

Step-25: Civilization

The Civilization we live in now reflects different Societies, in our case, all of them are Satanic according to the Torah, who said Satan is a person who Lies to deceive you, and Religion is about getting you to take the Mark of the Beast known as a Sheep like Ewe, and getting you to use their money, you know is Treason to the United States Constitution, and getting you to Buy & Sell Souls, known as Electricity that is used to make Light, knowing God is All Light, and there is no way anyone can deny this is not the truth about Civilization.

Most people do not view History correctly, first you need to understand that the Governments that control you currently, were once the same ones that conquered you in War, in my case it was called the Civil War, where the North and South both took out a loan from the Federal Reserve not caring who won, because they are still printing that Money instead of Congress, proving it is Treason, and we all know Treason cannot be made Legal, nor can the United States Constitution allow Treason, as such, my Conquerors are Pretending to be a Legal Government, when it is only a Franchise to the Federal Reserve, and in case you do not know the word spelled Franchise, it means Whores to the National Debt, their Laws prove this, yet all American's allowed this Treason for over 160 years now, proving they are all Liars, and all Guilty of Treason, they have a Government with Judges, Lawyers, and Police Enforcing this Treason, proving that Money can buy you anything but Loyalty, there is no hope for the current Civilization, and why the Human Race is about to go Extinct, just like the Torah said it would, all due to Corruption, Power, Greed, Money, Law, and Religion, Satan's Domain, and the end of Civilization.

The problem with most people is that it is normal to have a low IQ, and just because they can read and write, they believe they are intelligent, just not intelligent enough to figure out that God is All Light without Darkness, and that a Sheep is a Beast, so basically it is normal to be retarded, considering that is what you would have to be to not understand that, and why Civilization is so corrupt and Satanic, because people are sheeple, with no more intelligence than a Sheep, nothing but Cowards, Liars, and Sinners.

The truth about History, is those who Conquered are the ones writing it, and why History is all BS, very little truth about it, and why Civilization is so corrupt, and Money is the reason why, and the Church is responsible for that since they inserted Jesus Christ to make only the Love of Money Evil, when the Torah before the 4th Century forbid the use of Money, it is clear the Church and all its Members known as Sheep like Ewe, are nothing but Liars, and the Torah called those kind of Liars Satanic, only Satanic People use Money, because it is a Satanic Practice, and why the Church Worships Money, and everyone Worships Money with "In God, We Trust" engraved on it, a Civilization bent on destroying this Earth with their bad Science about False Fuel, it is clear the Earth has to produce Oil, otherwise known as the Blood of the Planet, to keep it from Freezing and going Nova at the End of Time, so there is History proving

who Conquered and who was Conquered, and everyone was Conquered by the Federal Reserve, and now Civilization will go extinct, all for Money, and the next Intelligent Lifeforms to inhabit Earth millions of years from now, might wonder why we went extinct, and it was because of War, that was all because of Money and Religion, and never forget it was the Dark Wizard Moses who invented Money and Religion, the Torah told you that, and how anyone can worship a person who Rapes, Pillages and Plunders, is proof of a Satanic Cult, as is the Clause you have to Kill anyone that does not believe in Religion, and why History is full of Witch and Wizards being hunted down and murdered for Money by the Church, because they knew they would tell people the truth about them, and they cannot have that, and why Mainstream is paid to Lie.

