

## Step-05: The Star

The Star of Bethlehem was Halley's Comet years before Halley got it named after him, but around 66 AD this Comet was still making its rounds, and the reason most people do not know this is because Halley wrote more about Cannabis than he did about any other subject combined, him and Newton would try Alchemy Potions they found in the Torah, Rye Ergot strained through a fine cloth soaked in Ail was Newton's Favorite, another name for this is LSD, and why Newton is not taught in School, or was that because he Proved Jesus Christ was inserted into the Torah after the 3<sup>rd</sup> Century, all facts in History.

If you believe in coincidence, how many of them does it take to convince you of a pattern is a question few can honestly answer, most people consider themselves intelligent, but as I have proven if you have read Steps 0 through 4, most people have been lied to their whole life and will deny that Jesus Christ was Inserted, and why is clear, they are using the Church as a front to Worship Satan, and why the Church had its members hunt down and murder all Witches and Wizards in History, if they knew Newton was one they would have done the same to him, and nothing has changed, the Church is now out of the Closet about being Gay Pedophiles, now it is all the Rage, everyone wants to Alter Boys, the Darkside has no shame, Gay is in, it is the new Gay Generation, and the Torah said that is just one of the Signs of the End of Time.

Growing up I have heard many stories on Mainstream News, and I wondered why they keep running stories about Gay Pedophile Preachers, I always thought that Mainstream had it in for Religion, but as it turns out, that is news, someone else's dirty Laundry, but you will never see any movie that does not have Law and Money as the underlying theme, or Reality, Money & Crime go together like Peanut-Butter & Jelly, yet ever story I have ever read about Jesus Bar Abbas said he fought against Money, so it is Clear the Money Junkies are in Charge of Mainstream, so never expect that to change, the Powers that Be will not allow it, they would rather Nuke the surface then give up Control over its Sheeple, and why I do not expect Change of any kind, I can read the news now, stupid people are always trying to debunk me, and this will just become ugly, because deep down the Darkside is ugly and will always show that when confronted by the Truth, it is like a Cross and Dracula, or the Wicked Witch who Melted, because the Bankers were trying to take her Guardians Land, some stories just stay with me, the truth about the World today is that everyone is so Satanic they have no one else to compare themselves to that is not, and I am not saying I am, I work for the Military, and we all know they sold out the Militia and are the reason it is now Outlawed, when it was them who committed Treason by allowing the Bank to make a Franchise out of US, the Bankers own the World and everyone in it like Sheep ready to be Slaughtered, which is the image of Satan, a Horned Sheep after Slaughtering with Blood covering Satan, Dracula is more like it.

Why People lie about the Star is a good question, but in a Country that has nothing to say about the Treason they have committed over the last 160 years, knowing the penalty is Death, and I am calling everyone that works for money not printed by Congress Guilty of Treason, myself included, and for the Record, everyone will be Executed for Treason in the End of Time, and their Souls will go to Hell with Satan, the ones you sold your Soul to, to use their Money

used to Buy and Sell Souls just like the Torah said only Satan would do, proving who Satan is, but no one cares, no one hears me even when I am YELLING, Satan already has your Souls, and that Deity God is the one that Grants forgiveness, the Real God has no meaning for that Word, the Torah made it Clear what Evil was, and Money was the Root of All that is Evil, inserting Christ to make only the Love of Money has addled your brains, go to a Doctor and ask them to Remove God from your Body and they would think you were Crazy, explain to them that God is All Light without Darkness and you want that Light without Darkness removed, then he would know you are Crazy, so just how Crazy are you to believe that God does not Exist as Light since the Torah defines God as All Light without Darkness in all versions, I bet you cannot find a Torah or Bible that does not define God in that manner, maybe not in those exact words, but words to that affect, so understanding what and who God is and a dollar with "In God We Trust", but that is a Deity God that does not Physically Exist, and Religion is just a Front for Satanism, the facts are just facts, they do not need a theory to explain them, they lie about the Star.

