

Step-29: Trinary Math

The concept of Trinary Math is based on Trinary representing the 3 Logical State Changes found in all Atoms under an Electron Microscope, so it is based on Trinary Science that proves how these 3 Logical State Changes are viewed Mathematically, using a simple math equation known as Gods Equation also known as $(+1) + (-1) = 0$, which is also a Truth Equation, when you graph this function by putting $(+1)$ on the first line, and 0 on the second line where they are equal, and (-1) on the third line, then fill it in to represent what state the Atom is in, for example using the graph below, we can use the Torah which all Trinary Science is based on, and where this Math Formula came from, can be viewed as Trinity, the Father is the $(+1)$ known as Matter, and is Solid and in all 3 Dimensions of Space: Width, Depth and Height, and the Son is the (-1) known as Antimatter, and is Semisolid, and only in the 1st or 2nd Dimensions of Space, when they are Equal, the Field created by $(+1)$ and (-1) are canceled out and collapse becoming Invisible, or the Holy Ghost Spirit of Mother Nature. Sir Isaac Newton wrote that he Hated the Teaching of Trinity with a Deity-God known as Jesus Christ, knowing true Christianity is the Study of a Star named Christ, also known as the Binary Star Sirius, so I renamed Trinity to Trinary to remove Religion from Science.

```
(+1)  -----*-----*-----  
      0   ---*---*---*---*---*---*  
(-1)  -----*-----*-----*---
```

Trinary Math was once Trinity Math, it is Torah Math, and the Torah was written using Witchcraft, so it was written by Witches for Wizards to record their Alchemy also known as Chemistry or Science, that those in Power or the Powers that Be, did not allow the Study of Science of God, they forbid all their Slaves from knowing what God was, which is All Light without Darkness, and that is found inside all Trinary Atoms and Trinary Engines, so it is what makes the World go Around, so it is the Math of the 3 Logical State Changes in Atoms.

Once you understand that the last two thousand years have been run by Criminals, History called them the Church and their Members, who teach God does not exist, not even Physically, all because if you know that God is All Light without Darkness found inside all our Atoms, the Church could not Lie to you, and they need you to pay them so they do not have to work for a Living, so the Church gets its Members to use Money, the Torah told you Money was not allowed because it is Evil since you cannot live without it, but Satan lies, and so the Church got all its Members to become Liars, and Murder anyone that tries to prove God exists, and why History is about the Church and its Satanic Members Murdering Witches & Wizards throughout time, all to get people to take the Mark of the Beast known as a Sheep like Ewe, just to get you to Worship Satan, which is Money, and why "In God, We Trust" is engraved on it.

To understand Newton's Math in terms of Trinary Math, I will talk about $F = MA$, which is the Formula for the Force of Gravity, where F is the Force of Gravity in Terms of God, and God is All Light without Darkness found inside all the Atoms, and M is the Mass of those Atoms with God inside them, and we times that by the Acceleration of the Atoms Neutrinos and not its Light, since Light only exist in the 0 Dimension of Space that has no Dimensions for Light to move in, the only reason we can see Light is because of Dimensions, or more to the Point, the Darkness in that Light, which is the Rainbow of Colors found in White Light, and this is because in the Positive and Negative half of the sinewave, we can see the Neutrinos of the Atom, the Positive half is in 3 Dimensions: Width, Depth, and Height, in the Negative half it is only in the 1st or 2nd Dimension, this is a Semisolid State, but when in the 0 Dimension, all Space is collapsed, and you can see what is inside the Electron, and its Frequency determines its Color.

Gravity is the Electromagnetic Flux we call our Magnetosphere, it flows through us like a wireless battery charger, it is our Energy, our power comes from its Electromagnetic Field, all the lines of Flux are at 90-degree angles to the Earth, our Atmosphere is what sets the rate of Terminal Velocity, which is the fastest anything can move through the viscosity of the gases that make up our Atmosphere, our Planet is one huge Electromagnetic ball, this is due to our Trinary Engine, that works the same as the Sun, or Galaxy, it generates an Electromagnetic field, that causes our Planet to act like a Magnet and attract objects to it, much like our Sun.