Civilization is what its Citizens allow, and in the United States that is Treason, thus all their Laws are Treasonous, and their Judges, Lawyers, and Police are all Enforcing Treason, and since that is the worst of all Crimes, it is clear that all its Citizens are Satanic, because only Satan is fine committing Treason, and the Torah said Satan is just a Person who Lies, it was the Church who got its Sheep to believe Satan and God were Angels, and considering that it was proven that the Church Inserted Jesus Christ just so they can get Paid to Alter Boys by Altering the Torah, is proof that it is a Satanic Organization, and Deity-God is another name for Satan, and why the Church calls their Deity-God, God, and how they get all of the Stupid People to take the Mark of the Beast known as a Sheep like Ewe, as such, Civilization only reflects what its Citizens allow, and when that is Treason, and they are Enforcing Treason, knowing they are lying to you about everything, and not telling about the Sky Falling or the End of Time, while they dig their Graves known as Underground Cities, no one will be digging up those grave yards, it will be like they never existed, the Glaciers will grind the surface of the planet in to sand in time, and the Earth will be reborn, and all the damage that Money has done, will be erased in time, along with the Civilization that caused all that destruction just to Commit Treason, it is something I cannot understand, the curse of a high IQ is you understand what is going on, no matter how many lies Mainstream tells us, and why there is no hope for any Civilization to survive these events, when those in charge pushed their retarded Science to the point they started to believe the BS they put out there for Sheep to believe, and apparently they will believe anything as long as they get their Money, proving they are Money Junkies, there is no limit to what People will do for Money, they all have their Price and they know it, they Worship Money and know it, and why Civilization is Satanic, and the Torah said they would go out like Sodom & Gomorrah, and everyone has their finger on a Nuclear God Bomb just waiting to push the button, this is Hell and not Civilization, there is nothing Civil about it or its Wars.

I have been told by people that if wanted people to listen to me, I would tone it down, and not call everyone retarded just because I have an IQ over 180, but face it, I am not that much different than Sir Isaac Newton, he would tell people actually what was on his mind, and did not care if they like it, he would rather teach empty class rooms than empty heads, he knew no one would understand what he wrote, and everyone proved it, so why should I sugar coat the truth just so I do not have to be demeaning to People by calling them Sheep, or Sheeple, when you

know that was the Torah that called them that, I am just telling you what the Torah states as facts, and no reason I need to be nice to Treasonous Traders, or people who took the Mark of the Beast known as a Sheep like Ewe, I have no reason to be nice to anyone, because few people have ever been nice to me, they tell me they have the right to believe what they want, proving they are Satanic, but they are too Stupid to understand the simplest of concepts about Satanism, all because Satan is the one Teaching the Sheep like Ewe who Satan is, and they talk Nice to everyone, so nice I want to wipe the smile off their face with my foot, Satan is the one that needs to be nice, if you ask me no one on this planet deserves me to be nice to them, except my Grandchildren, so if you are not them, do not expect me to ever be nice to ewe, I do not have a nice bone in my body, I am a Military Dog bred to not be nice to Sheep like Ewe.

I view Civilization the way it is, those that Push Vaccines are supporting Euthanasia, only it is not so painless, having been forced at gunpoint to get the Anthrax Vaccine in 1990 just before the Gulf War, the VA printed a report in their VA Magazine, saying that the Vaccine killed over 1,500 people within weeks of getting the Vaccine, and out of the 290 thousand that got it, 270 thousand of them died of a rare disease or committed Suicide, and there is a 50-year double-blind peer-reviewed study of vaccines published in JAMA, the Journal of the American Medical Association, so there is proof they do not work, and proof they can cause people to commit suicide, yet people are pushing those deadly vaccines and forcing them on people, knowing this is all a part of thinning out the Sheep, and why Doctors, Judges, and Lawyers give me the Creeps, they are Satanic to their Core, all of them, and why Civilization is Satanic.

