

Step-22: Torah

The Torah is a set of books called Canons, if you compare the Torah written after the 4th Century, you will notice it has many changes, from the insertion of Jesus Christ to make Jesus Bar Abbas out to be the Bad Man just to make only the Love of Money Evil, to the removal of Page Border Art, and removal of all Science, the two versions are not the same, those that claim it started in the 4th Century knowing some of the Canons are thousands of years old proves the Church that Murdered Jesus Bar Abbas for Money, had Altered the Torah just to get paid to Alter Boys proving the entire Organization is a Satanic Cult.

The Torah before the 4th Century is a book of Alchemy written using Witchcraft, after the 4th Century it is a Book of Sin about a Satanic Cult that teaches its Members how to worship Satan in the name of their Deity-God, the term Deity means Satanic Money, the concept is that you believe in things that do not Physically Exist, this concept is also known as Insanity, the belief in things that do not exist, once they make you Insane, they can teach you Money is Good, and preach all about Money never talking about anything else except Money the Deity-God, as they pass the Money Tray for Money Pray, proving the Deity-God is about Money and Insanity, and to prove insanity they get Religious People to take the Mark of the Beast known as a Sheep like Ewe, as proof everyone knows they are Sheep following a Gay Pedophile Green Pasture, and are just part of a Flock of Sheep known as Beast, proving the Church and Religion know they take the Mark of the Beast and Serve Satan also known as a Deity-God also known as Treasonous Money, that is punishable by Death, all to teach you that God is Not Light, just so they can get you to Buy & Sell Souls, proving that you are Satan, then they Sacrifice all of you to Die at the End of Time as they Hide in their Underground Cities, all because they believe in Money, and the God that is All Light without Darkness does not allow Money, so they had to Invent Jesus Christ to get People to become Sheep so they could use Treasonous Money, so they can Legally Execute every single one of you at the End of Time, by not warning you of the event, and allowing you to die on the Surface, proving not warning you is the same as lying about it.

The Torah was written in a time when all humans lived in underground cities miles below the Great Pyramids, they would break down Seawater into Hydrogen & Oxygen that they would use to make Pure Water and Electricity at the same time and had other uses for the gases. The Canons were about Alchemy or what we call Chemistry or Science and had books about how the Universe works and called Electricity God, and they did not worship that God, the 3 Tribes known as the Ash, Ke and Nazi, where Ash is White, and Nazi is Black, and the Ke is in between in shades of Grey, and it was forbidden to mix the Races, they said it leads to Insanity, but a person named Adam decided he did not care and married a woman from the Tribe of Ke named Mary, and another woman named Eve from the Tribe of Nazi, and were banished to the Surface with others that had sinned.

Adam & Eves son Cain grow up jealous of his half-brother Able, and murdered him, when those living in the community found out, they banished Cain from what they called Paradise, which was the Great Pyramids with its Pure Water, Adam escorted Cain to the city border and told him never to come back, but that night he came back and with the help of his Mother Eve, kidnaped Adams Daughters and fled into the night, only to raise an Army that came back and tried to destroy Paradise, but was defeated and retreated vowing to come back one day.

The Torah said Noah warned everyone that the Asteroid or Comet was near, so to gather as many Animals they could find, and move them to the Cities under the Ark that sat at the top of the Great Pyramid, but most people that were descendants of Cain used Money, and those living in Paradise or the City below the Great Pyramids, did not allow Money, but Cains Descendants did not care they wanted Sanctuary when they saw an Asteroid or Comet in the Sky knowing the Torah warned you about them, but Noah would not allow their Evil Kind to exist in Paradise, and told them they would have to change their Evil ways, but they refused, and went to War, the Pyramid was sealed from the inside preventing those outside from getting in, so Cains Descendants Stole the Ark that set on top of the Pyramid used to deflect Asteroids and Comets, and when they could not deflect this one using the Ark, they had no way to stop it from impacting Earth, as a result a lot of life on the Planet perished when it landed in the Ocean causing massive waves that Flooded the Earth, and the Ark was now gone, and would be used as a Weapon to destroy Sodom & Gomorrah, and Jericho, and was said to be located in some underground city.

