

Step-12: Dozen

The Torah before the 4th Century had a Dozen Zodiac Signs in it, after that time they were replaced with a Dozen Apostles that never existed in History, and I will refer to them as the Dirty-Dozen since a Lie is called Satanic and Lies in the Torah are called Sins.

There are People that will not believe me that the Torah was Altered after the 4th Century, but it really is not me who said this, it was Tycho Brahe, Johannes Kepler, Sir Isaac Newton, Benjamin Franklin, and Nikola Tesla, as well as countless others throughout time, considering the Torah is thousands of years old in the 4th Century, and still has Canons dating back prior to the 4th Century, and the Church did not Destroy all the Torah's written before the 4th Century, some survived because some people believe the Truth is more important than Money.

Once you understand that the Church Altered the Torah just to make only the Love of Money Evil, and you understand they destroyed all the Alchemy in the Torah for Money, and you know Mainstream Media is Pushing Einstein because he removed God from the Universe, and is the Science the Churches endorse, proving they do not believe God exist, they teach God does not Physically Exist with their Religion, and teach God does not Exist with their Science, proving that Mainstream Religion and Science is totally Satanic, and why is simple, there are Classes of Humans that are divided by those with Money and those without it, those with it, believe they are more important than those without it, so they are willing to Lie just so they can move Underground to a City they are told will Survive the Sky Falling and the End of Time, which we all know is a Lie, the Earth will be flooded, and not one Underground City can survive being underwater for hundreds or thousands of years, so who are they fooling, fools, and those Fools believe in the 12-Assholes, I mean 12 Apostles, Witchcraft what can I say.

Trinary Science is about what we can prove is Real Science, it does not allow Theories, only Facts, and you cannot use a Theory to explain a Fact, that would make it a Theory but Sheep are Stupid Animals with a low IQ, and why they fall for Religion, which only works on Weak-Minded Fools, with an IQ below 50, which is high compared to those that believe in the Science of Einstein, which is an IQ below 32, so how low do IQ's go, all the way down to Police Pigs IQ, which is so low it proves there is no reason to believe any Beast has a very high IQ, when everyone on this Planet has proven they are all Retarded, and why Trinary Science is only for Witches & Wizards, and not Beast like Ewe, or Porky the Pig.

The Church made up the 12 Apostles to try to sell People on Insanity, which is Dark Magic, you first must convince people that they have this Right to believe what they want, that way they can get you to believe in Lies, then they can convince you that you are Believing in God by believing God does not Physically Exist, while your Science proves God does not Exist.

Without the 12 Lying Apostles most people would not believe there are two Jesus's in the Bible and the Church or known Gay Pedophiles will demand you believe God does not Physically Exist while teaching you Science of Einstein to prove God does not Exist, and anyone with any sense would see right through these lies, but not Sheep, they fall for it hook line and sinker, proving they are just stupid animals that will believe in every lie you tell them, as long as all the other Sheep know the same Lies, they will all tell the same lies, and therefore believe the Lies.

People may think I am being condescending to Religious People or Theoretical Scientist, considering God is All Light and both Groups admittedly do not believe God exists, the Dictionary defines the belief in things that do not exist as Insane, and that is what both of these Groups are, totally Insane, not one ounce of Intelligence in anyone of them, the most retarded bunch of Nut Jobs to have ever existed in History are now the Majority, considering I am the only one on this Planet right now, that actually believes God exists, it is clear that the Torah was Right about Jesus coming back in my Flesh at the End of Time.

It was very important for the Church to remove any Science like the 12 Astrology Signs they replace with 12 Apostles, this is where the Lies begin, and you must believe in the Lie or their whole Game of getting you to pay them to Alter Boys is over, and they cannot allow that, so they took over the Courts and Judges, Politicians, Police and Military, the total take over of the Human Race all because it is Normal to be Retarded, and because of Retarded People, the whole Human Race will go extinct, and I really want you to understand that this Extinction Event is Real, and was really all the Torah was about, it spent more time talking about the End of Time more than any other event, and the reason why is clear, it is really going to Happen.

