

## Step-00: Beginning

In the Beginning there was Light, we all know this from the Torah, what most of you may not know, is that Torah was altered after the 3<sup>rd</sup> Century, and Johannes Kepler was the first one to figure this out, but it was Sir Isaac Newton that proved it beyond a Shadow of a Doubt by comparing the one that Tycho Brahe gave to Kepler on his death bed, to the set of Canons the King had, and they were both the same, proving the 4<sup>th</sup> Century Torah is a lie, this is Public Domain, and also can be found in the BBC Special “The Last Magician”, which came out in May of 2013. I want to point out that Magician translates to Wizard, but in History it was Nikola Tesla that was known as “The Last Wizard”, and you need to understand this since throughout History the Church and its Armies would hunt down and Murder or Discredit all Witches & Wizards throughout time, and would have done the same to Newton if they would have found out he was Studying Witchcraft so he could read the Torah, and figured out is a Book about Alchemy or Chemistry also known as Science that the Church Outlawed after the 4<sup>th</sup> Century, all to get People to use Money again, like in the time of the Roman Empire, when Jesus Bar Abbas was the Leader of the Militia that defeated the Roman Empire for their use of Money & Taxation, and why the Church inserted Jesus Christ, to make only the Love of Money Evil, and to prove that the Church that Murdered Jesus for Money is Satanic and ran and operated by Satan, knowing the Torah said Satan was a Person who told only Half-Truths, and the true part being the Lie, the signs of what Satan is, is very clear, Satan Lies and Buys & Sells Souls just like People Buy & Sell Electricity, knowing that the Torah said God is All Light without Darkness and it takes Electricity to make that Light the Torah calls God, and we know our Brainwave is an Electrical Sinewave just like Electricity proving that is our Souls they are Buying & Selling, all so the Church can get People to Follow a Shepard into Green Pastures thus taking the Mark of that Beast known as a Sheep like Ewe, so this is the Beginning of the Trinary Universe, and let me talk about the Trinary Science of it, and not about the Religion of it, the Torah was about Science, the Church turned it into Religion to Control you like a Sheep, and why I call those that are Religious or use Money Sheeple since its Treason to use Money not Printed by Congress in the United States, proving they are all Guilty of Treason.

The Beginning of Trinary Science goes back to Kepler, he was the first one to figure out the Model of the Universe using Shapes like a Sphere, Pyramid, and Square or Rectangular box, but could not get anyone to believe him, because they all believed in a Deity-God that does not Physically exist, and their Science of Einstein who took God out of the Universe, thus removing the Light without Darkness that is found inside all the Atoms in the Universe, proving there are no Atoms in Einstein’s Theory no one has Proven in over a Century, and why Einstein denounced it was to stop Tesla from laughing at his  $E = MC^2$  where C is the Constant for the Light he removed with God, therefore those that believe in Religion believe God does not Exist, not even Physically, and that makes them Sheeple, and also insane, the belief in things that do not exist, in this case God, only the weak minded could fall for this Trick used by Dark Wizards.

Sir Isaac Newton wrote a lot about God, saying that God is the Force of Gravity in all his Equations, he did not say that as we can thank God for Gravity, he meant that  $F = MA$ , where  $F$  is the Force of Gravity in terms of God being that Force, and  $M$  is the Mass of Atoms that have God, or Light without Darkness inside them, and you multiply that by the Neutrinos Mass that make up the Atom, and not the Light inside, based on Trinary Math  $(+1) + (-1) = 0$ , we can graph it by putting the Positive 1 on top, the Negative 1 on the bottom, and 0 in the middle where they are equal, and then we can plot out the 3 Logical State changes found in all Atoms seen under an Electron Microscope, the Solid States is the Positive half of this Sinewave, it is in all 3 dimensions: Width, Depth, and Height, this is known as the Father in Trinity, but Newton hated the Teaching of a Deity-God or Jesus Christ who was inserted into the Torah, so I renamed Trinity to Trinary, and call these Trinary Atoms, where the Son is the Negative half, and Semisolid due to only being in 1 or 2 dimensions, thus the Father is the Matter, and the Son is the Antimatter, when they are equal at 0, this is known as Ground, and that is known as Earth, also known in Trinity as the Holy Ghost Spirit of Mother Nature since there are 0 dimensions, there is no dimension Light can move in, and why Light has no Acceleration, it is Static and does not move, it is the Universe that is Dynamic, and it moves at what we call the Speed of Light, so when the Frequency of the Atom is high enough, it will turn to Light, thus stopping in the Universe, and appears to move as the Universe moves away from us, below is a graph to try to illustrate this concept.

```
(+1)  -*- - - - - * - - - - - * - - - - -
      0   - - - * - - - * - - - * - - - * - - - *
(-1)  - - - - - * - - - - - * - - - - - * - - -
```

