it, feel God inside all your Cells, Feel the Light of God inside of you, and if you can do this, you are the Luckiest person ever born since most go to their Graves believing in Satan.

The Torah said that God only helps those that help themselves, we are Electricity, as if flows through our Iron rich Blood, like the Earth that creates the Magnetosphere that is a wireless battery charger for all Life on Earth, the farther you get away from that source of Energy, the faster you die, I cannot imagine you could make it to the Moon before frying your Brain by Electromagnetic Energy like Xray and Gamma Rays, and even if you survived that, you would become to weak in just a matter of weeks to survive that, proving only Satan would sell Humans on Space Travel, all they want is for you to pay for your own death so they can get more Satanic Money, proving who Satan is in the Torah, those who sell Evil, the backward Spell for Live, so that you will not Live they Sell your Souls for Treasonous Money, proving Money cannot buy you everything since you sold your Soul to Satan to get it.

Satan believes the Laws are Legal as if Treason can be made Legal, and the capital † in front of Reason, is that you are not Intelligent enough to survive the End of Time therefore Darwin Award recipients, so go Sell Crazy somewhere else, the way your Luck is going with Meteorites and no Atmosphere as weather predictions, and only Satanic People Serving only Satan at the End of Time, do not ever expect the Human-Race can Survive this, they prove they are nothing but Liars about their own Constitution being Amended because Congress can vote themselves a Raise and Execute Executive Order 6102 Trading with the Enemy Act Stealing all the Gold while arresting people for having it, just to make an Interest payment after they forfeited our Country to the Federal Reserve that now owns it, and made them build Nuclear Weapons that they Control to keep their Military in line, and that Military made its own Militia Outlaws in their own Country just to get Paid to commit Treason, the † is the Cross Jesus Bar Abbas was put to death by the Church who makes People take the Mark of the Beast known as a Sheep like Ewe, and everyone knows this is the truth, so why do they Pretend the Constitution was amended is so they commit Treason with a clear conscience or con-science, that is how Satan works, and your Luck has ran out since you know for a Fact no one will admit to Treason, and those Guilty of all this Treason since 1861 when Lincoln was Legally Executed for Treason, already sold you out to Satan by allowing all your Souls to go to Hell at the End of Time by not Telling you the Truth and only Satan Lies proving how Satan is, anyone that uses Money, Gambling, Lottery,

Laws, Rules, Regulations, Patents, Copyrights, Contracts, Credit, Governments, Christ or Religion, are 13 things that are Bad Luck for Sheep like Ewe at the End of Time.

If you were Lucky you heard of the story of Sodom & Gomorrah, and can learn from it, they used God Bombs, Atomic or Nuclear, that is what the Torah called Satanic stating only Satan would make such weapons, and only Satanic Sheep would allow them to exist on this Planet just so they can hold everyone Hostage to their Corrupt Governments ran as Franchise to the Federal Reserve also known a Satan, proving your Parents and Grandparents sold you out to Satan, most of them are already with Satan in Hell and their Souls will never get allowed into Heaven, they will remain on this Planet you allowed them to Destroy for Money, knowing they betrayed you for that very same Money, the Rich & Famous know all this, as does Hollywood who works for Satan, Mainstream is Paid to Lie for Satan so there is no news but Lies only Satan would tell.

Never let Satan try to explain Satanism by starting off with we all *believe* in a “Higher Power”, plug them into an Electrical socket just to make sure we are talking about the same Higher Power, if we are not then do not unplug them, let them go to Hell for talking like Satan, we all know the Torah said Satan only tells Half-Truths better known as Lies, and will never admit to Treason for using Money not allowed by their Constitution proving it is History and no longer Valid in the Minds of Slaves to the Bankers that Own your Souls for using that Money, never listen to Satanic Sheep, they will take your Soul to Hell with them, any Luck the Sheep will Wake up?

If you really feel Lucky about Satanic Money, Rule and Law, and committing Treason to do so, dose not bother you, knowing you can and will be executed for that treason does not bother you, then Satan has your Soul and there is nothing Jesus Bar Abbas died for on the Cross all because People take the Mark of the Beast to become Religious proving they know it is Satanic, and why Buying & Selling Souls does not bother Satanic Sheep, they do not acknowledge that our Ancestors or Friends died being Satanic, who has their Soul is a known, Satan, that is how Satan gets your Soul, we are all Light Beings, those Lucky enough to understand that concept, can understand we work under the same Principles of the Trinary Universe, our Soul is Light therefore Electrons, they come from our Magnetosphere which is all Lifeforms Wireless Battery Charger, that is about to reverse Polarity, and if the thought of our Atmosphere Venting into Space and coming back down as Frozen Ice, is not a concept you want to *believe* in, then this is ewer Lucky Day, ewe have just won a Darwin Award.

