

Step-0: In the Beginning

In the Beginning there was Light, that Light was defined in the Torah or Bible as God who is All Light without Darkness, and this is where this Story begins, the day the Prophecy stated that Jesus would return in the Flesh, 100-years before the End of Time, and was calculated by Sir Isaac Newton, who was born on 25 December 1642 under the Julian Calendar only the Military use nowadays, under the Gregorian Calendar it was changed to 4 January 1643 then they removed 10 days making it 14 January, and Newton wrote that on that date in the year 2061, the End of Time would be complete, so that takes us up to the date of 14 January 1961, 100-years before the End of Time, to a Town called Corona, where on that date at 6:32 PM, I was born and given the name Jeffrey Scott Flesher by my Mother who was named Mary, and I grew up being called "Flesh", and when joining the Air Force, it was noted that I legally sign my name "*Flesh*", and I have been telling this story about the End of Time since I learned to talk at a very young age, so this is my Story about a Light Wizzard who came back in my Flesh, where the Light is God inside my Atoms, and Wizzard with two Z's is the Wizard in my Dreams, telling me this story I am about to tell you, how my Cousin Isaac Newton wrote about who was going to be born on that very date and time written on paper in the year 1666, so being born on that date at that time and having the legal name of Flesh, it is clear to me that I came back at the End of Time to explain the End of Time to People, most of whom have taken the Mark of a Beast known as a Sheep like Ewe, who eat Yew, a variety of Tree, one known as Taxus, that makes Sheep Insane, *believing* in the *lie*, Religion uses to get Stupid People to believe in Taxes while they have their 501 Blue Tax Shelter, all so they can send Sheep to Hell for using Money not Printed by Congress, proving they have no Constitution, thus no Rights under it. I am following in the Footsteps of Nikola Tesla who proved we are all Light Beings, proving it takes Electricity to make that Light which the Torah and Bible call God, is our Soul, our Brainwaves are proof of this, proving all those that Buy and Sell Electricity are Dealing in Souls, and therefore Satanic, and where His-Story begins, just before the End of Time, this is His-Story about the End of Time when only lying Evil Satanic Sheep exists.

To understand anyone as complex as me in the Flesh, you have to know a few things about me, and why I grew up confused about many things, like being born Left Handed and forced to use my Right Hand, just so I would not be Left Handed like my Father, who also had the Highest recorded IQ out of High School, all because I was born from a family of Engineers, my Grandmother on my Father side was designing Swept Wing Aircraft at the Pentagon where she met my Grandfather, a Navy Submarine Engineer, somewhere between the years of the late '30s till 1948, when he was reassigned after having an issue with plans to bomb the Pentagon and some target in New York to start the next War, but all Wars are planned out years in advance, and this was just another Reich, and 911 turned out to be an Attack by UFO's, these are Aircraft that do not have tails, like the ones that hit the World Trade Center, just go back and look at all the Pictures and you will notice no tails, proving they had no tail, and only UFO's have no tails, my Grandmother was very upset over that Faked Event, she said no one can be that stupid as to believe UFO's hit the World Trade Centers and then call them Aircraft that have Tails, she was right, but people really are that stupid, as I found out after joining the Air Force,

and working on a Swept Wing Aircraft called the (E)F-111, which my Grandmother designed and her Son, my Uncle fix a stab issue while building, so I have a long history with this Aircraft, and maybe that has something to do with the Medal I got for improving it by 30%, bringing it online in time for the Gulf War, which flew over 96% of all the Missions, and since they flew mostly on the Autopilot system that I specialized in, I take responsibility for all the Damage it inflicted on Iraq, after the 1991 Gulf War, I got to see some of my work while stationed there in Air Rescue as a Helicopter Crew Chief on the MH-60 Helicopter, I was stationed there from 1995 to 96, then sent to Kuwait to work for Special Operations as a Helicopter Crew Chief on the MH-53, getting my second Medal for winning the Secretary Defense Maintenance award, for Special Operations.