If you take two grains of Rice into low orbit, about 66 miles above Earth's surface, you will have less Gravity, because you are farther away from Earth, once you go 666 miles above the Earth's surface, you will be outside our Magnetosphere, and subject to getting hit by Micrometeorites, and bombarded in Cosmic Radiation that Humans cannot Survive, but inside this space, we call the Van Allen Belt, we notice that two grains of Rice will be attracted to each other, while on earth they have the same attraction, but due to more Gravity, they will not move towards each other, and that is because on Earth our Magnetic Flux has more power to hold all objects in place against the surface of Earth, while in space we notice that there is a North and South end of the Rice, and its body will align with the Magnetic Flux.

The larger the Mass and the faster it is moving, the more force it can produce, and our Sun does not use Centrifugal Force to move, that was a Theory never proven in over a century, Einstein's Retarded Science for Retarded Sheep, the Universe moves at the Speed of Light, but since Light is Static, it never moves, so when an Electron has a high enough frequency to turn to Light, it will stop moving in the Universe, and stay in that one spot, so as the Dynamic Universe (not to be confused with Einstein's Dynamic Universe that has no Light in it), unfolds, as the Universe moves it makes the Light appear to move, but it never does, and it does not move in a Straight line away from us since we are orbiting our Galaxy, making the arc of the Light about 16 Billion Light years, and why it appears to be a straight line.

As an Atom moves through the Universe, it cannot move till it is in the 0 Dimension, or it would burn up due to friction since the Universe is moving at what we call the Speed of Light, but we all know Light has no Acceleration, therefore, is static, proving it is the Universe that is moving, the larger the Mass of Atoms, the more Friction it generates, and thus can move at a faster speed than smaller Masses, so our Sun is being dragged around our Galaxy, just like our Planet is being dragged around our Sun, and our Moon around our Planet, this causes the Mass of Atoms to take on a Frequency, which determines its speed, by its wavelength.

The Torah said that we should never make into God anything God cannot be and since God is All Light without Darkness, God can only be that Light found inside Atoms, as well as all the Light without Darkness not inside Atoms, and it is a Given that God has intelligence beyond any we know of since God created Atoms by attracting Neutrino Particles to it, and then attracting all the Atoms to create an Object like Life, and everything we see and cannot see, everything is Light, so everything is God, and the Math of God is Simple, $(+1) + (-1) = 0$, and you know that is Truth, and proof God is something anyone can understand, even retarded Sheep, proving God is easy to understand, we know all the Math used in Electronics, and God knows them also and used them to create this Universe.

God must obey the Laws of God, and Gods Laws are those that apply to Electricity and Electronics, and the Nature of Light and Darkness, so the Math of God is understood by many, and therefore God is known to them, and they know how God created the Universe since God had to use the same Laws we do when it comes to Electricity and Electronics, everything we can make, so can God since God made you and you made it, it was God who made it all the time.

In Trinary Math God is the number 0, which means Ground and is known as Earth, and so God is Mother Nature and not the Father nor the Son, God takes the Symbol of a Female known as the Number 0, the Father and Son are both 1, the Father is the Positive 1 and the Son is the Negative 1, and why God's Equation only has 0 and 1's in it: $(+1) + (-1) = 0$, and Trinity or Trinary describes Trinary Math in terms of God.

Trinary Math has many Functions, the God Function is $(+1) + (-1) = 0$, this is the Truth about the Universe according to the Torah, proving it is about Science and not Religion that used it to make you take the Mark of the Beast known as Money, you believe God can provide for you or believe only Money can, you can only Serve one Master, so do you want to Serve the one that only Lies to you about Everything, is a question few should need to think about, yet they all Serve Satan, proving how Satanic they are, they do not even know the Power of God in terms of Math and Science, God is Trinary Math and Trinary Science as well as the Trinary Universe, and the Trinary Math of the God Function proves God is Real, and Physically exists as Light.