The Torah then tells of the Story of when Moses was born, and the Father wanted the Baby to be put to death saying it was Evil after killing his Wife during Child Birth, and Cast the child into a nearby river, where the Cursed Child was found and raised as their own, but this child grew up in Paradise, getting everything he ever wanted, but knew he was different from the others, his skin color was darker than everyone living in Paradise, and made him stand out, people would Flock to him, and listen to his Stories of Money & Laws, that would be used to build an Empire, and talked them into Rape, Pillage and Plunder, and they Melted the Gold Technology that turned Sea Water into Pure Water, to make Money, and they destroyed the Tunnels leading to the Underground Cities, and has been at War with them ever since, and after that time the Torah was being rewritten, by many different people throughout time, the Government had Armies that would murder anyone caught studying or even talking about what we call Science, everyone was forced to use money and pay taxes, but some versions of the Torah survived both the wrath of Cain, and the wrath of Moses, to find its way to a man named Jesus Bar Abbas, who was a Carpenter before the Roman Empire made its way to his City, they told everyone in that City that they were to use Money and Pay Taxes, when they returned they murdered everyone there that did not pay taxes, including Jesus's Father, the towns people said they would do as the Roman Empire had demanded from that time on, but Jesus called them Cowards for doing so.

After the Roman Army had left, Jesus created the first Militia, becoming its Leader, and they went town to town Executing all the Roman Soldiers and Tax Collectors known as the Church, they had their own Army, and Jesus would execute the Churches Army, until one day they caught Jesus and put him on a Cross to die as the Roman Soldiers looked on, Jesus told them His-Story, the one I am telling you now when one of the Church members took a Spear and Stabbed Jesus in the chest with it, and the Roman Soldiers understood they were being used by Money to Murder, so they started Executing everyone in the Church, and spread the news about Jesus to every part of Rome, Bringing an End to the Roman Empire, and an end to the use of Money for over 3 Centuries when during the 4th Century the Knights Templar came into power with a huge Army of Paid Assassins and rewrote the Torah.

History was written by those that Conquered and why it is all Lies, those that murder for Money are Satanic, yet the Satanic Version of the Torah written after the 3rd Century, made people take the Mark of the Beast known as a Sheep like Ewe, to murder by sending to Hell, all that did not believe that God did not Physically Exist, forcing their Satanic Belief in a Deity-God, and using Satanic Script known as Money & Taxation, those Living in the United States, are all Satanic Followers of Satan and Worship Money with "In God We Trust" engraved on it, proving Money is God to those Satanic Fools, who committed Treason against their own Constitution, thus taking the Mark of the Beast known as a Sheep like Ewe, now they Pretend it was Amended to Allow Treason, knowing Treason is punishable by Death, yet some of Ewe do not believe Money is Evil, and only the Love of it is Evil, speaking with a Forked Tongue and doing the bidding of Satan, who only wants all of you to die on the Surface of the Planet at the End of Time, and why they are not telling you that the Atmosphere will vent causing an instant Ice-Age.

To understand Satan, you need to understand what the Torah said Satan was, which is a Person that is a Liar, the Church made them Angels, just like they did their Deity-God, dropping the Word Spelled Deity to make you believe the two are the same, that is called a Half-Truth, the half that is not true is called a Lie, and only Satan Lies, and then Lies about Lying, Satan only Knows Lies, and only Teaches Lies, and can never stop being a Liar, proving the Governments, its Employees, and all its Citizens are Satanic, which Satanic means People who tell Lies that can get you killed, and why Satan is Evil or backwards from Live, Witchcraft and why the Church had its Satanic Sheep murder Witches & Wizards throughout time, and why I offend these openly Gay Pedophile Green Pastures is because they offend me, I see them for what they are, Satanic Liars who pay people to murder anyone that does not agree with them, like Jesus Bar Abbas, just to get Paid to Alter Boys, proving the Parents are Satanic, and offer their Children to Santa, who uses a Clause to Buy their Souls for Treasonous Money used to murder anyone that disagrees with them, raising nothing but a Satanic Society of People who took the Mark of the Beast by using Money or being Religious, and why they worship Einstein's denounced Theory never proven in over a Century, just because it is about an Alternate Universe in an Alternate Reality and none of them have God or Light in them, they have nothing in them, but people that believe Einstein's Theories have nothing in their Head, all so you would not know God was

