

## Step-20: Technology

The technology of today needs to be upgraded to Trinary Technology if it will be used to build Trinary Sanctuary, this technology is based on Pyramid Power, this design is my own, I had no help from others in designing, and I was only 6-years old when I came up with the concept, by the 3<sup>rd</sup> Grade I had read many full sets of Encyclopedias, Dictionaries, and books on Electronics, Mechanical as well as other books, and was tested with an Adult IQ over 180, and why my design has never changed since that time, I understood what was required of Technology.

If the Human Race decides they want to Survive the Sky Falling in 2027 and the End of Time beginning in 2033, just 6 to 12 years from now the Human Race will go Extinct if they put their Trust in Underground Cities the Torah said Satan would dig their own Graves at the End of Time, and the is exactly what they are doing, their Engineering has nothing to do with it, despite what most people know, there is a whole Civilization living deep inside the Earth, they have Aircraft known as UFO's, some are even Pyramid shaped, these are not from another Solar System, there is evidence they have bases on the Moon and Mars, and have been seen leaving the Earth, I have no idea where they are going, I only know of them from what the Military wrote about them, and from what I can gather we have been at War with them for thousands of years, the Torah has images of UFO's, proving they have always been here, and my First Cousin Five times removed Isaac Newton, wrote that we need to build Pyramids, if we are to survive the End of Time, he gave no details on how to build them, and why the wheels in my mind started to turn thinking about one goal, how do we build something that can survive Saltwater, Freezing, and lack of Oxygen, and over the years I have come up with better solutions using current Technology since I am limited to only what is available now.

Most People on this Planet do not speak English, if you speak another Language, feel free to translate and publish my work in other Languages so everyone can read them and understand what is going on, knowledge is more important to me than Money or Copyrights, all my work is Copyleft, meaning I left a copy for you to do what you want with, you can order my books and ePubs online or at your favorite book store, and you can also download them for Free on my GitHub Account for Light-Wizzard, "The Principles of the Trinary Universe", it is 666 pages, printed out on paper it is the size of a Text Book, and why I have it for sell so you can get a Paper version in the form of a book, it too needs to be Translated. I believe all Knowledge should be Free, and a Copyleft ensures that, it has no License, and no hidden clauses.

The thing about real change, is that first people have to understand why they need to change, and in this case it is simple, in 2027 there is a 96% chance a Meteorite will impact with Earth, you can go to the NASA website and search for 2027 Meteorite, and read what they have to say about it, I am only going by what they say about this, and our 5% decay rate you can also search for and read about what they have to say about it, I am not asking anyone to take my word.

Once you understand that NASA is not Lying about this, you know it is serious, and I will not have to tell you that no one has a plan on how to save the people on the Surface of the Planet, and we all know there is not enough room in Underground Cities built only for the Rich & Famous, and those that can afford it, so Normal People need to know about this and decide if they want to survive it, and then realize that none of them can afford to build Trinary Sanctuary, in fact, there is not enough Money on this Planet to Build it, so no one is Building it.

I want to tell you about a dream I had as a child, this is a recurring dream, but I have not had it in years now, it changes over time, but not the feeling, I could feel Gravity in my Dreams, an odd feeling that wakes you up ending the dream. In my Dream I am with others, but do not know any of them, nor do they know anyone there, we are Lost, but in a place near the Ocean or a large body of Water, there is a building on the Beach with an Elevator that leads to safety, but we never make it there because the Gravity I feel as the Oceans disappears, I feel the Gravity bend towards the Ocean, the door flies open and everyone gets inside, but we cannot close the door, and the Elevator is still coming up, I remember thinking if I only had a Machine that could have warned me that the End of Time was here, I spent most of my life working on such a Machine, I call it the End of Time Recording Machine, so some of my Dreams I made come true.