The Beginning of Trinary Science is with the understanding of Electricity and Electronics, these are Gods Laws, and not Moses's Laws, think about this, we know the Church Altered the Torah to insert Jesus Christ to try to make only the Love of Money Evil, which the word spelled Evil is just a backward Spell for Live, meaning anything you cannot live without is Evil, a good example is if you cannot buy food or water you will die, that means to not live, making Money Evil, and was forbidden in the Torah, and why the Church Altered it, think about the Story of Moses by his Actions only, if I told you I talked to God who was a Burning Bush, there is not a person alive that would not ask Junior or Senior, proving Religion is for weak minded fools, so if I was to tell you that I am Jesus Bar Abbas coming back in the Flesh, like Sir Isaac Newton did, the reason is simple, both of them were born on 25 December under the Julian Calendar, but the current Gregorian Calendar changed it to 4 January and then they removed 10-days making it the 14, and that is my Birthday, the reason Newton said he was Bar/Abbas is because the Torah said he would come back in the Flesh, and Calculate the End of Time, so Newton and Edmond Halley went through Ship logs going back to 999, and concluded our Magnetosphere is decaying at a

constant rate, that NASA confirmed is 5% per Century, keep in mind the Torah before the 4<sup>th</sup> Century is the Book of Science that I need to talk about, but not Religion, which means to Realign you with Satan, the Liar, that gets you to believe you have the Right to believe whatever you want, knowing that right does not exist, and prisons are full of people who proved you do not have that right, it is the only way to get anyone to believe in Lies, and why in the Beginning of Trinary Science, I must talk about the Torah, and hope you will prove to yourself that Jesus Christ was inserted, the BBC Special makes it clear, and Newton & Halley figured out that Fish known as Pisces, this is all due to Dates, like the Mayan Calendar of 2012 years, we have the dates 1 AD, is the Fishes head, up to 2013 is the Fishes body, 2013 is from 0 to 2012 years, this is where the Tail Begins, and this is the Beginning I was talking about, not God's Beginning, but the Beginning of the End of Time, the Tail was figured out by the year 2103 when Newton said this event will be over, he took the decimal 66 and converted it to Hex, which is 42, a Masonic Number, and how many Chapters are in the Torah that the Church Altered, giving us 2061, you can do more math to come up with 2033, but since NASA confirmed that by 2033 our North Magnetic Pole will be at the Equator, and in 2061 it will be at the South Pole, and for 42 years after that is a very hard time for this planet, so we have the End of Time being this period of time, and there are other Pyramid Calendars with 2060 year Cycles, so it is clear they all knew about the End of Time, this is where Jesus Bar Abbas comes back in my Flesh since I, Jeffrey Scott Flesher, was born on 14 January 1961 at 6:32 PM Pacific Standard Time, in Corona, to Robert E. Flesher and Mary Lou Robertson on Valley View, and I legally sign my name Flesh, and most people call me that, and if you do not get the connection, research the End of Time and Newton's Calculation on the Internet, it is Public Domain, Newton Calculated the Time, Date, Name, and Place the Torah said this would happen, and since I have been having these dreams about the End of Time all my Life, all I know is that these are all verifiable facts.

