

Step-29: UFO

The Unidentified Flying Object or UFO phenomenon has been known since the Torah talked about it, but most people do not know about the Torah before the 4th Century, and why few of them understand UFO's are not new to the human race, and I have no reason to believe they are from another World, or Sun System, or Galaxy, or any such none sense, they have been here since the Torah wrote about them, and that means they have always been here, but I do believe they have bases on the Moon, maybe even Mars, and I believe the News reports of the Governments releasing video footage of Aircraft that can fly in Space, as well as into Water at a high rate of speed, and come out of the water just as fast, this confirms what Admiral Byrd said, and would make sense for not only an Ancient Society, but an Advanced Society, and although they have never shown any hostility towards us, the same cannot be said about the fact that many governments have fired at them, and according to the Torah before the 4th Century, humans on the surface of this planet have been at War with them for Centuries, Newton wrote that Jesus tried to get people interested in rebuilding the Great Pyramids, saying those we call UFOs, said they would help, but instead the Roman Empire, better known as the Roman Church, would not allow it, and had Jesus Executed instead, but the Roman Soldiers did not like what Jesus told them about their boss, paying them to enforce Treason, so History never changes much, those who wrote History are the ones who Conquered all of you, proving they were your Enemy, and still are, and we all know this is the truth, or they would not be lying to you about the Truth.

I have never seen a UFO, yet I know they exist because others have seen them, but still seeing is believing, but seeing videos is not so convincing in this day and age of Computer-Generated Imagery or CGI, and I know Mainstream lies about everything, so I cannot trust anything they say, so when it comes to UFOs, I have no idea what is the truth, none, and I will not pretend to, that is not what this Step is about, it is about knowing what we can prove is true, and when it comes to UFOs, what I can say is that Torah talked about very large Pyramid shaped ships that have Spherical craft come out of them, Admiral Byrd confirmed this, saying they could fly into and out of water at a very high rate of speed, and this is what Mainstream is saying the Military has released, and if this is the truth, it only means one thing, they are leaving Earth, I would guess they have a base on the Moon or Mars, but this is from what I have researched, and not from what I have any firsthand knowledge of, so I have to take all my research at face value, Roswell for example, I know for a fact they were doing testing with high altitude weather balloons, and I know that is not a cover-up, yet I also have no idea what the truth is about that event, much like what Admiral Byrd wrote, and in his own notes said the same about what he had heard about these UFOs prior to seeing them in person, as it turns out, no one will really believe anything till they see it with their own eyes, and for a good reason, people lie.

I have no idea if we ever sent a manned spacecraft to the Moon, I know that during one Apollo Missions, there was a spacecraft in geosynchronous orbit off the coast of Southern California, and it went away just before the Apollo landed, so I believe what I seen with my own eyes, and

this is just a matter of record since many people saw the same thing, and it was on the News, only they had some bogus excuse for what it was, and why I never believe anything Mainstream has to say, and therefore you must understand that if you know only what you see in videos and read online, like UFO Cattle Mutilations that turned out to be Cattle exploding due to internal gas build up after death, leads me to question everything I have ever heard about UFOs.

