

Step-06: Numbers

They say Numbers have more meaning than just their value, so let us look at Numbers and their Values as well as their meanings, and see if this is Witchcraft, which is the Art of using Words & Spells that have more than one meaning, so ask yourself if you believe Numbers can be Witchcraft, and if so, what are their meaning, and do we care.

The History of Numbers dates back to the Torah, Johannes Kepler wrote that all Numbers are made of Angles, and is known as Angelic Script, meaning that there are Angels named after every Number, and the first Number is 0, and that represents God, and since this is based on Trinary Math known as the God Equations: $(+1) + (-1) = 0$, and this is also known as the Holy Ghost Spirit of Mother Nature, 1 represents both the Father & Son, only their Signs differ, the Father is the Positive 1, the Son is the Negative 1, as seen below as Calculus Sir Isaac Newton found in the Torah:

(+1) -*-----*-----*-----
0 ---*---*---*---*---*---*
(-1) -----*-----*-----*---

The Graph of God's Equation $(+1) + (-1) = 0$, is something that amazes me the most of all of Newton's findings in the Torah, discovering Calculus in the process is even more amazing, Newton never did say he invented it, he said he Discovered it, and now you know why, as he tried to understand all the complex mathematical concepts found in the Torah, it became clear that there was more that he could not learn, then there was concepts he did, he said the encoding of the Torah Code, is done in many directions, not just horizontal, vertical, and diagonal, but through pages, making 3 Dimensional aspects to the Canons as well, and they did go horizontal, vertical, and diagonal, deep into pages, and even Kepler said Brahe said the same thing, and he might have been the first to find it, who knows, the Knights Templars Murdered all of them they could find, and the Church members, or Religious Sheep, meaning those that took the Mark of the Beast known as a Sheep like Ewe, who follow a Shepard into Green Pastures, Murdered the rest of them, so it is no wonder few know the story I am telling now, Newton is Public Domain, so you should do some research into more of what I did not talk about that he thought important enough to mention, so I will just cover the more important things you should learn from him.

The Number 0 has no Angles, this is because there are 0 Dimensions, there are 3 Dimensions, the first is the 1st Dimension, it has 1 Angle, the second is the 2nd Dimension, it has 2 Angles, and the third is the 3rd Dimension, and it has 3 Angles, and so there are only 3 Angels, the Father, the Son, and the Holy Ghost Spirit of Mother Nature, there are more numbers, just no more Angels

that I care to know the name of, the truth is Kepler did not talk about any other than the 3, but Newton had names for all of them, they were something like this, but I am going by a memory of when I was 7 years old, so take it for what it is, I have no idea what the order represented, he did not say, and I would only be guessing.

0. God

1. Father & Son

2. Saraqael

3. Michael

4. Raguel

5. Raphael

6. Ariel

7. Gabriel

8. Uriel

9. Remiel

The story about Trinity in the Torah, is the above God Equation, it is said that there was once a woman, who saw a Ball of Lightning floating down from the Heavens above, she said to her parents look, and as they did it disappeared into their daughter, who fainted, and months later it was clear she was pregnant and had a child that came to be known as the Nephilim, and we know there is real science since we know it only takes a Spark to fertilize an Egg, but no genetic material is passed on in this manner, so this woman gave birth to her clone, and it is said that Ball Lightning was an Angel, and that was now her daughter, a child from God.

I adlib or paraphrase whenever I write about a person History calls a Wizard, and Kepler was a Wizard and said that Numbers are Characters you can Count on, not as a pun or joke, or even a riddle, but figuratively, they are all made up of Angles, so you can Count on them, meaning to physically write down the Character 1, and know it has 1 Angle, for example, $1 + 1 = 2$, I count all the Angles on the left side, and they should equal the number of Angles on the right side.

Once you view Characters of all the Numbers: 0, 1, 2, 3, 4, 5, 6, 7, 8, and 9, you can see the pattern of Angles, you need to draw them boxy looking, the 8 looks like an hourglass, the 6 and 9 have a box shape, you have to add Angles, and you can make up your own as long as they add up to the number, and 0 is always round since it has no Angles, so it is Witchcraft, but understandable Logic & Reasoning because it is based on Alchemy.

