

Step-16: Hex

When most people think of the word spelled “Hex”, Curse is the first thing that pops into their mind, 16 is how many characters are in a Hex, 0123456789ABCDEF, and you have a Hexagon like a 6-Sided Hex Key, and we use Hex for HTML Color Codes, so we know Hex is used to represent colors, where 000000 is Black, and FFFFFFFF is White, so it is clear Hex has to do with Witchcraft, and History proves that all Religious People who took the Mark of the Beast known as a Sheep like Ewe, Murdered or Discredited Witches and Wizards because they would try to tell the Sheep they are being set up for Slaughter, and that is where the Curse came in.

The History of Hex goes back to the Torah, in terms of Science it translates to find when the Earths Magnetic Field is moving towards the Equator, this will happen when the Magnetic Field collapses, now NASA calculated that our Magnetosphere is decaying at a rate of 5% a year, and our Magnetic North Pole will reach the Equator in 2033, but Sir Isaac Newton calculated it differently, at first I did not get it, but now I do, Newton calculated the date to be 2103, and the Torah said to subtract the Hex for 66 from that date to get the End of Time, which is the Decimal 66 in Hex 42, and $2103 - 42$ is 2061, the date our North Magnetic Pole will be at the South Pole, and the Pole Reversal will be completed, so what confused me at first was thinking this is one event, but it is not, if you subtract 66 from 2103 you get 2037 and subtract the Hexagon of 6 you get 2033, when the Atmosphere Vents, not sure Newton thought about that since he did not write about it.

The Curse of that Hex meant the End of Time, or the End of the Human Race, maybe all life on the Face of the Planet, the Torah said if Jesus comes back 100-Years before 2061 in the year 1961, and found everyone on Earth was Satanic, meaning they took the Mark of the Beast known as a Sheep like Ewe, or use Money the Root of All that is Evil, that God would purge all life on the planet and start over, that is the Hex Curse that Satan does not want you to know about, and why Religious Satanic Sheep Murder Witches and Wizards, because they will tell Stupid People that the Church is Satanic and only Teach you God does not Exist, not even Physically, and that is the World I live in, and being born at the exact time and date the Torah said Jesus would come back as the Flesh, it turns out that is my Legal name also, and I am telling the same Story in the Torah that Jesus did, and the only one on this Planet talking about it at this time, proving the Torah is right, and will purge this Planet and Start over, and I have seen the Pyramid Shaped Ships leaving the Planet, not sure where there are going, but I know they will be-back after this event is over, I have never had any dealings with those living inside the Earth, but know Admiral Byrd did, and said they communicate by thought, and he foreseen this Future the Torah talked about, few people know about the Torah because the Church Paid Knights Templars to Burn all pre 4th Century Torah's so they could Lie to People just to get Paid to Alter Boys, and never have to work for a Living, Life was Good for Satan, Lie by Teaching Sheep Money is Good as God, so “In God We Trust” was engraved on all their Money, proving everyone on this Planet is Satan, and will Deny that proving it since only Satan would lie to themselves.

The Church also known as the Federal Reserve and its Governments with their Satanic Police Pigs and Military Dogs, control all of Satan's Followers with their Finger on God Bombs known as Nuclear Weapons, so like the Criminals they are, they took over and created Laws, Money and Religion to control the Sheep's Minds, Satan knows that the Weak Minded are nothing but Fools and easy to Fool and everyone using Money gets an FU Trophy, for Fooling Us, the Greatest Magicians in History is the Church, but they did not get Fooled by Penn & Teller who told you all about their Bull-Shit, proving who is the Greatest Magicians of our time.

