

Step-33: Masons

The Masons are people that know how to build things using Stones or Bricks, in the Torah Masons built the Great Pyramids, and like all the Ancient Stone Monuments around the Earth, on the Moon and Mars, were built by an Ancient Civilization in Middle Earth, the name T.R.R Tolkien named after a story told by Admiral Byrd about an advanced race of beings that live in underground or underwater cities on Earth, we know them as UFO's, the Torah has drawings with Pyramid Shaped UFO's in them, they are the ones who built all the Ancient Stone Monuments, and that we call the wonders of the World.

If you are a Mason and have no idea of what I am talking about, then you are not from the Ashkenazi Masonic Order of Merlin, and because few believe in Merlin because there are many stories about Merlin, so few even know what the Truth is, I know of most if not all Stories put to paper before my time, and none of them talk about the Order of Merlin, so let me try to explain.

The Torah was written using Witchcraft, which is the Art of using Words and Spells with more than one meaning, so a story can be told many ways but only one of them is right, and why the Church uses the Torah to tell the wrong version of what it says, so never believe anyone that tells Half-Truths, because you know the half not true is a Lie, thus only Satan are Liars, and in the Torah Satan are People who take the Mark of the Beast known as a Sheep like Ewe, this can be found in Psalms 23, so all the Religious People are what I call Sheeple, so all they know is a Lie, and Merlin has been one of the Biggest of lies ever told Since the Big Bang, so I will only talk about how Merlin is used in both the Torah and in Witchcraft.

Merlin is a type of Bird, and in Masonic Legend, the Lady Hawk was the mightiest Warrior in the Sky, it is said that a Wizard could train them much like a Homing Pigeon, and History tells Stories about a King named Arthur who had a Magical Bird named Merlin that transformed into a Human using Magic, and it showed him the way to find Excalibur, which was a Rod about 3-feet long and about a 1 inch in diameter, and was said to be unbreakable, but in Masonic Orders, Merlin would hunt down the Athena Owl, who was a Satanic Symbol the Roman Empire would hide on people's houses, and when the Roman Army came through they would murder all in the house, nowadays they are hidden on the back of a United States 1 dollar bill, in the upper-right hand corner, on the left of the \$1, Left Right Left, your Military Left none alive, so they were Evil.

The truth about Masons is that most of them are all Fake Orders, this came about in Benjamin Franklin's time, who was a member of the Ashkenazi Masonic Order of Merlin, went to France, and other countries around it, to start Fake Masonic Orders, to throw off the Satanic Followers that were after them, to have nothing but Fake Masonic Orders to be found, no one can ask to be

a Member of the Order of Merlin, they ask you, and my family was members, going back to Kepler's days when Tycho Brahe started it, and Kepler took it over after his death, it fell to Galilei Galileo, Sir Isaac Newton & Edmond Halley before Franklin got to read the Torah written before the 4th Century, so most people only know the Fake Orders, and only those in it, know anything about it, and many know about it but are not telling this Masonic Secret.

These are my Masonic Orders

1. God is All Light without Darkness
2. Atoms are Neutrinos and Light without Darkness inside
3. God created everything out of Atoms

12. The Atomic State of 0 is Ground and is known as Mother Nature and is called the Holy Ghost
13. The Atomic States are Solid or +1, Semisolid or -1, and Invisible or 0
14. Words are Spells and if they have more than one meaning they are Witchcraft

23. Earth's Core Frequency is 6 Hz
24. The Earth rotates due to its Electrical Frequency
25. Gravity is the Force of God or the Light without Darkness inside Atoms proof $F = MA$
26. Facts are truth and Theory is not proven to be true nor can it explain a Fact
27. The Way we view things working determines our Reality
28. Reality is only real if your view of how it works is true
29. Subatomic Level is the same truth as Macro proving our Sun and Planets are large Atoms
30. Life is an Electrical Signal called a Soul it goes up to Heaven or Positive or Negative Hell
31. Age determines how old an object is and not how wise it is
32. Life is a mystery about where we go when we die and that is all I explained
33. There is no 33 Degree since you only write 32 things to explain your Universe in Order

There are many Masonic Organizations around the World, all of them are based on Money, the Ashkenazi Masonic Order does not have any Buildings, they have no meetings, so no need for meeting places, they were Individuals who wrote their own Masonic Orders, they are Wizards like Kepler, Newton and Tesla, they are all people who believe in Science and do not believe in Worshiping God, they know who and what God is, they know all the Masonic Secrets of how all the Ancient Stone Monuments were made, which was by an Advanced Civilization living in our Earth and under our Oceans, we call them UFO's, they have recently been seen leaving this Planet in mass numbers, where they are going I have no clue, my guess is the Moon, their Ships have Trinary Engines, how they got them I have no clue, but it is how they can live underwater, and how they can fly into the Ocean at a very fast speed and come out just as fast, they make their own Gravity, and they use it to get around, this is very advanced technology.