Someone on this planet has a copy of the Torah written before the 4th Century, Nikola Tesla had a full set of Canons when he died, someone took them, I have no idea if it was FBI agent John Trump, the fake U.S. President Donald Trump's Uncle, Real Presidents would have Congress Print Money like JFK did, but as it is, a Franchise is not a Real Government, therefore, no real Presidents, only Treasonous Traders, so it does not do me well to speculate where it went, all I know is that someone has it, and I wish they would make it Public Domain, because without it, I really cannot talk about what was in it, because few believe it exists, and I only saw Microfiche copies of it, and it is not in English, not that it mattered since most of the Torah Code is Numerical Data found in the Page Border Artwork, and why few understand the Torah, the pages of Text were stories about Stars, and not People, the Canon that had Moses in it, had many people born on the birthday of Jesus, which was 25 December under the Julian Calendar, and 14 January under the Gregorian Calendar, so you have Jesus, only one, Jesus Bar Abbas, or Bar/Abbas if you write only his last name, Bar being the Mother, Abbas being the Father, the slash symbol was used to denote this relationship in names at that time, but it had many like Adonis, Attis, Dionysus, Horus, Isis, Krishna, Mithra, Nephthys, Osiris, and Set, as such, it is clear this date has more to do with these people, than anything else, so why that is, may have to do with what they had to say about Light & Darkness, and why they are seen as the Light & Darkness, and all of them talked about the End of Time, and also were said to have talked to the UFO people, I call them the "*Ancient Ones*", it is the only reference to any name for them I could find, and the fact is that even Sir Isaac Newton said any one of those people could be resurrected, yet in time, Jesus was the last of these Wizards to have been born, and the Torah said he was making a deal to rebuild the Great Pyramids with their help.

There are stories about a Star-Gate in History, and the Torah talked about it, it was built by the "*Ancient Ones*", and went by another name after it was dismantled by Moses, it was called the Arc, or Ark Light, it was said to be 66 feet in diameter and made of Gold and Silver, and set on top of the Great Pyramid, and was said it could deflect Asteroids or Comets from hitting Earth, the reason it was called a Star-Gate is because the Great Pyramid aligned to the Star called Christ, we know it as the Binary Star Sirius, but the Gate pointed at a 90 degree angle to the Earth, pointing up to Heaven, it would Energize a region of Space in the Van Allen Belt, and this would deflect the Asteroid or Comet, at the tip of the Pyramid was the Arc/Ark Light, from what I can understand about its Technology, is that it has 3 main parts to it, the Star-Gate, the Arc/Ark Light could be lite without powering up the Star-Gate, it was a very powerful Light, much like a Laser, but more like Search Lights, it used Hydrogen & Oxygen, and an Electric Arc to ignite it, it had a particle accelerator as a secondary weapon, that only worked if all 3 devices were

powered up, so it is clear it only was used on Asteroids or Comets, but Moses melted it all down to make Money, Law, and Religion, and the last two thousand years have been spent serving Satan, otherwise known as Satanic Money, and it is the Root of All that is Evil, and forbidden in the Torah before the 4th Century, and Evil means backwards of Live, meaning to be dead, and considering Money is Treason that all that use it can Legally be Executed for that Treason, proving it is Evil, and there is no other way to view Money, but Sheep are Money Junkies that will do anything for Money, and everyone has their price, but those Ancient Ones did not use Money, humans were better off without it, it is only a source of Crime, and why only Criminals use it, and why those Criminals enforce Treason is clear, they are Satanic.

Sir Isaac Newton wrote a lot about the Pyramids and the Ancient Ones, even to reference images of Flying Spacecraft, Newton and Edmond Halley would make Paper Flying Machines, some very ingenious, they understood the concept of flight, but could not understand how they do it, nor do we know now, those UFOs are using the same technology they did in Newton's time, as it was in Jesus's time, and the Torah goes back to when Adam & Eve were banished from Paradise, the Underground City that Moses destroyed for Money, Law, and Religion, as he destroyed their Technology to melt it down for Money, making God Bombs that took out Jericho, Sodom & Gomorrah, and now they threaten every City on this Planet, all this Technology was found in the Torah before the 4th Century, but only Lies after that, and why few know the truth about anything, but it is clear those in Power know the truth, and why they say Truth is Power, but if we are at War with the Ancient Ones, it is clear they are leaving us in great numbers, and why is clear, they know their Underground or Underwater Cities will not survive the End of Time, only Stupid Retarded Sheep would believe their Underground Tombs had any chance of Survival, all because people were taught the insanity of Einstein's Theory never proven in over a Century, proving Mainstream lies about everything, so why are they telling us about these UFOs now, is a question we all know, to get our attention away from the man behind the Curtain, who is telling you the Corona Virus is not the only thing you need to worry about.

