

Step-19: Life

The Torah defined God as All Light without Darkness, and Newton proved to you that all humans can see is the Darkness in the White Light of the Sun seen through a Prism, and Tesla said we are Light Beings because our Brainwaves are Electrical and it takes Electricity to make Light proving Humans are Buying & Selling those Souls we call Life, all in the name of a Deity God that does not physically exist, and why their Science of Einstein removed God or Light from all his Alternate Universes with Alternate Realities to go with all this Alternate Insanity, proving that Church & Science are Satanic Liars, who Lie just to get Stupid People to take the Mark of the Beast known as a Sheep like Ewe, all to get you to Commit Treason and Lie about your Constitution being Amended to Allow this Treason, and they are not talking about the Sky Falling or the End of Time because they know you will figure out why the Rich & Famous are lying to them, about why they are buying rooms in these underground cities and not telling anyone about these Life Ending Events is simple, Satan believes only Satanic People deserve to survive these Events, all because they do not believe in the Torah or God, and only believe in Money and why all Life on this planet will die during these Events just like the Torah said it will.

The God in the Torah that is All Light without Darkness found inside all our Atoms is not the Same God Religion Worships since we all know the Light inside Atoms Physically Exist, we all know that Religions Concept of a “Higher Power” is not Lightning or Electricity, proving we do not believe in the Same God at all, and that is very obvious and you know this, and you know why they are Lying about it, which is to Trick you into Buying & Selling Souls, no other reason except for allowing Treason to exist as Legal Laws by allowing anyone but Congress to Print that Money, and the reason why we have no Country is Simple, Congress voted themselves a Salary then could not make the First Payment on the Loan the Federal Reserve made with both the North & South making them Slaves to the National Debt, and Guilty of Treason, which is why they will rather not tell anyone about this End of Life Events like the Sky is Falling in 2027, and the End of Time starting in 2033 when our North Magnetic Pole makes it to our Equator and our Magnetosphere collapse its North Magnetic Field and changes it to Negative after passing through Ground, and there is nothing wrong with Kepler, Newton and Tesla’s Universe, this is why their Math is based on God Being the Force of Gravity in all their Equations, proving they were right about the End of Time and all the Signs that were in the Torah, everyone on this Planet is Satanic according to the Torah, Tesla wrote that, and why the Press called him a Crazy old Wizard, and why he died broke, not wanting to Buy and Sell Souls like the Other Satanic Scum known as Society of Satanic Money Junkies that would do anything for the Right Price, and why they all sold their Souls to Satan, because in their Einstein Alternate Universe & Reality, God does not Exist, and their Religion Teaches God does not Physically Exist, proving no one that is on this Planet actually believes God exists other than all the Witches & Wizards that the Church and Satanic Followers have Murdered throughout History, and every one of you know this is the Truth, yet you would rather Die than admit you worship Satan and Committed Treason punishable by Death proving how Evil Treasonous Money is.

Life is all based on our Magnetosphere charging our Bodies with Magnetic Energy or Iron Rich Blood uses like a Wireless Battery Charger for our Soul, that is a Spark of our Life, and what makes our Brainwaves that are seen in an Electronic Oscilloscope used to look at Electricity, because the two are the same, as Tesla pointed out, but Satanic People like Bankers like Morgan and his Lover Edison, who joined teams to Buy & Sell Souls and Sell Electric Chairs to Murder anyone that does not believe in their Version of Reality, and how Satanism was allowed to take over America and get everyone on this Planet to Sell their Soul to Satan by taking the Mark of the Beast known as Ewe, all because Stupid People have no concept of what a Soul is, which is our Life as Light Beings in an Electrical Body of Flesh.

