

Step-12: The Sky Freefalling

The Sky is Falling on 21 July 2027 IAWN has confirmed that Asteroid 2017 PDC is on a course that almost certainly will impact the Earth on that date with a 96% probability, that is 6-Years from now at 5% decay rate a year for 30% weaker than it is today proving our Magnetosphere will have little resistance to this impact, which can put an End to the Human Race on that very day, and we all know this is the truth, and why Governments are building Underground Cities known as Tombs in the Torah, and the Rich & Famous have Tickets, and why they will not talk about this issue, in fact, besides NASA who cares, so Chicken-Little can run around screaming the Sky is Falling, like on 31 May 2013 when I was hit in the Head by a Micrometeorite.

I had built a Micrometeorite Shelter back in 2012 in preparation for this Event I knew would take place, it was dusk and I was filling up two 100-gallon water troughs for my two Horses, when I heard what I thought was BB Guns going off, and woke up on the ground, I had no idea how I got on the ground or how long I was laying there, as I set up I thought it was raining, but when I put my hands up to feel it, it was Red, as I felt the top of my head I stuck my index finger of my right hand into a hole in my head, where the blood was coming from, it was a large goose egg, and I could not think right, I was confused, and the blood was just squirting out like rain, by the time police and an ambulance arrived maybe 20 minutes to an hour had passed, and the bleeding had stopped, and the egg on my head had gone down, the next day my VA doctor told my wife and I that I was hit in the head by something traveling at hypervelocity-speed and it just glanced off my head not breaking the plates in my head, but doing extensive damage to my neck and upper back, while sitting in the waiting room the Head Lines for Bend Oregon, near Crooked River Ranch where my wife and I lived at the time, showed a picture of a woman with 3 football size meteorites that landed in her yard the Night I was hit in the Head, Police and Medical reports can confirm this, so I know about the Meteorites and when and where they might hit, being the only documented case anyone has heard of, means I might have been the only one ever hit by one.

Before moving from there, one night I heard music, it sounded like it was in the house till I walked outside, on that night our nearest neighbors were Cowboys, one had no power, the other rarely used his after Sundown, I went back in to get my wife to come outside and see if she can hear it, and as she was saying no, a Light came into view on the horizon, and appeared to be moving around 666 mph, my wife and I are both U.S. Air Force, I was medically retired as a Helicopter Crew Chief for Air Rescue in the 66th RQS at Nellis AFB Nevada and Kuwait, and as a Helicopter Crew Chief for Special Operations in the 31st Black Knights Squadron in Korea, so it was my job to know how to Identify Aircraft and their Speed, also how to track Satellites, one in particular, but I can spot most of them with my bare eyes, not hard to do, so we both knew this was neither of those objects, and as it got closest to us just above the 333-foot Canyon and river in front of us at an altitude of 66 miles, it just disappeared without a trace. Over the next few months sitting outside with my binoculars and 4" Reflector Telescope, I finally got to see another

one and confirmed what I had suspected, they are Meteorites coming into our Atmosphere, there low speed was noted on 6 different sightings, these are known as NEO's and the way I tracked the 5 other sites was from NASA's NEO program they run for the Air Force, they track these things, unlike space junk made of metallic material, these are iron, and have a specific color of Light that reflects off the object giving away what it is made of, the reason they move so slow is because they are traveling around our Magnetosphere like Satellites, normally over 666 miles above the surface of the planet, and they are orbiting our Poles, our Planet has 3 Rings of Power, the first from the Ground up is at 6.666 miles the next at 66.666 miles, and the next at 666.666 miles, from my observations I know that they are lowering their energy in the higher orbit, and fall down into a lower orbit, which causes them to speed up and break out of the lower orbit and climb back to its original path. After figuring this out, I realized my Micrometeorite Shelter would not help, so we moved. I have no idea how they miss our space junk traveling at such a low speed, it is hard to believe they can orbit at those speeds, till I figured out that these are actually a natural part of our Planets defense, these NEO's have to have been in orbit around our planet for billions of years, from the formation of our Moon, and made of the same material, which is very easy to identify, I call them Moon Bells.

