

Step-04: Trinary Change

The concept behind Trinary is that it represents 3 Logical State Changes found inside of all Atoms and there are 3 types: Proton, Neutron, and Electron, so to make a Change, you have to go through a complete Electrical Cycle, we know this as Alternating Current, Tesla is known for bringing this to the World, yet he died broke, and they sold Electricity despite everything Tesla could do, all he wanted to do was stop Satan from Selling our Souls, so Change comes in Cycles, and at the start of this Trinary Change Cycle, is the Truth you can prove to yourself, if God is All Light without Darkness, that Physically Exists as Light inside all the Atoms, and one of my favorite Mainstream Scientist said, we cannot even talk to one cell in our body, so even if God could talk to us using our Cells, God would not need to use a Cell Phone, so Change comes at the Speed of Light, which is actually the Speed of the Neutrinos since Light is Static and does not move, meaning it is not Dynamic, proving change is a slow process, which involves thinking beyond your normal limits of deep thought, this is called Logic & Reasoning, and where Change begins, first there must be something Logical, then you need a reason to be talking about it.

The way most people communicate is like Sheep, they tell or hear everything they know of from a group of people who also heard it from another group of people, and before long you have a long line of people who all know the same lies, but none of them are any wiser, and why Change is Slow, if you tell only the people you know, how many do you think will believe you any more than they would believe me, and I am the one telling the story, and I was born on the very date and time calculated from the Torah, and if Jesus did come back as Flesh, it might just be a huge coincidence that I have been having these recurring dreams as long as I can remember, and Dreams are a form of communications with you while you are a sheep, I mean asleep counting sheep, count enough and you start to believe you are a Sheep, so communication is key to how others believe since they only know what they heard in their herd, think of this as being inside a sphere with no doors, and only a Mirror and a Table, you cannot think outside the box because you are in a sphere, so you have to think spherically, and look into the mirror to see what you saw, take the saw and saw the table in half, putting the two halves together makes it whole, and you use that hole to get out, that is how sheep communicate, I hope you understood.

Change is about one thing too many people, while Trinary Change is only about making one Change, and if you have been following along, you should know my punch line by now, this is a Change in Polarity, you get everyone to understand that one concept and Change will happen, because a Change like that is Life Changing, and it all comes down to how you tell his-story, because Sheep will ask what is the Book about, and will wait for Reviews, that all the Bankers, Lawyers, and Money Junkies Panned, so the Change never happens at the Upper Level, who only wants all of Ewe to die at the End of Time, so why would they care to repeat it, they can lose their ticket to live underground with the Rich & Famous who could afford to live there, and why they lie to all of Ewe about the End of Time, knowing it is in Progress, means you cannot

deny it for long, well 12 years is not long, by the time it gets out of Court this will all be over so forget I mentioned Changed, let alone Trinary Change.

For what it is worth, Mainstream is deliberately lying to people using Religion & Science, on one hand, you have Religion teaching God does not Exist, and Science of Einstein's Denounced theory that Mainstream has gone out of their way to keep alive after Einstein denounced all his theories in favor of Newton's God as the Force of Gravity, or $F = MA$, where F is the Force of God in terms of Gravity, and M is the Mass of Atoms with the Light of God inside, as such, A is the Acceleration of that Mass of Atoms with Gods Light inside of them, therefore, in Space, an Atom has 3 State Changes, each causing it to change polarity from a Positive to a Negative, while passing through ground collapsing the Electromagnetic Field, and starting it up in the opposite Polarity, and it is that very change, that most people will get lost, and say, what? You mean to tell me that all Change comes from the Torah in the form of God's Equation which is $(+1) + (-1) = 0$, and you want me to explain that to everyone I know, and then explain it to everyone I do not know, wow, you must be crazy, that was the rhetorical remarks I get from people after trying to do the same thing, and why the Human Race is about to go Extinct, and why I need help documenting the End of Time, we all know the Powers that be are about to wipe all the Civilians off the face of the Planet using Vaccines or War, little reason to believe they would ever admit that, the proof of 911 is that UFO's hit the World's Treasonous Trader Center, you think the Government would admit JAMA published a 50-Year double-blind peer-reviewed study of Vaccines and found they did not work as advertised, and actually gives you whatever was in the Injection, which is poison, so do not expect the Governments help in making any Change, let alone Trinary Change, they know they are all Guilty of Treason and the Military took an Oath to Execute them, and the Puppet Mainstream Show goes on.

I once thought that people would help me, and found out no one would, why is simple, they have bought into all the BS Mainstream has been Brainwashing them with, I try to explain to People the Truth, but they do not want to repeat it, and why is clear, they have tickets to underground Cities, it was the only Logical Explanation I could figure out for why they would be part of the Coverup, I have told his-story to about everyone I have ever met at some point if they know me long enough, I always try to give them fragments then lead up to the grand finality, which is that I was born at the very time and date Jesus Bar Abbas was to return as the Flesh, after that I lost friends as I said before, and why most people will not repeat this story after learning about it, they believe I made this all up, as if I could, so let me explain it another way.