I know that the Pyramid needs to be built on Rock and not Earth or Dirt that will wash away in time, and it needs to be firmly anchored to it, drilling deep and wide shafts, and building elevators into them, that go down deep into the rock and you make tunnels and underground Cities. The Center of the Pyramid are large shafts used to generate Vacuum, this can be used for many purposes, the main one is ventilation, the Pyramid is made up of Pods that are self-contained Submarines, designed to withstand the pressure of building a very tall and wide structure, as wide as it is tall, and can reach a height of 66,666 feet.

The air shafts will generate a vacuum that will be used to pull in air from the lowest point of the Pyramid it can take in air from, it is first filtered, then it is replenished with Oxygen, then warmed, and using the vacuum it is pulled through all the Pods, thus no energy is required other than Vacuum, and that is guaranteed if you build it tall enough, and you take water and break it down into Hydrogen & Oxygen and convert that into Electricity used to charge a battery bank, used to deliver Electricity throughout all the Pods, and you can use that Oxygen to replenish the Air Supply since after 2033 it will be like living on top of Mount Everest anywhere in the world, and for hundreds if not thousands of years, while our Atmosphere rebuilds.

You can also use vacuum to turn turbines used to generate Electricity, pump water, run machines, and other uses, so Vacuum is our main power source, Lightning will also be harnessed for Electricity, we cannot count on the Sun for years.

Those People outside will freeze and burn at the same time, without our Atmosphere to protect us from the Sun, it will burn us, and also allowing all the Micrometeorites to rain down on us for years to come, making Solar Cells useless, so Vacuum becomes the new Technology for our Future, and Lightning will give us any extra Electricity we need, using the Souls God send down to Hell, so we will give them a tour of what Hell is like running Machines with Soul Power.

Even as a Child I understood that people only care about themselves, and are Lazy, and they will only do the minimal amount of work they can get away with, amazing anything gets done, and Money is not always the great Motivator Some People meaning Sheeple, would want you to believe, for one thing, reality check, the Earth just vented its Atmosphere so all the Stores are gone, nowhere to spend any money even if you had it, but Sheeple will say we can build Stores, knowing almost all Crime is committed over Money, the United States of America was taken over by Lawyers through Politicians through Religious Sheep, and they want you to believe Treason is Legal, and Stupid Sheep would still bow down to Satan just to have Santa & Saints they know are Demonic, the Torah said you can only serve one Master, so do you Trust in Money, or Trust in God, is a rhetorical question about who owns your Soul, if Satan owns your Soul, you will see Money as not Evil, and only the Love of it Evil, ask all those Murdered since Jesus for that Money, why Jesus called it Evil, or backward of Live, it is Satan, it is what People Worship, they do not worship the Bankers, they Worship Lincoln who was Legally Executed by his Militia, and the Bankers throw down a wad of their Satanic Money and out comes everyone's hands wanting their share of it, proving Money is Satan, and what Money Junkies Worship, and you know what has changed since I grew up, I learned that when I became an Adult, I was right as a Child, and nothing has changed to prove it, all the things I knew then I know now.

In order for Technology to Change, People must Change, they must confront the Satanic Reality this Satanic Society has force Fed you through Mainstream Media Brainwashing, to prove who is Lying to you about this Reality, look no further than your TV, all Movies ever made are about this Satanic Reality, and not one is about the Real Jesus Bar Abbas, only the Satanic Version of him, which is a Satanic lie only Satan would tell, the Rich & Famous are part of the Mass Coverup going on, and why Sheep do not know they took the Mark of the Beast, well that is due to the lack of Intelligence, but TV is Satanic Propaganda, they push working for Free as Communism when that is just another word for Dictatorship, and how Satan lies to you by making Money out to be better than any form of Government, those that believe the U.S. is the greatest Country in History are Retarded, the U.S. is not a Country, its own Laws prove it is a Franchise to the Federal Reserve, therefore has nothing to do with the United States of America, that has been gone since 1861, 100-years before I was born, and I am over 60 now, so this is not news, it is Satanic Sheeple pretending to be People, they are nothing but Liars, and Technology will not change unless People do, the Torah said Satanic people will dig their Graves, and they did, and they did not tell you why proving they are nothing but Satanic Liars, and People will go Extinct along with all their Satanic Technology, and all for Satanic Treasonous Money.

