

Step-05: Star

There are many Stars, but the Torah written before the 4th Century only talked about one called Christ the most, but after the 4th Century Jesus Christ was inserted as a Person to make Jesus Bar Abbas out to be the Bad Man for being the Leader of the Militia that Defeated the Roman Empire for their use of Money & Taxation, just to make only the Love of Money the Root of All that is Evil, I do not want to talk about Religion, but about the Torah before the Church Altered it like they Alter Boys, so I want to talk about the Star known as Christ, the Torah said Christianity was the Study of the Star call Christ, and we know this Star as the Binary Star Sirius, it aligns with the Great Pyramid once a year, and in Sir Isaac Newton's time that would have been on his birthday on 25 December 1642, under the Julian Calendar, which was changed to 4 January 1643 then they removed 10 days making it 14 January, which is my birthday, as well as: Adonis, Attis, Dionysus, Horus, Isis, Jesus, Krishna, Mithra, Nephthys, Osiris, Set, and many more, proving History shows this as the Birthdate for many Legends, so I want to talk about why this Star Date is important, and why people have gone out of their way to try to hide the date using Calendars.

Newton and Halley said that they believed the Torah was saying that on this one day of the year out of all others, this alignment in Heaven with the Binary Star Sirius, and the Great Pyramid, has a Gravity put on it, that is greatest on just this date, and there is Science to back this claim.

Throughout History there are similar stories to Jesus, like: Adonis, Attis, Dionysus, Horus, Isis, Jesus, Krishna, Mithra, Nephthys, Osiris, and Set, are just examples, proving that it was about the Event and not about the People born on that date, which once you are aware of it, you make this Cosmic Connection, as Newton and me in the Flesh, but we both agreed we did this after the fact, meaning in my case my Masonic Grandparents force fed it to me since Birth, knowing I was born at the exact time, date, place, and even name, knowing Jesus said he would come back as the Flesh, yet I know about all these other stories as well, with Newton it was what he called his Duty, and I have to agree with him, and I imagine it was the same with all the others, the man and not the myth, but could be said of all of them, I am just in a long list of people throughout time that resurrect Jesus Bar Abbas back into their Flesh, but Newton is the most famous of all of those stories by far, and even he admitted he does it on purpose, and I have told you the same, it is our Duty to keep up the Legend.

I can tell you more about my First Cousin Five Times removed Isaac Newton and my own experience with Jesus Bar Abbas, and the process of Resurrection the Torah before the 4th Century wrote about, which was talking about someone's Memories, meaning what you know about them, and nothing to do with anything other than that, Reincarnation was not in the Torah written during the 3rd Century, so we both agree Resurrection means to resurrect someone's memory, and nothing to do with Religion. History makes it clear that Religion is nothing but Lies about the Torah, it was not written by them, it was rewritten by them, all to make People

take the Mark of the Beast known as a Sheep like Ewe, proving they Lie to everyone just to pass around the Money Pray Tray, proving they have never changed in two thousand years, they get weak-minded fools to follow the bidding of Satan and believe you have the Right to believe what you want, a Satanic Belief to get People to become Liars, which is all Satan is, and no one can lie to you if you did not have any Rights to believe in Lies, and that is all it is about, getting you to believe you are a ewe, and if you follow a Shepard through Green Pastures you took the Mark of a Beast known as a Sheep like Ewe, and we all know this is the truth about the Church, if they do not tell you the Truth they are Lying to you, and by allowing everyone to Buy & Sell Electricity knowing that Electricity is used to make Light, and the Torah said God is All Light without Darkness, and therefore proof everyone knows they are Satanic, yet Satan can only Lie, so Satan will deny being Satanic, knowing you Worship Money with "In God We Trust" engraved on it, you will have a hard time convincing me that you did not know that is Treason against the United States of America's Constitution, by allowing it to become a Franchise to the Federal Reserve that prints your Money instead of Congress who were dissolved in 1933 after not making the first payment, thus losing the Constitution in a Gambling-Game, then Executing Executive Order 6102 just to become Enemies of the State by Stealing all the Gold, Silver and other assets, and putting anyone that opposed them in Jail or Prison, taking what they wanted at Gun point, proving the Last Legal President was Lincoln who was Legally Executed for Treason, but that did not stop people from dressing up and acting like Congress and Presidents, when we know it is not Legal to allow Treason, proving this is all a Fake Government, and they were about to let all of you die on the surface of the Planet without even warning you about what is about to happen, acting like they do not know, just so they can deny all this, proving only Satan Lies, and why they tried to hide the Star Date just so they can Lie to you about everything, like Newton I just tell you the facts, I do not want to waste my time teaching Sheep, and would rather teach an Empty Class, than one full of Sheep, therefore I will not act nice towards Sheep, or Treasonous Traders to the Constitution, personally I could care less if all of yew die, knowing all of yew will die at the End of Time and there is nothing I can do about it, but to explain to Sheep Science they will deny since they only believe in the Science Fiction of Einstein, proving they are Insane, the belief that God does not exist or God does not Physically exist, is called Insanity since God is All Light without Darkness and that exists.