To understand what a "Hex" is, we have to look at facts and not Fairy Tales, whose only Job is to discredit Witches & Wizards, and I am not talking about Harry Potter, my favorite by the way, the author went out of her way to read about real Witches and Wizards, I bet Newton was her Favorite, maybe it was Tesla, so not those kind of stories, but rather going back in time thousands of years ago, when Religious Sheep serving Satan's Army of Murderous Evil Sheep who took the Mark of that Beast by believing in Gay Pedophiles who are now out of the Closet since everyone knew it anyways, why not rub it in proving Satan has taken over and only Satanic Sheep exist on this Planet at this Time, just like the Torah said would happen, just before the End of Time, they Murdered Witches and Wizards for telling His-Story about the Light Wizard in their Dreams, and what the Wizzard with two Zzz's is all about, the Dream Wizzards, who understand the Torah because they are Witches & Wizards, and it was only written for them, it was all about Science known as Alchemy or Chemistry, and all the Potions were Scientific Experiments we can still do today, but at the time the Torah was written, which was back just after the last time the Earth Vented at the end of time, meaning the Beginning of a New Age of Time, Adam & Eve, White & Black, Ashkenazi, Ash is White, Nazi is Black. Most of the Torah was devoted to the Study of Stars known as Astrology, not as it is today, nowadays they call them Astronomers, each of the 12 Ages have Names, Capricorn is when Jesus was born, but not in the Age of Capricorn, but rather when our Binary Sun Sirius aligns with that Constellation in the Heavens and the Torah began to be collected into books into what is known as Canons, most were about the 12 Signs, if you know you are in Pisces the Fish, which is when the Torah began with the Stories of Jesus, who said he would come back 100-Years before the End of Time, and all those that did not Sell their Souls to Satan, would help me rebuild the Great Pyramids, but we all know that will never happen, no one will believe I am that Flesh just because I was born at the exact time and date with the correct name, that is more than just a coincidence that I am the only one talking about Jesus's message, and not the False Prophet known as Christ or a Deity that does not Physically Exist in History, and that is where this Hex comes into play this game called the End of Time, where those that know do not tell those that cannot afford to buy Tickets to survive the Sky Falling, let alone the End of Time, proving those building Underground Cities know this, and also know there is not enough Room for everyone, so they tell no one and let them die on the Surface and that problem is solved, and why Stupid Satanic Sheep Celebrate Christmas, by changing the Star Date of 25 December to 14 January so they can Celebrate Satan with Saints, they do not even try to hide it, the Red Demon who Buys & Sells Children on Treasonous Money just so Satan can make them take the Mark of the Beast known as a Sheep like Ewe, proving Santa or Satan for Dyslexic, is only there to Steal the Souls of Children,

making that a very Satanic Religious Ritual, proving how Evil everyone on this Planet is for allowing Satan to Buy your Soul for Treasonous Money, all because you do not believe you have a Soul, all because you believe God does not Exist or God does not Physically Exist, or you are Religious and just worship Satan and allow Treason to be Legal, the Torah described this Planet today, how did they know this, is what makes the Torah the Greatest books ever written, but not the Churches 4th Century Satanic version of lies, just to get you to take the Mark of the Beast, did I repeat myself enough that this sinks into your brainwashed Minds, is a rhetorical question, you have Freewill and can *believe* whatever you want or Prove it, and that is all I ever ask anyone to do, I never want anyone to believe me, I want them to prove that I am right, that way they know I am right, and this all starts with a Hex, and I hope you now understand what a Hex is, it is Witchcraft used to hide numbers in plain sight, 666 is not the Mark of the Beast and the Torah never said it was, only Satan did, 666 has so many things that it relates to, so let me talk about the Hex 666.

A woman by the name Henrietta Swan Levitt said if you look at our Galaxy as a Record, which for the younger Generation that may have never seen one, it is a flat disc of plastic that has grooves in it, like our Galaxy, there are grooves where Suns travel, and if you were to count them, we are on track 666, I wrote the Math for this to plot out a graph showing what tracks life can exist, you can find it on my GitHub account for the Light-Wizzard, Galaxy Calculator, all from the Torah before the 4th Century Satanic Version was allowed to exist, and they have Army's protecting that Lie, but the Truth is not in that Satanic Verse, proving only Satan is in charge of this World, and that the Torah told you all the truth about the Universe to prove the Science behind why the Earth will reverse its Poles venting the Atmosphere into Space, and all the Satanic Sheep that believed in the Satanic Version where Ewe take the Mark of the Beast proving it is just about Satanism, all because those who Conquered wrote History.