The Torah shows Jesus Bar Abbas with a UFO over him, showing they are Communicating with him using his thoughts, they were to rebuild all the Ancient Stone Monuments around the World, and were going to rebuild the Tunnels leading to Paradise, so people could survive the End of Time, but Money is all Satan knows, and all Satan wants to know, Satan has gone to great lengths to get all of you hooked on Money, it is an Evil Drug that you will die from Withdrawal just like a Money Junkie dose, without Money they cannot Buy Food & Water they need to Live, which is the Opposite of the Spell Evil, which is what Money is, so the Masons know about all the events in the Torah, and my family have all been Masons, and have even belonged to Masonic Lodges like the Odd Fellows and Rebekah, how many of them know this is unknown to me, but my guess is enough, besides family, I have known many families that know, and all of them know Paradise was real and it is miles below the Great Pyramids.

I grew up going to Medieval Renaissance Fairs, it turns out they are a meeting place from many Masons, and most sponsored by them, at least the ones I went to. The fairs were a place to meet and talk, when I was young I just wanted to play, as the years went by fewer showed up, till no one showed up that I knew, in time everyone dies, it is only how we spend our Afterlife does what we do when we are alive, even matters, what we do with our Soul is our Freewill, why most decided to Sell it to Satan for Money is beyond Reason and deep into Treason.

How anyone can believe in the Truth when all they know is lies, is proof of how Satan works, after two thousand years of Forced Satanism, that is all anyone knows, Hollywood is the Propaganda Machine known as Mainstream Media, who are the ones telling all of you that Treason is Legal and your Constitution was Amended to allow Treason, and Sheeple Pay them to Lie to them like they Pay Satan to Alter Boys by Stealing the Souls of all Children just like Saint Clauses, all Anagrams of Satanism, proving they all knowingly Serve Satan, and do this because they are Paid to Lie, and you are the ones Paying them, because all of you are paying for every crime ever committed, Satan will make you lie to yourself, by thinking I do not care, I am still a good person, and if you believe that you are Satan, I have proved to you that Satan is going to be

responsible for the whole human race going extinct, all because those Digging their Own Grave believe they will Survive, knowing they also believe in Einstein, and now you all know why the Torah said they are digging their Graves, those that want to Lie for Satan will tell you that Earthquakes are just a Surface Experience, wait till the Earth Freezes Solid because you pumped out all the oil, see how a over a 10 world wide for over 6.66 minutes, that has an Origin of the Core of the Planet as it Reverses its Magnetic Polarity, and why all of you believe this will not happen, is because all you know is a Satanic Lie, where a Satanic Lie is one that can get you Killed, the same people that want you to believe we can live in outer space, knowing we cannot even live in our lower Orbits that are inside our Magnetosphere, you will grow weak and will die in time, but all they want is to make more Money and do not care who they have to Kill to get it.

If you believe the Masons do not know about all the Treason, you are saying they are too stupid or retarded to figure out the Laws they claim to know about, proving they know this is all Treason, those in the Military know as well, I was one of them and talked about it openly, it is not a Masonic Secret, only a Satanic Secret, everyone knows this is Treason, and no one can deny that everyone knew since they all know Congress does not Print Money.

How anyone can honestly say anyone on this planet since Tesla was a good person, someone with morals, that is the world of today, everyone on this Planet is Satanic, they have the Morals of Satan if they use Money, and there is no denying that it is just a fact, just like all that is born will die, but those who serve Satan will never be remembered as being Good or having any Morals since they Served only Satan known as Money, and why they all Lie about someone being Good or having Morals since we all know that no one like that exists nowadays, and only Satanic Liars would say there are, well count all of them that told you the truth about this Satanic World and know even I work for the Military who are guilty of Enforcing all this Treason, so I do not count myself, I do not know anyone not Satanic, I have never met anyone that was not Satanic, and I know that is true of everyone else on this Planet of Satanic Prisoners.

If you believe you are a Good person with Morals, you know you are Satan, only Satan can use Money they know is Treason the worst Crime anyone can commit, and believe they are Good or have Morals, that is a lie only Satan would believe, proving those that believe they are Good and have Morals are just Satan, and why would you believe Satan, is a question only Satan would try to answer, so I will tell you, we are all Satanic if we allow Money to be used, we either admit we as individuals are just as Guilty of Treason as anyone we could possibly blame this on, so I never saw this as being something anyone of us could fix, there is no fixing this Society, nor anyone to blame but ourselves for allowing it, and admitting we are not Good nor do we have any idea what Morals are, the sooner we can grow up and accept our own responsibility to build a better future, somewhere where the Land is not Owned by Anyone but to the Place it represents, a Place I call Trinary Sanctuary, where no one works for Treason, and Treason is not allowed, along with all the Treasonous Laws, and the Religion that made you take the Mark of the Beast

known as a Sheep like Ewe, who used Money used to Buy & Sell Electricity used to make Light knowing God is All Light, you are Buying & Selling God by the Kilowatt, and only Satan would deny their Soul is Electricity knowing their Brainwave is, but Satanic Sheep will always believe they are Good Moral People who believe in God, but we all know the Truth after 33 Steps, proving the Masons knew this all throughout Time, as well as all the Churches, Governments, Police Pigs and Military Dogs, everyone knows what Treason is, and who are Guilty of it, Everyone, proving no one has been Good or Moral in the last Two Thousand Years.