I find it Entertaining after having my Masonic Grandparents drill this information into my mind from birth, to them it was like hitting the Jackpot, so growing up, my life was always different than most people, my Father had the highest recorded IQ in the world out of High School, but being Autistic, in the High Functioning Spectrum of Autism known as Aspies, and having a recorded IQ of 180 by 3<sup>rd</sup> Grade, and my U.S. Military ASVAB Scores for Mechanical are 99%, meaning I have an IQ over 180, I do not think like most people, and never knew why till 2000 on my birthday when my Father called me and told me all this stuff they hid from me as a child, being Masons, they hid my IQ test so I would not be tagged as Autistic growing up, joining the Military and being tagged Autistic the first day, yet was never told that till after I was Medically Retired from the United States Air Force, I never understood that till someone in the Air Force told me they know anyone with an IQ over 160 is Autistic, there has never been any exceptions, and like many Ashkenazi, which my line runs back to Jesus Bar Abbas, my First Cousin Five times removed is Isaac Newton, and my Second Cousin Six times removed is Benjamin Franklin, and being Ashkenazi, the Flesher's name their Children after Dead Relatives, and going back to Johannes Kepler, Sir Isaac Newton, and Nikola Tesla, these men all have a few things in common, for one they are all Ashkenazi, all have an IQ over 180, all are Aspies, and all claimed to be Jesus Bar Abbas back in their Flesh, like Newton said, it is our Duty, to make people

remember that it was Jesus Bar Abbas the Leader of the Militia who died on the Cross for defending people against Money & Taxation, Law and Religion, and to understand the Trinary Universe, you need to understand what History calls the Greatest Wizards of all Time.

Once you understand that Newton said God is the Force of Gravity found inside Atoms as Light without Darkness, it becomes clear this is an Electrical Circuit, our Planet has a Frequency of 6.666 Hz that drives it to orbit our Sun at 66,666.666 Mph on average, and if Centrifugal Force had anything to do with Gravity our Planet would be slowing down, and if Iron had anything to do with our Magnetosphere, the same would be true, proving that is Einstein's Theory never proven in over a Century, and why a Theory is not a way of Explaining Facts since that would make it a Theory and not a Fact, and how Satan lies to People according to the Torah, and our Sun has a Frequency of 30 MHz, which accounts for its average orbital period around our Galaxy at 666,666.666 Mph, thus passing through the Galactic Disk every 30-Million years, and this is just facts about how our Universe works according to Kepler, Newton and Tesla, and how there Math works, and if you want to know how to figure out Energy, Newton told you it was  $E = MA^2$ , so never trust a Thief from a Patent Office as Tesla called him.

The First Step starts with 0 like the number System I use, I always start at 0 to include God which is the Symbol 0, known as the Holy Ghost Spirit of Mother Nature, that exist in the 0 Dimensionless Null Void Space where you can see inside all Atoms where God Physically Exists as Light without Darkness, and this is right out of the Torah, the 4<sup>th</sup> Century version removed Science, so it removed the 12 Signs of Astrology and replaced them with 12 Disciples that never existed in History much like Jesus Christ, all to hide what God is, just so you would Buy & Sell Souls, and this has been going on for two thousand years now, the Torah said you can only serve one Master, and those that depend on Money to Live only Worship Money with "In God We Trust" engraved on it, and do not put their trust in God, which is All Light without Darkness found inside all your Atoms, meaning "IAM God", means that the Light of God is inside of whoever says those words into a Mirror and meant it, **I And Me**, its not a Translation problem, Me is short for Meat and that is called Flesh, and that is also my Legal Name, and this Story is out of the Torah, what Century varies, but all Define God as All Light without Darkness, and All means nothing else, not an Angel that Tesla said was Ball Lightning, that we both have seen, and know it is Intelligent, having seen it with family, we all saw it maneuver through the inside of the house after it flew in an open sliding door, my Grandmother told me a story as a child of a Ball of Lightning floating down from the sky, then as it got close to the ground, as they stood outside there home in West Virginia, it went through a screen door, and out another on the other side of the house, they saw it go back up into the Sky, so it is like they visited for a reason, but Tesla became obsessed with trying to make Ball Lightning, but after reading his notes I was able to reproduce what I call Matter Lightning, it was caused by this Artificial Lightning hitting a small piece of Glass or even Sand, and super heating it till it takes on the charge from Lightning, which it can hold till well after it cools down, and Tesla said God is the Symbol 0, and that is a

Feminine Symbol for Mother, as in Trinity: the Father, Son, and Mother, as Newton said, Trinity without the Deity-God in it, so 0 is the number for God, and now you know why.