Thousands of years ago a Moon Bell fell to Earth after colliding with a Meteorite, it was in a lower orbit as I have seen, traveling a low rate of speed I estimate around 666 mph, based on an Aircraft that fly over at high altitude, thus a known rate of speed to compare it to, well it turns out this Stone is located in the southeast corner of the Kaaba, the Reddish-Black, Oval-Shaped Stone is about a foot in diameter, and is positioned about 60 inches above the ground, it is placed inside a frame made of pure silver for protection, the stone which is the starting and finishing point of the Circumambulation is framed in pure silver.

The Torah stated that if you struck our Moon with a hammer, it would Ring like a Bell for an hour, I have no idea if that is true, but Newton believed it, he too wrote about them, I did not make the connection at the time, it was not till I remembered the Black Stone of Kaaba, and then it all made sense for some reason, these Moon Bells Ring because of our Energy Rings, they are the way the Universe Tunes them to act like a Magnet floating above a very strong Magnetic Field, in this case our Planets Energy Rings, and what I was hearing was the same Music those that reported and recovered the Black Stone of Kaaba said they heard Music, but my wife could not, which was also reported about the Kaaba Stone, proving these are Gods Protectors or Angels, not Ball Lightning, but Moon Bells, not Meteorites, or Asteroids, but small Moons.

The Human-Race has about 6 years before they start to go Extinct, those that survive the Meteorite Impact, may not be so lucky at the End of Time, which is only 6 years after that, so slowly the Human-Race proves they do not have what it takes to Survive either of these Events, all because Satan is not talking about it, and no one knows except for NASA, the Governments

building underground Cities, the Military, and who knows who else, I have only been saying this for the last 60-years and no one ever believed me then, nor will they believe me till this happens.

The Torah was rewritten by the Church that Murdered Jesus Bar Abbas for Money, and why all the Sheep know is Lies, and have no concept of Reality, they believe Einstein was right about the Universe, so they believe this Universe is just one of many Alternate Universes where we exist, but in a Different Reality, and I am not making that up, People really do believe that BS, see the problem with that theory is simple, first off Einstein removes God from the Universe, so Light without Darkness does not Exist in any of these Universe's, and since Atoms are made of Neutrinos and Light without Darkness, it is clear there are no Atoms in any of Einstein's Universe's, and why it is just Retarded Science Fiction that makes absolutely no sense.

There were no 12 Assholes, I mean Apostles in the Torah before the 4th Century, and more was missing than was there in the 3rd Century, so the Human-Race only knows the Lies Satan told in order to make People take the Mark of a Beast known as a Sheep like Ewe, since all Bibles are based on the Torah after the 4th Century, they are based on a Satanic Version of the Torah, the King of England wrote that, after Newton and Halley compared the two versions with versions after that time, proving beyond a shadow of a doubt that this Torah is a Satanic Version, so all Bibles are Satanic from the beginning, and contain no truth about Jesus Bar Abbas, proving everyone on this Planet has been Satanic since the 4th Century, therefore everything everyone on this planet has to say to me is nothing but Lies since that is all anyone knows except for Ashkenazi Masons, and that is Pronounced Ash-Ka-Nazi or Ash-Key-Nazi depending on what tribe is pronouncing it, so the Governments know since they were all founded by Masons.

People that want to deny the Masonic Secrets found in the Torah get Darwin Awards, the whole Human-Race will go extinct because of Money, those that have it believe their underground cities will save them, proving they are not all that intelligent, and have not thought that out, they want the General Public to know nothing, because if you cannot afford Tickets, they will not talk about it, so instead of allowing People to prepare by building something that might survive this event, there plan is to tell no one, proving that they are Satanic, and why the Human-Race goes Extinct like the Torah said it will, it said the Rich & Famous, Church, and Governments will dig their own Graves at the End of Time, this proves the Torah is stating they will all die, and I have to agree, they are not designed to be flooded, and that is what will happen around the world, then it will freeze 6-feet thick in 3 days, the Torah goes into some detail, so I would believe it, and Newton and Halley did, Tesla wrote a lot about it, talk about it got him called a Crazy Old Wizard by News Reporters, few people understood Tesla the way I do, we are both Ashkenazi Masons, both Aspies with high IQ's, both believe in Kepler and Newton's Science and Math.