The History of Numbers has been hidden by the Church and its Members for two thousand years now, and why few know the truth, those Worshiping Satan, must be either Religious or have Science based on God not existing, like Einstein's denounce Theory, and to believe either of these Cults, you have to believe God does not Physically exist, or God does not exist, which is the same belief, which is based on Light not Existing in your Universe since that is all God is, besides the Number 0, the Holy Ghost Spirit of Mother Nature, as such, God is a Female Symbol and is only one of the reasons the Church Lies about what God is, they worship Satan.

My Cousin Benjamin Franklin wrote that Numbers are the Truth about Reality, because Math has to be correct in any Language, and the Numbers in the Torah can be used in any Language once you understand the Angles, so what he was saying is that Math is the Universal Language once you understand the Numbering System of the Torah and Angelic Script, and he is right, but few know of my Cousins writing, few know of me, or of my Reality, so all our Realities should be the same when it comes to Numbers, but they are not, unless you understood my Cousins, and both Isaac Newton and Benjamin Franklin, believed in the Number System in the Torah, and wrote more about Numbers than most people I have met today, so what is it about this Number System that the Church requires all its Members to Hunt down and Murder all the Witches & Wizard throughout History, just to keep this Number System a Secret, were you taught this in School is a question only you can answer, but I know I was-not, so I assume you have not.

If you want to create a new Society, create an Advanced Society, and base it on the Angelic Numbering Script with Numbers you can Count on, and teach people how to count on Numbers, but teach them why the Number System was invented, and how to use it.

A Numbering System Font is at the heart of how we view Numbers, and I have never seen one with Angles that you could count on, and I find that very confusing, considering it is the oldest known Numbering System.

There is a Masonic Legend about Lucky and Unlucky numbers, and the number 13 is considered both, one person's Lucky number is someone else's Unlucky number, and it is just a fact a lot of buildings do not have a 13th Floor, that proved Unlucky for one person whom Bungee Jumped from the 16th Floor, and did not account for that fact, Darwin Award recipient, and there used to be a 13 Month Lunar Calendar that had 28 days each, and someone thought that was Unlucky, so they changed it, Kepler said in the Torah before the 4th Century there were 12 Astrology Signs, and they were replaced with 12 Disciples when Jesus Christ was inserted into the Torah after the 4th Century, and the United States was founded with 13 States, and you will find a lot of Masonic Symbols with 13 items, 13 Steps, 13 Feathers, 13 Arrows, and the list goes on.

Newton said the Masons use 13 to show who knows Jesus Christ was inserted into the Torah and said the Masons knew, so those who founded the United States knew, but Benjamin Franklin did set up Fake Masonic Lodges, so not all the Masons would know the secret behind 13.

The Last Supper never happened to Jesus Bar Abbas from what I could figure out, without having a 3rd Century Torah to compare to the 4th Century Torah, talking about differences is futile, from what Tycho Brahe wrote, most of the good stuff was in Page Border Artwork, that is where God's Equation was found, the text is obviously altered to insert Christ and the story of two Jesus's, where the People picked Jesus Bar Abbas to go free, whereas History proves Jesus Christ never existed in History, and Jesus Bar Abbas was executed by the Roman Army for Money, but as Jesus told the Soldiers that Law was not Legal, and Money had no Value, and that Moses was a Mass Murderer, who came up with the concept of Money and Law to get people to take the Mark of the Beast known as a Sheep like Ewe, and was telling them how the Church was using the Roman Soldiers to Serve Satan by Murdering People for Money, and how they were Buying & Selling their Souls with Money, and was just getting into the details of how the Church was doing this, when one of the Churches Members grabbed a Spear from a Soldier and stabbed Jesus in the Chest to keep him from talking, but it was too late, and the Soldier that they took the Spear away from, killed everyone in that Church and all its Members, then went town to town doing the same till they were all gone, and after they were all gone, so was the Roman Empire, turns out it was the Church, and I doubt if anything has changed over the Centuries.