Once you understand why the Church, Governments, and everyone that knows the truth about what God is, which is what the Torah told you, but no one believes, is that God is All Light without Darkness, and since we know that exists inside all the Atoms in the Universe, it is clear this is just what the Torah said, yet no one believed them, inside they want to believe that God does not exist or that God does not Physically exist, which is the same thing, so let us just look at the facts, and what we can prove is the truth about God, and that is it takes Electricity to make Light, and the Torah and Tesla told you we are all Light Beings, so who told you that you were Buying & Selling Souls?

The Torah, Tesla, and me in the Flesh, who do you think, it was not the Church, who also got you to take the Mark of the Beast known as a Sheep like Ewe, it was not the Government, they want you to believe Treason can be made Legal, and that the Constitution can be Amended to Allow Treason, proving that those that the Torah call Liars, is named Satan, and both of these Entities have proven they are totally Satanic, meaning Lies, Treason, and Sin.

Those that do not tell you the truth that is so transparent, is hard for me to understand, how every day People can wake up believing today will be the day someone proves Einstein Right, and after a Century we all have to admit those people are really just Retarded, with an IQ below 50, making retarded people look bad, and if people can really be that retarded is an unknown, but it is clear they are Liars, and why anyone would listen to Liars is proof of insanity.

There is no fixing this World, there is no telling everyone the truth expecting anything to change, that will never happen, so why try, the Human Race is not worth saving and we all know that so who are we fooling, I know you the reader would never do anything about anything, you and your friends might talk about it at best, and next thing you know 6 years have gone by and the Sky is Falling and you are told it will impact close enough to your area to survive it, or maybe it was just someone you knew, and did not warn, or warned and like you, they did nothing but wait for it to happen to see how it goes, that is how all Darwin Award recipients are chosen at random, and all because you cannot fix Stupid, you cannot fix Treason, you cannot fix Satanism, you cannot fix anything with Treasonous Money, therefore there is no fixing this World, and these Life Extinction Events will prove how pathetic the Human Race really is.

The truth is those in power will not allow you to build Trinary Sanctuary, because they like their Plan to say nothing, knowing they would have to admit to Treason, they would rather not admit that, instead loot the surface after a vaccine wipes out all Life on the surface, so they will not have to admit to Treason, just to make it easier to loot, without having to have a War instead, we know this is their Plan because that is what they are doing, and that is all I can go by is their Actions, you start a Fake Pandemic to get everyone used to lining up to get Shot, I know the Drill, they Threatened me with a General Court Marshal and Dishonorable Discharge, then the VA wrote a report saying that 1,500 people died within a few weeks, and that out of the 290,000 that got the vaccine, 270,000 of them died from a rare disease or committed Suicide, and I can read the writing on the Wall, just another Brick in our Graves, those that murder with Vaccines are the worse Murders on this Planet, the next round of shots may Murder all of you, that is their Plan, because that is what they are doing, and those that use Treasonous Money are Paying for all the Crime that goes with it, you are paying to have them Murder all you, you are paying for them to Dig your Graves in Underground Cities that will not last one Day, because those that built them believe in Einstein's Science which is retarded just like them, and now all of you will die in 6 to 12 years and there is nothing any of you will do about it, you will just be a stat, nothing more.