Electricity just to get you to Buy & Sell Souls, and take the Mark of the Beast proving you are Satan's Followers, who are not told that the Sky is Falling and the End of Time is in Progress, just to make Sacrifices out of your Souls sending all of you to Hell with Satan, all because those in power did not want to work, and count Money all day, like most people count Sheep, those that took the Mark of that Beast believe they are Sheep and prove it by being less intelligent than one, and everyone will lie about this proving they are Satan, the Liar.

The Greatest set of books ever written was the Torah before the 4th Century, after that is was only a Satanic Book of Sin, used to Lie to People to convert them into Sheep, by explaining to them that God or Jesus Christ, depending on if you are a Jew or Christian, or Allah for Muslim meaning the God, but all God's based on the 4th Century Lie, so all Lies to get everyone to Worship Satan in their own Way, in Science we call these Theories, and get stupid People to believe a Theory is a way of Explaining a Fact, because they do not have enough intelligence to figure out that would make it a Theory and not a Fact, that is how Satan Tricks People, and why Satan is known as the Dark Wizard, or Dark Magician, because Satan Fools you into believing you believe in God by believing God does not Physically Exist, instead this Deity-God exist as Spirits known as Angels, who Tesla called Ball Lightning, not to be confused with Matter Lightning, meaning when Lightning hits a solid silicon material it can get super charged and burn, these might look like Ball Lightning at a distance, but their color gives them away, Tesla said real Ball Lightning has signs of Intelligence, having seen one fly in our house as a teenager, everyone saw it fly around objects then it went down a hallway and was grounded out, they have colors that range from yellow, red, to blue, green, with arms that looked like a Plasma Ball, and I have found proof that if they were to touch a woman at her right time of the Month, she could get pregnant from that Spark, since that is how her eggs are fertilized, explaining the Nephilim, and the Torah knew all this, but the Church wanted to get Paid to Alter Boys, so they had the Knight Templars burn all Torah's written before the 4th Century, and why they are so rare, and they burned the Witches & Wizards they found with them, to death with that fire, that normally included their house, all to drive fear into anyone's heart making them cowards to the Church and their Army of Sheep, that all want to get paid by Satan to do his bidding, which includes destroying this Planet and looting it before going underground to their Cities of Sin, knowing the Torah said Satan would get all his Followers to dig their own Graves, I would say the Torah knew this would happen, and why Jesus came back in my Flesh.

I have nothing good to say about the Church that Murdered or Discredited Witches & Wizards throughout time, just to get paid to Alter Boys, and the Governments go along with it because they are all Religious and do the bidding of Satan for the Church, whom the Federal Reserve is as an Organization is Organized Crime, they funded both sides of the Civil War they Started, all because the Constitution said all Men are Created Equal, proving Slavery based on the persons skin color is not allowed by the Constitution, but the South did not care about that Constitution and started allowing the Federal Reserve to Print Money so they could Pay People to go to War so that the Federal Reserve could take over and Print Money, and the North lost because they had

implanted a Treasonous Trader named Abraham Lincoln, who took out a Loan using the Constitution as Collateral and every Citizen in it, to service that Loan for the rest of their lives, all so the South could have Slavery and get away with it using Religion, Laws and Money.

The way I look at the Torah after the 4th Century is simple, it defines God is All Light without Darkness, like all the Bibles ever written, so everyone knows beyond a shadow of a doubt that God Physically Exists as Light found inside all the Atoms in the Universe, and how God created it, and not the Big Bang, which is the sound of a gun going off with someone pointing the end of it into their ear, so they could hear that Big Bang Theory. There is no denying that God is inside Atoms, and once you understand that, you know for a fact the Church and all its Satanic Members are nothing but Treasonous Traders, who lie about Science trying to get everyone to believe God does not exist, and why all Religions Bar/none, believe does not Physically exist, some people believe in Angels, but none believe God is All Light without Darkness found inside all the Atoms in the Universe, they all believe in Einstein, all so Satan can get Satanic Followers or those that Buy & Sell Souls known as Light made of Electricity, so everyone has a choice as to what God they want to Worship, the Deity-God, or God in the Torah that is All Light without Darkness found inside our Atoms, and that Electricity can be seen on an Oscilloscope, proving everyone knows this is the Truth, but are just Satanic Liars that cannot admit to Treason, and taking the Mark of the Beast known as a Sheep like Ewe, just like the Torah said.