In Step 0 we learned that in the Beginning there was Light and ever since that Time you have Satanic People known as Sheep who took the Mark of the Beast known as Ewe in Psalms 23, proving that all Religious People are actually Satanic Sheep and every Torah or Bible ever written will tell you this, so those People cannot say oh I believed everyone else that Light meant God was Good, and was just God with an Extra Oh in it, and Darkness clearly means they are

Evil, that is called Satanic Verse, anyone that does not know what Light without Darkness is, is braindead or a Satanic Liar, my Grandmother told me that Publicly worshiping Satan was Outlawed, so Satanic People inserted Christ as a Person to replace Bar/Abbas, and tell everyone Jesus was a very common name back in those days, when history proves that there was only one Jesus recorded in that time period, and his name was Jesus Bar Abbas the very person History records as being put to the Cross, but if you are Religious or ever were, you already sold your Soul to Satan, and Ewe will never Change Ewer Satanic ways, those Cults known as Churches, have always been Satanic Houses to worship Satan, known as Christ, so they could publicly get away with worshiping Satan, and have more Paying Followers and more Alter Boys, this a paying gig these Gay Pedophiles have going, they will never allow any Change, they sold their Souls, and want to sell your Soul as well as everyone's.

So far, I have proven that the Governments & Religion are both guilty of Treason under the United States of America's Constitution, and everyone using Money not printed by Congress are Guilty of Treason and that is punishable by death and will be carried out on 14 January 2033 at the End of Time, when the Human Race goes to Hell for being nothing but Satanic Liars, does that sum it up, so change, we all know the Government & Religion will not allow it, and you know why, first they have to admit they are guilty of Treason and Conspiracy to allow all the people who do not have Tickets to live underground, to Die at the Surface, and the only thing that will change is that now you know it, no one will ever change their system of Government.

I was hoping someone Rich & Famous would help me out, I will not mention their names, but they made it clear they have no interest in what I have to say, and the only reason I can think of is that they all have tickets to lose, so my hope for anyone to ever help me is gone, and why I am not going to try any-more, or any-less, all I want to do is Document the Day all these People go to Hell for Lying about Money & Taxation just like the Roman Empire, get it, we have all been here before, the Roman Empire is the Federal Reserve, so there is no hope for the Human Race so why have any hope there will be 12 years from now, everyone will read this and tell no one, and those become part of the Conspiracy to move underground, the Torah said that was Hell and where they are going anyways, so speed them on their way, but do they have to wipe all of us out using Vaccines and War, just to loot, is a question everyone needs to answer.

I lost count of what Reich this is, World War 2 was the Third Reich, so does that make this the Fourth Reich, if so, this must be World War 3, I will not use the "I's" since no one else sees this, it must be invisible, phony Pandemic to get Stupid Sheep to take Deadly Vaccines, sounds like Chemical Warfare to me, the Corona Virus is the Vaccine, Stupid Sheep will never learn from History or His-Story, we need to think about how we want to document the End of Time, maybe do a few Tours see how it goes, watch the Calendar Tick down the Moments of your Bored day, getting that much closer the Death, this Son is the Same in a Relative way but your Older, and closer to Death, so Time is not on your Side, but Satan might be.

If God did have anything to do with the date and time of my birth, and picking Mary as my Mother, and Flesh as my name, God has a Strange Sense of Humor, I mean why me of all people

is what I have been asking all my life, but then I remember that in the Torah, it said that God works in Mysterious ways, maybe I am confused between the differences, but there are so many odds in having all 3 of those be true about me, but as I said I am not normal, I survive having a ruptured Colon by growing an extra fully functional Spleen to keep up with pus production over the years of having it, I had my Descending Colon Removed via a 911 call on New Years Day in 2017, then because the Pigs arrested me in my Own Home for having a PTSD Attack, I had to have my Gallbladder Removed, so I if I can survive all this just to write about Change, any kind of Change, let alone Trinary Change, I do not expect anyone to help me since Satan only Helps themselves, I am a Military Dog who has the Lives of a Cat.

I am a Wizard, or IAM a Wizard, or even IAM a Wizzard, is all about IAM, and for any change to happen, you have to believe in God and believe that when you look into a Mirror and say IAM, it feels Right, if it does not, the Darkside has your Soul, and the way it was Translated has nothing to do with it, the Torah written before the 3rd Century was not written in English, and I had to translate it just like all the other Wizards using Witchcraft, so there is nothing supernatural about God, and if you make God into something God is not, you are a Sinner, and Satanic, God is All Light without Darkness found inside all our Atoms, proving God Physically exist as everything made of Atoms, that includes Galaxies, Suns, Planets, Moons, and all the different Lifeforms on Earth, and how many people have been telling this story for decades now? Jeffrey Scott Flesher the Light Wizzard in the Flesh, and no one else, I find that amazing.

