

Step-26: Witches & Wizards

The History of Witches & Wizards can be traced back to every Murder the Satanic Church and its Satanic Members have committed throughout Time, and every Religious Person on this Planet at this time are all Supporters of those Murders, proving they are nothing but Murdering Satanic Liars, they openly Worship Satan by calling Satan a Deity-God known as Angels that do not Physically Exist, and Satanic Followers believe only in the Science Fiction of Einstein because he removed God or Light, from all his Alternate Universes in an Alternate Reality, because Satan has to Teach his Satanic Children that they do not have a Soul, and if they did it is not Light, and all so they could Buy & Sell that Light, knowing it takes Electricity to make Light, and they Buy & Sell Electricity by the Kilowatt, proving they all know they are Buying & Selling Souls, proving they are Satanic with their hidden Santa Clause known as Saints, meaning they have way too many ways to Spell Satan, those that murdered my kind to become Satanic and commit Treason, and believe it is all Legal, because they have Police Pigs that Enforce Treason, and Military Dogs to build Nuclear Bombs known as God Bombs, so their Masters the Federal Reserve can keep their Finger on the button ensuring all their Sheep follow orders, so this is about a History of People taking the Mark of the Beast known as a Sheep like Ewe, who Murdered or Discredited all the Witches & Wizards throughout time, trying to make it Legal.

A Witch is a Person that can read and write using Witchcraft, which is the Art of using Words and Spells that have more than one Meaning, and knowing which word is the right meaning is how the Church Lies to People to get them to take the Mark of the Beast known as a Sheep like Ewe, and for those of you that did not know a Sheep is a Beast, you prove your IQ is 26, and why you did not make the connection, but Witches tell you Religious Sheep this and they Murder them, so that no one else would know they know they are Worshiping Satan in the name of their Deity-God, who they call God, dropping the Deity parts since everyone knows their Deity-God does not Physically Exist, proving it is not the God in the Torah that is All Light without Darkness that Physically Exists as the Light inside all Atoms, proving that is how God created the Universe, but that is not what Religion Teaches, which is Money is what makes the World go around, and Iron in the Earth makes the Magnetosphere using Centrifugal Force to make Gravity, do you have any understanding about how Stupid that sounds, you have to have an IQ way below Retarded to believe that since NASA did a study of our Magnetosphere for over a Century and proved Sir Isaac Newton was right about a Constant Decay Rate, and said it is 5% a year, and the Earth shows no signs of slowing down, proving that God is the Force of Gravity in all Kepler, Newton, Tesla, and my Math Equations, as proof $F = MA$ where F is the Force of God in terms of Gravity, and M is the Mass of Atoms made of Neutrinos and Light without Darkness inside them, times A which is the Acceleration of the Neutrinos in that Mass since the Light inside them has no acceleration, so it is static, and does not move with the Atoms Neutrinos, the Neutrinos only move when the State of the Atom is Invisible, meaning it is in the 0 Dimension known as the Holy Ghost Spirit of Mother Nature, where no Dimensions exist for Light to move in, and how Atoms can move without burning up since the Universe is moving at what People call the Speed of Light, it is Dynamic, not to be confused with the Dynamic

Universe of Einstein where God or Light without Darkness does not exist, and why Religious Sheep or those not believing God or Light exist, believe in the Science known as Insanity, $E = MC^2$ is insane, only Sheep with an IQ of Retarded could believe it since we all know Einstein removed God or Light that C is the Constant for, so he is squaring something that does not exist in his Alternate Universe in an Alternate Reality, and the Reason he Denounce it in Favor of using Newtons God as Gravity, was to get Tesla from Laughing at this Paradox in his Theory, and why after over a Century no one has proven it, all he Proved was they are Retarded, and why Satanic People, Satan means a Liar, so Satanic means the Belief in only Lies, and why they Murdered or Discredited Witches throughout History for telling this Reality of God who is All Light without Darkness, but Satanic Sheep will never listen.