To understand how Wizard's view the World, you must understand what a Wizard is, and History calls Sir Isaac Newton "The Last Magician", meaning the Last Wizard, but that title was taken by Nikola Tesla, but just to be clear, a Wizard is someone that is at the top of their field of study. You would have to learn Witchcraft to understand the Torah or Bible that was written using Witchcraft, which means the Art of using Words known as Spells that have more than one meaning, and why the Church had its Members of Sheep, hunt down and murder all Wizards and Witches, those People who follow a Shepard in Psalms 23 take the Mark of the Beast known as a Sheep like Ewe, a Witch is someone that knows how to read and write Witchcraft, and normally a Woman since they are better at it, but does not denote a Gender, nor does Wizard, most Wizards are married to a Witch, and some of the Wizards are Female and the Witch Male, so never confuse what Religion has to say about Wizards or Witches, knowing the Church Murdered Jesus Bar Abbas for Money. Jesus was the Leader of the Militia that defeated the Roman Empire for their use of Money and Taxation. Wizards like Kepler, Newton, or Tesla, are at the Top of their field of Study, but few know about them, all because Alchemy or Science was ban by the Church, who only allowed the Science of Einstein, who took God out of his Universe, turns out that does not clash with their teaching that God does not Physically Exist, meaning God does not exist, like Jesus Christ who never existed in History, a Deity means they do not exist, and according to the Torah or Bible only Satan would teach God does not exist, or believe it, one sign of the End of Times is when everyone is Satanic and do not know it, Buying and Selling Souls is proof of this, the whole world is Satanic and the Religious are the worst Satanic Liars.

Growing up I always knew about all these things I am telling you now, but I always thought I had time to get people to stop being Satanic and Wake Up to the End of Time, but now that I am over 60, and only have till 2033 to convert enough of those Satanic Sheep back into People, and then build Sanctuary so they can survive the End of Time, wow, the Torah, which is what all Bibles are based on, just so I do not have to say both, I am a Non-Practicing Jew, an Ashkenazi Jew to be more specific, the Ash is where I get my White Skin, but White like Black, or Dark, where the Nazi come from, is not a Color, nor are shades of Grey the Ke come from, just Tribes of Jews, when 3 Tribes unite they call it a Triad, so the Torah was talking about Tribes of People, whereas the stories in the Torah are about Stars, Christ means Star, and not just any Star, but the Star I was born under, Sirius, a Binary Star in the Belt of Orion or the 3 Kings, and why the Ages in hundreds of years, is the age of that Star. True Christianity is the Study of Stars, Kepler found that in the Torah written before the 4th Century, only Satanic Liars will tell

you the Torah was written after the 3rd Century since Tycho Brahe had a set, and where Kepler found out the Birthday of Jesus Christ, was a Star Date that Jesus Bar Abbas was born under, and whose Flesh his message was born into, so growing up I knew about these things, but was hoping I would die before I had to do anything about them, but if God is keeping me on this Earth till I deliver his Children from Hell, then that is what I will do.

My Mother Mary died a year after my sister was born, my sister is a year younger than me, we learned to ride horses before we could walk, but that all changed after she died, my Father remarried, and my new mother was Aloha, which is where my Nightmare begins. My Grandmother told me a story about my Mothers Mom, Niva, who had Native American Blood of the Sioux Indians, and married my Grandfather Robertson or Son of Robert the Bruce from Scotland, my Father's side came over on the Phoenix from Germany in 1752, and changed their name from Fleischer to Flesher, by removing the IC from our name, and have William Wallace in our family line, and my middle name of Scott comes from the two Scottish blood lines, where our family settled is called Weston West Virginia named after my Great-Great-Grandfather Henry Weston Flesher, and we had our share of problems with Indians.

