

### Step-03: End of Time

The End of Time is what the Torah or Bible talk about the most, and the reason is clear, they are warning future Generations to prepare for this Event, but Satan, also known as Bankers, the Rich & Famous, those who work for the Federal Reserve, believe they are better than what they call the lower Class of Citizens, and are purposefully lying about Religion & Science, all because they believe their Underground Cities will Survive, trust me, they will not last the first day, because they were not designed to Survive the End of Time, proving Money cannot buy you Engineers who know what they are doing, and what is Evil about this, is that they are going to let everyone on the Surface of the Planet to Die, and most people prove how stupid they are by allowing it, and why the Torah calls them Sheep and I call them Sheeple.

Religion is about converting People into Sheep taking the Mark of that Beast, so never listen to anything there kind have to say, they are nothing but Satanic Liars and will spend all Eternity in Hell, and all for Money, that is what Religion is all about, making Sheep believe Bar/Abbas was the Bad man for Protecting people from the Roman Empire for their use of Money and Taxation, then they got the Science Community to go along with all the Lies Einstein told about an Alternate Universe in an Alternate Reality proving everyone that is Religious or believes in Einstein, are Satanic Liars not to be trusted since they are all Guilty of Treason for using Money not Printed by Congress and they are conspiring to commit Class Genocide, proving they are Satan and trying to kill all its Citizens who are nothing but Liars and Cowards who are Guilty of Treason and deserve to go to Hell, so I have no interest in saving Stupid Satanic Sheep.

I live in a time where everyone is totally Satanic and they do not even know it, all because they define Alcoholics to be someone that drinks more than they do, and People that view themselves as not Satanic, yet they Buy and Sell our Electrical Souls by the Kilowatt, proving they are so Satanic they do not even know it, and all because of Religion and Mainstream Einstein Science, way to go Human Race of Satanic Liars, the End of Time will take all those Sinners to Hell, and the first to go will be all the Underground Cities, they will be Flooded and drown like the Rats they are, and Politicians & their Police Dogs will die and be reborn as Flies that Fly around piles of Dogshit for all Eternity, Satan's Children never get to go to Heaven, and why they want to take everyone with them at the End of Time.

In 2033 it will not be possible for these Satanic Liars to keep up their Lies and why they have a Military to put down its Citizens like a Dog with Rabies, so the Powers that be can Loot the Cities above ground before going underground, the stage is set for this War on Stupid Satanic Sheep who Trusted the Treasonous Governments that made it Treason to do what the Constitution said you have to do, Treason is punishable by Death, and the Military is guilty of Treason, and they refuse to do their Job, the Oath they Took means nothing to those Satanic Cowards, they make me sick to have to take their Illegal Orders, Citizens are the worst, they are

nothing but Satanic Liars and they deserve to be put down for Treason, and the End of Time will Judge all of you, and send all of you to Hell, and you are too much of a Coward to do anything about it.

People want to blame the Bankers, it is just a Fact they are not Human, they are Parasites, much like a Tic, a Politic, like Lawyers who are directly responsible for all Treason in the U.S. and will go to Hell with all of Satan's Helpers, the Human Race goes Extinct because of Money, proving how Evil it is, and not one person on this planet will survive the End of Time, because they will not prepare for it, Underground Tombs for the *Rich & Famous* Satanic Sheep, the more money you have the more Evil you are and the Longer you will rot in Hell, there is no Salvation, God does not care if you ask for Forgiveness, that was the Deity God that Granted Wishes, Satan is Religion, its Leader and Members are all Satan's Helpers, you will get no Forgiveness because you deserve none, Stupid is Stupid, Dumb means you cannot Talk, Stupid means you should not talk but do anyways, the End of Time is about Dying, so get busy Living and Stop being a Satanic Liar who is too much of a Coward to admit the Truth, or just Die at the End of Time and go to Hell with the rest of your Satanic kind, the Darkside is about to go Extinct.

