

## Step-02: Life

The Trinary Science of Life is based on the Trinary Math  $(+1) + (-1) = 0$ , is a Truth Table, and when you graph it, it becomes a Sine Waveform we know as Electricity, and our Brainwaves, so we know this is what we are, and what Trinary Life is all about, understanding this connection we have to Electricity and Light, try to understand a simple waveform known as Calculus.

(+1) - \*-----\*-----\*-----  
0 ---\*---\*---\*---\*---\*---\*  
(-1) -----\*-----\*-----\*---

The Concept of Trinary Life, is based on Trinary Science, it is based on what History calls the Greatest Wizards of all Time: Johannes Kepler, Sir Isaac Newton, and Nikola Tesla, and this Science is totally the opposite of Einstein's Theories, so I will not be talking about anyone of his Retarded Science, and just to be clear, I have an IQ of 180, Einstein had an IQ said to be around 160, but we all know, a normal IQ is 70 and a Retarded IQ is 50, a 20 point difference, the same difference between Einstein and these Wizards, which includes myself as well, so Legally Einstein's Theories are Retarded to me, and why I only base my concept of Trinary Life on Trinary Science, and that means you the reader must prove that what I say is the Truth.

The Concept of being a Fool is simple, you believe in a Lie, and refuse to believe the Truth, and why is simple, Witchcraft, any word or spell that has more than one meaning, is Witchcraft, for example everything you Believe in or have a Belief in is a Lie, and why "I do not care what Yew Believe, Know it, or No it Not", where Yew is a variety of Tree, one being called Taxus, and Stupid Sheep eat Yew and Die, thus becoming Evil, the backward Spell for Live, and that is how a Fool gets Fooled, first they read into things instead of just reading them, God is All Light without Darkness is a good example in Life, if you know God is All Light, and know the Darkness is just the Light we can see, because it is the Rainbow of Colors found in White Light, and you understand to be "All" of anything, means you cannot be anything else, including an Angel, and knowing Tesla called them Ball Lightning, we know they Physically Exist, whereas the Deity-God in Religion does not Physically Exist, and their Science based on Theories never proven in over a Century, removed God from all those Alternate Universes in Alternate Realities, and since we know God and Light mean the same thing, it is clear Einstein's Theory leaves everyone in the Dark, without God or Light, and really it does not matter which word I choose to use since they both mean the same thing to me, proving Einstein is just a Fools Game for Fools to pretend they have an IQ, when in reality you have to be Retarded to believe Light without Darkness does not physically exist, as if prefixing it with physically changes it, knowing the Dictionary defines the belief in things that do not exist, "Insane", allowing People to believe they have the Right to believe what they want is Insane, since that means you have the Right to not only Believe in Lies, but to get others to believe in those Same Lies, and that is how Religion

works on those that are Weak-Minded Fools, and those are the most abundant type of Lifeforms on this planet, at this time, which is 2021, when I wrote this, so there is a Science in how to make People take the Mark of the Beast known as a Sheep like Ewe, and deny you are Satanic, and that is by making a Fool out of all of You, those weak-minded Fools known as those who took the Mark of the Beast known as a Sheep like Ewe, is a Lifeform known as Animals, or better known as a Beast, picture is with Horns, after it has been Slaughtered and is all Bloody, now Picture Satan, known as a Person who Lies, also known as the D`Evil or Devil, and you know who this Satan is, now let me introduce you to Anagrams, Satan and Santa are the same Person, as are all Saints, all Satanic, and all because Fools cannot read Witchcraft.