The reason why most people are stupid, meaning they do not know what they are talking about, is because all they know is lies, and all those lies are being told to you by Mainstream Media, and you know they are Liars, no one is talking about the End of Time, do you not find that hard to Believe, considering Sir Isaac Newton proved our Magnetosphere is decaying, and NASA confirmed it is at 5% decay per year, so the facts are clear, people do not care that they are being lied to, just because the Rich & Famous lied to them, every single-one of them are lying to the American Public, and they are so stupid they believe it, proving there is nothing but Satanic Knowledge on this Prison Planet that is ran by Criminals using Nuclear Weapons to keep everyone a Hostage, just so they can lie to all of you, and why you are so stupid, you believe you are intelligent because of your technology, way to go Human Race, base all your Technology on using our Souls to run them, and think they are not Satanic, proving they are Satan.

People use Technology to make People Stupider, by giving them access to more lies per second than anytime in History, and all Lies, none of it is true, as proof, it is all based on Einstein and a Deity God that does not even Physically Exists, proving that the current Society is Totally Satanic, and have no understanding of God whatsoever, so if you want to build a New Society, do not import any of the Movies, Audios, Books and so on, that are based on Satanic Beliefs, which is most of it, all their Technology is based on Spying on you, so I would plan on making your own Technology, it all comes down to what you import to how Satanic your new Society will be, so do not allow their Satanic Software to run on your Systems, write your own Software.

The problem with Satanic People, is that they do not view themselves or others of their Kind as Satanic, proving they live in Hell, where else do you look everywhere and see only Satanic People pretending they are Good People, pretending they Worship God and not Satan known as a Deity-God, and why people pretend they have Amended the Constitution to allow Treason, which is punishable by Death, and the Torah said Money is the Root of All that is Evil, meaning those that use Money will die because of that Money, and you allowed Satan to tell you that the Torah was written in the 4<sup>th</sup> Century knowing that Canons in it go back thousands of years before that, but that is how a Lie begins since History proves Sir Isaac Newton and the King both say the Version written before Satan made only the Love of Money Evil, by inserting Jesus Christ to replace Bar/Abbas, proving who Satan is, the Church that Murdered Jesus Bar Abbas for Money, and Deny he had 3 Names, and have to Take the Mark of the Beast known as a Sheep like Ewe, proving you know they are Satanic, who else does that in the Torah, only Satan, and that is all everyone on this planet knows about, the Torah said all that do not believe in the True God, and it does not say anywhere in the Torah a Deity-God and God are the Same, proving it is Satan, and proof of this is History of Murdering all the Witches & Wizards throughout History, for trying to tell you this, but Sheep never Listen, they only Believe what they Heard in their Herd, proving they all have a Heard Mentality, I heard it on the News so it has to be True, knowing they do not tell you that Money is Treason and Religion is about Gay Pedophiles Altering Boys and all of you are Paying them to do it, proving who is Satanic.

When most people think of technology they think about the things they have, and the things they know how to use, but Technology that exist at this date and time is all Satanic, and only Satanic People or Sheeple will defend it as not being Satanic, knowing it was paid for with Money used to Murder others with, and Buy & Sell Souls, this is the technology that only Sheeple could defend, every computer and calculator on this Planet is wrong because People are Retarded, no other reason I can think of except for Satan, meaning Lies, like Black Holes, that is just a Joke on Retarded Sheep, no one is serious about them existing since Light & Darkness does not Exist in Einstein's Alternate Squared Universe & Reality since Einstein removed God thus Light without Darkness and the Light cannot Exist without the Darkness which is the Rainbow of Colors found in the White Light of the Sun seen through a Prism, proving Einstein is a Lie, and those telling it, know it, and lie to you on purpose, by getting you to believe God does not Exist, making you believe you do not have a Soul, knowing the Torah said Satan would make into God something that God is not, and an Angel is that since God is All Light without Darkness, Light is all God can ever be, and an Angel is not Light, might be Ball Lighting, but that is not Light, but a Soul, but not God's Soul, God is the Light inside all the Atoms in the Universe, and how God created it, and that is all God can ever be, and why in the Beginning there was Light, so how Technology uses Souls as Power, tells a lot about a Society who do not view it that way, all because they are Satanic like the Torah said they are, and we do not need Technology to prove God is inside our Atoms.