The way Satan works is simple, Satan is just another name for a Liar, but there are all kinds of different lies, you have a White Lie, that does not hurt anyone, then you have a Satanic Lie that is Evil meaning backwards of Live, meaning to cause someone's death, as in taking all your Souls at the End of Time while the Rich & Famous have Tickets they are not telling anyone about, and this is the reality of today, and what the Church and their Governments have done to all of you, know that they did not build enough room for everyone, they decided it was better for the Human Race if only Satan survived this, obviously they do not believe in the Torah who told them they are digging their own graves, I have seen how they build them, they will never survive because there is no Science behind them, because like Most Sheep those that build them, believed in the Science Fiction of Einstein, therefore stupider than the rock they came from, try Squaring no Light Stupid Sheeple, and there is no way those Sheep will ever change, there is no science to explain Mass Stupidness, how can everyone be so stupid is not a question any of them could answer, they have Rocks for Brains, proving they are all Stupid Sheeple.

The Hex Curse is on this Planet, God may not have written the Torah, nor did God talk to anyone that did write it, instead it is based on Science known as Alchemy, and anyone who is intelligent enough to understand what I have written from Step 0 to Step 16 where this Hex was explained to you a person and not a Sheep like Ewe, just do some research and never assume that there are more Intelligent People on this Planet till after you FOIA my ASVAB scores, proving that my Mechanical is 99% meaning an IQ over 180, and that is 20 points higher than Einstein, proving he is Retarded compared to me and ask for all my Awards from the United States Air Force that my Wife and I were Medically Retired from, I know for a fact you will not find anyone more intelligent to figure out this Game Satan is playing on Stupid Sheep like Ewe, and Yew have Sheep-Shit for Brains, all because Yew is a variety of Tree, and the one that is bad for ewe is called Taxus, proving this is all Witchcraft, and I know all the Hex's from 0 to F, you should try counting them instead of Sheep in your Dreams.

Stupid People live in a time when more Aspies were born more than any other time in History, and it was common for them to have higher IQ's than Normal People, in fact, an IQ over 180 is not unusual since there are a lot of Aspies that have them, most of them are women, so I am in the minority, but still common for people with Autism, and why Normal People do not like us.

The Torah explained that our Planet has a core frequency of 6.66 Hz, is this the Hex of 666 is a question few understand, does that mean the Decimal Value, or was it a curse to know the Truth about our Planet, and why it Orbits our Sun sideways on average 66,666.666 Mph, and why our Sun orbits around our Galaxy on average 666,666.666 Mph, and why it has a Cycle of 30 MHz, and goes through the Galactic Plane every 30 Million years, all because of the Hex known as 666, and few understand why, and that is simple, whoever wrote the Torah knew this.

If you want to research History, start with the year 2012 and 2013, go back every 333 years and search for Asteroids or Comets, let us look at one called Newton's Comet that came around that time, but Satan renamed it ISON to see if Satanic Sheep would allow them, proving who Satan is, but History will show that every other Cycle of 333 years, that Comet hits Earth, this time it just missed us, it did make it around the Sun as an Asteroid, but Satan does not want to talk about, this was a coverup to discredit Newton, those that Lie are doing Satan's Bidding, I was hit in the Head by a Micrometeorite on 31 May 2013, the Torah talked about an event similar to this.

The reason why no one knows about Hex's is simple, only those that know this know why, that is a Masonic Secret, and I am an Ashkenazi Mason, my family has been dating back to Johannes Kepler, when Tycho Brahe made him take an Oath never to talk about this to anyone but Ashkenazi Masons, and there are not a lot of them around nowadays, not those who know Kepler's Masonic Orders, which is a paper which has 33 Lines on it, each are numbered for a total of 33 different Concepts, on line 33 you have to explain why there are only 32 Secrets, and

that is because the First 3 Degrees are Free, and there are only 33 Degrees, just not 33 Secrets, and only a true Ashkenazi Mason would know this, proving that there are very few of my kind alive at this time in History, or they would also know that this Secret is to be revealed when Satan took over, the Torah told you so, because it was Written by Masons, who were Wizards & Witches, and what Masonic History is all about, and why the Church and its Army Murdered all of them throughout History, just so you would not know what I was raised learning, because my Family were Ashkenazi Mason's dating back to Kepler's time.

