

Step-25: Sheeple

The term Sheeple came from the word spelled Sheep-People, a term my First Cousin Five times removed Isaac Newton called people who took the Mark of the Beast known as a Sheep like Ewe, over the years I have played with many spelling, like She-People, meaning Ewe-People, but found Sheeple to be more descriptive, but I was only 6 or 7 years old at the time, and over the years I notice I could not get one Sheep to admit they took the Mark of the Beast, or are Guilty of Treason, so I know it is not that they do not understand what they are doing, they just do not care as long as they get paid to do it, they will do anything for a price, and they all know it, nothing but Money Junkies and they are addicted to Money, it has addled their brains, they Murder, Steal, and Lie to get Money, knowing their whole Country of Sheeple had to commit Treason against their own Constitution, and know the Government created fake events like 911 and Murder Federal Employees to fake some event to start a War, or Justify all their Treason, the Government is Fake since it is just a Franchise to the Federal Reserve, who prints the Money instead of Congress, all because Congress can vote themselves a raise, last Legal President was Lincoln and he was Legally Executed for Treason, and why Satanic Sheeple Worship him for his Treasonous Money, and their Own Military who took an Oath to Uphold, Defend & Protect the Constitution, proved they are all Treasonous Traders to it, nothing but Liars, and all for Treasonous Money, We the People became We the Sheeple, nothing but Treasonous Cowards, Land of Cowards, every single one of them, myself included since I am a Military Dog.

There is no Excuse for being a Sheeple instead of People, you know who I am talking about and cannot deny you are one of them, I was born knowing this so was never a Fool, I later learned that I was a Schizoaffective Obsessive Compulsive (OCD) Aspie with an IQ over 180 and why I had to prove my Reality to myself before believing it, and found out that everyone I have ever met only know Lies, and their Science is just Retarded beyond belief, all because Satan could not keep up the Lie if People had Science that Proved God was All Light without Darkness, and those Satanic Sheep will never believe that, proving that there Deity-God, that they just call God to confuse and Lie to you, God is All Light without Darkness, a Deity-God does not Physically Exist much like Jesus Christ in History, Gay Pedophiles will tell you Jesus was a Common Name, yet the Torah before the 4th Century only talked about One, Proving Jesus Christ did not exist in the Torah till after the 4th Century and why and how the Church got all its Members believing in Satanic beliefs, and nothing has changed since then, so this still applies now since their Satanic Version of the Torah, has a Deity-God also known as the Burning Bush, do not ask me if it was Junior or Senior since did does not matter since they all Demand that God Invented Law and Money, and want all of you to believe it is Legal, and no Law can make Treason Legal, nor can a Constitution be Amended to allow Treason, so no excuses for allowing all this unless you were truly Satanic, and you know this is the Truth, and that you are in fact Satanic.

Sheeple are People who believed that it was Legal to allow the Treason of being a Franchise to the Federal Reserve thus they are the ones responsible for it.

If you are Religious or know someone that was, you will never believe they or you are Satanic, all because all you know is Satanism, and have no concept of Freedom since all you have is Freedumb, and we all know you use Money, proving you are guilty of Treason, Murder, and Crime since you support Money, and that is what Money is, so you are supporting all these, and guilty of all of them, and that just proves you are all Criminals, and know it, you believe because everyone is doing it, you can get away with it, knowing the Torah told you that if you Buy & Sell Souls you are Satanic, you know for a Fact that God is All Light without Darkness, proving God is Light that physically exist inside all the Atoms in the Universe, and how God created the Universe, but Satan teaches God does not Physically Exist, or God does not Exist, and those believing in Einstein are just Retarded, but still believe God does not Exist, proving they are Insane because they know that is the Belief in things that do not Exist, like a Deity-God, and why Satan must get you to believe you have the Right to believe what you want, knowing they have Prisons for anyone that tries to prove it, proving only Satan would teach such a Lie, proving Religion is about People taking the Mark of the Beast known as a Sheep like Ewe, just to get you to commit Treason by accepting Treasonous Money, and obeying Treasonous Laws, given by people who are Guilty of Treason, proving that Americans are just Cowards known as Sheeple, who the Torah said would Dig their own Graves at the End of Time, so get busy Digging, because every one of you are guilty of Treason and will die at the End of Time.

