

## Step-28: Paradox

The Paradox in any situation is something we all know cannot happen, a good example of a Paradox is Einstein's Theory never proven in over a Century, you have one Paradox where people wake up with only one goal and that is to Prove Einstein's Theory, you know for a fact that Einstein denounced it because Nikola Tesla would not stop laughing at Einstein's Paradox he created by removing God, just so the Church would adopt his Godless Science to go along with their Godless Religion, knowing that the Torah or Bible written during any Century, says that God is All Light without Darkness, and Einstein wants you to believe  $E = MC^2$  where C is the Constant for the Light he removed, and why he denounced it after Tesla pointed that out, making him the most Intelligent person alive at the time, as Einstein sarcastically put it.

A Paradox is something we all know logically cannot happen, like building a time machine to go back in time to kill your parents so you would never be born to build the machine to go back in time, so round and round you go, and how a paradox normally goes, and in Einstein's Alternate Universe in an Alternate Reality, that is all you get, is one Paradox after the next, trying to prove you can go back in time is insane, and how much energy required to do so, has nothing to do with the physics of time travel, it is just a simple fact that everything traveling at the speed of Light, is Light, you cannot change that fact, or it would not be one, but the logic is more basic than that, we know for a fact Light has no Acceleration, therefore it is not possible to accelerate to the Speed of Light, the only thing that moves is the Neutrinos, and it is the Universe that is moving at what we call the Speed of Light, and the Neutrinos are just being dragged through space, as such, Light is Static and not moving since it has no dimensions to move in the 0 Dimension of Space where Light exists as the Darkness we see, which is the Rainbow of Colors in White Light, and why Einstein denounced his theory, and why we use the Math of Johannes Kepler and Sir Isaac Newton, who said God is the Force of Gravity in all his Equations, considering the Torah defines God as All Light without Darkness found inside Atoms, it is clear  $F = MA$ , where F is the Force of God in terms of the amount of Light of God that is inside the Mass of Neutrinos, times the Neutrinos Acceleration, and for Energy you have  $E = MA^2$ , because the Mass can never reach what we call the Speed of Light without becoming Light, so this should be far more accurate than Einstein's way, which was to steal Newton's Math and call it his own by adding some insanity to the Equation by first removing God, thus removing All Light, and C as the Constant for that Light Einstein removed by removing God.

In our reality, we cannot have any Paradoxes, and if our Science produces Paradoxes, it is not Science, it is Science Fiction, meaning make believe, much like pretending you have a Constitution, when you have not had one in over 160-years, which proves a Paradox exists in the United States, their Laws prove it is a Franchise to the Federal Reserve, which means it is not a real Country, and that is a Paradox, and why Mainstream is nothing but Paradoxes, and why you know it is all Lies, besides the fact none of it is true, I have to say that retarded people cannot keep up with the logic of a Paradox, because if you are too retarded to understand how retarded

you are to believe in a Theory never Proven, you have a Paradox, and after 160-years of Treason I would say all you have is Sheep, who are too retarded to understand what a Paradox is, no matter how many examples I give them, and be honest, you know this is the truth, how else do you explain an entire nation going along with Treason for 160-years unless they were not brain dead or retarded, it is not hard to understand, so why do you allow Treason, we all have our excuses, mine is simple, besides my family, few others know what is going on, the Rich & Famous are nothing but Liars, and they get Paid to Lie, and the Money they get Paid to Lie with is Treasonous and they know it, or are retarded, so Paradoxes are all this World knows, and why is because they are all too retarded to understand it, just like Sheep, they are not Intelligent enough to understand what is going on, so they go along with Treason as Accomplices, believing if everyone else is doing it, it must be Legal, knowing Treason cannot be made Legal, you know the truth is that everyone is committing Treason, proving how stupid Sheep are, and why they are a Paradox, and why few understand this Paradox, is because they are Sheep, because they took the Mark of the Beast known as a Sheep like Ewe, or Buy & Sell Souls you know are Light, because God is all Light, and our Brainwaves are Electricity we Buy & Sell by the Kilowatt, I repeat things as reminders to why these Paradoxes Exist, Mainstream has brainwashed the General Public into all these Crimes, proving Mainstream is a Paradox Machine, and all the Judges, Lawyers, and Police all know this is Treason, and never let them lie to you about this, they are the ones that say Ignorance of the Law is no Excuse in Court, and you know they are all enforcing Treason, and that is the worst of all crimes ever committed, proving this whole world is a Paradox knowing none of the Laws on this Planet are Legal.