The Torah written during the 3rd Century that Sir Isaac Newton and the King owned, should still exist today, I just have no idea who owns it, my guess is Masons, they may belong to Royalty or Parliament, it is hard to guess at, too many people had access to them, but whoever has them, is not making it known, so my guess is that they do not want anyone knowing the Truth.

There are many Numbering Systems: Unary is Base-1, Binary is a Base-2, Ternary is Base-3, Pentagon is Base-5, Senary is Base-6, Octal is Base-8, Decimal is a Base-10, Dozenal or Duodecimal is a Base-12, and Hex is a Base-16, so we have a lot of Base Systems of Math.

Throughout time, and documented in History, is the Church pushing its BS, or Belief System, onto people, they have always used Religion & Science to get people to take the Mark of the Beast known as a Sheep like Ewe, so their Religion & Science must be the same, and all Religion regardless of what faith, or what you call a Church, Christians, Jews, Muslim, all use the Torah written after the 4th Century as what they call the Truth, and what Sir Isaac Newton and the King, proved was a Lie, and you would know this if you had inspected the Canons of the Torah from serval Centuries before the Church and its Armies of Religious Sheep, and Knights Templar, all burned the versions written before that time, just to get people to Worship Money, better known as a Deity-God, the Church became the Hospitals, and you will never find one

without them in it, they are what Sir Isaac Newton called Satan Buying & Selling Soul, as Johannes Kepler wrote about what Tycho Brahe told him about the Church, if they knew he had the Torah written before the 4th Century, they would burn down his house with everyone in it, and this was true in Newton's time, even the King was powerless over the Churches Armies of Sheep, and nothing has changed to this very date in 2021, the Church uses Satanic Religion & Science to Buy & Sell Souls and to get people to take to Mark of the Beast known as a Sheep like Ewe, proving they know this, only Stupid Sheep could be so Retarded.

The Trinary Universe is about the Truth, and there is no other way to tell it, but as History, I take the viewpoint of the Witches & Wizards throughout-time since I am both, a Witch is a person who can Read & Write Witchcraft, and Gender does not apply to either a Witch or Wizard, because a Wizard is just a person who is at the top of their field of study, and I am not going to tell you that you need to be Autistic to be either, but I am limiting my discussions to people with an IQ over 180, mine is on record and you can FOIA it, I have 99% on Mechanical on my ASVAB score, and I normally limit my discussions to Kepler and what he talked about, which was Brahe at times, and I have to distinguish between Sir Isaac Newton, and my Cousin Isaac Newton who was an Ashkenazi named after dead relatives, as I do with Benjamin Franklin, and I talk about them a lot, they were the ones who figured this all out, and Nikola Tesla knew all this, and much more, he found out how the Pyramids used Electric Generators, and found that going deep into the pages of Torah written during the 3rd Century, he found they crossed into other Canons, and not just between pages in the same Canon, and I make this claim but cannot prove it without both versions, but Tesla "Claims", that if you put the Canons in the right order, the whole set reads as one Book, you have to read through each page, and into the next Canon, one after the other, just for one page, and the page markers are in the Page Border Art, as is all the Good Stuff, as Edmond Halley put it, but the truth is, even the Altered Set still contains the Text, it just inserted more than was there, and deleted the same amount, but lost all the Page Border Art, thus all the Science of the Torah, just to control People like Sheep, and why I call them Sheeple.

The Torah prior to the 4th Century used complex 3 Dimensional writing using Page Border Art, the Text really did not matter, and if you read it, it is Witchcraft, so all the Words & Spells, have more than one meaning, but Psalms 23 is clear about the fact you have to Take the Mark of the Beast known as a Sheep like Ewe, the way it puts it may not be as Transparent as my Paraphrasing, so for those of you who have an IQ of less than 180, only a Sheep follows a Shepard through Green Pastures, and a Sheep is a Beast, and all those People who are Religious, took that Mark, and if you ask them, they will even admit it, so they know they are Serving Satan, that is what any Torah still tells you, regardless of what year it was written, whoever altered it, was not a Witch nor a Wizard, they made way too many mistakes giving it away, none of the insertions have any 3 Dimensional aspect to them, and it destroyed all of the 3 Dimensional writing by altering it, and then paying people to destroy all the copies written before it, lost all the Science in the Torah, for some Satanic Belief in a Deity-God that does not

exist in their Religion nor their Science based on a denounce theory of Einstein's, which he had to denounce it after Tesla told the Reporter that cornered him that by removing God from his Universe knowing God is All Light, meant that the Constant for C in $E = MC^2$, was removed as well, leaving you with $E = MA^2$, and that is Newton's math, and why we still use Newton's Math to this day, just to hide the truth about the Torah and 3 Dimensional writing.