The way you view Mainstream information, Movies, News, and other propaganda machines that we all know are enforcing Treason, yet not talking about it, making everyone pretend that their Constitution can be Amended to allow Treason and that Laws can make Treason Legal, proving that all Mainstream does is to lie, and why I do not trust what they are saying about UFOs now, sure I can admit it confirms what Admiral Byrd said, which confirms what the Torah said before the 4th Century, but knowing that is not Public Domain, I have to question Truth since we all know that is where it starts, and until someone makes it Public Domain, our Reality will only be lies, and the reason is clear, they do not want those on the surface of the Planet to find out why they are building Underground Cities for the Rich & Famous, not like they can hide them, considering they pay people to build them.

Most people lump UFO and Big Foot sighting together, not to discredit either sciences, I do follow both, and do believe they exist, just because we have never caught one, or shot one, proves nothing, but what if they are related, what if Big Foot is a scout, and just gets in a UFO and flies away, and this is possible, and makes far more sense why people are lumping them together, we have no idea what these UFO people look like, but we know what the ones from Roswell looked like, we know what Big Foot looks like, and all the names we know them as, and those go back to the Torah itself, who said the race on the surface came from a hairy Ape like creature, current Apes have fur, so do not confuse them is what Charles Darwin wrote, and he believed in Kepler and Newton, so he believed God is All Light without Darkness, and believed we evolved after living underground for extended periods of time, and there is evidence of this at the Great Pyramids, following the long line of descendants of Adam & Eve, and just to be clear, the Torah said Adam was from the Tribe of Ash, and Eve was from the Tribe of Nazi, and told of a story about her father Seth who was as Black as Night, and Eve means the Approaching of Darkness, as in the Evening, and Seth is whom she named a child after, the other being Cain, and there was one other Tribe of Key, pronounced Chi, or Ki, and the Torah before the 4th Century was written in Ancient Chinese, the second Century Torah was only written in that language, and it was because they were the Tribe who liked to write, and they mated becoming one Tribe, known as the Ashkenazi, and they still exist as separate Tribes and always have, it is not unless you have the Blood-Line of all of them, are you an Ashkenazi, so in my Blood-Line, I have White, Grey, and Black, and these are not Colors found in the Rainbow, they are just Shades of Light, so you cannot judge us by the Color of our Skin, considering I have all 3 in mine, yet look White, at least that is the color of hair I was born with, and the hair color I will die with, so why do we call these Colors is beyond me, but it is clear our Blood-Line defines who we are in terms of what we look like, beyond Nationality, we have other things that define who we are, but the real question is who are the Ancient Ones we see in those UFOs, and I was hoping to find out before the End of Time, it would be nice to get to meet them before all of them go away, to where ever they are going, and I would like to know where that is, and how they can get there, and survive there, so many questions, but it does not look like I will ever find out, because People only care about Money, and they have to lie to you to get you to use Money, knowing it is used to Buy & Sell Souls by the Kilowatt, proves People lie about everything, as does Satan.

If it seems I talk about Treason too much, then I have fulfilled my Oath to defend the Constitution, regardless of whether you live in the United States, you are still effected by it, and its Military Machine used to take over the Banking of all Countries and Governments around the Globe, effecting all that live on this planet, much like a Virus that infected peoples minds and made them crazy enough to commit Treason every-day of their lives, and why few know anything about the Trinary Universe, is because it teaches the truth about Money, Law, and Religion, and few can handle the truth, and will do everything to discredit me, they will use Theories to try to debunk facts, proving they are retarded and too retarded to know it, and why they have been committing Treason for Generations now, and no hope any of the Sheep will wake up to this reality, they will just go back to being Sheep, they will believe UFOs are proof of Extraterrestrial Life, when those UFOs have lived on this Planet far longer than Humans have.