If you want to understand why people allow Paradoxes to exist in their lives, is because they believe everyone has a Right to believe what they want, proving why Law is not Legal, that one concept called Satanism because we all know only Satan gives you Rights known as Laws, Moses invented Religion, Money, and Law, he told his followers, that Rape, Pillage, and Plunder is how you Conquer, and why Religion was allowed to take over, and this is all they teach, a belief in a Deity-God they call God, knowing it is not the same God in the Torah, that is All Light without Darkness found inside all the Atoms in the Universe, so Religion is where most Paradoxes come from, and those Religious Sheep are Insane for believing in Lies Satan told them just to get them to take the Mark of the Beast so they can Buy & Sell Souls all day long, and Sheep call this Civilization, the Torah called it Sodom & Gomorrah, and after the Nuclear God Bombs go off, which is just a matter of time, they will prove it is, and all for Money, people will do anything for Money, and why most Crime is based on Money, and all Laws are based on Money, and everyone that has anything to do with Money, are committing Treason, proving Money is at the Root of all this Evilness that is allowed in the World today, and the cause of this Paradox the World is currently in, one in which its Laws are Enforcing Treason, is not a Civilization, it is a Criminal Empire, and therefore everyone is in a Prison, and the Criminals are in Charge.

The reason people allow a Paradox to exist in their reality, is because they are insane and do not know it, few understand insane means you believe in things that are not real, like your Constitution, and why you do not see Treason as a problem, and believe the Constitution should be Amended to allow Treason, but that creates a Paradox, Treason can never be made Legal, or Treason and Law have no meaning, therefore a Paradox, and like all Paradoxes, only Insane People would allow them in their Reality, and you cannot have Justice, because Justice is Blind, because it sees no evil, hears no evil, but only speaks evil, by enforcing Treason, therefore you cannot trust anyone working for Money, and since everyone does, you cannot trust anyone, not even me since I work for the Military, and why I have so many Paradoxes in my life, that I have to question my reality more than most since I am Schizoaffective, as such, I have over analyzed my life to the point that I know what all the Laws are telling me, they are enforcing Treason, and that is not Legal, it is Treason, and all those that use Treasonous Money, or follow Treasonous Laws are complicit with that crime, and if you do not they will lock you up in the Treasonous Jails or Treasonous Prisons, yet the lessor of two evils is still evil, so we all are living in a Paradox, and yet few talk about it, let alone write a short story about it, somehow this whole reality is a paradox, as if we are living in an Alternate Reality.

After you have read all the Steps from 0 to 27, you have a good idea where this story is heading, or at least you might, it is leading to a new Society that does not allow Paradoxes to exist in its Reality, I call it Trinary Sanctuary, it does not allow Money, Law, or Religion, and all of those things are the cause of Paradoxes, you will not have much Crime without Money, so no need for Law, and Religion is about paying out of the closet gay pedophiles to Alter Boys by Altering the Torah, and after two thousand years of Witch & Wizard Hunts, do not ever expect me to talk about the Church nicely, Jesus Bar Abbas would not have, nor would Sir Isaac Newton, so why should I, we all know there are no Laws against having Sex with Sheep, and why those out of the closet gay pedophiles get away with it, and you pay them to do it, what a Paradox Sheep live in, it is sad to be a Religious Sheep at the End of Time, knowing the God that is All Light without Darkness does not grant Wishes you call Prayers, there is no Forgiveness for Treason, nor for Worshiping Satan otherwise known as Money, the Root of All that is Evil, the Paradox of all time, and why Sheep will take the Mark of that Beast to use Money, proving People are just Addicted to Money, nothing but Money Junkies who all have a Price, Satan's Whores, nothing but Sheep exist on this Planet, and you all know this is the truth, this is a Paradox.