I was not Lucky being born at the time and date I was according to the Torah; it never goes well for me because everyone always Sells me out for Money, by not learning the Lessons I have put out Step by Step for them to read and understand, and all they can say when I tell all of you the truth is, “No it Not”, and you all know this is the truth do not try to deny it.

Most People *believe* in Luck, they buy Lottery Tickets, only because they never read the Tragedy stories most Winners go through, becoming more broke than they were to begin with, and that is normal, they should have a Series and call it Lottery, From Rich to Poor in how much Time? The Show where you get to bet on how fast they go Broke.

People have the choice called Freewill, Satan *believes* the Rich & Famous could not be Satanic because they give to Charities that bring a-lot of Good, see how Satan defines how Money is Good, one less Oh than God, the Rich & Famous are the reason most are allowed to Suffer, no matter how much you pay the Church to Alter Boys, proves Money only causes Suffering, People that Look up to the Rich & Famous people, just to find out that they *believed* in Thomas Edison instead of Nikola Tesla proving you cannot count on them to tell the truth, they prove they have Tickets and will not say a word about this to anyone, proving who Satan is, those Faces on TV that Lie to us in Movies and News, those that only care about Treasonous Money and do not view it is Evil, are you joking, Money is Evil, if you can pay someone with it to murder someone else, that is all Money is, and all Money can ever be, proving there is no Good in that one act, and it cannot be avoided when it comes to Money, having Freewill does not make anyone Lucky.

What does Luck have to do with it, no more than what Love has to do with it, Lessor of two Evil's is Evil, $(+I) + (-I) = 0$, where the Father's the Positive one, and the Son is the Negative one, and they chase each other around Mother, the Father is always Positive the Son is Wrong, so the Son grows up Negative towards Father because of that, so Round & Round we go, it never stops, and never grows old, and Luck has nothing to do with it, the Father Lies to the Son telling him he is Positive, when we all know he is about to turn Negative after making Mother have a Son, and that is when Luck runs out for the Human-Race, who thought it was Lucky to have Money.

Satan tries to convince People they are Lucky, they Pass around the Money Junky Tray, that the Torah told you was the Root of All that is Evil, and used to Buy & Sell Souls, proving the one passing around the tray is Satan collecting your Souls and why the Rich & Famous have none, and have no problem Lying to all of you about God and Money with "In God We Trust" knowing that is the Satanic God known as Satan who Lies to you about being Satan just so you can Worship Satan in Public proving you can only Serve one Master, which is Money, your God, with the Athena Owl on the back of a Masonic \$1 Bill, and not Bill Gates, that is another Satanic Vaccine Pushing Sheep Thinning Satanic Sack of Money, back in the Roman Empire the Governors would place Athena Owl symbols on homes the Army will wipe out in there raids on cities, and Stupid Satanic Sheep carry them on them, proving they are Satanic Sheep, all because they *believe* in Luck, and will gamble their Life and that of the Human-Race's away for Luck.

My rhetorical question to you the reader, is how did People become Sheeple without knowing it, do they know they Serve only Satan and do so by becoming Religious and taking the Mark of the Beast known as a Sheep like Ewe, who take an Oath to Murder by Sending to Hell all that do not believe that “God does not Physically Exist”, that is pronounced “God does not Exist”, and is the same *belief*, proving they are Sheeple who Serve Satan, knowing it or not, it makes no difference to God when your Soul tries to get into Heaven, and Science Proves Heaven Exist, there are many videos showing Lights that can travel very fast and make 90 degree turns, proving they are Ball Lightning or Angels, and People are ordered to Shoot them down, proving who Satan is, so my question is how do People become so Insane they are the last person to know they are insane, those that do not understand we are Light Beings, and it takes Electricity to make Light, and that is what the Torah said God was, All Light without Darkness, and that Darkness is the Rainbow of Colors that do not contain Black or White or any Shade of Grey in between proving they are not Colors, so what Color are Ewe?