The End of Time is coming in 12-Years, that is not enough time to build anything that holds the population of the Planet, so most of you will die, if not all of you since no one will do anything to build Trinary Sanctuary, and Stupid People will believe this is not going to happen, and the Military has orders to kill all its Citizens and loot the Cities, proving what kind of people they are, and if they will not do it, another Military working for Money will, the Mark of the Beast is Sheep like Ewe who are too Stupid to understand anything you read, so the Human Race is Doomed all because People are too Retarded to understand anything, they cannot use logic and reasoning to do anything, all because they got the Stupid Vaccine, the one that makes you too Stupid to see what is going on, Jesus came back and found that everyone is Satanic, and no one is worth saving, so why try, just pray to Satan like ewe always do, and pretend you have a Constitution, Money is what is going to make the Human Race go extinct, Money is Evil.

The great thing about coming back at the End of Time as Jesus, is that I get to tell you truth, and you will probably not believe it, Satan has your Soul if that is the case, everyone that used Money took the Mark of the Beast known as a Sheep like Ewe, and that Mark will not wash off, you take it to Hell with you, all those who died and were Religious, Satan has their Souls for all Eternity, there is no getting SOULs back, Hell Mary's are how you talk to Satan, Religion is only about being Satanic, and the great things about being Jesus Bar Abbas in Spirit, is that I could care less if you believe me or believe in me, that is the Deity that demands you believe in them, God has no reason to even care what you believe, nor do I, the End of Time is coming no matter what you believe is going to happen, and there is no stopping it, all you can do is wait for it.

I have been working on an End of Time Machine, you can find it on my GitHub Light-Wizzard account, basically I am using some LoRa Sensor boards, to monitor Air Pressure, because when it starts to draw a vacuum, the End of Time is in progress, and this Machine will record the exact time it happened, and monitor things like Earthquakes and Magnetic Readings, to monitor when the Magnetosphere hits 0, the concept is that I cannot get anyone interested in Trinary Sanctuary, so instead of trying, I am just going to build a machine to record the Human Race's Extinction, in hope that some other race will find it, and know why the Human Race went Extinct, which is because Money was more important than Life.

There is one thing I have learned in my 60 years of living with Satanic Sheep, they lie about being Satanic Sheep, as if they never read Psalms 23, only someone as Stupid as a Sheep would fall for such a trick, selling your Soul to Satan for Money, those that believe in Jesus Christ are just too Stupid to have anything to say about anything, their opinions mean nothing, everything they wrote was a lie, so burn all the books and movies since they are all Satanic, the Human Race has nothing that is not Satanic, they have taken Satanism to such a new Level, that everything is Satanic and the Sheep are just Satanic Liars about who they are, and why they are all going to Hell at the End of Time.

Can Sheep change? No, that is why they are called Sheep, they Took the Mark of that Beast knowing what they were doing, they wanted to embrace the Darkside and use Money, and with their Torah written after the 4<sup>th</sup> Century only Satanic Lies exist in it or the Bibles, all Satan Verses for Satanism to run amuck, under the disguise of Religion, those Satanic Helpers believe Jesus Christ will Save their Souls, how Stupid can you get, seriously, I might have an IQ over 180, but still cannot get how stupid you have to be not to understand that God is All Light without Darkness, and then understand that is what is inside of Atoms, Atomic bombs should have been your First Clue, since Sodom & Gomorra used God Bombs, why do you think the Military, Governments and Religion hide behind the Denounced Science of Einstein, because he took God or Light without Darkness out of his Universe, who cares it was an Alternate Universe in and Alternate Reality, most people believe that is where they live, and that they have other versions of themselves living in another Alternate Universe in another Alternate Reality, and this is the number one reason the Human Race is about to go extinct, we should bury Time-Vaults and explain this to other races that find our remains and wonder why our race went extinct, which was a blessing for the Planet they destroyed by taking its Blood and Calling it Oil, and all because of Bad Science, Oil is what carries the Electrical Energy of the Planet, its Core is a Trinary Engine, a larger scaled version of a Trinary Atom, and same Laws and Rules, explaining how all the Planets travel around a Sun sideways, while it is traveling forward, current Science that tries to get Stupid Satanic Liar Sheep, as if there are Intelligent ones, they lie about Science so you will not figure out the End of Time is coming, and then they wipe you out with Vaccines and War, so they can loot the Cities above ground before moving underground for good, I am a Federal Employee and the U.S. Government is Murdering them in Fake Events like 911, unless you want to believe that UFO's crashed into the Twin Towers, you have no other explanation,