I look at what Mainstream has to say about things, and think to myself, how retarded do you have to be to believe their lies, if you have read all the Steps, you know where to find the Laws that prove this is Treason, and if no one is talking about that Treason, they are not talking about anything that is remotely dealing with the truth, one lie means it is all lies, that is the price of lying, and those that lie to deceive are what the Torah call Satan, and why everyone is going along with Satan's lies, is because they are Satanic, that is what that means, those that Lie to deceive are Satan, those that Follow are Satanic, not hard to understand, but keep in mind most People are Sheep, and no more Intelligent, or they would know all this, instead of just finding it out, and why is simple, the End of Time is near, just one more Decade, so they do not need to kill all the Witches & Wizards, they just discredit them, by saying they Debunked facts with the Latest Theory, proving how Insane most People are, padded cell City for all the Stupid Sheeple, who believe in what Mainstream has to say, and believe they cannot lie, knowing this is all Treason, proves everyone is a Liar, or are going along with all the Lies, which is just the same, Satanic, you cannot use Money without being Satanic, it is Satanic Script.

I am aware of 3 different types of UFOs, the first is just something Unidentified that stays that way, no one knows what it was, and this is by far the number one type of UFO, the second type are the UFOs the Torah called the Ancient ones, they have Triangle or Pyramid, or Spherical Shape, and the third kind is Light, and I do believe these are Ball Lightning, having chased one, I know they can avoid you and make 90 degree turns, and I do believe those are the ones we see in low orbit, and they can come down to Earth, and Fly back up, and can move very fast, coming to a complete stop, or take a 90-degree turn without slowing down.

When you live in a Society that lies about its Constitution, makes up Fake Events, like Shootings, Oklahoma and 911 Bombings, it is clear this Government and Mainstream cannot tell the truth about anything, so I cannot trust anything they say, they have no credibility with me, they are all insane, and everyone is insane for going along, so I have no hope for the Human Race as a Species, when they Commit Treason it is clear they have no Morals, and are all Criminals, the worst kind, Treason, the worst of all Crimes, and on a Global Scale, proving this is a Prison Planet for the Criminally Insane, and why the UFOs do not want anything to do with us, we are insane as a Species, look at what we have done to this Planet, it is Sick, and all for Money that is Treasonous, and that is what makes it sad to be Human at the End of Time, knowing there is no hope for them as a Species, and why we will go extinct in another decade, and to be honest, no one wants to live or they would not allow all the Treason to take place, so it is clear the human race is too retarded to survive the coming Ice-Age, and will do nothing to even try to survive, they all believe that is someone else's job, and not yours, and since everyone thinks that, no one will do anything to survive, they make up BS Science to get you to think this will not happen, they will swear it, knowing they are Liars means all they will do is Lie, it is all they know how to do, lie and commit Treason, it is all any Criminal knows.

As a human we all have Freewill, that does not give us any Rights to believe what we want, only Liars want that Right, and they require you to believe you have that Right, so they can Lie to you, so Liars are very easy to spot, they believe they have the Right to believe what they want, which is a Lie, because that is what Liars do, and why there are so many Alien Abduction movies, do you seriously think if an Advanced Society came to another planet, they would do this, you have to be insane to do that to begin with, which proves people are just Liars and will Lie about everything, and swear they told the whole truth, but how can you know any truth if you believe you have a right to believe what you want, knowing if everyone had that right, we could agree on nothing, and nothing would make any sense, our math would not work since everyone has the Right to believe what they want, the answer means nothing, Freewill is Evil.

The truth is most people know the Torah talked about UFOs, or at least the Torah after the 4th Century still had pictures of them in it, the missing text to go with them is proof it was Altered by the Church, and why most people do not know we have been at war with them for two thousand years now, all because of Money, the Next Step is 30, where I will talk about the coming Ice-Age, and I see UFOs in the future, I believe they will come back to Earth after the start of the Ice-Age, but most will wait till after 2103 to move back permanently.