To understand Technology today, you need to look at what NASA is using to determine our Magnetosphere is decaying at a 5% rate per year, and understand Sir Isaac Newton came to the same conclusion, only he calculated the End of Time meaning 180 degree pole reversal, proving the Human Race has known this since 1666 when Newton and Halley published it, and this is Public Domain information, and as Tesla said, some Pyramid Calendars have 2060 Year Cycles, and that is the Span of the End of Time that Newton Calculated, and why, only he used Hex's to confirm the Mayans Calendar, and found it is the same, as is Stone Henge, and other Ancient Stone Monuments, I do understand the Sacred Geometry that Carl Munck's "The Code", after some Satanic Egomaniac said he debunked, proving how Stupid Sheep fall for Satan's Tricks, Carl died in disgrace, and the World will never view those Structures that way, all because of Satan and Satan's huge Ego trip, and why the Human Race will go Extinct, because this Satanic Planet allows Satanic Trolls like this to Lie about someone's work, when their proof is as flawed as there argument, all based on their Satanic Beliefs, and pushing them on Stupid Satanic Sheep, and why Technology today is only Evil, because that is all Satanic Sheep use it for.

People Lie to sell Technology that will only kill you, Space Travel is the biggest Money maker and biggest Lie, Humans cannot even live in Low Orbit for very long, and since I know of no lifeforms being sent out past our Magnetosphere that extends 666 miles from the Surface of Earth, after that, Micrometeorites from here to the Moon, and no Shielding means all the Xray's and Gamma Rays will be damaging your cells, and I have no data on any such events ever taken

place so I can only guess at what would happen if you did make it to Mars, or the Moon, and wanted to live there longer than a day, let me tell you about Gravity.

If you believe Centrifugal Force has anything to do with Gravity, you would be wrong, and NASA has proven that, Spinning in Circles does not Generate Gravity, in fact, trying to build a Ship that could Spin in such a manner would not work, and they know it, and why is Simple, Gravity is the Force of God in all Newton's Equations, so we have  $F = MA$ , where F is the Force of Gravity in terms of God's Light found inside the Mass known as M, which is made up of Neutrino Particles and God's Light, times the Mass of those Atoms.

There are very few people who will read this series if any, all because no one will tell anyone about it, because they would die of Shame having to admit it is the truth, and this World is about to become a Frozen Ball of Ice, our Oceans will Freeze over, all Hell Freezes over, that is what happens when your Atmosphere is vented into Space, so this event is real, and is really going to happen, and there is nothing anyone can do about it, it does this every time it has reversed its polarity, so this is Mother Nature's way of killing off species not capable of surviving this event, known as the End of Time, the Pyramids are broken thanks to Moses and Satan's Followers, you really should read that story, Hollywood's version of it is a Lie, just like everything the Rich & Famous tell you, just to get you to take the Mark of the Beast and feel good about being a Sacrificial Animal to their Satanic Deity-God, and just because I was born at the right date and time, and just happen to have the right name, just to tell you the truth that is right in front of your eyes, are you a Sheep, do you follow Gay Pedophile known as Green Pastures, if so, Satan owns your Soul, and if you want it back, you have to stop being Satanic, and few can, and why the Human Race will go Extinct, because the Rich & Famous put a price tag on all your heads, and took their Satanic Masonic Orders from Satan to Buy & Sell Souls, just like the Torah told you, and there is no other way to Buy & Sell them since they are Light made of Electricity, and that is just Common Sense if you had any, and that whole Jesus coming back in the Flesh, well, that is just like the Light Wizzard in the Flesh.