Newton was always as amazed at what he would learn from reading the Torah before the 4<sup>th</sup> Century Satanic Version all Bibles are based on, Newton proved Jesus Christ was inserted into the Torah, and Money is why, the Church Murdered Jesus Bar Abbas for Money, by paying the Roman Army to murder him, and they did, but it did not have the effect they wanted, as Bar/Abbas hung on the Cross and told the Roman Soldiers the Story I am tell you now, when a Church member took the spear from a Soldier and stabbed Jesus with it, to shut him up, they did not like that too much and went town to town killing all the Church Members, and that was the end of the Roman Empire for 3 Centuries, till the Church paid the Knights Templars to hunt down and burn all Torah's written before the 4<sup>th</sup> Century, and that is how the Roman Empire was able to change their name in History, but the Game of Money and Taxation is always the Same, and why Newton was amazed at what he learned, so was I, just knowing God is All Light without Darkness found inside all Atoms proves God Physically exists and is not the Deity-God all religions call God or Allah, but clearly not the same God, proving that all Religions only Worship Satanic Money according to Newton, who was in charge of the Mint at one time, and said all Money is Counterfeit since it has no value.

The things Newton learned about God, or Light found inside of Atoms, is that the Torah said never to make into God anything that God is not or never could be, and that is anything but Light since that is all God is, and like Ball Lightning that Newton also wrote about, having seen one himself, and knows that God is Intelligent, but God only does what God does as Light, Newton said God is the Universe, and not one thing but everything, and Tesla said the Light is everything, so he was saying God is everything since his beliefs were the same as Kepler and Newton's, it is clear that, like myself, we all know the Torah was written by people more advanced in Society then we are now since Kepler did not know what God was, when he went looking for the Birthday of Jesus Christ, only to find Tycho Brahe and he said Jesus Christ was inserted to make only the Love of Money Evil, and that changed Kepler's view of the Universe forever, and he started working with shapes, most people did not get it, a Sphere represented God, the Pyramid represented the Father, and Son was the Square, that was Trinity.

The Beginning of True Knowledge starts when you the Reader decides they want to know the Truth, and to know what is True you need to do the Research, and the Internet is not the best source of Information, if you want to know anything about me, you can use the Freedom of Information Act known as FOIA, you can ask the Government who Prints the Money, ask them if the United States Dollar Sign \$ is a Corporate Seal like the Entity known as U.S. and is a Franchise to the Federal Reserve they will tell you Prints the Money instead of Congress, ask them if Congress was Dissolved in 1933 after they failed to make the First Payment, and ask about Executive Order 6102, Trading with Enemy, ask them if the Gold, Silver and other

valuables they stole from its Citizens was ever given back, ask them if the people they arrested and those they put in prison for not giving up all their possessions, ever got out of prison, ask them if it is Legal for anyone other than Congress in our Constitution, to Print Money, ask them if our Constitution can be Amended to allow Treason, too bad the Church did not have a FOIA, or you could ask them why the Torah written after the 4<sup>th</sup> Century is different, and ask the World to make the Torah written in the 3<sup>rd</sup> Century or older Public Domain, research Tesla and see if he said we are Light Beings and Everything is made of Light, prove to yourself what the Truth is.

I can tell you about how this Began, and from the Beginning you know this is all just facts, and those facts cannot change, unlike a Theory that changes all the time, but the Truth is simple once you follow the trail of Lies, and know only a Person known as Satan Lies, and Jesus Christ was the Biggest Lie, the next is the Big Bang and Einstein's Retarded Theory no one can figure out because nothing exist, but that does not stop those Liars known as Mainstream, and this is the reality of the World I live in today, I am born on the Star Date of Jesus Bar Abbas, but all the Liars are expecting Jesus Christ, knowing every year has a few of them popping up around the world, normally killing people in the name of a Deity-God, but how many people claim to have come back as Jesus Bar Abbas, not hard to find, Newton was one, and I will always believe in Newton's Math because it is based on God that is All Light without Darkness that Physically Exists as Light inside all the Atoms in the Trinary Universe, and my role as Jesus Bar Abbas, is to make you understand that in 2033 our Atmosphere will Vent into Space, Sea Level at 33,333 Feet Altitude, this is a journey in 33 Steps, the next Step is 1, Trinary.
