

Step-24: Militia

The Militia that Jesus Bar Abbas started after the Roman Empire first started pushing Money & Taxation on People and Murdering them for not paying those Taxes and not using their Money, sometimes in front of a paying crowd, all for Fun, proving Satan was in charge, and nothing has changed, the Militia that Jesus Bar Abbas started had members like William Wallace, where my middle name of Scott comes from, Tycho Brahe got Johannes Kepler to join the Ashkenazi Masonic Militia Order, then Galilei, Kepler, Franklin, Tesla, and my family going back to the beginning, the same Militia that founded the United States of America, and were made Outlaws by their Military, after they Legally Executed Lincoln for Treason, all because the Militia work for Free and the Military wants to commit Treason for Money.

The Militia are People that Protect their Country from Treason, Trinary Militia are People that Protect their World from Treason, and its People from going Extinct all because those with Money are building Underground Cities for the Rich & Famous that know the Sky is Falling in 2027 and our Magnetosphere will vent in 2033 killing all life on the surface of the Planet, proving they are planning on letting all the People die, and so all those that want to become Trinary Militia, will build Trinary Sanctuary, those that do not can go to Hell with those digging their own graves, personally I do not care, I will be 72 years old and 100 when it is finished with the Pole Reversal, so I am not worried about dying, having Cancer, I hope to live that long just to say I told you so, death is just a new beginning, I know my Soul will find its way back to Heaven, but there are not that many Souls known as Ball Lighting left in Heaven, so there is plenty of room for Trinary Militia members, should you not want to be Evil in Hell.

Some people would rather Rule in Hell than Serve in Heaven since Money is not Allowed, nor Religion or Laws since that is Satanism, and all those Religious Sheep who sold their Soul to Satan and never wanted to get it back, will find out what it feels like to be an Electric Oven, or maybe they get stuck in a Battery Charger, and put into a Soul Cell Battery, that someone throws away, and see how that Higher Power feels.

I will only talk about Trinary Militia since all other types are Outlawed by Satan, the Church, the Governments, and all those Serving Satan, and they will not want to allow Trinary Militia in their Countries, so I will not talk about doing that, and the Trinary Militia cannot make a Deal with Satan, but the Federal Reserve will want to make a Contract, and that is a Deal with Satan, the Lessor of the two Sins is still a Sin, so after thinking about this problem most of my life for the past 60-years, I came up with a simple solution, Trinary Militia draws up a very simple solution, if they are willing to accept this, Trinary Militia will do their part.

Grant Trinary Militia Land to build Trinary Sanctuary, Equipment, Material, and Supplies to get it self-sustaining, after that time, they will build it in Rings, the Center Ring is only for Trinary Militia, the outer Rings all belong to the Federal Reserve, Trinary Militia will ensure they can meet the requirements for Energy, Air, Water, Food, and basic supplies for those Rings, for all time, meaning this is a one time deal with nothing to negotiate, the Outer Rings will need to supply more people if more are needed to meet those requirements, those will become Trinary Militia, they cannot serve two masters, and Trinary Militia must never allow Satanic ways in the center Ring, it is the Energy, Air, Water, Food and basic Supply line for the entire Complex, that is designed to survive the Sky Falling and End of Time, and you do not want people in charge of this using Money or they will only keep charging you to death for it.

The Governments would rather let everyone on the Surface Die, they have made that clear by telling nothing but Lies for Thousands of Years, but the truth is that Trinary Sanctuary has no chance of Surviving without them, and they have no Chance of Surviving without Trinary Sanctuary, as such, we know we cannot all Live together trying to settle our Differences, we do not have that much time, and people are Slow to Change, so build a Ring for every Society that wants their Own Society, you can name the Center Ring Trinary Sanctuary and the name of where it is, I hope they build 42 around the World, and tunnels that connect them all, the outer most Ring will be the Military, they will be the only Armed Ring, and where you will find me should you be looking for me, I have to ensure this is built to their Specifications, I am Military, and will be till the day I die, so build Federal Employee Rings, Zion Rings, and work together, but the Days of Buying and Selling Souls is over, all the Energy, Air, Water, Food, and Basic Supplies have to be Free for all the Rings and everyone in those Rings, and no Prisons, no Prisoners, Trinary Militia must ensure Freedom for all, and they do not get involved with other Rings at the same time, they never negotiate, nor deal with them, they must make sure they get their fair Share as well as everyone else, and why you need to have Trinary Militia.