To understand the difference between People and Sheeple is simple, People know that allowing the United States to be a Franchise to the Federal Reserve just so Congress can vote themselves a raise a every year, with more benefits, and let us be clear, Congress was dissolved in 1933, so we are talking about a Fake Congress that Pretends to be Congress we all know by Law was dissolved, proving the President is as Fake as the Entire Government, People know that all of this is Treason and punishable by death and there is no statute of Limitations, every day anyone allows this Treason to Continue, are Committing Treason to do so, knowing they have their Finger on Nuclear Weapons all People know are God Bombs, know that is Satanic, proving anyone that allows Money not printed by Congress, that does not even Exist, are guilty of supporting that Treason, and People understand this, and in fact, they know about the Underground Cities for the Rich & Famous, who are the ones guilty of getting all the Sheeple to believe, but not people, they are Intelligent enough to understand what Treason is, and what you do to commit it, you allow it to continue and you Support it, making People into Sheeple.

People know it was Hollywood that lied to them over the years, the Rich & Famous are all Satanic Liars, or Sheeple, the difference between someone Satanic and a Sheeple is that Sheeple believe they did not commit Treason by using Money, that they did not Take the Mark of the Beast known as a Sheep like Ewe who Follows Gay Pedophiles into Green Pastures proving they are Sheep, and they know that is a Beast, so what is the Thinking, simple, Hollywood knows the Truth just like the People, proving the Rich & Famous know they Serve Satan, and Sheeple do it because they have an IQ of 25, they are getting more intelligent every Step, but they will always believe they have to go along with all the Treason because everyone does, if all the Sheep jump

off the Cliff are you going to jump with them, is a question only you can answer, if you are a People or Sheeple is all a matter of what you know you can prove, Sheep never prove anything except how stupid they are for believing in Lies the Rich & Famous tell.

People need to get away from Sheeple if they want to survive the End of Time, they need to pack their bags and move as far away from their kind as possible if you follow their Laws and take their Money you will die at the End of Time according to the Torah, and People believe in the Torah, Sheeple believe in Religion, which is Satanic and only Serves Money you know is Treason, and you know for a fact they are getting you to take the Mark of the Beast, and the Torah said only Satan would do that, proving beyond a Shadow of a Doubt that the Church and all its Members are Satanic, but Sheeple believes they are the Good Guys, knowing they are Satan's Helpers, and all they will ever be, by supporting Gay Pedophiles that make them take the Mark of the Beast, proving the Church Members are Brain Dead Zombies, that People need to get away from if they want to Survive the Sky Falling and the End of Time.

The Rich & Famous will try to justify lying to everyone for the last two hundred years, so never believe anything any of them have to say ever, all they know is lies and all they will tell is lies, and no one is that Stupid, no matter how low of an IQ you have, you know they know what is going on just like all of you know now, it was them that got you to commit Treason and Sell your Soul, so never believe they did not know, no one is that Stupid, Sheeple are just Money Junkies, and will do anything for their next Fix, they will do anything for a Price, just like the Rich & Famous Satanic Liars that are going to let all of you die when the Sky is Falling at the End of Time because they are Done with you, you paid their passage to those Underground Cities they were promised for Lying to all of you, and now you can die, they never had any regards for your life or they would tell the truth, but not one person but me is capable of telling any truth.

Having Emailed everyone I can think of, Governments, their Agencies, the Rich & Famous Satanic Liars that Worship Lincoln & Edison and believe in Einstein, not one of them would tell the Truth, proving I will never trust any of them ever again.

If you believe the Governments have the Right to Suppress information from the Public believing they are doing this for their good because they know Satanic Sheep will Rape, Pillage and Plunder, proving they are Satanic since only Satan does those things, proving Moses was Satanic, and why Religion Worships those People who Commit Crimes against all of the Human Race, they know they serve only Satan, that is what the Governments are, Hell, look around and all I see are Satanic Sheeple because that is all that exists in Hell.