Growing up in Corona in a totally Masonic family that dates back to Johannes Kepler, my Grandparents could not have been prouder of me, that is what they told me anyways, like I had a choice of what date and time I was to be born on, 6:32 PM was my Mother's Mary's time to have me, and it almost cost her, her life, and after my sister was born, she had no life left. My Grandmother told me the Vaccines gave her Rheumatic Fever, my Grandfather called it Chemical Warfare, and Labeled it as the Corona Virus since that is where she went to School and got the Vaccine that Killed her, and almost killed my youngest of two daughters, both grown adults now, both Doctors I never hear from, after her Mother divorced me because the Military Medically Retired me, and I was going to press charges against her Mothers Husband who molested one of my daughters as a teenager, just to find out in court that their mother was molested by the same person since birth, and was also molested by her Mothers, Mothers Husband, so a Family of Pedophile Handlers, Satan came into my life and took my daughters away from me, and my Grandmother warned me about her, she never did like her for some reason, now I know why, found out the hard way, I was Medically Retired and Divorced in the same Month of November in 1997, and was retired in 1999, and that went 100% disabled in 2004, so now that we are up to date on my growing up in Corona, my father jumped bail and fled to Phoenix Arizona, later moving to Tucson, where him and my Step-Mother got divorced and she married Merlin, a Guitar Wizard who was only 8 years older than me, or the same age as her son, my Alcoholic Step-Brother, where my life went sideways in a flash, as my Step-Mother was talking to someone on the phone, next to a Pirates Ship in the middle of the Desert, she told me she threw away my Cousin Isaac Newton's Notes because she needed the box they were stored in, then blamed me for my Father not taking her back because of that, he remarried, not sure what her thinking was, but I knew what she was thinking when she stepped on my foot and pushed me over, than crawled across the highway where she was hit by a car that dragged her down the road, and why my Steps do not talk to me, so now that we are up to date on all my personal details, I can start to tell you were all this is going, the End of Time.

People want the 3-minute version of every story, but his-story is not one I can tell in that short of time, without condensing the story as I have above, those are just fragments of my life, and what this all comes down to, is how to put all those fragments into some kind of order you might understand, and if you have not figured it out by now, let me explain to you that Sir Isaac Newton was Autistic in the High Functioning Spectrum known as Aspies, and the Military diagnosed me as having OCD in the Spectrum of Autism, although it is a given you are Autistic if you have OCD, having it in the High End of the Spectrum is common, and this is why I write the way I do, most people want to brag about how high their IQ score is, I tried to hide mine growing up, first time I tell anyone I have an IQ over 180 and IAM Jesus Bar Abbas back in the Flesh, I tend to lose friends, lets hope I do not lose Readers.

When I joined the Air Force they make you take an ASVAB test, it has many parts to that test, for example in Mechanical I scored 99% out of 99%, there is no 100%, kind of like the Y2K Bug, only two digits, most people only take it once in their career, they had me take it so many times I was starting to wonder about it, some one told me they were trying to fix their test, Electronics was really bad, all because most people believe in Einstein, who was legally Retarded to me by the 3rd Grade, when I tested over 180 on an Adult IQ test my Father holds the record for, so just in case you do not understand Military ASVAB scores, you can FOIA the U.S. Government for mine as proof that I am not making this story up, this is a true story and I do not make up anything, so look it up, 99% means I have an IQ over 180, and Einstein only had an Adult IQ of 160, mine is 20 points higher, to understand this, Normal is 70, and Retarded is 20 points lower or 50, but my IQ is common for Aspies, more Women than Men, so if I write a little confusing at times, it is due to my IQ, everyone with an IQ of 160 or better was Autistic, for some reason, wizards like myself, who include: Kepler, Newton, Franklin, Tesla, and even Einstein, who was also an Ashkenazi, and they are known as the most Intelligent Race on the planet, so read their work before judging me on mine, if you want to do research my Father's name was Robert E. Flesher or Lefty, and his IQ score was published in the Riverside Newspaper the year he graduated High School in Corona, he was born on 11 February 1941 in West Virginia, as was his father Herbert Walter Flesher born 27 January 1901.