People cannot agree on the color of the sky on any day of the week, and will never agree about how to document the End of Time since we all can agree that trying to explain the End of Time to those who have Tickets to underground Cities is a waste of time, you know anyone Religious will not change, they will deny this is the truth with every fiber in their Body, proving they have no Soul, only Satan Lies and Satan has no Soul because he Sold it, that was the first original Sin against God, so who tells the story about how Satanic People disguised as God Loving People, were led by Shepard into Green Pastures proving they took the Mark of that Beast, I think the passage in the Torah is easy to read and easy to understand, so I can only conclude that all Religious Sheep know they took the Mark of the Beast Known as Ewe and in fact worship Satan publicly since everyone now knows this is the truth about them, they pretend to Worship God who does not physically exist proving that is not the God who is All Light without Darkness that Physically Exists as Light found inside all Atoms, Proving they are guilty of Satanism, and their Soul is already in Hell and why you have so many problems and pray to the Non-Existent Wish Granting Deity-God also known as Satan, Religious Sheep have Forked Tongues, meaning they only know how to Lie, and why they lie about the Color of the Sky, it has none, but they will argue that a pointless debate just to show how little they know about Science and why they believe Einstein and in God's that do not even Exist, they are way to gullible when it comes to the fast talking Religious Satanic Gay Pedophilia Supporting Sheep.

If it sounds like I do not like Sheep, it is because I am a Military Dog, and Dogs have to Guard these Stupid Sheep who never listen to Dogs, Sheep believe they are Intelligent because they can Speak, Read and Write, obviously understanding the Torah or Bible is very simple, a no-brainer, God is All Light without Darkness, that is the end of that Subject since all means God is not an Angel, the Bible or Torah never said that, Satan did, Sheep are just too Stupid to understand the Torah and Witchcraft all because they Murdered all the Witches and Wizards in History, and nothing has changed since that time, and never will, besides coming out of the Closet with that Gay Pedophilia thing, I did not see that coming, bold move, but everyone excepted it, and time gets closer to the End of Time, when all of Satan's Worshipers will be united with their Master, Satan, or was that Santa, never know about that Clause, so read the fine print before signing your Soul away in your next lifetime.

A Fool is someone that did not understand the truth, they were fooled, a Liar is someone that was told the truth, yet still tells the Lie, and that is what Religion is, Liars, and their only Goal is to Fool you into giving Satan your Soul, people may not get that Soul thing, they Buy and Sell Souls all Day long have been for years, and will continue to do so the rest of their Life, which is only till the End of Time according to the Torah, or Bible, and obviously no one on this planet except me, believes God even Exists, so how many Fools exists is a question easy to answer, all of them, and most of these Fools will ask all the other Fools what they think about the concept of Being Light Beings, and like all Fools, the debate will run up to till the End of Time, when everyone is out of time, and then they realize, hey, we are about to lose our Atmosphere, he was not joking about that, but by then it will be too late to do anything but hope for a better after life as a Soul Cell Battery, maybe someone you knew is running the electricity in your house right now, who knows who is in your Cell Phone Battery, I hope Edison.

Understand this, not hard to prove it just by knowing this is what is going on, underground cities are being built around the world, and why is simple, they know the End of Time is real, and what the Torah said would happen, is already happening, our North Magnetic Pole is on its way to the Equator, and will be there by 2033, that is what I call the 0 Meridian, that means the Equator, 0 Degrees Latitude separate North from the South, the Prime Meridian is 0 Degrees Longitude and separates East from West, the 0 Meridian is an imaginary line that intersects those two points on the globe, meaning 0 Degrees Latitude & Longitude, imaginary path of Magnetic Field as if it had a point, not sure of the actual positions on a map is, but that does not matter since the Pole is right and the Maps are wrong.