Trinary Militia do not allow Money, nor anything like it, that includes Gambling, Barter, Trade, and anything like it, you can give stuff to people, and they can give stuff to you, but do not make it a Trade, sharing is better in a World that is limited in resources.

Trinary Militia do not allow Religion or anything like it, that includes Theoretical Science of Einstein, only Trinary Science is allowed, but the Torah or Bibles written during any Century are allowed, we cannot ban Knowledge, just Worship, the God that is all Light lives inside your body, and we should only Worship the Body of someone we are Married to, but never Money or anything like it or Religion, which is all about Money, so no Saints and no Santa Clauses.

Trinary Militia do not make Laws, Rules or Regulations, instead only use Technical Data and Technical Orders, it will be run much like Modern Militaries, but will not be trained to use Arms,

nor ever allow them in Trinary Sanctuary, it has the Military to Protect them, and all the other Rings and the Trinary Militia do not get paid, they do have Duty, Honor, and Respect for all Life, and will do their best to ensure the survival of the Human Race.

Trinary Militia does not have Slaves, they do not become Slaves, they understand that Freedom means a different way of Life, Trinary Militia will have a new Calendar based on 13 Months with 28 Days and only one Holiday to start with, that is “Star-Date”, the day the Magnetosphere Vents, causing an Instant Ice-Age.

Trinary Militia do not allow anyone to have Sex with anyone they are not Married to, this Law is absolute in a Closed Society, it does not allow Random Sex with People for Health Reasons, Trinary Militia do not care who marries who, nor care how many, as long as they are of Legal Age, same Sex does not matter, Trinary Militia is not about imposing morality on its Trinary Militia, who a person is married to is their own business and will remain that way, the Torah never said Same Sex Relationships were wrong, Evil means they cannot Make Life, so understand why the Torah said Same Sex Partners is Evil, Trinary Militia knows what Evil means, and it has nothing to do with Morality, morally you should only marry someone you love, and Love knows only who they love, and therefore not a Sin, and Trinary Militia do not have Closets to hide in, they can make it public knowledge or keep their life Secret, all Trinary Militia will have the life style that does not lead to conflicts with others, we have to have some standards of how we live, and what Technical Data is about, it shows you examples of things that are Socially Acceptable, and Public Sex never will be, that is the Darkside, and not allowed in Trinary Sanctuary, if you want to marry into a group of people doing this in Private, and that is Socially Acceptable since your Private Life is your Life.

Trinary Militia members have a choice as to what Duty they are assigned, with the exception that all Duties must be filled, and that means at times, people need to rotate duties no one likes, and try to use Robots to do most manual labor that is repetitive, and can be automated, we are not afraid of our Jobs being replaced by Machines, it is our goal, and there are some duties everyone wants to do, so you have to rotate those duties as well, so everyone gets a chance to try every duty, and that is the Goal of all Trinary Militia Members.

Trinary Sanctuary has its own Medical System, and Trinary Militia members will be that system, and all Drugs, Vaccines, and over-the-counter Drugs, need to be strictly regulated by Trinary Militia members, and Alcohol is only by Prescription for those addicted to it, but it is not allowed in Trinary Sanctuary because it is Poison, and that is not allowed, nor anything bad for people’s health, which is number one concern in a Society, Alcohol became a Drug of choice, the Torah talks about Alcohol as being Evil, because it kills more people than it does not, meaning out of all the people that use it, most of them were killed because of it, therefore never

allowed in Public, if you want to drink it in the privacy of your own home that is fine, prescriptions insure that those not old enough to drink do not get it from their parents.