The 12 Astrology Signs were the way the Witches & Wizards would track when the End of Time was coming, each sign was 2012 years long using one Pyramid Calendar System, and 2060 using a newer Pyramid Calendar System that did not rely on the 12 Astrology Signs, but we do not have much information about that Pyramid system, with 2060 year cycles, but we know that it is more accurate, but it is clear the Church was trying to Hide the End of Time, considering it is in progress and no one is talking about it but me, and the Torah said I was Jesus back in the Flesh, so maybe that is true, and I do not want to believe it, but playing the part just to be on the safe side, in case it turns out it was me, I would rather do what Jesus Bar Abbas would have done, but I am not going to do that, I am a Military Dog, and take orders from Satan, and to understand why, you only need to understand one thing, everyone on this planet is Satanic, they have Murdered this Planet by Being a Vampire and sucking out all its Blood, now when the Atmosphere Vents, the Earth will Super Cool all the way to its core and this Planet will break up.

People will never believe me, Satan will never believe God, and Deny God Physically Exist, and with their Science they will try to Prove God does not Exist, and why People will never believe

me, and there is no hope of Surviving the End of Time now, not enough time to build Trinary Sanctuary before the Sky Falls, and after it falls it will be very difficult to build it, so I do not have any reason for pushing it, personally I do not care that the Human Race is going Extinct, they are nothing but Satanic Liars, every-one of them is a Liar, and has either taken the Mark of the Beast known as a Sheep like Ewe, or is Buying & Selling Electricity that makes Light knowing God is All Light, so there is not one Person beside me, that believes God Exists, and the Human Race is not worth saving if I am the only one who believes in God, so I give up, I am just Documenting why the Human Race is about to go Extinct, and in a Decade everyone will learn this is the truth, and that they have no time to do anything but dig their own Graves, and that is all I see anyone doing, proving no one wants to survive these two Life Extinction Events.

You the Reader can read all the Steps and books I have written, and can prove everything I have written is the Truth, and it will change nothing, because those in Power already know this, so nothing has changed from their point of view, they have Police Pigs and Military Dogs, the Marked Beast of War who Enforce this Treason on the World they plan to let Die knowing everything I have told you is the truth and they know it, and now so do you, but will not do anything about it, you may not even tell anyone you read this, and will say you Debunked it, just like all the other Stupid Sheep, and why is simple Math: 111111 = Other-Other-Other-Other-Other-Other, and that is Six 1's and a half a Dozen Others.

People that believe they can change the World are called Fools, and Fools are another name for those who are either Religious or Buy & Sell Souls, no Bigger Fool than these two types of Fools, they are nothing but Liars, that only know lies, and only know how to tell lies, and would not know what the truth sounded like if they heard it, and why they are called Fools, they believe what is not true because they believe they have the Right to believe what they want to, all Fools believe this and Preach it to others, proving they are Fools, because that is how Fools are made.

I wrote two different Series, the first one was "The Light Wizzard in the Flesh", it is more of a Jesus coming back in my Flesh type of Story, whereas "The Trinary Universe" is about the Science of Sheeple, I try to explain how the Trinary Universe works, but really this is about the Science of Sheeple, why they are Sheeple and do not know it, so for those who wonder why I talk about the Torah, and Wizards so much, it is simple, that is the Science of Sheeple.

The Torah before the 4th Century was about 12 Astrology Signs, after the 4th Century it was about 12 Apostles who are there to teach you that Jesus Bar Abbas is the Bad Man for saving people from Money & Taxation, and why I call them the 12-Assholes, and anyone that wants to talk about them are Satanic, the Church has always been Satanic, and everyone knows it, History Proves it, who else poisons wells and tells people it was Holy Water, who else gets you to take the Mark of the Beast known as a Sheep like Ewe, never try to justify what the Church is doing.