The Star Date is said to be on 25 December under the Julian and was changed to 14 January under the Gregorian, and it aligns with the Mayan Calendar that has 2012 year cycles, and has 13 Months a year each with 28 days, but due to superstition the 13<sup>th</sup> month was removed, and since that time, only bad luck has happened, proving humans will go out of their way to lie, Trinary Sanctuary needs to use the Mayan Calendar with 13 month each with 28 days, and not the Calendar that Lies about the Star date, lies must not be part of Trinary Sanctuary, we wipe the Calendar clean with no Holidays, we find the date that Sirius the Binary Star aligns with the Great Pyramid and call that Star Date “Star Day”, and rename the Months to the sign of the Zodiac, the 13<sup>th</sup> symbol that was also removed, is the symbol Ra named Horus after the Sun.

Nostradamus was a Witch, he knew how to read the Torah, and in it is a passage that tells you that History Repeats itself, if you learn History you can learn about the future, and Star Dates were used to find the history, and names might have changed a little, like Hister or Hitler, and why the stories were a little different is because he was going by history not the future, the Torah is where this information was found, in the Border Art of the Torah written before the 4<sup>th</sup> Century, they changed the Border art after that date, making the Torah worthless, but that is what Satan does, destroys knowledge and then Lies about what knowledge is proving Religion is Evil.

I have written many books over the years, “The Principles of the Trinary Universe” is one that I go into details about everything I write about in my series you are reading now, you can download the PDF for Free at my GitHub repository for the Light-Wizzard, or order it at your favorite book store, I self-publish on Lulu and Amazon, I cannot go into the details of a lot of

subjects and Stars are one, but you need to understand that Sirius is a Binary Star, and it forms a Trinary System as it follows our Sun around a Dark Star, this was noted by Henrietta Swan Leavitt, who also said there were smaller Dark Stars that orbited the 3 Sun Systems.

Dark Stars sit in the center of the Galactic Plane or Disk, they act like anchors, they exist in the Trinary Atom structures also, just smaller versions, these are a special type of Trinary Engine, one that only has the Light without Darkness in it, the Darkness is what we see, as Electrons orbit Protons & Neutrons, the Electrons will emit a specific frequency of Light, and why all Atoms look different in color depending on how many Protons & Neutrons they have, in our case, the Suns are so far away from the Dark Stars, that they need to have other Dark Star Companions to bridge the gap, and what is amazing about them is that they move Planets around.

The Torah talked about all of this, proving it was the greatest set of books ever written till the Church and Satan got their Hands on it, and Altered them for Satanic Reasons, and lost all the History the Torah contained just to make Money off of Stupid Sheep who had to Sell their Soul to Satan by taking the Mark of the Beast, and at the End of Time you are Marked to Die on the Surface of the Planet, that is what Selling your Soul means, Money is what decides who Lives and who Dies, in this case God will make sure all the Underground Cities are Flooded, then frozen under ice for hundreds of years, that was in the Torah they destroyed, so they know it, but tell no one, that is their way of sending Sheep to Hell.

On 14 January 2033 the Star Sirius will align with the Great Pyramid as our Magnetic North Pole reaches the Equator, at an imaginary point I call 0 Meridian, not Prime which separate East from West, but the path our Magnetic North Pole takes, and at the same time it reaches this point, our Magnetospheres decay rate will reach 0, and our Magnetosphere will pass into Ground where its Magnetic Field will collapse venting our Atmosphere into space, freezing the Earth solid in a matter of days, this is called the Birth of a new Son in the Torah, the Father is the Age we are about to leave behind, our Future will have our poles reversed, and when it reaches this point in time, the wobble will get set right, but all the Water will cover all the lands, that is the Age of Aquarius, the bringer of Water, so this Star Date is what marks this event.

The Torah said that in the End of Time a group of People who Rule over the Sheep, will dig their own graves, my guess that means underground cities, it states they will all die on this Star Date called the End of Time, so if you are one of those people about to move underground, you might want to listen to what I have to say, unless your underground cities can survive being underwater for hundreds of years, I would rethink the engineering of them, Glaciers movement is your next obstacle, you need air to breathe, but Water will be your main concern, it will eventually make its way down to where your underground cities are, and loosen up the ground around it, which will weaken the whole structure causing it to collapse and becomes a Tomb like the Torah said, and I would trust the Torah more than I do a Satanic Government.