I do not want to change the World, I just one 42 building built around the World where Satan is not the Center of Attention, and people can live without having to Commit Treason, do you have any concept of how Sick this World is when you have Police Pigs enforcing Treason, talk about Hitler, these Pigs are Satanic, and we have the Right to live in a society that is not Committing Treason, People have the Right not to be lied to by the Rich & Famous Satanic Demons from Hell, and forced to use Money they know is Treasonous, and only allowed because the Military is a Satanic Organization that wants to kill all of you, there is no changing this World, God is about to wipe out all the Satanic-Sheep, and they all know the Human Race deserves to go Extinct.

The Human Race is nothing but Satanic Garbage, this world is run by Criminals allowed to Blackmail using God Bombs, and Sheep are just Cowards that would rather Serve Satan than to admit they have supported Treason by following Treasonous Laws that were never Legal and never will be since Treason can never be made Legal, all those in the United States deserve to Die for their Treason, and will in 6 to 12 years from now, and we all just need to wait for that time when the whole Human Race goes Extinct all for Treasonous Money, Darwin Awards for All Americans, nothing but Treasonous Traders, every single one of them, and only the Rich & Famous, and those in Power know this, so your Police Pigs all know this is Treason, every single one of them knows they are working for Treasonous Money enforcing Treasonous Laws that are no more Legal than the Treason they are Committing by Following those Laws, nothing but Satanic Liars that offend me, and so I offend all you Satanic Sheep and those Satanic Rich & Famous Treasonous Traders that Lied to the World proving every single one of them will Rot in Hell with Satan their Master for all Eternity.

I can talk all day about Sheep, they make me sick, I just want to live to see them all Die when the Sky Falls on them, and crushes them, and I want to live to see all of them gasped for their last breath of air before their lungs freeze solid, and I want to tell them all I told you so decades ago and no one listened, now there is no time to build anything but Graves for Sheep, and I will just let them Rot and let the Dogs eat them, not one of them deserves to live on Gods Planet, those that Destroyed it by using Oil and Money will never go to Heaven, that is Satan's Domain, the Torah told all of you this and all of You decided to allow Satan to Rule by Fear, all the Sheep will die without even understanding how much they offend me, and anyone that believes in Organized Crime known as Governments, that make everyone take the Mark of the Beast, proving they are serving only Satan, and Treason is punishable by Death, and all in the United States will get it by Satan known as Money, you can only take it to Hell, Heaven does not allow Satanic Sheep, or those guilty of Treason, which is everyone in the World, and why God will make sure not one of them survives the End of Time, and the Torah was very clear about this.

Those that read this are all Satanic and Guilty of Treason, no matter where they Live on this Planet, no matter if they Believe in the Torah or not, your Belief never mattered to anyone, and

never will, and why I never talk about my Beliefs much, just what I know I have proven to be the Truth is all I trust as the Truth, and that Knowledge does not require my Belief, that lie in all beliefs is why they never mattered to anyone, those using Money are Supporting all the Crime, Murder and Suffering, and if you Buy & Sell Electricity knowing that makes Light, and is also the same as your Brainwave, proving it is our Soul, and you know this, and therefore know only Satan does that, proving you are Satanic if you believe it or not, and only Satan would make anyone take the Mark of the Beast, and those using Money took that Mark, and Committed Treason at the Same time, so what else do you need to know about Sheeple, who deny all this is the Truth, proving they are the ones Supporting War, Rape, and Murder, all the things only Money can Buy you, and for what, your Soul, it means nothing to Sheeple, who do not believe they have one, and the Rich & Famous get Paid to be Liars, proving they need those Religious Sheep, they are nothing but Criminals telling you that Treason is now Legal, just like the Church came out of the Closet telling everyone that it is fine to be a Gay Pedophile, all the Signs the Torah told you were the End of Time Signs, Sheeple refuse to believe the Truth.