How can you pretend we have a Constitution knowing the Federal Reserve Prints the Money, and not Congress, how can the Religious pretend they believe in God, knowing the Church Altered the Torah, just to make Money less Evil, and Jesus Bar Abbas out to be the Bad-Man, just to get People to take the Mark of the Beast known as a Sheep like Ewe, just to get you to believe your Soul is not Light, knowing God is All Light, and your Brainwave is Electricity, you know everyone on this Planet is Buying & Selling Souls by the Kilowatt, proving everyone on this Planet is Satanic, and the Torah said that if in the End of Time everyone is Satanic, it will be like Sodom & Gomorrah all over, and those in Power have their finger on Nuclear God Bombs

should you try to protest or riot, or take back your Government, they would rather Nuke the face of the Planet rather than give up their Criminal Syndicates known as Governments around the World, they are the reason you live in a Paradox, the Church got you to take the Mark of the Beast known as a Sheep like Ewe, and you let them, they redefined what Light & Darkness meant, and you know that was a lie, how can Light be Good & Darkness be Evil, knowing the Light is what we cannot see, and Darkness is the Rainbow of Colors found in White Light, proving that is BS, and Satan believes you are Retarded, because you would have to be to believe that BS, Jesus Christ never existed in History and everyone knows that is a fact, yet Sheep who took the Mark of that Beast, will swear with their Children's lives that Jesus Christ Exists, knowing it was proven that Jesus Christ was inserted into the Torah, and this is just a matter of Public Domain, so never listen to Satanic Liars, or out of the closet gay pedophiles known as the Church leaders, all they want is you to pay them to Alter Boys just by Altering the Torah, and that is why this is a Paradox, it was not hard to prove, anyone with an IQ above retarded should understand the Logic of the Truth without Paradoxes in it, proving Pretending is what is causing these Paradoxes to exist in people lives, so they need to stop pretending this is not Treason.

The reason paradoxes are allowed to exist in Society, is because it is Satanic, meaning run by Criminals, and the reason people allow it, is because they are too retarded to understand what is going on, because it is normal to have a low IQ, and people prove they have a retarded IQ for allowing paradoxes in their reality, and there is no other explanation, why else would a Nation of People commit Treason every-day of their lives, it is insane, yet that is what they do, and why I know they have to be retarded and insane, because what other explanation can people have for taking the Mark of the Beast known as a Sheep like Ewe, or Buy & Sell Souls, because you cannot figure out that God is All Light, and it takes Electricity you Buy & Sell by the Kilowatt, and these are all Paradox events, religious people claim to believe in God, yet they worship a Deity-God they call God, but it is not the God who is All Light, so it must be Satan, who else would demand you take the Mark of the Beast, and who else would redefine what Light & Darkness is, when we all know what it is, and there is another Paradox, this is called the System of Paradoxes, or the Paradox Machines, and Mainstream is at the Core of this, as are the Church, Religion, Money, and Law, you know are all full of Paradoxes, because they are all Lies, and everyone is a Liar, therefore everyone is Satan, and look around and all I see are Satanic Sheep, who allow these paradoxes to exist, because they are too retarded to know what is going on, if you can come up with a better excuse for the Human Race allowing Treason, and Satanism to be what Society is all about, this whole world is nothing but Satanic Sheep, and there is no excuses for these Paradoxes to exist, proving everyone is Satanic, and they cannot deny it, well they can but that would only prove it since only Satan can lie to themselves and believe it.