What most people do not understand about the Torah, is that it is not one book, it is a set of Canons, most larger than a Bible, each has Border Art, it is Witchcraft, once you learn to read it, you realize the stories that are written in the Page are just a cover story, Witches wrote the Torah this way to hide Alchemy ban by the those who put themselves in Charge by the use of

Money & Taxation and Religion, it talks about Warlocks, those Satanic People who murder others for a Living, that is how they Control the Sheep and get them to do their Bidding, Satan is in charge, Satan is everyone using Money used to Buy and Sell Souls, they are Evil and can never be trusted, they have no honor and will always lie, and will never change, the Torah said they will all Die at the End of Time, and I want to Document this Event since no one will build Trinary Sanctuary, all I can do is Document the Extinction of the Human Race, that is what the Torah wanted me to do, Jesus Bar Abbas would just tell you how to survive and let you do what you want with that information, he told you to maintain the Pyramids, which take in Salt Water and produce Hydrogen & Oxygen that burnt together make Heat, Electricity and Pure Water to drink, the Cities are miles below the Pyramids, and Moses destroyed the tunnels leading to them.

Moses believed it is better to Rule in Hell than to serve in Heaven, his Followers are supporters of Riots, Rape, Pillaging and Plunder since that is what the Torah said Moses and his Satanic Sheep are Guilty of, God never talked to Moses, he is Satan, a Liar, and looted the Gold that made the Pyramids work, all to create Money and Law, and that is not God's Law, but Satan's, so the followers of Moses are Satanic Sheep, who make Bombs out of God, these are known as Atomic or Nuclear Bombs, and why the Governments and Mainstream lie about Science, they do not want the General Public to know they are Satanic, Atomic Power is using God as a slave, and all those that Bought and Sold God who is our Soul, is going to Hell at the End of Time, and there is no saving their Souls, Satan owns them now.

God is All Light without Darkness and to make into God anything else is Satanic, and proof all Religions are totally Satanic, not one religion or philosophy on this planet is Lightside material, it is all totally Satanic Darkside material written by people who never understood what the Light is, which turns out to be everyone, and the Torah said that all those Satanic Souls will parish at the End of Time, and we all know why, Satan is in charge and using you to build underground Tombs where they will stash all the Treasures of the World and bury it underground for all Eternity in the Hell they built, pretty much out of the Torah, so why do People take the Mark of the Beast known as a Sheep like ewe is Simple, they want to worship Satan and the only way they get away with it in Public, is to pretend they are worshipping God, but since you know a Deity God like Jesus Christ does not Physically Exists, proving they know they are worshipping Satan since God is All Light without Darkness that Physically Exist proving it is not that God, all so they can pass the Money Dish around and get paid to Alter Boys, only Satan would lie about what Christ is, which is a Star, and true Christianity is the Study of that Star, which aligns with the Great Pyramid every year on that Star Date proving the Gregorian Calendar was created just to hide this Star Date, proving the Church and Governments are purposefully lying to the General Public to hide the End of Time from them, they believe their underground Cities will survive, all because they murdered all the Witches and are not intelligent enough to figure out all the details, Earthquakes over a 10 for at least 6.66 minutes continuous, will collapse all underground systems, the Torah knew this and warned you, but you would rather have Money than live Free of any Controls Satan puts on you, and why all of you will die at the End of Time regardless of if you believe it will happen, the Torah is based on the Science of God, not some BS Theory no one has proven in over a 100 years, Einstein, what a Fool.

Tesla called Einstein the Thief from a Patent Office, and called Morgan and his Lover Edison Satan, and that about sums them up, Religious People or Sheeple, openly Worship Satan in the name of a Deity God that does not exist sums up all the Religious Fools, and the Government that Lies to its Citizens about Law making Treason Legal, which we all know is not true, proving all Law is Treason, and not Legal, that about sums up all Governments, all of them are nothing but Satanic Sheep.