I have been telling this story for all my life, and no one ever believed me, and why is simple, all because of the lack of any Intelligence with an IQ of 25, about Half of what a Retarded person has, proving how Stupid Sheeple are, and have to be to believe in all these Lies that Satan tells you, and you know this is all the Truth, so why deny it, why lie about it, why tell no one about this, and that is just Proof you are a Sheeple, because that is what Sheeple do, and no matter what I prove, Sheeple will lie about it, so I give up, the next form of life that inhabits this world will take better care of it, than any Sheeple ever did, they allowed the Oil or Blood of the Planet to be pumped dry, knowing it is Earths Antifreeze, and after the Atmosphere vents, it will freeze as solid as ice and go Nova, no one survives, and why all the UFO's have been seen leaving Earth, they know about all the Death that is coming when the Sky Falls and Atmosphere vents, they have better sense then to try to survive this in their underground cities, that are built way better, they know they will not survive this, and I have to agree, I just want to live long enough to see it.

If you want to know what the Truth is, you need to understand what is going on, and why it is going on, Benjamin Franklin wrote that the Church only teaches Satan, and that is true in History, there is nothing but the truth about the Church and is Murdering Followers of Satanic Sheep-Shit for Brains, Religious Fools Serving Satan, not sure Franklin used those words, but I cannot print what he wrote here, it was obscene, like Newton, he Hated the Teaching of Jesus Christ, and wrote about what the Leaders do at Night, those are Stories of the Darkside.

The Religious are weak-minded Fools and easy to confuse with the simplest of concepts because they do have less intelligence than a Sheep, and the only reason they took the Mark of that Beast knowing that makes them Satan, and while every one of them is by definition, all insane for believing in things that are not true, they know only lies and tell only lies, therefore only believe those lies, proving they are Sheeple and not People, Satan is all they know and see.

Before any of you that want to tell me what the Truth is, first prove to me you have an IQ over 180, and prove your Logic and Reasoning is Sound before even thinking I would listen to what you have to say, knowing it is rare I know I will have no one that can prove it and have anything to tell me I may not have already known, and will not be able to disprove anything I have said, so why waste my time with your Stupid Theories I have no Interest in, go Sell Crazy somewhere else, I have no Interest in what anyone has to say, build Trinary Sanctuary, or do not, I do not care nor does the Universe, Humans have Proven they are All Satanic at the End of Time and nothing but Sheeple Exist at this time, and I work for Satan, so I have to deal with Satan just to get to talk to God in my Afterlife, that was a Joke, when we die we remember we were God, and why God knows what everyone has done, Freewill is what makes us Individuals, but there is only one God, and why the Torah said IAM God, when you die you will understand, that is the Afterlife.

To understand the last two thousand years of Satanism enforced by the Church and all its Members, and Army of Pigs, you have to understand why they Murdered all the Witches & Wizards telling this same Story throughout Time, and wonder why I am still alive, and it is because they believe Discrediting me is just as good, and they are right, and how Satan does Satanic Deeds Dirt Cheap, and Sheeple will try to discredit me for Satan, but as you know Satan has a 0 IQ, the stupidest of all that ever existed in the Torah, the Beast with no Logic or Reasoning, it only knows Hatred and Destruction, and wants everyone to Pay Satan to Alter Boys like they do Constitutions, Universes and Reality, all to get you to do the bidding of Satan, and God has an IQ that is the highest achievable, and those that get closer to God, get a higher IQ, never as high as God, but much higher than any Satanic Follower, and maybe has something to do with why I am the only one since Tesla to figure this out, no one believed Kepler or Newton, so this must be because IAM the Light Wizzard in the Flesh, no one will believe me either, and why the Human Race will go Extinct in just 6 to 12 Years, 2027 and 2033, and we all know this is the truth, and why this World is so Satanic, they are Money Junkies, and their Addiction to Money has no bounds, they Committed Treason to get it, now they will pay for those Crimes, by going Extinct at the End of Time just like the Torah said would happen.