Wizards are people who study Alchemy known as Chemistry or Science, and at some point in time those who put themselves in Power made that illegal, and would murder anyone caught, and that is when Witchcraft came into being, so they could write about Science without anyone knowing what it was unless they knew how to read Witchcraft, but once the Church learned Witchcraft, they murdered all the Witches & Wizards throughout History, and rewrote the Torah, discrediting all Witches & Wizards ever since, and why most people think they are a Joke, but the Joke is on them, they took the Mark of the Beast known as a Sheep like Ewe, to make Witches & Wizards into Fairy Tales, so you would take the Mark and use Satanic Script known as Money, that is used to Buy & Sell Souls, and why those Satanic Sheep lie about Witches & Wizards, and will never allow their Kind to exist all so they can Control People like Sheeple.

A Wizard is a person with an extremely high IQ, and that always means Autistic, and why most normal People do not like them, most people hate them so much they are working on Vaccines to Murder all of us, just so their kind known as Satanic Sheep, will never have anyone to tell them the Truth, so they can better Serve Satan, by being able to have no resistance to their Satanic Teaching of a Deity-God known as Money, the Root of All that is Evil, and no one is more Evil than Doctors who do not believe in the God that is All Light without Darkness, all of them only Serve Satan, and are known to have murdered more people than all Wars combined, all to Buy & Sell Souls proving they are what the Torah called Satan.

If you use Money your brain is already gone, because those Doctors have been Poisoning your Body with Vaccines that make you Stupid, they are part of a Satanic System that wants you to use Treasonous Money so they can Legally Execute all of you, and if you have any Intelligence you would understand this, but you are nothing but brain dead zombies, why worship Money with "In God We Trust" engraved on it, you believe God does not exist, not even physically existing, proving no one on this Planet believes in God, they only believe in Money, and only Trust in Money because Money is God, why else engrave God on Money unless you Worship it.

Satanic people are all that exist at this point in time, not one of them believe God exist in Gods True form, which is Light without Darkness, and that Physically Exist as Light inside all the Atoms, proving Religion is not about God, it is about Money, knowing Religion Demands you Murder by Sending to Hell all those that do not believe God does not Exist, having to write Physically to existence is stupid, anything that does not Physically Exist does not Exist, so Religious Sheep believe God does not exist, and they know it, I just proved it, they take the Mark of the Beast knowing only Satan can do that to People by getting them to use Money, it is all about Money, and everyone wants to be the Bank in this Game called Monopoly on your Life.

History is written by those who Conquered you, making them your Enemy, and you are just their Subjects known as Slaves, who work for Money that does not even Exist, most of it is Counterfeit, if you have no idea how to know what is real and what is fake is easy, only Congress can Print Money, so any Money printed by the Federal Reserve is Treason, those who tell you that our Constitution was Amended to Allow Treason are guilty of that Treason, and part of the Coverup, and only people who are Retarded, meaning a very Low IQ, would believe Treason can ever be made to be Legal, so they are just Satanic, meaning Liars, and that is all your Enemy is, and only Slaves do not see the Governments and Police Pigs who Enforce Treason as not their Enemy, my Oath to the Constitution makes all of you who use Money my Enemy, not only mine but Gods Enemy since you have to believe God does not exist in order to use Treasonous Money and what Witches & Wizards have been saying for Thousands of Years now, and People are proof by using Money they have no Soul, and why God will wipe this Planet clean, and all Life on it will die, those who committed all this Treason and used your Money to build their Underground Cities, and did not tell you they are only for the Rich & Famous Satanic Sheeple who lied for a Living, just to get all of you to Commit Treason, Hollywood is the Treasonous Traders to our Constitution and all because they are Jews & Muslims, who only believe you are their Slaves who took the Mark of the Beast known as Sheep like Ewe, and you know who they are, they use Treasonous Satanic Money.