I will paraphrase the Torah for you, at the End of Time, everyone will all be Executed for Treason, for allowing Treason, and following Treasonous Orders and Treasonous Laws that you know are not Legal since Treason can never be made Legal, so Checkmate! Everyone Loses, and you all know this is all the truth, so why deny it, why deny you were not as guilty as everyone for having such a low IQ, all because you got the Stupid Vaccine, the one that made you so Stupid you Followed Treasonous Orders and Treasonous Laws, and now must pay the Piper, you know everyone working for Money is Guilty of Treason, and you know that one of the 8 Planks of a Dictatorship is Sue and be Sued, knowing they own the Judges, Courts, Police, and Military, so who are you going to call, Ghost Busters, they took Mother Nature out of Trinity, just so you would take the Mark of the Beast known as a Sheep like Ewe, and now you have no one to report this Crime to since they are all the ones committing it, so why should they allow you to live, what is in it for them, and you know the answer, they gave it to all of us, they have no interest in your Life, they being the Rich & Famous Liars who did not tell you any of this, and it is just something very simple, they do not tell you the truth, means they are lying to you, but most of you do not get it, what they tell you is Lies, and I proved it, what they are not telling you is why they are building underground Cities for only the Rich & Famous Liars, and why they are forcing Vaccines they know do not work, and that is just to get you used to getting Forced Vaccinations, just like Jonestown Massacre, Stupid Sheep who allow this deserve to Die, they need to pass out Darwin Awards with every Vaccine, and with every Treasonous Law they are Forced to Follow, the Mark of the Beast is known as a Sheep like Ewe, retarded braindead Animals that live in fear of their Masters, they know are trying to Murder them, why else build God Bombs and Lie to you, they know their Police & Military will enforce their Treason like they always have, and they have no problem murdering all of you, and you know it, and why you are Cowards and Allow it, why else would people take an Oath to Defend a Constitution that does not even Exist, just like the Deity-God that all those Religious Sheep Worship, a none existent Deity-God known as Satan, that goes by many names: Evil, D'Evil, Devil, Murder, Crime, Law, Lawyers, Politicians, Judges, Police, Military, and Treasonous Money.

The Star Date is the day our North Magnetic Pole crosses the Equator in 2033, and like all Electromagnetic Fields, it must collapse its Field at 0, and the Equator marks that 0 reference line also known as Ground, the Top half is Positive, the bottom half is Negative, but that is all about to change in our Future, and only Fools believe nothing will happen when our Magnetosphere's decay rate reaches 0 and it is gone, knowing it is the only thing holding in your Atmosphere, and you know for a fact, all Electromagnetic Fields have to collapse at 0, and the Earth is huge, and is running at over a thousand miles an hour, so do the math, it takes time to switch from Positive to Negative, if my formula is right, which is $\frac{1}{137^{\text{th}}}$ the diameter of Earth, or 6.66 minutes, but the field will not reach maximum strength for at least one full cycle, it took time to wind down, and will take time to wind back up, plus the Torah said it will vent, they did not say it like that, but what else will cause the Earth to freeze Solid, regardless of what happens, believing nothing will happen does not even make sense, waiting for an Ice-Age before you decide to build better Cities is insane, so what is the thinking, Sheep, what-else, that is the Reason for Treason.

Mark this Star Date when our Poles Reverse Polarity on your new Calendar System based on 13 Lunar Months with 28 days each, much easier to keep track of what day it is, just look at the Moon, and build your own End of Time Recorder, or get one any way you can, take that back, do not steal them, why I have to add the Santa Clause to that, I do not know, but this date is important because this is a Life Extinction Event for all Life on this Planet, look at this event from the viewpoint of Trinary Science, just the Facts, these are the 3 Laws of this Star Date.