I have heard all the excuses for Treason over the years, it all comes down to people being Sheeple, nothing but Cowards who offend me, so I offend them, those that took an Oath to Defend the Constitution are guilty of Treason, and after 160-years of Treason, no one has any excuse for this, there is nothing Legal about Treason, that is called a Paradox, you cannot allow

the United States to be a Franchise to the Federal Reserve without Committing Treason, and that Treason has no Statues of Limitations, and why I say you cannot fix this, you cannot take back something no one cares about, the United States is a lost cause, they all believe they have the Right to believe what they want, and push that Right off on you, so you would go along with all their Insanity, just so Congress can vote themselves a raise with more benefits every year.

I have no idea if people are retarded without having a test to prove it, so what kind of test do people need to take to understand God is All Light without Darkness, how many IQ points do you need to understand what Light & Darkness is, seriously, Light is Good and Darkness is Evil, that is retarded, and only out of the closet gay pedophiles would say such none sense, it is ignorant, and goes beyond just a lie, it proves they have no morals, they know Money is Treason yet pass around the Money Pray Tray like it is fine to commit Treason, do you think the Police do not know they are Enforcing Treason, do you think the Judges and Lawyers are too Stupid to understand they are Enforcing Treason, all these people know they are committing Treason, they are getting Paid to Commit Treason, there is no way everyone can be that retarded.

You need to take the time to understand what is true, and what is not, otherwise you have a Paradox, and you should not allow People to Lie to you, they have no Right to Lie, and that is what the Right to believe what you want is, and all about, and why Satan must get everyone to believe this Right Exists, because if you do not believe in that one Right, their Lie caves in, they can no-longer Lie to you, because once you know that Right is a Lie, all the other Lies unfold, because once anyone is forced to only believe what they can prove is the Truth, Theory becomes a known way to Lie about things since they are a lie till they are proven to be facts, and in Einstein's case, after over a Century, it is clear it never will be, so always was a lie, and you would know this, if you did not believe the Biggest Lie of all, and that is that you have a Right to believe what you want, that is retarded, and why they have Prisons full of Fools who believe that, so go push crazy someplace else if you want to push that Satanic Belief System known as a way of telling Lies, how retarded do you have to be to believe lies pushing that Satanic belief on others, that is a complete Mind Job, that is how Satan Works, once you understand Witchcraft, anagrams like the Santa Clause, or all Saints Day Worship of Money, you start to understand how Satan got you to Sell your Soul, all by getting you to believe you have the Right to believe what you want, that is where all Paradoxes are started, because once you understand that is how people lie to you, you understand it is a tool for Liars to use on you, and if you push that Lie off on others, you are guilty of that Crime, because Liars are committing Crimes, so be real, in court if you tell the Judge you did not commit crimes because it was not a crime because you have the Right to believe what you want, this is known as the Insanity plea, so why do some people believe that is a real Right, and that is because that is how Satan gets you to take the Mark of the Beast known as a Sheep like Ewe, which if you say that enough, it sinks in, only Slaves want Rights, Free people do not need Rights, they do not need Paradoxes, they do not need Crime, nor do they have to be forced to commit Treason just because Congress wants to vote themselves more Money, and what all this comes down to, and that is what they call the Bottom-Line is all

about, the Truth to why Treason is allowed, is because People are getting Paid to Commit Treason, and they want you to believe they have the Right to believe what they want, so this is not Treason to them, and why this is known as an Insanity Plea, because you would have to be Insane to fall for it, proving everyone on this Planet is Insane, and why the Human Race will go Extinct according to the Torah, saying this happened before, and will happen again, and why you need to understand the Truth, and what the Truth even means, and Treason is not it, that is the Worst of all Crimes on the Book, yet everyone on this Planet is Guilty of that Treason, proving why this Paradox is allowed to exist in this Satanic Society of today, all for Satanic Money.

I can talk about all the Paradoxes till the end of time, which is only a decade away, so not long, but what would be the point, you should understand what is going on to create all these Paradoxes in your Reality, the Next Step is 29, where I talk about UFO's, and not those little Green Men from another World, but those living underwater, or underground, since before the Torah was written, and it has many accounts of UFO's, even many images of them, and now that the Government needs to push your attention to UFO's since their Fake Pandemic did not go over well, it is clear that being born in Corona, I was the Virus they were worried about.