If the Masons wanted to come together and put Money behind us, there is a Future for the Human Race, without them, not so much, they are the ones that know how to build it, so only allow Masons that believe in the Torah that God is All Light without Darkness, and do not allow Theoretical Science to exist in a new Advanced Society based on God Being all Light, and not based on Satanism and Treasonous Money, only then will the Human Race even have a Chance of Surviving the Sky Falling in 2027 or the End of Time in 2033, when our Atmosphere will be Vented into Space and come back down as Frozen Ice and Space Junk, and our Planet will Freeze Solid, causing the Earth to Crack for miles deep into the planets all because it has no oil to protect it from freezing, so do not build underground unless you want to find out if we have enough Oil, or the Blood of Mother Earth, and we all know we do not, so why lie about our future, our planet will crack up into large sections of Land, all as Frozen Ice, our Oceans will freeze solid all the way miles beneath its floor, where they pumped out all the oil there as well, destroying our Planet, which will take millions of years to recuperate, we have an Ice-Age in our Future, that will last hundreds to thousands of years, with no signs of warming, only signs of it getting Colder, which will cause the Earth to crack deep, and just hope it does not go Nova.

The Key to surviving the End of Time, is not Playing the Blame Game, and Protest, Riot, or go to War, that is what Satan wants, and only Satan would Murder, only Satan would Rape, Pillage and Plunder, and Satanic People Worship those that do that, like Moses and Lincoln, and the Masons build Monuments for those Satanic Treasonous Traders to the whole Human Race, who are about to go Extinct all because Satan had talked all the Treasonous Traders into Digging their own Graves, knowing none of them believe the Torah, and why Satan cannot be allowed to exist in this new Advanced Society if the Human Race expects to Survive these Life Ending Events in Time, that Satan told you would not come for Millions of Years, yet we all know our Planet is going to Reverse its Poles in 2033, just 12 years from when I wrote this, and will have no Magnetosphere to hold in our Atmosphere, and we all know for a Fact, it will all just go away into Space, and all those Satellites and Debris in Space will come Freefalling down to Earth in 2033, with billions of tons of frozen water vapor that was in our Atmosphere, so the Key is no Sheeple, so No Money, No Law and No Religion.

People need to understand the Truth and why they are being lied to about everything, and most will just want revenge on those who were going to allow them to die without telling them why.

To know what is the truth, do not trust anyone, verify everything I have told you, and do not ever believe anything you cannot prove to yourself, and most if not all of what I told you, is easy to verify, but please use the Freedom Of Information Act known as FOIA the United States Government, do not use the Internet to try to prove anything but Lies, I have all my Websites, and I try not to Lie, but I am still Human, and why I tell people to use more trusted sources of Information, NASA is a good place to start, they have been very honest for some reason, for years now, no idea why, but that is a Good thing, just do not believe anything Theoretical, only allow Facts to become your Knowledge, proving all your Science is not easy, and would be easier in an Advanced Society, one dedicated to the Survival of the Human Race, and I am hoping the Masons will all Come together, and Follow the Masonic Orders of Kepler, Newton and Tesla, I would never ask anyone to follow me, I am just a Military Dog telling the Truth to all the Sheep who took the Mark of that Beast known as Ewe, and I told you to verify what I told you, and told you to never trust anything you did not verify, I am a Mason asking Masons for Help in Surviving the End of Time, for all the Lost Souls on the Surface of this Planet called Earth, known as Mother Earth, or Mother Nature, the Torah is the truth as long as you do not read into it, or allow anyone else to interpret it for you, not even me, and why I say prove it.

Being a Mason means we know what Masonic Orders are, and how to follow them, now is the time to start with a new set of Masonic Orders, and start Numbering them from Steps 0 to 33, and understand who Masons are, Jesus Bar Abbas was a Mason, as was the Dark Wizard Moses, so Masons know a lot of Legends about Histories of Wizards throughout time, so remember the things that all Masons should know, we all believe God physically exist, we believe in the Masonic way of Building everything we build, we build so that everyone can Survive the End of Time, and we build for a different Future, one in an Ice-Age, one that we understand going into the Future, what the Future holds for all of us, and hope that all the Masons will join together as one Trinary Masonic Order, and start building Pyramids around the World, so that every Nation will survive, the Sky Falling and the End of Time, and we do not have much time, but if we all make it a Priority in our Life to Survive this, we know the only way we can is if we all join together, and instead of Blame Games, we build a new tomorrow that might survive going Extinct just because someone stole the Ark that was on top of the Great Pyramid to deflect objects in Space.

As an Ashkenazi Mason, I know only what I can prove to be the truth if the Torah is right and I am Jesus Bar Abbas back in the Flesh, I must make sure I play that role to the best of my ability, and why IAM the Light Wizzard in the Flesh.