At the End of Time the Torah said we all have to go before God, that means our Souls have already gone to Hell, and if Satan does not own your Soul, you are free to Ascend to Heaven as Ball Lightning, and if God decides you have Lied about who and what God is, and used Money to Buy & Sell Souls, we both can imagine what it would feel like to be send back down to Hell in White Lightning for all Eternity, if Satan does not Own your Soul and God will not accept it, Round & Round your Soul goes for the rest of Eternity, and why Lightning is worse in some places than others, because Lost Souls are always in abundance in Lightning, those that died not knowing this will be Evil in Hell instead of Live in Heaven, all because of Freewill, and fast talking Satanic Green Pastures who teach Satan by calling that God that only People that Took the Mark of a Beast known as Ewe who Buy & Sell Souls thus Selling your Soul to Satan for all time, think about Eternity of riding White Lightning, charging batteries, running ovens and toasters just so you can burn their food making them get cancer, you try to pretend you are a good person when you know you allow all this Sin, Treason and Suffering in the name of Satan, and want me to believe you are not Evil or Satanic because you were just too Stupid to Breathe, proving not intelligent enough to understand Santa’s Lies, or was that Satan’s Lies with a Different Clause, the one where you Sold your Soul to the Red Demon known as Satan, and Lucky for your Soul, you have Freewill and saw right through Satan the whole time, and were just Prisoners on this Prison Planet, forced to build underground Cities for the Rich & Famous, the Military and their Treasonous Governments, who Lie to all of you just to get your Souls, and Lucky for you that you have no idea what that means, do you have Tickets? Then Ride the White Lightning for Free, for all Eternity, that is known as Hell and what everyone on this Prison Planet signed up for, Treason, Buying & Selling Souls, very easy to understand how you are not Lucky, ewe are just too Satanic to admit you are a Sheep deep down inside, you know that ewe are Sheep, and want God to forgive your Soul, and remember only Satan takes request and grants wishes, the wishing Deity God, and why both Atheist and Agnostic mean they do not believe in a

Deity God, and not the God that is all Light without Darkness, but if they do not believe that, they are still Satanic, and we all know all of this is the Truth, so help us God.

Your Soul is yours to take back, and God only wants those that Own theirs, Satan is no different, if Satan does not Own your Soul and you do not Sell it to Satan, Satan cannot keep it, and if you denounce Satan and all Satan's ways, your Soul will not go to Satan, because he can only take it if you die with Satan owning it, the Torah is very clear about that, do not confuse this with Repent, God does not need you to ask for Forgiveness, God is the Light in your Atoms and is always on your Side as long as you are on Gods Side, the Light without Darkness, the Higher Power is Electricity, and White Lightning is God sending Souls back down to Hell, once you are in that cycle, you only break it in your next lifetime, which is spent as insects, flying around Dogshit all your life, trying to figure out how to Ascend to Heaven with God in your Soul and not Satan's Mark of the Beast called Lucky 13.

If Luck had anything to do with how the Universe was Created by God, who is inside every Atom in that Universe, how long do you think your Luck will Last living on the Outside of a Space Ship known as Mother Earth, is not a matter of Luck, but when your Luck as a Race runs out, as we all sit around counting down that time, the End of Time is what the Torah said it would be like, Satan would have taken everyone's Soul that sold it, without them even knowing they had Sold it to Satan for Treasonous Money, proving that when your Luck Runs out, do not come begging to God who told you what was about to happen, the Math is as easy as $(+1) + (-1) = 0$, just put $(+1)$ on the first line, 0 on the second line, where they are equal, and (-1) on the third line, and now we have the Father who is Positive Matter thus $(+1)$, and the Sun is the Negative Antimatter thus (-1) , and 0 is Ground, also known as Earth, or the Holy Ghost Spirit of Mother Nature, just draw your Brainwaves and plot out what happens when Mother is about to have a Son in the Age of Aquarius, so *believe* whatever you want, I do not care what Yew *believe*, nor does the Universe, Know it, or No it Not, all I can tell you is that my Luck is running out, I get to celebrate my 72th Birthday in the year 2033 when our Atmosphere is vented into Space, and my 100th Birthday when the End of Time is completed, I was born to tell you that IAM the Light Wizzard in the Flesh, and the next Step is 14.