Math and Science based on Einstein is very shallow, no Light without Darkness means no Atoms, so there is nothing in Einstein's Universe, and everyone knows this is only Common Sense, proving Satanic Sheep have none, so why listen to Satan Lie to you, why allow Satan to exist in your Society is easy to Answer, Religion, known as Satanism.

I have told you that the way Satan lies is very predictable, Satan only has one Goal, and that is to Control you, to make you do their Bidding, they conquered you, and now they are Subjecting you to Control in many Forms, and Religion is the easiest since it works on the weak minded, and it is normal to be weak minded, you call it a normal IQ of 70, where 50 is Retarded, every year they have to lower the Standards just so retarded is not Normal, so all Satan has to do is convince you of one Lie, and that is that you have a Right to Believe what you want, if you do not believe it, Satan cannot Trick you into taking the Mark of the Beast, so Satan is easy to Spot, Satan only knows this one Lie, because if you can believe Lies, Satan owns your Soul, and that is not Religion, it is the Science of God, so let me show you a good example of how this Lie works, you tell Satan that $(+1) + (-1) = 0$, and they tell you that it does not, and that is a Lie, and you have the Right to believe what you want, so you cannot tell me that $(+1) + (-1) = 0$ when I believe it is a Lie and have that Right to believe that is a Lie, and all because they believe they have the Right to believe whatever they want, so next time someone tells you that, you know they are Satan, and you know they only know and tell Lies, and what Satan means, a Liar, and only a Liar would need to make you believe you have the right to believe what you want if it is a Lie, you believe you have the Right to believe in Lies, and that is what the Torah told you was Satan, proving that the Right to believe what you want is Satanic, and only Satan would allow it, because believing in a Lie means you are Insane, meaning the Belief in things not True.

In Trinary Math, you only believe in things that are True and you can prove that are true, so $(+1) + (-1) = 0$ is Truth, and those that believe they have a Right to Believe what they want, will tell you that $(+1) + (-1) = 1$, and they will force that belief on everyone, and now Math does not work, nor is there any Logic in the meaning of Life, all because Satan Demands you believe you have a Right to Believe what you want, "Reality Check", in Math you have no Right to believe what you want, and we all know this, so why allow Satan any Rights, is a question we all know the answer to, only Satan believes in Rights, Law, and Money, and why Satan Demands you believe you have a Right to Believe what you want, knowing there is no Such Right, and only Satan would demand they have any Rights, knowing they Sold their Constitution for Money, they have no Rights under it, all because of Satan, and that is the Church, Federal Reserve, Governments, Police Pigs who enforce Treason, and the Military who took an Oath they never had any intentions of keeping proving they are all Satanic.

All Math must work, there is no believing you have a Right to believe it works, yet push it as Working, and $E = MC^2$ is a good example, Einstein removed God thus all Light without Darkness from all his Alternate Universes in all his Alternate Realities, so the C that is the

Constant for the Light Einstein removed by removing God, does not work, yet Satanic Sheep want you to believe it does, because they believe they have the Right to believe what they want, and that is what they want you to Believe, which is a Lie and why Satan just means Liar, it is not another form of Life, it is a Person who Lies about things to hide the Truth about them, so we know who pushes Lies about Einstein's Math that is just retarded, and all for Money.

Math that does not add up means it is Satanic, as proof $E = MC^2$, where C does not exist in this Alternate Universe in this Alternate Reality, proving that People who Believe they have a Right to Believe what they want thus Pushing that Satanic Belief off on you, making you Satanic for believing anyone has any Rights, knowing this is all Treason, proves the United States is just a Prison for Stupid Satanic Sheep who push their Rights on you and want you to believe it is Legal, knowing it is not Legal and the only way they got away with it, was by convincing all of you that you all have the Right to believe what you want, knowing that is the only way Lies are allowed to Exist, proves only Liars would believe such a Lie.

Science and Math must be Absolute, proving you do not have the Right to believe what you want, and never will, and why Satan can never budge on this belief in Rights, Math must have only one Answer, and that is not possible if People have Rights since their Right takes all yours away from you, and how Satan took over the World with all this Treason.