The Hex is one of the Mason's Secrets, they have their own Math, which is based on symbols with Angles, this is known as Angelic Script, 0 has no Angles, and is the Angel known as God, and the Symbol of God, and even the very letter in GOD, G is for Geometry, and D is in Degrees, thus to a Mason that is what God means, and everyone has to believe in this God, and no other, so you need to Understand the first Masonic Order, meaning the First one Kepler wrote, the **First** was that God is All Light without Darkness, the **Second** is that the Light is found inside all things, and **Third** is, things Humans make or create, are all from Geometry using Degrees, and true Mason's will always build in GOD, so the 0 represents God, and 0 Degrees is always where God is, and our Equator is 0 Degrees, and that is when God will cleanse the Earth of Satan, so the First 3 Degrees are Free, yet how many People know them is a question only they can answer, the fact that most of what I write about is Public Domain, it is not hard to Research, and watch the BBC Special "The Last Magician", Magician translates to Wizard if you did not know that, it came out when I was recovering from being hit in the Head by a Micrometeorite after building a Shelter to hide in when they came, if I had watched if first I would not have been hit in the head, 31 May is time of the Year Meteorites from Newton's Comet would have hit Earth.

You need to research everything to make sure you understand where it all came from, which is a version of the Torah few know of due to the Churches Armies who took the Mark of that Beast known as a Sheep like Ewe, that Joke never gets Old since the Torah said it, but like most Hex's, Normal People, or Sheeple, or even Muggle's, at least the way I interpreted it, not sure about the Author, but none Magic People, means they are not Wizards, since Magician means Wizard, and only Witches can Read Witchcraft, and we all Know Women are normally better Writers than Men, Harry Potter is proof, but in History it was children born with Autism that made them Special, and my Grandmother the head of the Rebecca's made sure I was not, Tagged as Autistic and options on work get limited to none, my father found-out after his IQ was printed in the Paper for being the highest ever recorded, so if you want to research things, Mainstream Lies, prove it yourself.

The problem with History is that it was written by Liars, and the Torah is not about Religion, the Torah told you Satan means Liar, so the 2 words have the same meaning, proving they are Witchcraft, words or Spells with more than one meaning, it does not matter if you believe Satan exist since that means Liars Exist, and you know Liars Exist, so does Satan, Logic and

Reasoning, but the United States of America had a Constitution that was written by Sir Isaac Newton and Edmond Halley, who actually did the writing since he was a Witch and Newton was the Wizard, it was based on the Magna Carta, and was delivered to Benjamin Franklin by my Great-Great-Grandfather, Henry Weston Flesher, who Weston West Virginia is named after, but would not sign it due to a Clause as in Santa, meaning Satan if you are like me and Dyslexic, that Clause read to the affect that only Congress can Print Money, the Magna Carta was to do away with Money, but the South would not budge on that Clause, and it became known as the Slavery Clause, when Satan, being the Federal Reserve who Lied to make Slaves, Funded both sides of the Civil War to prove how Evil they are, Evil being the Backward Spell for Live, so all those died to become Slaves to the Federal Reserve that Started the Civil War just to take over a Country who were already Serving Satan in the Church that had its Members accept Treasonous Money known as Satanic Script, all so the “We the People” can become “We the Sheeple”, who are now all Treasonous Traders to the Document my Family risked their lives sailing across the Ocean in a Ship named the Phoenix, as part of the Crew as Navigators, now out of the Ashes of those Documents rose a Satanic Nation who the Torah said would Dig their Own Graves at the End of Time, and what are they doing, building Underground Cities knowing what is about to happened because they know what Sir Isaac Newton wrote since it is Public Domain anyone can read it for Free, I did, but I also inherited it from my First Cousin Five times removed, Isaac Newton and his Son Benjamin Franklin, being Ashkenazi, these Flesher’s were named after dead relatives, and passed down their notes about the End of Time, and that is how I, Jeffrey Scott Flesher, once had them before Satan took them away, but they still exist in my-mind, and how I am able to tell you His-Story about the Light Wizzard in my Flesh.