To understand Sheeple, you only need to understand Money since their entire existence is centered around the Deity-God that has "In God We Trust" engraved on it, it is clear that their entire Civilization is based on the 7-Deadly Sins known as Money, and those that do not believe they Worship Money, are known as Satan, the Person who can Lie to themselves, Believing that Lie, and only a truly Satanic Person can be so Satanic and not even know it, is proof they are Money Junkies, who will do anything for their Next Fix, and we all know this is the truth, and know that this will never change, no one will want to change, they will lie to themselves about the Sky Falling or the End of Time coming, they will Lie just so they do not have to change, because no one will give up Money, they would rather die, and why the Human Race will go Extinct for Money, next to their Bigger than Life Statue of the Last Legal President, who was Legally Executed for Treason, and why the Leader of the Ku Klux Klan or KKK, Engraved the Head of Lincoln to show that all American's Worship the Treasonous Trader.

I am writing this in 2021, in 12 years or a Dozen Years as it is, 2033 will be a Reality no one can deny, I know what will happen just like I know any Science Project will work the way Physics demands it to, so unlike most People, I do not believe in things I cannot Prove, and God is something I can Prove, as is the End of Time, I cannot guarantee you that the Sky will Fall in 2027, the Torah did say it would prior to the End of Time, it also said everyone would be Satanic and Deny it, that is the true mark of Satan is denial, but facts are facts, and you cannot deny the facts, and in 12 years or a Dozen Years, pick which one you like the best, a Dirty-Dozen is going to be more like it, if this Series can go Viral, the World will slowing begin to wake up, but not in time to do anything about it, most will just prove they are Sheep and Protest and Riot since that is all Sheep know how to do, they have no concept of Freedom, they have been Slaves since birth, and their Parents sold your Soul to Santa Clause, the Red Devil who takes Children's Souls to Hell with Satan when they die, proving how Sick this World is, how Satanic it is, as such, in a Dozen years all of you will know how Trinary Science works first hand when our Atmosphere vents into Space ending the Human Race all at one time.

If you were to bring this up to someone in charge, they might appoint a Dozen Members on a Committee to do a 12 year study to figure out if the Atmosphere can vent when our Magnetosphere decays to 0 and switches polarity, and by that time this will all be over, so sit back and relax, you are all going to die and you know it, Satan won this round, and the Human Race loses by going Extinct for the Treasonous Money they Worship instead of God.

The truth is that it does not take someone with an IQ over 180 to figure all this out, it just takes one person who will not Lie about their Reality, anyone with an IQ over 50 should be able to figure out that if God is All Light without Darkness, that really exists, so this Deity-God must be Satan, so my Reality is not a Lie, I believe Light without Darkness exist, therefore God exists, and that does not take a lot of IQ points to figure that out, why everyone Lies is simple, no one wants to admit they are Retarded, but prove it by saying things like they understand Einstein's

Theory, when there is nothing to understand since nothing can exist in any of his Alternate Universes in Alternate Realities, proving those people are severely retarded and completely insane for believing Light does not exist, but that is how Liars are.

When I was younger I learned how to read without reading, I just memorized pages so I could read them any time, but often did not read it, but somehow did not need to, seems like memorizing pages sinks in more than I would have imagined, so I rarely ever read anything, I just look at the page and think I will read it later, to me that was a White Lie, I did not tell people I read it, knowing I did not, to deceive them, but rather the end result was the same since I somehow knew what was on the paper I looked at, so we all tell White Lies, sometimes not meaning to lie, but rather tell the short version of a story, rather than the actual story, which takes much longer to tell, and most people do not care so why bother them with details.