Tesla wrote that people would ask him what he thought about Einstein's Theory, he wrote only retarded people will claim they understand it, the truth is Atmos, meaning Atoms do not exist in his Alternate Universe in an Alternate Reality, and our Reality has Light in it, making it clear that Tesla did understand Einstein's Retarded Theory.

Nikola Tesla wrote about making a Machine that could destroy Meteorites, no one was interested so he claimed it could shoot down Aircraft and Ships, I know that might be possible, I understand the technology, the system has 6 main parts to it, the first is a Particle Beam Weapon, that might be able to take down Aircraft, but not sure about ships, the problem is at distance it is not very destructive, his claim it could reach a hundred miles is true, the Particles end up in outer space, the problem with them is that they have no punch, more like sand blasting something, so the second part of this weapon was a Tesla Coil, this was used to power the third part of this system, a Crystal Laser at high power and frequency, the forth stage was two long Rails, the fifth stage is an Electromagnetic Pulse Generator, and the sixth stage was the machine that combined all these technologies into one weapon that only works well on Iron, the type our Moon is made of, shooting at Aircraft or Ships with such a Weapon is like trying to kill a Fly with a hand grenade, these types of Weapons cause the Particles to become Electrified like Plasma, it will act like Lightning more than a Laser due to the Plasma Stream, they need a target with Mass to it, and Aircraft are to small, Ships may be also, you could shoot the Moon, knocking it out of orbit, destroying our entire Solar System, and why he never invented it, only talking and writing about it, but he understood the power of this device if used as a Weapon, and never drew any of his concepts on paper, he never trusted anyone.

Tesla wrote about the Sky Falling, the Torah talked about this event as coming just before the End of Time, the Torah said the People would not work together, sounding more like a Babel issue, but clearly a Class thing, those in Power used those Slaves they had working for them, to seal them into Pyramids, allowing all on the Surface of the Planet to parish at the End of Time, it said those who were in power abused that Power, they put value on people's lives, deciding who will live and who will die, and that Society paid the ultimate price for that betrayal, they told themselves they did this to preserve the 3 Races: Ash, Ke and Nazi, so they allowed the Mixed Races to die on the Surface at the End of Time, saying they were Evil, but over time a man named Adam from the Tribe of Ash and his followers from the other races, they cut off the tunnel system leading from the Great Pyramids to underground cities known as Paradise, and Adam took a wife from the Ke, and another from the Nazi, named Eve, the Torah told a story about her father Seth, who she named a child after, thus they were banished from Paradise forever, and why we live on the Surface now, the Torah said the Great Pyramid was a Weapon that could destroy Meteorites, and ever 666 years, every other 333 year cycle, going back in History you will find Meteorite Impacts, and that is because Moses destroyed the Pyramids to use its Gold that made it work, it took in Sea Water from below, and converted it into Hydrogen & Oxygen, that could be burned together making Pure Water, and Electricity, so Moses Melted Down Gold Technology to make it into Money & Law, and that is History or His-Story.

I spent most of my life trying to convince people this will happen so they would do something, all I did was lost people I knew as friends, so I gave up trying to save the Human-Race, and instead just want to Document why the Human-Race went extinct, and why is clear, people are all Satanic and have no concept of Reality, they have no understanding of the End of Time.