Life means Living, the Opposite of Evil, do not make into the Torah Religion since we all know it was a Book about Alchemy also known as Chemistry or Science, and Witches were just ordinary people that knew that any Word or Spell that has more than one meaning is written using Witchcraft, it was used during a time when the Church would Murder all by burning alive, also known as Sending to Hell, those that did not believe that their Deity-God is God, so they can drop having to tell the truth by prefixing it with Deity to signify this is not God since we all know God is All Light without Darkness, and that Physically Exist, therefore not an Angel or Ball Lightning, so, we have the Church you know murdered Jesus for Money, and that same Church is still passing around the same Money Pray Tray, using the same Money they used to Murder Jesus two thousand years ago, and by inserting Christ into the Torah, they did not fully understand Witchcraft, and made huge mistakes in the original version that came out in the 4<sup>th</sup> Century, and they tried to replace it with new versions, that did not have these Paradoxes in them, like two Jesus's, Jesus Christ and Jesus Bar Abbas, they wanted only to insert Jesus Christ to make only the Love of Money Less Evil, so People who took the Mark of the Beast known as a Sheep like Ewe, would still use Money, and they have to get you to believe it is Legal, they require you to believe their Laws are Legal, but we all know that Treason cannot be made Legal, therefore the Constitution cannot be Amended to Allow Treason, and since we know that by Law the United States is not even a Country, it is only a Franchise to the Federal Reserve, if you are not familiar with the term Franchise, it is like a Circle K, if you are OK with that, you are now guilty of Treason and can Legally be Executed by your Militia, proving this is Totally a Criminal Empire, and the Torah called those kind of people who use Money, meaning the Mark of the Beast, you get it if you believe in the Torah or not, it is was it said it is, the first is never make into God anything that God is not, or that God could never be, and never make into God any Engraven Image of God, nor Worship any God before God, and what does this actually mean, for one, God must Exist, or you are believing in some thing that does not Exist, and that is called Insane and what Religion is all about, nothing but Insane People, and why they build God Bombs and call them Nuclear Weapons and have War for Religion or Money, and the two are the same since they are both Lies, proving nothing is Legal about Treason, and at the End of Time all Life will Die and that is what the Torah said was Evil, and why Money was the Root of All that was Evil, and you know this is the truth because you cannot Live without Money, and now Satan owns your Soul, because that Money is used to Buy & Sell Souls, and all Life will Die for that Satanic Treasonous Money, it is a Drug, and the World is nothing but Money Junkies that will

Lie, Steal, Cheat, Murder and all in the name of their Deity-God they call God, just to deceive you, to make you a ewe, that eats yew, and that is all a Money Junkie is, someone just like You, that Buys & Sells Electricity you know is used to make Light knowing God is All Light, proves all of you know you only Serve Satan, using the Satan Clause, with “In God We Trust” engraven on their New God, Money, the Root of All that is Evil.

Life is life is what most people say, and that is a Slaves Mentality, following Treasonous Orders and Laws, is called Treason, and just because everyone does it, does not make it Legal, it just makes all of you Guilty of Treason, and the fact that the Police Enforce Treason, as well as all those using Money, it is clearly a Mass Insanity plea if I have ever heard one that can justify Treason, but the Reality of Treason on this Scale is just unimaginable, every Military Member must commit Treason by taking an Oath to Defend a Constitution they know is committing Treason by allowing it be a Franchise to the Federal Reserve, so let me explain the Facts of Life to you, a Franchise is another word for Pimp, as such, the Fake Congress is Pimping out all of you, so they can build underground Cities for the Rich & Famous you now know are nothing but Liars, and that means Satanic, and they are using your Money and are not telling any of you why, and you do not ask, you think there are smarter people in the world, not many can prove they have a IQ over 180, so reality check, it is normal to be retarded and that is how all of you committed Treason without ever knowing it, that is Life on this Planet, and most Life on the surface are about to die in just 6 to 12 years from the time I wrote this in 2021.