If you want to things to change, and want a new Civilization, you have to leave the Corrupt Governments and Federal Employees out of it, those that use money must be banished from that Civilization, and you must not ever allow Religion, that is a Satanic Cult of Sheep, and that is the Civilization of today, and it is Satanic, everyone Buys & Sells Souls like they Buy & Sell Electricity used to make Light you know is God since God is All Light without Darkness, and the Darkness is really just the Light we can see, and the reason we call the Darkness the Light we can see is because Satan has been teaching Science for far too long, Newton said people are retarded, and trying to explain the Universe to them is a waste of time, they are not Intelligent enough to figure out the basic of things in Nature, and why people must change, if Civilization is to have a chance of changing, and if it does not change, it will vanish in time, this Corruption cannot last, nor can it be allowed to continue knowing they plan to let everyone die on the surface, what is the point, just lay down and die like good Sheep, letting them Vaccinate you to death, everyone needs to read all the Steps and then decide what they want to do to make a better Civilization, all I can do is explain to you that most of you are Sheep, so if you want to die like a Sheep, there is nothing I have to say to you, you obviously believe you have the Right to believe what you want, and Insanity is what everyone wanted, and what they got, this is the most insane Civilization in the History of this Planet, and why I do not think it will survive the End of Time just based on what they are doing now, I have seen how they build these underground tombs and have no confidence in them at all, they were built by people who believe in Einstein.

The only way Civilization can change, is for everyone to first admit what is going on, and then let them decide if they want to continue to commit Treason every-day of their pathetic lives like good Sheeple would do, because you do not have the Courage to admit we need to change or we will go extinct, because those in power have no interest in any of you and they made that very clear to all of you, so what you do is up to you, but I would not play their Game, do not protest, and never riot, and never go into Court knowing their Game is Sue and be Sued, that is their motto by the way, kind of like To be or Not to Be, you cannot fight against the System, nor do anything Legal since we know nothing is Legal, so why pretend you have a Constitution knowing only Congress can print money, and if you do not understand what a Franchise is, just think of Congress as your Pimp, and ask yourself if that is the type of Civilization you want to live in, and if it is not, you need to find others that feel the same way, and buy your own land, and just ignore those playing the Game called Treason, and do not let them on your Property, nor allow them to Govern your lives knowing they are all Guilty of Enforcing Treason, you do not let them Blackmail you by threatening you with Jail, Prison, Military Power, Nuclear God Bombs, or any other Satanic Threat they can use, they are Committing Treason, you do not have to be Complicit in their Crimes, and all of their Laws are illegal and everyone knows it, so tell them what to do with their Treasonous Laws, and Treasonous Money, because when the Sky Falls or the End of Time comes, they were just going to let you all Die, so why in this World would you want to listen to Satan, knowing they had no plans of allowing you to Survive.

Once everyone on this Planet knows about all the Steps in the Trinary Universe, they will want a new Civilization based on God Being All Light without Darkness, based on God Being the Force of Gravity in all our Equations, based on facts we can prove are facts, without ever allowing Theory to be part of our Science, nor allow anyone any Rights, especially the Right to believe what you want, only Satan would teach you that to begin with, and since we all know there is no Legal Right giving you the Right to believe what you want, you know it is just another made up Human Right, and all Human Rights are BS, and you do not want them if you want things to get better, Rights and Laws is what made you guilty of Treason, and it does not matter who Prints the Money, people will do anything to get it, they will kill you for the money they think you might have on you, everyone has a Price, therefore no one using Money can ever be trusted, look at the United States, it is a Country that not only Commits Treason, and their Entire Legal System is based on that Treason, and Enforcing that Treason, and then you find out they are betraying you by not telling you about the Sky Falling or the End of Time, knowing those Criminals with their Retarded Science, believe their Underground Cities will survive these events, knowing they have no clue as to what will happen during these events, or they would not be digging graves, they are in a rush to steel everything on the surface and get it underground, that they are getting desperate, and making a lot of mistakes, like hiring people to build underground Cities knowing they believe in Einstein, and why they will all fail, and why no one is building anything that has a chance of surviving, they must all believe in Einstein, proving they are all retarded, and are all going to die when the Sky Falls or the End of Time comes and goes, and everyone is left out in the cold, then they will wish they did something other than pretend they were Sheep, do you have any concept of how Satanic that is.