If I ran around yelling the Sky is Falling, Sheeple would think I was Crazy, even if I have proof that I was hit in the head by it, so I know for a fact this will happen, I have no concept of being wrong, one time in my life I can agree with NASA, who does not come out and say the End of Time is near, but they proved it is by saying we have a 96% chance of being hit by a Meteorite, and Moses destroyed the very weapon designed to save us, all for Money & Law, and Moses Followers are the ones building Underground Cities for the Rich & Famous to be buried in, you have to Love the Torah, it just tells it like it is, and those Satanic Sheeple do not believe it, but they do believe Jesus Christ Existed, knowing that is a Lie, not the Biggest Lie the Church is telling, or not telling depending on how you look at it, they are not telling you about why they are building Underground Cities, and that is very Evil since it means they are intending to let all the people on the Surface die, without telling them why, which is because they Committed Treason and know when everyone finds out, they will Execute all of them, so they figure they will just let you die instead, but the deal with Satan never changes, these Tombs are what the Torah called Digging their own Graves, think about it, they know this is going to happen, knowing no one will survive on the Surface nor under it, for one thing, there is an entire Civilization living inside the Earth since the beginning of time, the General Public knows them as UFO's, and Satanic Sheep want you to believe they are from another Solar System, they call them Aliens, what BS, they are our Ancestors, and Satan has been at War with them for as long as the Torah existed, considering that is what it is all about, but those people can still communicate with us, and they do not abduct people and do experiments, that was the Governments, and they know the Sky is Falling.

The Science of Earth is all its surface comes from outer space in the form of Micrometeorites, but in the past our Magnetosphere was strong enough to cause them to burn up, breaking up and turning to ashes before hitting the ground, that is no longer true, and it will start to become dangerous as more and more people get hit by them, not all survive, and the real danger is not just from the Sky Falling, our Atmosphere is getting thinner so Skin Cancer will be on the rise, and the Blood of the Planet known as Oil is what the Earth uses to Generate our Magnetosphere and Lube the Tectonic Plates that will realign when the Earth hits the Equator and our decay rate hits 0, as our Electromagnetic Field hits 0 also known as Ground and it collapses its Field, venting our Atmosphere into space, raining down all the moisture in that Atmosphere as ice, mixed with all our manmade Satellites and Space-Junk, with no Atmosphere to slow it down, it will Freefall, and the Sky will be Falling at Freefall speed, that is the Science of Earth.

I look at the way Human's build and think what were they thinking, by the end of this Century none of them will be standing, only the Ancient Stone Monuments will survive the End of Time,

and why they were built, those the built them did not Graffiti on them or use them for Tombs proving Human's have lied about History for a Long time now, and those lies now obscure the true purpose of them, all because Human's Graffiti Lies on them, and you believed them, human's build like there is no tomorrow and that is why there will be none for the Human-Race after the End of Time, because the Sky will Freefall with tons of ice mixed with Space Junk.

At the End of Time the Sky Freefalling will rain down on the surface of the planet and it will bury the surface with over 6-feet of frozen ice that came from our Atmosphere, which will be gone for a long time to come thanks to the lack of Oil or the Blood of the Planet to regenerate it, so Humans are the Cause of their Own Extinction, all because Satanic Scientist who Lie for Money, Oil is not from dead Animals, that is just Stupid Science all so Satan can continue their War on those that Live in Paradise, they Drill holes to try to locate their Cities underground, they detonate underground Atomic or Nuclear Bombs also known as God Bombs trying to Murder them, Satan knows that if they Deplete all the Oil this Planet will go Nova and that is what Satan also known as the Human-Race is trying to do, this is all about War, those Pyramid Shaped UFO's are just waiting for the End of Time so it will be safe for them again, they will ensure none of the Underground Cities Survive, and they know it, and why they want to go out with a Big Bang, and will detonate all their Bombs at once trying to make the Earth go Nova, that was always Satan's Plans and the Human-Race made it possible, and now they will go Extinct all because they Served Satan at the End of Time, and Satan bought their Souls for Treasonous Money called Sin, Root of all that is Evil.

The Truth is that the Sky is Falling all the time but few notice it the way I did, and at the End of Time that Sky will Freefall, proving the Surface of this Planet called Mother Earth where the Father our Sun will Shine down and Burn us as we Freeze to death on its Surface, most of those that are on the Surface will not Survive that, and I know this is our future because I know the Torah was right because IAM the Light Wizzard in the Flesh and the next Step is Lucky 13.