Science is about what we can prove is true without using a Theory, that means only facts, and you cannot explain a fact with a theory without it becoming one, so only base Trinary Science on Science you can prove about Life, as well as the Universe, since from God’s point of view, our Galaxy is just an Atom to God, so never make into God anything you cannot prove about God, and since all Life is from Light, and when our Lights go out, we are dead, and after 3 days will probably remain that way for all Eternity, and in Science I cannot prove an Afterlife, no one has ever come back after 3 days, so no one knows, but what I can prove is that all Life is Electrical in Nature, even Artificial Life is Electrical, but real life is not AI, that is Learned Behaviour, the term Artificial Intelligence is meant to mean it can mimic Life, and we all know it can, so it is AI, but the real magic is in Hardware and not its Software, but facts need to be proven and are not opinions, but without good Hardware all you have is a Computer Program, and AI can live as a Computer Program, but not without Hardware, and that is why I say you need better Hardware to support AI, and you would be much better off using Hardware to create AI, Software is great for Beta testing, but move past it into Hardware, and let the age of AI begin.

If we grouped people like Aspies and Normal People together, most normal people would not know who is who, and there are just as many people in between the two different types of Humans, and Neuro patterns like Autism is something you do not need a Vaccine for, but there are a Group of Doctors that want all of us dead, and are pushing Vaccines to do so, considering

they have been proven to be ineffective after a 50-year double blind peer reviewed study on Vaccines that was published by the Journal of Medicine Association or JAMA, and I find it odd that I AM the only person on this planet talking about Jesus Bar Abbas since Tesla, and I was born in Corona, and they have a Vaccine called Corona Virus to kill people, the way it works is simple, you fake a Pandemic, then force the Virus in the form of a Vaccine to everyone, you want to make the first round a Placebo, so everyone will say oh I survived the last one, I thought the same when I was given the Anthrax Vaccine, the VA reported in a Magazine they put out, that 1,500 people died in 3 weeks after getting it, out of the 290,000 who were given it, 270,000 died of rare diseases or committed suicide, so the next time when they want all you dead so they can Loot the Cities before moving Underground, they will give you something that will spread and cause everyone on the surface to die, just so those moving underground can loot without you putting up any resistance, must like Executive Order 6102, this is the Roman Empire reborn.

When the Life on a Planet is all Guilty of Treason or being Satanic or both, since they are really just the same thing, you know there is no hope for the Human Race as a Species, when those with Money are Lying by not telling you what the truth is, will cause the Human Races Extinction, and the reason is simple, this Planet is a Lifeform, it has Blood most of you are told is False Fuel, known as Oil, it is what keeps this planet alive, when the North Magnetic Pole makes it to the Equator in 2033, our Magnetosphere will reverse its Polarity, and we all know for a fact that means it will collapse its field, and that will cause our Atmosphere to Vent into Space, thus freezing all the vapor in it, and that will Freefall back to Earth with all the Satellites and Space Junk, and then the next few hundred to thousands of years into our future, it will slowly build up a new Atmosphere, till then getting colder instead of warmer, the Oceans will freeze deep underground due to the Oil they pumped out, and all the Land within a thousand miles of any Oil well will Freeze thousands of feet deep into the Earth and will crack, and may cause our Planet to go Nova, and then all Life dies and the Earth will take millions of years to recover, but those who Lie for a Living believe they will all be dead before this happens so they never cared and why this was allowed to happen, and will continue till this planet goes Nova just to rid itself of the Virus known as the Human Race, who are all Satanic Treasonous Traders that God will Execute for Worshiping Money instead of the God that is All Light.

I would estimate humanity has a 96% chance they will all go extinct, all because those who believe in Einstein are building underground Cities for the Rich & Famous Liars for Satan, did not design it to survive the Atmosphere Venting into Space, all because they are retarded and believe in retarded science known as Theoretical Science, better known as the Science of Insanity, who do not believe God exist, not even Physically, proving humanity is Satanic, and not one person on the whole planet is not totally Satanic, including myself since I work for the Military who are Paid to Enforce Treason, so do not have any delusions about Underground Cities Surviving the Earthquake that will happen when we lose our Gravity for 6.66 Minutes, it will balance this planet like a top, everything will fly around and find a new level, this means all the Oceans & Lakes will mix, and both will cover this Planet in Water, the Age of Aquarius is

here, the bringer of Water, only this Water will now be less Salty, and will freeze 6 feet deep in just days if not minutes, Sea Level will be like the top of Mount Everest, around 33,333 Feet in Altitude, making it very cold and very frozen, with very little Oxygen, and all those underground Cities will now be underwater Cities frozen in time for thousands of years, with Ice Glaciers that will grind all the Cities into Sand, like they did around the Great Pyramids.