1. Electromagnetic Fields Collapse while Reversing Polarity.
2. Magnetosphere is an Electromagnetic Field about to Reverse Polarity.
3. Atmosphere is held in by Magnetosphere that is about to Collapse.

For the record, the above 3 Laws of this Star Date are called Logic & Reasoning, and it proves that regardless of what the Torah said, or even Kepler, Newton, Tesla, and myself, these 3 Laws of this Star Date prove what is about to happen, so really all I have been giving you is a History lesson on all those that figured this out before me.

The Star Date could have a name, but “Star Date” is a name, and the truth is, the Torah has been altered so many times that I cannot really tell you what they called it, I can just tell you what it means, and that is the exact Date and Time our Earth Reverses its Polarity, and just because the Torah called that the End of Time, we know why, and might end up keeping that name if it turns out to be true, it is only Logical to call it that, but do we call it that before it happens, that kind of defines the outcome, and who knows who will Survive the Sky Falling, and Fallout from that for years leading into the End of Time the Torah predicted, so Air, Water, Food, and Basic Supplies will be the difference being someone Live, and being someone Evil, meaning Dead, and no one is preparing for this event, all I see is people digging their own Graves, so maybe “The End of Time” is a good name after all since it looks like it will be more descriptive of it.

I know that this World can never come together at the End of Time to even try to Survive it, they will go on like nothing is going to happen right up to that day, that who knows, maybe there is some Law in Physics that prevents our Atmosphere from venting into Space when our Magnetosphere decay hits 0 and its Field Collapses, if there is, I would call it God, and that is the only hope anyone has, and I am not talking about a Deity-God, they should pass a Law that says you have to call a Deity-God by its real name, but that would be Satan or Money, same thing really, and why the World will never come together, they are all Money Junkies that will do anything for their next Fix, and why Money will cause the Extinction of the Human Race.

I believe there is an Advanced Society that has been living inside our Earth, under its Oceans, I get this information from the Torah, and Admiral Byrd, who confirmed what the Torah said, so I have no reason I should not believe it, the Torah said they had Technology to Fly, and Admiral Byrd confirmed it, so I have every reason to believe they wrote the Torah, but over the ages it was transcribed and started to lose most of that information over time, even Newton said they are the ones who built all the Ancient Stone Monuments and said people Graffitied on them, so our own History confirms what the Torah before the 4th Century said, and I know that the 3rd Century Torah Newton had should still exist, who has it is unknown, at this point it does not matter much, because those in Power would not allow it, if they would it would be Public Domain.

When I look at History and see only lies, I must wonder why People allow it, and I am not talking about lies that are easy to hide, God is All Light and you Buy & Sell Electricity by the Kilowatt, how can you hide a Lie like that is a question only Stupidity can be the answer, but how retarded do you have to be to believe that Lie, and how stupid do you have to be to take the Mark of the Beast known as a Sheep like Ewe, what, an IQ of 42, seriously, how low of an IQ do you have to have, to not connect the Dots, has anyone you know, that they know, they even know this, Tesla was the last one, and since then it was me, well my Family, but I am the only one talking about it, so maybe there is something to Resurrecting Jesus Bar Abbas, and maybe that is why I am doing it, as Newton said, it is our Duty, know it, or no it not.

Only one version of Truth Exists, if someone tells you they have a Right to believe what they want, means they want to believe in another version of the Truth, and they want to push their version as the Truth, because they believe they have that Right as well, and that is known as a Lie, and how they get anyone to believe in lies, or allow lies to exist, and what everyone in the World is today, nothing but Liars, and only Satan Lies is a Fact, and so is the fact they are hiding the Star Date of the Star known as Christ, and true Christianity is the Study of that Star we know as the Binary Star Sirius, the next Step is 6, Numbers you can count on.