People that are just hearing all this for the first time will have a hard time assimilating it, they were raised to be Satanic, meaning they Lie about their Reality, Einstein called this an Alternate Universe in an Alternate Reality, where God does not Exist, Religion is about Teaching People to become Sheep, by following an Out of the Closet Gay Pedophile Green Pasture, who only want to get paid to Alter Boys like they Altered the Torah to serve Satan, by making People take the Mark of the Beast known as a Sheep like Ewe, just to make you believe you did not have a Soul, and that if you did, it would not be Light, and why Einstein Removed the Light, like his Lover Plank who just ignored the Light, because they knew it was God, teaching God did not exist, proving to be Satan's Teachers of False Science designed to teach you that our Soul is not Light made from Electricity, just to get you to Buy & Sells Souls, just-so they can get you to Finance and build their Underground Cities that Satan told them they would be Safe in, knowing the UFO's seen in drawings in the Torah, are from underground Civilization that have been seen leaving Earth, because they not only know the Science of God in the Torah, but wrote it, and you would know this if they told you why they build Nuclear Bombs you now know are God bombs the Torah talked about, so if you can wrap your mind around all this information you know the Torah has been telling you the Truth, but Satanic People known as Sheeple, Lie for Satan, just so they can use Satanic-Script known as Treasonous Money, I can see how that might be a lot to take in at first, so, just kick back and Assimilate all of this because resistance is futile once you know the truth.

I view the Torah differently than most, and why is simple, I was born into an Ashkenazi Masonic Family that knew about the Torah written before the 4th Century, so they knew the truth, and force fed it to me, saying I was born at the exact date and time the Torah said Jesus would come back as the Flesh, so maybe you can understand why I took the Torah seriously, what if it is true is a question that I cannot deny, and why this has been my path my whole life, and being an Aspie with an IQ over 180 made that life difficult, I have Obsessive Compulsive Disorder or OCD, Anxiety, Major Depression, Post Traumatic Stress Disorder or PTSD, I have Advanced Deteriorating Joint Disease and Temporomandibular Joint Disorder, as a result, and I have Basal & Squamous Carcinoma Cell Cluster Cancer, and after having my Descending Colon removed after being injured in the Military, and having my Gallbladder removed after Police Pigs arrested me for having a PTSD attack in my own home, just to make Money, proving they are nothing but Satanic Treasonous Pigs that deserve no respect for being Criminals enforcing Treason on a Nation of We the Sheeple, and they know they are guilty of Treason, and why they have a Paid Military should the Sheep decide to Protest, that always lead to Riots, and why I tell stupid Sheep not to go there, but will they listen to me knowing Me is just Short for Meat and that is called Flesh, and what Jesus said he would come back as, but Flesh is also my Legal name, and I am the only one talking about the Torah at the End of Time, so if you were waiting on Jesus to come back, Jesus Christ is a Deity-God that does not exist in History, so only Jesus Bar Abbas the Leader of the Militia could come back, and I am a member of that same Militia, if I am the Leader is another Story, and my wife and I, are Medically Retired United States Air Force, so I understand the Military, the Governments, and the Federal Reserve, and I know for a Fact that they are fine not telling anyone about the Sky Falling or the End of Time, all because they will never admit to Treason, and personally I do not care, I do not want to change the World, I just want to add Trinary Sanctuary to it, because the Torah told me to do just that, and me, being Meat called Flesh, and also my Legal name, my full name is Jeffrey Scott Flesher, and I have Resurrected Jesus Bar Abbas from the Torah, because IAM the Light Wizzard in the Flesh.