proving it was not any Aircraft, maybe a Drone like those images from the security cameras leaked to the internet showing it was not an Aircraft, nor did any crash in the ground, I was in Air Rescue, we know what Aircraft crashes look like, that was not one, want to know the truth, look at the fake Aircraft parts thrown around, not from the right type of Aircraft, the Fake Investigation led by the people who tried to pull this off since no one is stupid enough to believe anything they say, building was so hot when people photographed waving through the UFO shaped hole in the Buildings, they show people still sitting at their desks talking on the phones as if nothing has happened, proving that was all fake, why shut down all the Radar Towers during a Hijacking unless you need to fly all those Aircraft out to Sea which is obviously what they did.

I do not point blame for 911 or the End of Time on any one person, in fact, anyone that uses Money is guilty of those Crimes, Treason against the United States of America's Constitution gave the Military a Legal Right to Execute all of them for Treason, and maybe that is their way of fulfilling that Oath, regardless of what I think of Orders, I still take mine from them, so we are all in this together, I am as guilty as anyone for allowing this, and we all have our reasons why, and maybe this is it, Gods Plan, to understand this, you need to understand the Torah, regardless of if you can find a pre-forth century copy, the truth is still there, the insertions only add Christ as a Person and made only the Love of Money Evil, those are called Satanic Verses, and how Satan gets People to take the Mark of the Beast known as a Sheep like Ewe I call Sheeple, so the Military is fine with Treason since 1861, maybe waiting for the End of Time, and why they moved underground, so that when the End of Time came, they would be the first to go for their role in over 100 years of Treason, sounds like a plan to me.

The Science of this planet is clear, Iron is used to store Energy, and has nothing to do with our Magnetosphere, the Earth is a very large Atom, and the same rules apply, our Galaxy, Sun, Planets and Moons all have Trinary Engines known as Large Trinary Atoms, or Atoms with 3 Logical State Changes seen in all Atoms, the Solid State is the Father who is the Positive Matter, the Semisolid State is the Son who is the Negative Antimatter, and the Invisible State is the Holy Ghost Spirit of Mother Nature, also known as Earth, also known as Ground or the 0 Reference line on an Oscilloscope, the 0 Dimension where the 3 Dimensions of Width, Depth and Height collapse into a Null Void Dimensionless Space, the God Equation of  $(+1) + (-1) = 0$  can be graphed to show this relationship with our Brainwaves, just put  $(+1)$  on the first line, and 0 on the second line and  $(-1)$  on the third line, now draw your brainwave, and ask did the Torah know all this since all of what I have written about come from the Torah of any Century, so this is Trinary Science since Trinary means the 3 Logical State Changes of the Light of God inside Trinary Atoms or their large cousins the Trinary Engines, who have to change Frequency to stay on the path they are going, and the Sun is not being powered forward by any hidden force, Newton said God is the Force of Gravity, and Gravity is how the Sun orbits the Galaxy, which orbits other Galaxies, and how we orbit our Sun, when an Atom or Engine (Trinary is implied) is solid, it is in a positive state, when it is semisolid it is in a negative state, Positive is Matter, Negative is Antimatter, and at 0 they are equal, it has 3 State Changes that make up an Alternating Current or