Regardless of how you define Light, or God, the Torah was Absolute about what it wrote about God Being All Light without Darkness found inside all our Atoms, as well as all the Atoms in the Universe, making everything we can and cannot see, yet Stupid People sold their Soul for Einstein's Science, and Satanic Beliefs in Satan known as the Deity God Satan Worships, proving they are Satanic Liars, and the Torah does not care if Sheep are too Stupid to understand common sense just because they have none, all because it is Normal to have an IQ just 20 points above being Retarded, and why you believe Retarded Science by Einstein with an Adult IQ of only 160, I had an IQ over 180 by the 3rd Grade, proving Einstein is Retarded, this never gets old explaining to stupid Sheep why they cannot figure out simple concepts about what God is, and what God is not, and a Deity means Satan, it means you believe Einstein that God or Light does not exist in Any Universe or Reality, and you believe God does not even Physically exists, yet believe Jesus Christ does, proving all the Sheep taking the Mark of that Beast are Insane.

Life begins with Light because the Torah said that in the Beginning there was only Light, why Humans gave their Freewill to Satan to believe God does not exist in Einstein's Science to their Religion the teaches the God does not Exist just to get them to take the Mark of the Beast known as Ewe proving the Torah is about Alchemy written using Witchcraft, and why the Church and Money have their Satanic Bankers, Satanic Followers, Satanic Armies and Satanic Governments, because everything they have is Satanic, everything they know is about Satanic Beliefs in Money, and why all Life on this Planet that is Intelligent enough to Talk yet prove they are not Intelligent enough to understand what Treason is, which is allowing the United States of America to be Franchised out to the Federal Reserve to pay for Congresses Salary that they keep voting Larger with more Benefits, making our National Debt go higher by the minute with no end in sight, proving they never had any intention of ever paying off the National Debt, all because its Citizens allow their Fake Presidents to Murder Federal Employees just to prove they can get away with Murder, and we all know this is just a Game called our Life under a Satanic Regime known as Treasonous Governments, that does not care about anyone's Life and why they are not talking about these End of Life events, because the Rich & Famous can afford Tickets, and therefore will not talk about it, and thus lying about it, proving they are planning Genocide.

The problem with Satan is that they cannot stop lying, they will tell you they had no idea they were serving Satan by denying God Physically Existed and wanting to believe Jesus Christ did, if you can believe that Story you are too Stupid to Survive, but there is no doubt they made all of you Religious People take the Mark of the Beast known as a Sheep like Ewe, and every single one of you know this is the Truth no one can deny, like they Deny Jesus had 3 names, Jesus Bar Abbas, the Leader of the Militia who defeated the Roman Empire for their use of Money & Taxation, just because all the Churches Altered the Torah just like they Alter Boys and for the same reason, they get Paid to, and why all Religious People are nothing but Liars, they know they serve Satan and the only way they can Worship Satan and get away with it in Public, is to called Satan a Deity God who does not Physically Exist proving it is Satan and not the God that is All Light without Darkness that Physically Exists in all the Atoms in the Universe proving the Church is nothing but Satanic Liars and their Followers are Satanic Worshippers that do so of their own Freewill proving how Evil they are, and what Liars they are.

People that try to justify being Satanic are trying to make a Deal with Satan, so never allow them to drag you into Satanic Rituals like Forgiveness, or Repent, the Church is a Cult that prays on the Suffering of Children by known Gay Pedophiles with statistics printed in the News proving over 96% of all Church Leaders and Members have Sex charges against them that never make it to court, because the Judges in all Courts in the World are owned and Operated by the Federal Reserve that Owns them like Sheep, it is not against their Law to have Sex with Sheep, and all People who are Church Members are Sheep since they took the Mark of the Beast known as a Sheep like Ewe, People will try to Justify their behavior, and why they Sold their Soul to Satan, all because of Santa's Clause, the Red Saint known as Satan, and these are the People that want to Justify being Satanic, and Paying these Gay Pedophile Green Pastures to Alter Boys, and there is no Justifying Buying & Selling Souls and taking the Mark of the Beast just to Alter Boys, there is no forgiveness Church Members can ask for two thousand years of serving Satan, God will not Listen to Satanic People who took the Mark of the Beast known as a Sheep like Ewe and knew what they were doing since it is clear a Sheep is a Beast and you have to believe you are that Sheep following Gay Pedophile Green Pastures, no one is stupid enough to believe Satanic Fools try and justify what they have done to the Human Race for thousands of Years now, never allow anyone Religious Forgiveness, if you do, you are forgiving Satan, and that makes you Satanic, proving that anyone asking for Forgiveness for Buying & Selling Souls are taking the Mark of the Beast known as a Sheep, there is no saying you did not understand that connection, that is just stupid, God does not care what you believe nor do I, you sold your Souls of your own Freewill, and it will take more than just Talk to get those Souls back, and Satan cannot stop being Satanic, and will not even try, they will just lie to everyone saying they believe in a Higher Power, just not Light or Electricity but in Money, the one that Bought their Soul and used to Sell it, Money is the Root of All that is Evil, and Satan will never admit to Treason it cost them, and why they sold their Soul to Satan for Money and expect a Refund, Money is Satan, and you cannot have one without the Other, that is who Bought & Sold your Soul.