People have the choice to believe what they want, but do not have a Right to believe what they want, the two are different choices we make in life, and should never be confused, you have to be clear what every Word or Spell means, like God, are we talking about a Deity God that does not Physically Exist, is so, not much to talk about except for the fact, yew need a safe padded room to think that over in, you cannot convince me that believing God does not Physically Exist when we know Light without Darkness Exists, is Lying to us to begin with, and only Satan would do that, so your Choice is to Worship the Deity God that does not Physically Exist, and pretend that God is an Angel in Heaven, when we all know that only Ball Lightning exist in the Heavens above us, I tend to believe Tesla was Right about that, people have a choice to look at the Word Spelled Santa and the one Spelled Satan, and understand the connection as to why, Man in a Red Suit with hidden Clause, or were the presents really Free, choices.

People talk about Change, do you think the Church wants to change their multibillion-dollar company, or that the Governments that are Treasonous Traders want you to know that, you think they want to change the paying gig they have, they would rather take your Souls to Hell with them, and it is as simple as that, these Organizations are not Ignorant, nor are the people working there stupid in any way, they know all of what I have written is the truth but will never admit it nor will they ever change, not any type of change, they never have and never will, History proves that, People have to decide if they want Change, and just leave those that want to follow Satan to Hell alone to do so.

Trinary Sanctuary is a Place, in my Dreams there were 42 of them around the World, China having the largest one and most innovative of all of them, in my dream, they got back with Japan and other countries to band together to build Trinary Sanctuary, so I hope my Dreams come

True, the Ashkenazi and Zionist meaning the Israelites will have to be in separate Rings even in my Dreams or Nightmare about them combining, and the Ash, Ke and Nazi need to recombine and put the past behind us and move on.

Trinary Sanctuary cannot be built with Money, because there is not enough of it to build these Structures around the World, and not enough Time to Debate if this will even Happen, those that do not believe the End of Time will happen, have no clue as to why they believe that but are not basing that irrational thought on any known Science, all Electromagnetic Fields must collapse when our Magnetic North Pole crosses 0 or the Equator in 2033 according to most Scientist around the World, this is public knowledge so no one can claim ignorance and claim to know what is going on, this is where the Liars are Separated as Sheep, and while most women do not like being called Nice Wool, Men do not like being called Satanic Liars who took an Oath to Uphold, Protect and Defend our Constitution and failed to do their duty, and this is me fulfilling mine, so we each have our way of asking God for Forgiveness for our Sins.

When it comes to Change, People do not want to change, they are fine being Slaves and even content about dying and going to Hell at the End of Time, most reading this will think it is a made-up story and none of it is true, most never made it past the first page, let alone read any of these Steps, they believe they can just skim it and get the concepts of it without having to take the time to read it, most say they did read it when they did not so that is how people are, they only care about themselves and do not care who goes to Hell as long as they have Tickets to Survive, but Karma does not work that way, and those that believe that Money can buy you everything will find out what theirs cost them, even then they will not learn what Greed and Lust have driven the Human Race to go Extinct, all that is left is a Documentary on why explaining to those left on the Surface that their Lives were not worth the effort.

Satanic People learned that they could hide there ways while serving Satan, and now it is time they pay for their Sin, those who believe Jesus Christ Existed in History are called Satanic Liars serving Satan, those that read this and now know the truth, understand that they cannot make any changes in Satan's ways, most of the people they tell this story to are not their friends anymore, proving no one wants to know the truth, they want to Die in their Sleep counting Sheep, so there is no hope for the Human Race, those that are in charge are clearly guilty of Treason and have plans for Genocide, and the Satanic Religious Sheep are behind this, so expect no help from the Governments that are Guilty of Treason for Allowing their Country to be a Franchise to the Federal Reserve just so Congress can Vote themselves a Raise every Year, these people will nuke the face of the Planet before they would admit to what they have done, and you know it, so why pretend to have a Constitution or that God does not Physically Exist just serving Satan, we know who you are and we know what you are, Religion as Satanic as the Governments they Service for the Franchise we the People Pay for with our Lives just so Congress can Vote themselves a Raise while building underground Cities that few have tickets for, just ask anyone about this, if they want to pretend it is not the Truth, they have Tickets, no one is that Stupid as to believe all their BS, they would have be beyond retarded, Sheep what can I say.

The problem with most people is that they are normal, meaning an IQ around 70, but they know only Lies and have never been told the truth in their whole life, and why it confuses them to hear

it and to think they learn this on the brink of the Human Race going Extinct, and they know they were chosen to Die on the Surface, and why the Military Dogs have built Pig Pens around all the Military Bases, they will Vaccinate all of Ewe and let Ewe Die on the Surface of the Planet telling you this is not going to happen, you know they are lying because their lips are moving, and you know they are guilty of Treason and will not even talk about the Oath they took to the Constitution, so why trust them, I am one of them and I learned the hard way what happens when I trusted them, it is why I was Medically Retired, they still Push Vaccines, proving Evil.

True Trinary Change will never happen in my lifetime, if I live to be 72 and get to be sent to Hell on my Birthday, that is God's will and not mine, God Created everything made of Atoms, Einstein Removed God thus Atoms, and Religion sold your Soul to Satan by getting you to take the Mark of the Beast known as a Satanic Sheep like Ewe, that Joke never gets old, unlike myself, with Cancer I am not so sure I will live long enough to go to Hell, and why IAM the Light Wizzard in this Flesh, and The Next Step is 5, the Star.