Like most people my age, which is over 60, we look back and try to make sense of our life, and wonder how the time went so fast, my Memory is not normal, little about me is normal, my sister and I hated to carry books, so I trained my mind to memorize the pages of the books, and we would just spend hours flipping pages, then go home and read them at night, I read about this technique in some notes of Tesla's, I soon discovered Cluster Headaches, Tesla had them, pretty much how he describes them, I get them when I get over stimulated from thinking since everything I think of is an image, everything I can imagine I can put into my vision, much like John Nash who had a "Beautiful Mind", I was diagnosed as being Schizoaffective, but unlike Nash, I always know what is real, unlike most people who are totally Schizophrenic and do not know it, but just to be clear, most of what I see in my vision that is not real, is something I put there by choice, I learned how to do this, and was not born that way, this is a learned behaviour most people can master in 60 years. I was diagnosed in the early 90's and the Military kept me on active duty for over a decade after that, so it has never been an issue, eventually I learned Oxygen will help with the pain and disorientation, it is a lack of Oxygen caused by too much

thinking or over stimulation, and I have been on Oxygen for over 20 years now and doing much better with it, but few understood Tesla the way I do, and why is clear, the Darkside.

Everyone has a story to tell, but most of the time that story is about the Darkside, most people believe they are on the Lightside, the test is simple, if you Buy and Sell Souls you are as far into the Darkside as you can get, if you ever believed God did not Physically Exist, and believe Jesus Christ did, you have no concept of what the Lightside is about, and I have to assume you are on the Darkside, and never had a clue you were going to Hell till you read this Story, and never tell me the Deity God and Jesus Christ the Deity Son are the Lightside since they both do not Physically Exist, the Torah tells you Satan only Tells Half-Truths known as Lies, God is All Light without Darkness and that Physically Exists as Light inside all the Atoms in the Universe, kind of hard to miss since everything is made of Atoms, everything was created by God, but not to Sheep who are in the Darkside, they believe in a Higher Power, this is known as BS, or *Belief* System that has a Lie in it, God is All Light without Darkness, it takes Electricity to make Light proving Electricity is the Higher Power, so pray to that and stop Buying and Selling Souls proving you are Satan, and the choice has always been yours to make.

Jesus Bar Abbas, like myself, was Militia, but in my time the Militia was outlawed after Executing Lincoln for Treason, and Bush Junior made it treason to take back this Corrupt Country from a Treasonous Regime, so let me spell out the Law to you: US CODE of FEDERAL LAW TITLE 12 CHAPTER 3 SUBCHAPTER 9 SUBSECTION 341, <https://uscode.house.gov/view.xhtml?path=/prelim@title12/chapter3/subchapter9&edition=prelim>, so see who the Enumeration of the Powers Act puts in Charge, and I know most people never read the Law, they do not even Read the Torah or Bible, if they did, they would know it was only written for Sheep, so let me explain US Code of Law, that come from the White House, the one at 1600 Pennsylvania Ave North West, Washington, DC 20006, so let me explain this.

First. To adopt and use a Corporate Seal.

§ is that Seal, it is a U & S, superimposed on top of each other.

Second. To have succession after February 25, 1927, until dissolved by Act of Congress or until forfeiture of *Franchise* for violation of Law.

This one basically states that the U.S. is a Franchise to the Federal Reserve, and in 1933 they dissolved Congress, and then they stole all the Gold in the Country with Executive Order 6102 Trading with the Enemy Act, proving they were by forfeiting the Country, filing Bankruptcy, that we are still running under that status today since we cannot make the Bank Interest Payment. We the Sheeple of the United States, bought into this Franchise with our Blood, and would die defending it, and why so many pretend we have a Constitution, because stupid Sheep do not understand the meaning of Only Congress can Print Money, a loophole in the Constitution, and why my Family refused to sign it, suspended 100-Years before my birth, in January of 1861.

Third. To make contracts.

Masonic Orders are Numbered, the First 3 are always Free, this is where Freemasons came from, the Love of Money, during the Civil War the Bank made a Contract with the North & South, funding both, not caring who won, because everyone already lost the Country.

Fourth. To Sue and be Sued, complain, and defend, in any Court of Law or equity.

This is the Whole Game, Sue, there are four more and 7-years bad luck to go, but I will pick it up in the next step, everyone working for Money is guilty of Treason working for the Federal Reserve who print their money proving the Treason, they own the Courts and Government.

This is just the Beginning of the journey I am about to unfold in writing for You, Ewe or Yew, to read and try to understand what this is all about and why

IAM the Light Wizzard in the Flesh.