The Reality of what the Torah said about God Being Light and not an Angel that does not Physically Exists, is proof that Religion is about Lying about what and who God is, a reality that is clear to anyone intelligent to understand what I have been writing about from Steps 0 to 18, assuming you read them, I do not beat around the Burning Bush unless I am trying to put it out of its Misery, I just tell Ewe like it is, God is not Forgiving, that is the Deity-God, and not God, Jesus Christ is a Deity-God and does not Physically Exist in History, that is what Deity means, the belief in things that do not Exist, which is also the definition of Insanity, and why Stupid People who took the Mark of the Beast will try to Justify being Satanic by Saying stupid stuff like we all believe in a Higher Power, when we all know we are not talking about the same type of Power, meaning Light or Electricity, and that is all God is, and can ever be, the Torah said do not make into God anything that God is not, and told you God is All Light, without Darkness means the Rainbow of Colors you can see in White Light, so do not try to use Tricks to confuse me about what you believe God is, and what the Torah said God is, All Light means just that Stupid Sheep whose Reality is the Hell they sold their Soul to, and they will learn once you get to Hell that Money does not exist there, sure your Soul can be used to make Bank Transaction, even make Treasonous Bit-Con Coins using our Soul to power the Machines using our Souls to run them, all because Sheep like Ewe Lie about any Reality with God or Light in it, all because you believed in Einstein who was Legally Retarded compared to me, and I find it amusing to say that since I can prove it is the truth, and why I find it ironic to entertain the concept of being Jesus Bar Abbas coming back in my Flesh, sure the time, date and name is right, so that is 3 out of the 3 things the Torah told you about Jesus coming back, but still no reason for me to believe it, maybe my Grandparents thought it was cool, but my friends never did, and why I do not have many, because once I tell anyone I have an IQ over 180 and are born the same time, date and even have the right name as who the Torah said would be Jesus back in the Flesh as, that cuts down on my list of friends real fast, proving they never were, just Satanic Followers of Satan.

The Torah said God made all Life, Trinary Science explains the Science of God, and how God created all Life using Light and Electricity, proving our Souls are both, and People that Buy & Sell our Souls are Satanic, and the Torah said Satan would do these foul deeds, but few see it that way, and have no problem Buying & Selling Souls, all because they do not believe that is God, therefore do not believe in the Torah, proving they are Satanic, because that is what it means, it means you deny God, it was bad enough denying Jesus had 3 names, to sell him out for Money, and continue to do that by denying who Jesus Bar Abbas was, and believing in the Lie the Satanic Church making all its Members take the Mark of the Beast known as a Sheep like Ewe, proves they are Satan, since only Satan could do that, the Torah is very clear about this, proving Religious People are Sheeple with no regard for the Truth, they Lie about what God is, just so they can Buy & Sells Souls, proving Religious People will never change, they will never admit they are Satanic, and committed Treason, yet you know this is the truth about all of you, proving why you lie after you know this, is the same reason others will lie after knowing this, and why no one will tell anyone about it, because this Proves who Satan is, and Satan is everyone like you.