Once Satan taught you that Gravity was caused by Centrifugal Force, your Soul was Sold for that Lie, and your Credibility as a Human is gone, you sold your Race out for Lies you know is not the truth, and all to Deny God is the Force of Gravity, proving you tell these Lies to get People to believe God does not Exist since that is where that Theory came from, a Satanic Sheep named Albert Einstein who stole some Math Equations from the Patent Office to write a book to make a lot of Money, only thing is that he was not intelligent, and never had an IQ over 26, proving he was not even intelligent enough to be retarded, and Nikola Tesla called him on it, and Einstein denounced his Theories, but Mainstream hides that fact from the General Public, because they have to Push Einstein's Stupidity as Real Science, when everyone knows that after a Century no one has proven one of his insane theories, proving they are nothing but lies only Satan tells, but not Witches & Wizards, they just tell you how stupid you have to be to believe in Satan and his Satanic Ways of being a Criminal, and having all of you run his Criminal Empire just for Money with "In God We Trust" engraved on it, proving everyone on this Planet is Satanic.

If there were any People alive today, they would not allow Treason, they would not use Money, and they would not allow Crime, which is all Money is about, Satan knows you can buy anything with Money, and that is what all of you are, Property of the Governments that Sold all of you out and Guilty of Treason and know it, Treason is not Legal nor is their Governments, Legally Congress was Dissolved in 1933, proving those who Pretend to be Congress are Satanic Garbage stacks of Money, go Sell Crazy somewhere else, only Satan Lies, and that Proves the United States only has Satanic Sheep in it, all Guilty of Treason for 160 years now, every single one of them Lie for Satan, all because of Religious Sheep, they are at the very foundation of Satanism, they know for a Fact they are Satanic, and know everyone will allow it, because they are all Satanic, and only Serve Money or their Deity-God, they are nothing but Liars, and the Torah said that is what Satan is, all so those that go to Church can use Satanic Money and Serve Satan in the name of a Deity-God, all for Einstein's denounce Science Fiction no one will ever prove, because is all Satanic Lies to get all of you to Serve Satan and feel Good about it, the Torah written in any Century is very clear about all this, so no one can say they did not know, how many IQ points does it take to understand "God is All Light without Darkness", and to understand the Darkness is the Colors of the Rainbow found in White Light, so you cannot have Darkness without the Light, proving that is what God is, and that Physically Exists, so Religious People will all go to Hell, because they are already in Hell, look around, everyone is totally Satanic, all because they do not believe Satan exist, when all the Torah said was that Satan is a Person that only tells Half-Truths, and figuring out which half is true is easy to figure out, the Lie, and that lie can be found in everything you *believe* in or have a *belief* in, and why Witchcraft is something you really need to understand, all to make you Satanic.

Witches & Wizards told you throughout History that Money is Evil, meaning you cannot Live without it, meaning you will Die if you cannot Buy Food and Water, and why the Torah said you cannot Sell nor Buy Souls, that is what Satan wants you to do, I have no idea how many IQ points you have saved up, you allowed all this so my guess is not enough, but I am an Aspie and really do not like to play games about who is the most intelligent person on the Planet, it happens to be my Kind, Aspies, mostly Women have the Higher IQ's, same in all humans, and why most Women are Witches, they are better at reading and writing, and history has a lot of Female Wizards, so never assign Gender to them, it is stereotyping them, fine in Movies, but not real life, and that is the problem with all of you, you never believed in Witches & Wizards, and all of those who are Religious, are all Guilty of Murdering all the Witches & Wizards throughout History, and that is how Satan Stole your Soul, getting you to Murder in your Deity-Gods name, you have Wars, Steal, Rob, Rape, and Murder all in the name of your Deity-God known as Money, the Root of All that is Evil, and everyone knows if you use Money you are guilty of Treason, and that is punishable by Death, proving Evil is backwards for Live.

There is a true story about this person who broke into a home and murdered, and raped everyone in the house just to Steal their Money, then burned down their house to not get caught, this Sin is what everyone that uses Money Supports, you use Money, you paid that person to do this, and