If you want to understand my viewpoint, in 2033 all of you will be dead, and why is due to stupidity, blindly trusting a Government you know is Committing Treason, things you should know, you should all run out and get that engraved on your Tomb Stones, because in this last decade, panic will set in when people find out this is all true, most people have no clue, and read it to see where I am going, and that never changes, Trinary Sanctuary, and you know what that is about, building a future for Civilization that does not include Treason as part of your daily ritual, and without Money, Law, or Religion, no one can Control you, and that means true Freedom, and not the Freedumb they sell you in the United States, and do not ever try to sell me on the Statue of Liberty, my family lived here a long time before that was built, and it was all about the complete take over by the Federal Reserve, and that means everyone on this Planet is Guilty of Treason, and not just those in the United States, who is in Charge of Enforcing that Treason, so I hope you understand my viewpoint about Civilization today, and why I just want to Document its Extinction, and nothing more, I just want you to know why it is going to go Extinct, and why no one will care enough to do anything about it.

What amazes me about Satanic People, is they do not know they are Satanic, because they have no concept of anything other than being Satanic, their last two thousand years have been nothing but Satanic, they have never even heard of a Civilization that was not Satanic, so they deny they are Satanic, knowing they Buy & Sell Souls by the Kilowatt, and those that were stupid enough to take the Mark of the Beast known as a Sheep like Ewe, are the ones who pushed their Insanity off on others, getting their children to sell their Souls to Satan, and why everyone denies they are Satan, is proof that they are, because only Satan would commit Treason every-day of their lives, and have no problem with it, they believe they have the Freest Country in the World, knowing it is the most sold out to Satan Country that ever existed in history, nothing but a Satanic Cesspool of Criminals, and only Satan could lie to themselves so completely, and Graffiti History of the Great Pyramids being Tombs is just one more Example of how Stupid People are, and then they push those theories as if they are the truth, knowing their Civilization's History was written by those that Conquered us, therefore they are our Enemy, yet American's are all Guilty of Treason, and lost the War, yet their Military, which I am a member, still salutes as if they did not, proving Honor means nothing to them, and I should know, I was on the Honor Guard, so there was nothing for this Military Dog to Guard, and why it amazes me how insane people can be, and not even understand they are insane, only the Insane would Lie about Treason, and take the Mark of the Beast known as a Sheep like Ewe, they are all Buying & Selling Souls, you would have to be insane to do these things, and we all know this is the truth, so why we allow it is clear, everyone is Satanic, and not just some of them, but all of them, every single person ever born on this planet, that includes myself, with the exception of the Greatest Wizards & Witches in History, People are Sheeple, and will deny it, they will deny they are Satanic knowing the Torah defines Satan as the one who Buys & Sells Souls, so you know all of you are guilty of Satanism, those that took the Mark of the Beast are the worst of all Liars, and will never change, Satan owns their Soul for all Eternity, you might have been able to Pray for Forgiveness to a Deity-God, but that

is Satan, and Satan will promise you everything, but once you die, your Soul belongs in Hell for all Eternity, and that is a very long time, and why the Torah spent so much time explaining to you who Satan is, and what Satan does, but once Satan owns your Soul, you will Lie for Satan for all Eternity, and considering you live in a Satanic Civilization, there is no where to go on this Planet to get away from Satanic People, Satan is everywhere, and Satan will never change, this is a Prison Planet for Satanic People who will all go to Hell just like everyone before them for the last two thousand years Satan has ruled the surface of this Planet, and now that Satan has dug their Graves, they will let all of you die when the Sky Falls or the End of Time vents our Atmosphere making Hell Freeze over, as this Planet slowly goes Nova because it has No Blood.

When it comes to the truth about Civilization, the last two thousand years has been run by Criminals who have conquered you with their use of Money, Law, and Religion, and this type of Civilization will not survive the Sky Falling or the End of Time according to the Torah, and the Greatest Wizards in History, as such, the Torah said if the people where all Satanic at the End of Time, that this would be the end of all Civilization, so in the Next Step is 26, I am going to talk about Discovery, and what we might discover there.