Trinary Militia life will be what they make it, they will make new forms of Entertainment and Sports, to fit their needs, they will build with Entertainment and Recreation in mind, they will have their Movie Studios and make their Movies, their Children will grow up unmolested and pure till the day they are Married, and not in abusive homes with Alcoholics or Drug Addicts for Parents, this Advance Society must be built with everyone in mind, and the Children will be the first we design this life around, we make Movies we want them to watch, and not the Darkside Movies wrote to Lie to you, this new Society has no Lies to keep.

From what I have gathered in my 60-Years on this Planet, is that 100-years before I was born, the South was ran by Jews & Muslims, there were a few people in Office before Washington, an Ashkenazi Mason, but once Lincoln got into Office he was working for the Federal Reserve's Money, and quickly sold the Country to the Federal Reserve for the Salaries of Congress, who hired an Army to ensure no one took Lincoln to Court, and why he was Executed the way he was, most of the Militia were murdered during the Civil War, so it was always Congress who are paid by the Federal Reserve to commit Treason, and pays the Police Pigs and Military Dogs to Lie about Amending the Constitution to allow Treason, all so they could use those Slaves to build their Underground Empires built for only the Rich & Famous, just so they could let everyone Die on the Surface of the Planet, and their plan was allowed to go on after decades of me posting Videos on YouTube, or "YewTube", proving everyone is Satanic, and so I just gave up trying to save the Stupidest People in History, everyone of them are Satanic Liars, so I will just let them all go to Hell for their Crimes of Treason against "We the People", known as We the Sheeple, who are nothing but Treasonous Cowards, who Lie because they are Satanic.

Trinary Militia is required because everyone else at this time is Satanic and not to be trusted by anyone ever, so there needs to be a Society of People that believe Treason should not be allowed, and that taking the Mark of the Beast known as a Sheep like Ewe should not be allowed in that Society, and that Crime known as Treason and Satanism should not be allowed in this Trinary Sanctuary Society, knowing the Military was going to allow everyone to Die for their Treason, they can never be allowed to be in charge of anything but themselves, their job is going to be what they Make it, but I trust them more then I do Citizens, and why they are only in charge of defending the whole complex, that I can trust them with, my Life, so Trinary Militia must work with the Military at times, and everyone has to work together to make this work. Trinary Militia is not the Military, nor is it like it, it uses its Technical Data & Technical Orders System, and uses its Rank System to show proficiency in their Duty, they might need to work on Military Equipment and need to be trained to understand the Military way, so they can help them as required, not to go to war, but to Maintain their Ring and Equipment, so they can do their job.

I have made it clear that I am a Federal Employee, and why this deal is designed for them, I understand what they need to survive, I know their System, and I know that they would have no problem with the Trinary Sanctuary Project, I trust the Federal Reserve more than I do its Governments only because then I know who I am dealing with, and why they must be willing to allow Trinary Sanctuary, I have tried Emailing them, I guess they did not get my Memo, so this is up to the Readers, my wife and I are willing to ride out this storm, our only hope is our Dogs will live that long, we want to all go out together, how the reader wants to go out is up to you, I cannot imagine being Rich & Famous, and putting all my hope in Ceilings that are crushing down on you, no thanks, that is a Slow Suicide, so this deal will work for everyone.