Why people lie is something that does not need to be explained, I have told people that the Torah was Altered and they will Swear on their Children's life it was not, I stated it was Altered as a Fact and not as something debatable, yet Satanic People must Lie, and must keep telling that Lie, proving they are Lying to deceive, and only Satan does that, so Satan is easy to spot, always has to lie about everything, they will Lie about Money being Treason when our own Laws Prove the United States is just a Franchise to the Federal Reserve, therefore not a Real Country, and not a real Government, nor Real Presidents and certainly not a Real Congress, and our Laws prove that, yet those people will Lie about it, never stopping being a Liar, and why you cannot trust anyone Religious because we all know they are the Biggest Liars of all time, and only know how to Lie, because their Soul was Sold to Santa Clause as a Child, so being a Liar is all they know, so it is clear why everyone lies, it is all they know how to do.

Those that want Justice for all this Treason will never get it, 160 years of Treason has made a Nation of Liars, not one of them can tell the truth, and I will not say I do, the truth I do talk about was not my Truth to begin with, all I do is tell that story knowing it is the Truth, but it is not my Truth, but the Truth of the Torah, and about the Torah, and all the Wizards in History that knew about the Truth it contained, it said Moses created Laws to Deceive People, proving he is a Liar, but also a Satanic Liar since he lied about God, but only Satan would believe Satan's Lies.

I often wonder if anyone is capable of telling the truth, I have never met or even heard of anyone that is capable of not being a Liar, and have to conclude that all Humans are Liars, therefore it is not possible for anyone to tell the truth, and like I said, I do not tell the truth, I just tell it like it is, what is Truth is unknown to me since I am just a Human just like You, capable of being a Liar just like You, and just because I have an IQ over 180, does not mean I am anymore smarter than anyone, in fact, those like myself are wrong about many things, our Intelligence is not apparent in how we act or appear to others, those that judge me as having a average Intelligence prove

they have none at all, and are just Liars that need to make me out to be Crazy just because what I know is totally the opposite of what they know, and how can that be, how can everyone on this Planet be so Stupid is something I cannot understand, so a High IQ does not mean I know it all, in fact, it means I probably have a limited interest, and I am only good at what interest me, so you may wonder if I am telling the truth, but from my viewpoint, that is all I know, so all I can Tell.

Those that only know Lies can only tell Lies, those that only know the truth, can only tell the truth, and in a Dozen Years, you will all know the Truth I write about, you will know your Freedom was really just Freedumb, and your concept of Society is totally Satanic, your World is totally Satanic, so you have no one to compare to, that is not Satanic, and do not look at me, I am Medically Retired Military who is paid to Lie, and Paid to commit Treason, so I have no delusion of being a Good Person, nor a Special Person, I was just born at the Right Time and Date for Jesus to come back as, but I have no delusion about Jesus Bar Abbas being a Good Person, he Killed People, yet I am pretty sure God allowed his Soul into Heaven, or he would not have come back in my Flesh to tell you his story one more time before the End of Time.

If you believe you can get Justice from a Dozen People you know are Totally Satanic, you will understand why Justice is Blind, the United States has Judges Demanding you call them your Honor, knowing they have none, nor do they even know what it is, they are Paid to Commit Treason, proving they have no Honor, they Enforce Treason proving they are the Enemy of the Constitution of the United States, yet we all Know no one will do anything about it but allow them to Commit Genocide on the Human Race, and that is what they are doing, they know this is Treason and that God is All Light, and we are Buying & Selling Souls, they are not Retarded and do not understand common sense like most of you, they know they are Committing Treason, and know they are getting Paid to Commit that Treason, and we all know that everything I have written in all these Steps is the Truth, so why continue to lie, why pretend this is Legal, why Lie knowing the Truth, a Dozen Reasons for Treason.

From 12 Astrology Signs to 12 Apostles, that is pronounced 12-Assholes, we have 111111 = Other-Other-Other-Other-Other-Other, and that is Six 1's and a half a Dozen Others, and the Next Step is Lucky 13, and with the Sky Falling and the End of Time 6 years after that, you have to ask yourself if you feel Lucky about the number 13, the day before 14 January 2033, the End of Time, and the End of the Human Race.