There is plenty of proof that the Church still has the Torah written before the 4th Century, that the Church has its Witches & Wizards, that has decoded the Torah before the 3rd Century, but I have no way of knowing if this is true, but I do know of what I can prove that is in the 4th Century Satanic Version of the Torah, and that is Sodom & Gomorrah, and Jericho, so I do know the United States Government took Nikola Tesla's version of the 3rd Century Torah since that was not listed on the Inventory sheep of FBI Agent John Trump, the Fake Presidents Uncle, and that is how they figured out how to make God Bombs, otherwise known as Atomic or Nuclear, the United States as its Witches & Wizards.

The Torah is only about Alchemy and is written using Witchcraft that is known to all Witches & Wizards, and Chemical Warfare is the Oldest Trick in the Book, Sir Isaac Newton wrote that just before the Great Plague of his times, Church Members were caught dumping something into wells around towns, and they used the Holy Water excuse for causing the suffering of all those people, Holy Water that Newton tested and found it was the Source of the Plague, and anyone that tried to do anything about it died, and they are doing the same with the Corona Virus, I was born in Corona, so maybe I am the Virus they are so worried about.

Tesla said the math of the Torah is a Matrix Math, you draw a grid, in this case it is an overlay, a blank paper that you cut out on word you want to follow, you move page to page with this overlay and write down all the words it makes, you have to go Canon to Canon front to back, and now you have your Matrix Data, this is Witchcraft so every Word or Spell has more than one meaning, and you must determine the Logic to understand the right path to take, the passages never make much sense at times, you cannot just read it, and would conclude there is nothing to it, but that is not true even with Altered Versions, it still has a lot of code that was not altered, but it is fragmented, and no longer 3 Dimensional, but Tesla said he found some, Psalms 23, the Numerology Witches & Wizards use is called Adding it up or down, or going sideways, which means multiply, or it is upside down, or division, so adding it down we have $2 + 3 = 5$, and that is the Star Raphael, which is known in Astrology as Aquarius the Bringer of Water who is said to Stir the Seas and Lakes together at the End of Time, proving that this Matrix Math is very important if you want to understand the Torah, but it goes deeper, $2 \text{ time } 3 = 6$, and that is part of 3, 6, 9, a sequence of events that are all chained together, the 6th Angel was Ariel, who was always accompanied by Uriel the 8th Angel, it is said there are Even and Odd Angels, and in the 3, 6, 9 sequence, 8 plays a role known as a Harmonic, and why the 6th has an 8th and why both are about the Forces of Mother Nature, so that is the Matrix Math, and Tesla said the story is

about People following a Shepard through Green Pastures, those taking the Mark of the Beast known as a Sheep like Ewe, they get them to Buy & Sell Souls by Buying & Selling Electricity by the Kilowatt, knowing God is All Light, and our Brainwaves are Electricity, we know they are Buying & Selling our Souls, and then they use their Money to build Underground Cities, and let all of Ewe die when the Sky is Falling in 2027, or the End of Time in 2033 since we know that is when NASA said our North Magnetic Pole will cross the Equator, thus like all Electromagnetic Fields will collapse, considering our Magnetosphere is the only thing holding in our Atmosphere, we all know where that is going, and why the Sign of the Bringer of Water, and Angel that will Stir all the Seas and Lakes together, would mean a major land shift during this End of Time event, and why the Church Lies is simple, they get Paid to Lie, if someone was paying you to lie to them, would you stop, is a question about your Morals, and not theirs since it is clear they do not even believe God exist, they prove this by what they preach passing around the Money Pray-Tray, knowing Jesus was Murdered for Money, next Step is 7-Sins.