I came up with the concept of Sanctuary when I was very young, growing up I never knew I had a high IQ, I knew I did not think like most people, it was not till after I Medically Retired from the United States Air Force in 1997, after finding out I had Cancer, shortly after my then wife divorced me, because I pressed charges against her Mothers Pedophile Husband, just to find out her Mothers, Mother was also married to a Pedophile, Religion Supports Pedophiles, since they are now out of the Closet and Openly Gay Pedophiles, I hated the Darkside, and wanted to start a new type of Society not based on Crime, Treason, Money, I repeat myself, since Money is Treasonous, and Religion is why all this exists, they are the ones that created this Satanic Reality, and are responsible for all the Lies, Suffering and Pedophilia that was allowed to exist in this Satanic Society we call the World today, and in over 2,000 years nothing has changed, Religious Sheep that know a Sheep is a Beast, proving they know that by following a Gay Pedophile Shepard also known as Green Pastures, you are taking the Mark of the Beast, so no one that took the Mark can deny they knew this, they knew it was the Price for their Soul, and why those in Power were going to allow you to Die on the Surface without even letting you prepare to Die with Dignity, proving Satan was really going to take your Souls to Hell, and you all will let them, knowing all this will change nothing for anyone because they are Cowards just like you and will do nothing, tell no one, and die a coward, so I understood my Role as Jesus Bar Abbas the Leader of the Militia, see, in the End it did not matter for Jesus, everyone sold him out for Money just like all of you will do to me again, lifetime after lifetime the Satanic Sheep will try to get me to Believe their Deity-God they know does not Physically Exist is Real, that is Insane and Scary, since they are Adults and should understand how Stupid that sounds, and I have no idea if I can understand this because I am Aspie with a High IQ, but I am not the only one, and they all Sold me out for Money, so it cannot be that, the truth is, I have no idea who possessed me to become Jesus Bar Abbas of all People in History, why did I have to be born on 14 January 1961 at 6:32 PM in Corona with the Legal name Flesh, I mean I have to admit, date, time, Place and Name are all the Signs the Torah gave, and all of them apply to me, and since I am telling the same exact story, it only makes sense that it might be true, but that sounds crazy even to me, I have been learning about this all my life, now it is my Life, and no one can tell me that I am not Jesus Bar Abbas back in the Flesh, because they are nothing but Satanic Liars to begin with, and was expecting Jesus Christ and will always Deny the Truth, they are Fools, and have no idea what is going on in the World today, they believed all the Lies, making them Liars.

Trinary Militia must use Logic and Reasoning and Prove everything they believe is the Truth, if they cannot prove it, then it was not true, Einstein is proof of that, everything I have written from Step 0 to this Step 24 can be Proven by anyone, so let me go over this list.

1. God is All Light without Darkness.
2. Darkness is the Rainbow of Colors in White Light.
3. A Sheep is a Beast those who follow Gay Pedophile Green Pastures take the Mark of.

If you can prove these 3 things, then you know our Soul is Light, and it takes Electricity to make Light, and this Society is based on Buying & Selling those same Souls, nothing else to know about the Truth, it is never Complex, nor something only a few can figure out, this is just common sense after you know this, and believe it, but I do not care what Yew believe, nor does the Universe, Know it, or No it Not, a Fool will always refuse to believe what is True, just to use Money, proving it was the Money they would do anything for a Price, which was their Soul they sold to Satan, just so Congress can vote themselves raises, is a bit too Satanic to understand how a Nation of Cowards could allow this, but they are Sheep with an IQ of less than 24 at this point in His-Story, and all you have to do is prove this is the truth, if it is, then you know everything I told you can be proven with just as much ease, so do it, never take my word, or anyone else's.

The reason for Trinary Militia is to see if there are any People alive that are not Sheeple because at this point, I am the only one, and from what I can understand in the Torah, that was all I was ever supposed to be, this time Jesus Bar Abbas did not come back to Kill anyone for Treason, but rather to explain to them why God is going to Execute them at End of Time.

Trinary Militia is about building an Advanced Society with the People in mind, Trinary Militia People are not like Normal People who would Sell their Soul to Satan or Take the Mark of the Beast known as a Sheep like Ewe, Trinary Militia People have Honor, Dignity, and Respect for all Life, so this is about something never seen on the Surface of this Planet since Paradise, so this is the New Paradise the Torah spoke of, so make sure you make it that, all I can do is tell you about the End of Time and what will happen, if you believe it or not does not matter since whatever will happen will happen, if the Atmosphere vents is just part of Trinary Science, so it is not a matter of if it will happen, but rather when, and I am going by a Calendar changed more times in History then I know of, but my best guess is when our North Magnetic Pole crosses into the 0 degree reference point for Ground also known as the Equator, so make sure you build it with that in mind, and build it like it will happen, no matter what anyone tells you will happen, and I can only tell you that all the Greatest Wizards in History said this will happen, and the last one was me, the Light Wizzard in the Flesh, the Next Step is 25, where I talk about Sheeple.