AC, the Torah called that the God Equation  $(+1) + (-1) = 0$ , Kepler has his 3 Laws that relate to God, who Kepler said God is All Light without Darkness, and understood God was inside all our Atoms, just like Galileo, Newton, Franklin and Tesla, who all said we are Light Beings, and Franklin and Tesla proved God was Lightning as well as the Light inside all our Atoms, Einstein on the other hand, removed God or Light from his Alternate Reality where God or Light does not exist, which means Atoms made of Neutrinos do not exist, which means nothing can Exist in Einstein's Reality since if you remove the Light from our Universe, all the Atoms will turn to Dust known as Neutrinos, so now that it is clear the Universe is just a bunch of Atoms, Large and Small, so the Being we are in we call the Universe, is God, and we are just Atoms inside of God, as God is inside of us, this last for all Eternity, but like all Electrical Waveforms, when Father goes through the Mother, out comes a Son, who grows up to make a Mother thus becoming the Father, this is Cycles of Trinity or Trinary, but what Mother does to the Father and Son, is what we need to talk about, this is his-story about the Birds & Bees, our Planet is our Mother, the Sun is our Father who is in heaven above us and also has to reverse magnetic poles every decade, and that is what is going on now, like Pisces the Fish, the Mayan Calendar and our current Calendar are the same, the End of Time started at the End of the Mayan Calendar, or the year 2013, when our Magnetic North Pole started to slowly move towards the 0 Meridian or Equator and will be there by 14 January 2033, when our Magnetic North Pole gets to the 0 reference line, Mother takes over, she is Neutral, so she is not Positive nor Negative, so the Fields either one of them created, Mother just canceled both of them out, and now the fields they created will collapse, which is where Mother's Nature comes in, the Father was Bright and Warm, but when she dropped our Magnetosphere, all Meteorites can freely enter our Atmosphere as it is being vented into Space since it was the only thing holding it in, it has no choice but to let it out, and with it goes the water the Baby was Bathing in, the Age of Aquarius, the bringer of Water, this is all from the Torah if it sounds familiar it should, our Heat will be drawn into space causing the vapor in that Atmosphere to Rain down as frozen Ice when the Son is born, and our Magnetosphere has to rebuild itself in the Negative direction, and that will be long and slow process over centuries, this is where Trinary Sanctuary could have saved countless lives and maybe even the Human Race from going Extinct, as the Earth loses Gravity, that is the Nature of Mother, the Earth will Quake, we are talking about the whole Planet, if you do the math and take  $\frac{1}{137}^{\text{th}}$  the Diameter of our Planet, it will not be able to start rebuilding till that much time as passed, which is around 6.66 minutes if you do the math, so the Earth will recenter itself like a top, it was very wobbly and this will instantly correct that, the land masses will move, water from Lakes and Oceans will move thousands of miles, I must repeat that till it sinks in, this is the birth of a new Son, our Land masses will be covered in Water, the Age of Aquarius is here, and then the Waters mix, making the ocean less salty, causing Electrolysis, Lightning will ignite the very Gas coming out of the Water, Hydrogen and Oxygen, and after one brief burst of Energy our Atmosphere is gone, as is our heat, in 3 days all that water will be frozen 6 feet thick, and the days will get colder instead of warming for hundreds of years to come, Ice Glaciers will erase the cities around the world as they did the ones around the Great Pyramids in Egypt, in as little as a century the Glacier movement will grind our entire existence on the surface of this Planet into Sand, you have been warned the Son is coming.

The Prophecy of Jesus Bar Abbas coming back as the Flesh is not the story most want to hear after buying into Jesus Christ, the Torah said you have to have Faith God Exists because God is All Light without Darkness, and Humans can only see the Darkness or Rainbow of Colors found in a Prism, so it is clear few know this because they never read Kepler, Newton, Franklin or Tesla, instead we believed in Einstein who denounced his own Theories in favor of Newton's God as the Force of Gravity, but that did not stop Mainstream who is owned by the Bankers, and part of the Franchise Deal that Lincoln cut with the Federal Reserve and why he was Legally Executed for Treason by the United States Militia, and why the Government has outlawed them.

People have no common sense, not putting them down, this was done as part of a Brainwashing campaign, Mainstream will only tell you what their master's also known as Money, allow them, which is that God does not Exist, and by making them believe that by believing that God does not Physically Exist, you are believing he does, this is called reverse psychology, and why Atheist and Agnostic both mean they do not believe in a Deity, which means "Does not Physically Exists", so it is not like Satan is hiding anything, common sense is not so common as it turns out, but do not tell me that I am the only one who figured this out, if that is true, maybe I am the Spirit of Jesus Bar Abbas, it is my birthright after all.

The First 3 Degrees are Free, by my count this makes 4, people never count 0, and that is Mother, and you are about to find out her Nature, "I do not care what Yew Believe, Know it, or No it Not", because:

IAM the Light Wizzard in the Flesh, the next Step is 4.