therefore all that use Money, supports every Crime they Pay People to do, because by using Money you are Paying People to commit Crime, you have to Commit Treason, which is the Worst of all Crimes against a Country, and the entire United States is Guilty of Treason going on 160-years now, and no one will ever stop this Treason, because they all Worship Satan also known as Money, and since you all know it is Treason, and Treason does not have a Statue of Limitations, and Treason can never be made Legal, nor can the Constitution be Amended to allow Treason, proving not only is it not Legal to use Money not printed by Congress, but it is Treason, the worst Crime in History, and not just one Person, but all of them, and it is allowed because all the Judges are the ones Enforcing this Treason just like their Police Pigs, they know this is Treason, this is an Organized Crime Syndicate, what in the World are those Satanic American's thinking, that they can get away with Treason? Go to Hell, oh you are, never mind, go back to being Sheep, it is all America is good for, they Push their Laws and Money on the World and wonder why they Hate them, those that did not use Money you ridiculed, but they were not Criminals like all of you are, they were Free till you destroyed their Freedom and replaced it with Freedumb, all because you have Police Pigs and Military Dogs, that work for Satan and are all Satanic Worshipers of their Treasonous Money, America, the Land of Satan.

It is normal for all Americans to have a very low IQ, I have to admit, low is not a low enough number, maybe I should use Negative numbers to show their IQ more realistically, so let me make sure I get all my facts right, I want you to know that Witches & Wizards use Facts, and I am both, I had to study Witchcraft to read the Torah, and I am a Wizard at Trinary Science, "The Principles of the Trinary Universe", so let us look at just the Facts, Religion is about believing in a Deity-God, they call God, just to get you to not notice that it is Legally a Deity-God and not the God the Torah said was All Light without Darkness found inside our Atoms, and since everyone can agree no one but me is teaching this since Tesla died, and why is Simple, to Serve Satan you have to Lie, and what is the Biggest Lie anyone can Tell you is that Law is Legal, knowing it is Treason for anyone but Congress to Print Money, but you know their Laws State Congress was Dissolved in 1933 and forfeited the Country to the Federal Reserve that prints the Money and Not Congress since Legally they do not Exist, proving Money is not Legal, and Legal is not even Legal since it is all Treason, and without Statutes of Limitations, this is a never ending Criminal Empire of Satanic Sheep who all took the Mark of the Beast known as a Sheep like Ewe, now I know for a fact these are all facts, and not a theory, so my question is simple, why is this Treason allowed to go on? Everyone is Satanic.

The truth about all the Witches & Wizards I talked about in History, is they all knew this, Sir Isaac Newton was the Greatest, they put him in charge of the Mint, he figured out all the Money was Counterfeit, it was based on Fiction, he said even though the Money existed, its value did not, and since it was used to Commit Crime, it was proof of Criminal Activity, and the Torah forbid the use of Money, it did not say Only Loving Money was Evil, that is the 4th Century Satanic Version of the Torah, the last Torah was written during the 3rd Century, and the last two-thousand Years Satan has been in Charge and always will be as long as only Satanic Sheep exist,

and murder or discredit all the Witches & Wizards in History and His-Story, proving that everyone on this Planet is Satanic according to the Torah written in any Century, and they are so Satanic they have no concept of what God is, they have this Concept of a Higher Power and want you to believe their Satanic Script known as Money is that God, and why you allowed God's name to be engraved on it, proving it is Satanic, and everyone knows this and freely worships Money and Murders in God's Name, their Deity-God they never address as a Deity, because they want you to believe that is the same God in the Torah, as Tesla said, plug them in till they admit that is the Higher Power of God, but Satan only wants to Buy & Sell Souls like the Torah said.

The truth is always only what you can prove is, Witches & Wizards are just those that wanted to know the truth about the Torah, and that quest for the truth cost most of them their lives, because Satan will Murder or Discredit all of them, to get People to take the Mark of the Beast proving that Satan cannot Hide from Witches & Wizards, they understand why most people say they believe in God, but really only believe in Deity-Gods, and all because they do not understand Witchcraft, by dropping the Deity part of the God they Worship, they take the Mark of the Beast known as a Sheep like Ewe, proving that the Church only wants its Sheep to pay them to Alter Boys as they did Constitutions, Universes and your Reality, which is totally Satanic, considering everyone on this Planet uses Satanic Script known as a Deity-God, better known as Money, the Root of all that is Evil and not allowed in the Torah, proving the Church does not care about what the Torah has written, they will just interpret in the way they want all its Sheep to remember, and I was not fooled by Satan, IAM the Light Wizzard in the Flesh.