Satan will read this series and tell no one, in hope no one will read it, then they will say they debunked it, they have no proof nor need any since you all have the Right to believe what you want, you write a very bad review so others will not read it, because you all have the Right to believe what you want, and since you use Money and do not want to admit to being guilty of Treason, you will just go along with all the Treason, because like Children, you watch others jump off the Cliff and you all have the Right to believe what you want, so you jump off after them, and soon everyone is jumping off the same cliff, and all because Satanic People want to stay that way, and do not want anyone telling them they have no Rights, and why Satan Demands Laws and you know all Laws that Allow Treason are just Treasonous Laws, and you do not have to follow those Treasonous Laws unless you are willing to Commit Treason, because if you follow Treasonous Laws you are just as Guilty as those Enforcing them, which you know are Police Pigs that just make Money off of all of you, and all because you all have the Right to believe what you want, and that includes Treason, and why all of you will be Executed for that Treason, proving the Reason for Treason is because you believe you all have the Right to believe what you want, knowing how Stupid that sounds, you know only Liars believe that.

The Lessor of two Evils is still Evil, no Law can make Treason Legal, proving none of them are Legal, proving the Police Pigs know they are Enforcing Treason, and everyone working for Money knows this is Treason, and know they are Cowards just like their Military.

Trinary Math always adds up, it demands you only know what you can prove and believe in nothing since it is all a lie, and how Satan took over your Math and told you that $E = MC^2$, where C does not exist in this Alternate Universe in this Alternate Reality, and you wonder why anyone believes we live in an Alternate Universe in an Alternate Reality, that is just insane, and only the insane would believe it, proving all Theoretical Math and Theoretical Science is based on Satanism.

Once you know the Truth, tell everyone you know to tell everyone they know, and when someone tells you they have the Right to believe what they want, you know for a Fact, you are talking to Satan, and you know the Torah told you Satan will never change, and why they believe you all have the Right to believe what you want and have to demand everyone believe that is the truth, knowing only Liars would even say something as stupid as that, and a Liar is Satan.

Knowing that I proved all your Math and Science is just Lies, none of it is the Truth, nothing but Lies, proving your World is nothing but a Lie, because everyone in it is nothing but Liars, and the Torah told you only Satan Lies, and only bad people commit Treason for no Reason, other than to use Money they know is Treason, all because of Blackmailers with their Finger on the Button of Bombs.

The Torah was about Truth, the Church and all its Members are about Lies, I have proven they take the Mark of the Beast known as a Sheep like Ewe, proving they are Satanic and know it, they have to tell everyone their Deity-God is God, so they will believe the two are the same, knowing only God Exists, they will lie to you to get you to use Money, that is their only Game, they Lie to get Money, they Murder to get Money, they commit Crime to get Money, and why the Torah forbid it, but the Church Altered the Torah and got everyone to believe it was not written till after the 4th Century, all to get its Members to serve Satanic Money that is used to Pay their Armies to murder all the Witches & Wizards throughout History that told the truth, so that Money would be the New God also known as Satan, and even though all of those People know that Money is Treason to their Constitution, they Lie about it being Amended to allow Treason, and want all of you to believe Law is Legal, knowing it allows Treason, proves this entire Prison Planet is nothing but Satanic Sheep who all know they took the Mark of the Beast known as a Sheep like Ewe, and that only Satan will do that to People, proving the Church is Satan, and why only Satanic Sheep would allow Satan to Rule by Fear of Nuclear or God Bombs, proving this is all Blackmail, and we know that is Crime, just like we know Treason is the Worst of All Crimes, and we know who is behind it, Religious Sheep, and all of those who use that Money, that is used to Support Rape, Murder, Pillage and Plunder in the name of their Deity-God, who goes by many names, such as: Money, Satan, Devil, Sheep, Religious, Religion, Banks, Lawyers, Law, Police, Military, and all for Money, the true face of Satan. There is only one person on this planet that is even capable of telling the truth and that is me and IAM the Light Wizzard in the Flesh.