People will believe there are more Intelligent People than me in this World, but they cannot Prove it, nor will they try and since I know I can prove my Military ASVAB Scores are 99% for Mechanical, meaning I have an IQ over 180, and like they say walk the Walk & talk the Talk, you can FOIA my scores to prove how stupid most people are knowing it is normal to be only 20 above Retarded, Normal is not saying much about most people, and why this Country is Guilty of Treason, and Religious People took the Mark of the Beast known as a Sheep like Ewe, proving how normal people think and believe since everyone is Satanic this is normal, and everyone is normal except for me, who knows, maybe IAM Jesus Bar Abbas back in the Flesh, that makes more sense then believing everyone in the World is just Totally Satanic and Totally Insane, why else would I be the only one in the World who knows this now, I might be the last Life on this Planet to understand the Truth about the Universe, and I find that Entertaining, and maybe Ironic considering I am Military, and if Bar/Abbas did come back he would tell you the same thing I am telling you now, and you know this is the truth, so how Intelligent do you need to be to understand what I have told you, is above retarded by 20 points, so Normal People can understand it, if they want to admit to being Fools for taking the Mark of the Beast is a start to understanding Fools will not get Fooled Again, but to continue to live as a Fool, that is Satanic, and that is also normal since everyone is doing it.

We all have Freewill, how we use it is up to us, but we as humans must understand a Soul is real, it means your Energy, your Light, or Electricity that lives in your Flesh, we are all Light Beings in a body we call Flesh, which means Meat and Me is short for Meat, proving me and you are all Flesh, and the Message Jesus Bar Abbas was telling is in the Torah, and anyone can tell that story, but like all Stories, some are Light, or White, some are Dark, or Black, but our Soul is both, we only live in Shades of Grey, so decide if your Soul is Real, and what it is, if you know it is Light, and it takes Electricity to make Light, you know People are Buying & Selling Souls, and understand why Tesla was so ashamed of the Human Race.

The Torah said that at the End of Time when Jesus comes back in the Flesh, he will have one chance for People to build Trinary Sanctuary, but that requires People who have Courage, when as a Lifeform Humans have none, if anyone of them did, including myself, the World would know what Kepler, Newton and Tesla wrote about, yet they know nothing but Lies and believe those Lies over the Torah, proving they only believe in Money & Law, and maybe Religion, but not one of them will serve God who is the Light in our Atoms, Satan only wants Money, so People have to decide who to Follow, Jesus Christ who never existed in History much like his Deity God that does not Physically Exist, to their Science from Einstein that removed God or Light, proving no one believes God is All Light without Darkness found inside our Atoms, instead they believe God is Money, and that Money is Legal, all because no one will ever admit they are just Satanic Money Junkies, and I know this is really what the Truth is about Satanic Sheep who know they took the Mark of the Beast known as Sheep like Ewe and Committed

Treason against the United States of Americas Constitution by allowing the U.S. to be Franchised to the Federal Reserve that Prints its Money instead of Congress all because they could vote themselves a Raise every year, so to put that in terms most of you might understand, “Pimped Out” to Bankers, Lawyers and Politicians, and that just about Sums up everyone in the World and why the Torah said that God would Purge the World of all Life by Flooding it, and on 14 January 2033 our North Magnetic Pole will cross the Equator and our Magnetosphere will Collapse and then you will know that this is a Real Event, all our Atmosphere will be vented into Space turning into tons of Ice that will cover the Earth when the Sky Freefalls with Meteorites and Space Junk mixed in it, proving the Age of Aquarius is the Bringer of Water, that is the Future everyone on this Planet will have, regardless of what they believe will happen, which is obviously nothing, all because they have been Lied to, our Planet is not Slowing down, proving Iron in our Earth is not Generating our Magnetosphere proving they are Lying about it on purpose, no one is that stupid and can get everyone to go along with that insane concept in science that makes no sense, as does Einstein’s BS, proving everyone on this Planet at this time is Insane, no other explanation anyone could come up with to explain how everyone can be this stupid as to believe these lies you know about now, and cannot deny, sure I might have an IQ over 180, but do you really believe I am the only one alive that can say that, not even close, rare sure, so is two fully functional Spleens, and the Awards the Military gave me for my Service to a Treasonous Country who really do not care that IAM the Light Wizzard in the Flesh.