Everyone believes they know what is going on, when we all know if they knew they were committing Treason, you think they would tell someone, but who do you tell, those Enforcing it, knowing they are not stupid and know this, considering it is the Law, and you know Law cannot make Treason Legal, nor can you Amend a Constitution to allow Treason, so everyone knows they are all Marked for Execution, and the Governments call this the Corona Virus, when we all know what the Corona Virus is, it is Me telling you the Truth about those in Power, they own you like Sheep, they know not one of you will tell anyone, nor will you FOIA the Government in Fears they will come and take them away, so for what it is worth, you are all going to die at the End of Time, and why Satan believes only Satan deserves to survive, and why they tell no one, and why no one knows, if they did you know they would tell you, but I am the only one talking about this.

Most people will ask people they know, and will look it up on the Internet, they will prove they are Cowards and do nothing, and trust me, the last thing I would recommend is doing anything about it, and why I did not, and we all know why, they have their finger on God bombs they call Nuclear, which is Witchcraft, Nu Clear, meaning to Clear the Land New, and why you will not find the truth on the Internet, other than all my Sites of course, just prove it, do not take my word for anything, like all Life on this Planet, I am Human if I can write this, but that does not prove I am Intelligent, so prove it or do not believe it, Know it, or No it Not, and most people are like that, I will tell them this story I am telling you in 33 Steps, and because they believe they have the Right to believe what they want, thus the Right to Push that Belief on Others as the Truth, just to get them to Buy & Sell Electricity that any 3<sup>rd</sup> Grader knows is used to make Light, and knows the Torah said God is All Light, proving everyone should be Intelligent enough to figure all this out, but the fact they did not proves one thing, I am the only one talking about Jesus Bar Abbas, and the Truth about the Church, Governments, Law and Treasonous Money used to Buy & Sell Souls with, proving those that took the Mark of the Beast known as a Sheep like Ewe, are all Religious, but those that Buy & Sell Souls are everyone, proving everyone is totally Satanic, and no one wants to admit it, nor admit they are all Guilty of Treason.

If you take the time to read all my books, you will find out that I am consistent if nothing else, my facts do not change over time, what the Torah before the 4<sup>th</sup> Century called God is still God, what Sir Isaac Newton called the Force of God in all his Equations, is still God, I do not redefine what God is, the Torah before Satan Altered it, like Satan Alter Boys, and people that go to Church believe they are the Chosen ones, and they are Right, the Chosen to let die.

The meaning of Life is 42, in Decimal it is 66, and is the Universes answer to everything, and in Trinary Science we have to prove a concept is logical, prove it is physical, and prove it exist, then you can prove if it does what you say it does, and that is always when Wizards come in, a Wizard is a Person who is at the Top of their Field of Study, I will teach you what I have learned from the Greatest Wizards in History, and you will have to prove it is for yourself, I can only tell you what the facts are, and try not to use any Theories, or mislead you, I would never lie to anyone on purpose, but believing in lies and telling those lies as truth is still a lie, so never allow it, prove everything you know and you will never know a lie, and that is my lesson in Life to you, the reader, who has the responsibility to prove everything they know before they know it, you can believe or have a belief in things you cannot prove, but you must know what you call a fact, and know the difference between a Fact, and an Opinion, if you do not check your Facts, you can make a mistake in your Logic & Reasoning, so remember, if a humans brain crashes, they can kill more than just themselves, they will take the Human Race with them, and from what I can prove about our Future, all Life will go Extinct, the reason why is simple, Money, and that is what your Life is all about, and why all Life will go Extinct, proving it is Evil, and if you want to know more about the Trinary Universe, the next Step is 3, and is about Time, and this is a Masonic thing, so the First 3 Degrees are Free, the next one may not be.
