

Step 06: Documentary

This Documentary is about the End of Time that Sir Isaac Newton Calculated the date using the Torah to be 25 December 2060 under the Julian which is 14 January 2061 under the Gregorian Calendar, this Torah was written during the 3rd Century and was once owned by Tycho Brahe, who passed it on to Johannes Kepler, who passed it on the Galileo Galilei, who passed it on to Sir Isaac Newton, after that Benjamin Franklin had it, and then Nikola Tesla, I read a copy of it, so I understand what they were referring to, and understand the Science they discovered in the Torah, and document the End of Time and extinction of the Human Race.

This story begins when Johannes Kepler went on a journey to find the date Jesus Christ was born, he met Tycho Brahe who said he knew, after making Kepler make a Masonic Oath to never tell anyone else, Tycho showed Kepler a set of Canons written during the 3rd Century, Sir Isaac Newton had that set after getting it from someone who knew Galileo Galilei, and verified it was authentic by comparing it with one even older than that, which was owned by the King, who like Newton was a Mason, and was also a close friend of Edmond Halley's, Newton liked the King so much he translated one of the Canons for the Queen.

Kepler discovered that true Christianity is the study of a Star called Christ, this is a Binary Star known as Sirius and found in Orion's Belt in the 3 Kings and aligns once a year with the Great Pyramid, so Jesus Christ as a person did not exist, which history proves, comparing two sets of Canons revealed they were the same, and would be expected to be the same, but they do not match the Torah written during the 4th Century, proving the Church inserted Christ into the Torah, and then told everyone that was the first one written, which is a lie, it might be the first one rewritten to insert Christ to make only the Love of Money Evil, a backward Spell for Live.

The Mason's keep this a Masonic Secret, why is because they knew that the Bankers and Lawyers would find a way to make it disappear in History, just like the Church Murdered all Witches and Wizards throughout Time to push a Deity-God that does not Physically Exist, meaning does not exist, and not the God the Torah defines as all Light without Darkness that Physically Exists as Light inside all Atoms, proving God is Real, but Satan has to Lie about what God is so that People would Pay them to take the Mark of the Beast known as a Sheep like Ewe, because they wanted to Worship Satan without the Public getting upset about them Altering Boys, proving Religious People Pay Satan to Alter Boys, so they will grow up Satanic just like them, and all Religions are the Same Satanic Deity God, not one Religion believes in the God found inside all the Atoms in the Universe, and that is a fact, proving they are all Satanic.

I have been telling this story on YouTube for decades and people try to debunk it using Einstein's BS, Stupid Satanic Sheep are just Children that want to play Games, Satan wants

everyone to believe God or Light does not Exist, only Retarded Sheep would believe anything Einstein had to say, the Thief from the Patent Office is Retarded, and Satan is J.P. Morgan and his Lover Thomas Edison, nothing but Thieves guilty of Treason against the United States of America and should be in Prison, proving all of the American's are Treasonous Traders and Satanic Liars, who raise their children to be as Satanic as they were, till Satanism is Normal, the Torah calls that signs of the End of Time when everyone is Satanic and Lie about it.

Newton and Halley confirmed the date and time in the Torah by looking through ship logs going back to 999, and found the Torah is right, our Magnetosphere is decaying at a constant rate, NASA did a 100-year study confirming this decay rate is now at 5% a century, you know it is getting weaker, in 2033, when our North Magnetic Pole reach the Equator, the Magnetic Strength will be at 0, and will reach the South Pole by 2061, if it happens on 14 January at 6:32 PM is still my guess since it is my birthday and time, why the Torah determined the date and time will be amazing if they turn out to be right, but my guess is that they are close enough.

Common Sense states that our Magnetosphere is the only thing holding in our Atmosphere and keeping Micrometeorites from hitting Earth, and it also keeps all the Satellites and Space Junk orbiting around Earth, and that will come crashing down with ice from frozen water vapor in the atmosphere that was vented into space, it does not take someone with a high IQ to figure that out, in fact, most people can figure out that God is All Light without Darkness found inside Atoms proving to them God Physically Exist and that the Church who murdered Jesus Bar Abbas for Money, is up to its Old Tricks again, getting People to take the Mark of the Beast known as a Sheep like ewe, and most people would understand that after a 50-Year double-blind Peer-Reviewed study on vaccines that concluded they never worked, would understand they are being force on them to thin out their herd of Sheep, and dumb them down, and anyone that can read the Constitution will understand only Congress can print money and since the Federal Reserve does and the Laws prove the U.S. is a Corporate seal known as a Dollar Sign \$, it becomes clear the whole Government is Guilty of Treason, and why Lincoln was Legally Executed for Treason, for allowing the Bank to make a Franchise out of US, but the Military took the Darkside and supported the Bank that now owns US like Sheep, proving they are Guilty of Treason, and about to wipe out the Citizens so they can Loot the Cities before going underground, where the Torah said they will dig their own graves, as such, at the End of Time the Treasonous Traders will be the first to go according to the Torah, and since they planned to let all the people on the surface of the Planet Die, they are guilty of Genocide of the Human Race, but no one cares nor will they do anything about it, they are Cowards and Liars.

The U.S. Government will create fake events like OK Building Bombing, where Shaped-Shit Bombs defy the Laws of Physics, then 911 where someone forgot to rig the tail section of the building, so when it blew up it looked like an Aircraft made the hole, as it was, only a UFO with no tail could have made those holes, and pictures of people sitting at their desk talking on their

phones, or standing in the hole and waving out, is proof of a Fake Event, and as I said, shutting down the Radar Sites was only necessary to fly the real aircraft out to Sea, from Fake Shooting events to a Fake Pandemic just to force Vaccines on people, that is causing them to get sick and die, some crashes have been linked to this deadly Vaccine, and no Corona Virus ever existed, never did, just a bunch of Satanic Government Employees doing what they were paid to do, kill its Citizens so they can loot them before going underground.

I want to build an End of Time Machine to record the End of Time, and I want these devices to be available to everyone, so they can record their End of Time messages on it, to document the End of Time and how Corrupt the U.S. Government is, for conspiring to commit Genocide on its Citizens, making taking back this Corrupt Government Treason, this is one of the Rights under the Constitution, proving it does not exist, nor does this Country, it is just a Franchise like OK, and all the Treasonous Trader Citizens were being left out to die after being double-crossed by this Corrupt Illegal Country of Sinners who are all about to go to Hell and deserve death.

Newton wrote that Church members were seen pouring something into wells before the Plague outbreak, when questioned they said it was Holy Water, Newton did not believe it, nor did many that knew about it, the Church has been getting away with Murder throughout History, and never changes its way, proving it is a totally Satanic Organization profiting off the suffering of Humans, making them Pay to Alter Boys, and now that the Church is out of the Closet and Gay Pedophilia is now socially acceptable by the Church Members, it is clear the Torah was right about that being another Sign for the End of Times, and as Newton pointed out Chemical Warfare has been known since the days of Moses who Poisoned the Drinking Water, becoming one of the first Mass Murderers in the Torah to use the Plague to Murder People, and Moses is the one who started the Church that Murdered Jesus Bar Abbas for Money, proving the Church is responsible for Mass Murder just to make Money, proving what a Satanic Organization it is, and the U.S. Government used Small Pox to commit Genocide on the Native American Indians, and have started War after War to conquer new Banks, to make more Money for the Federal Reserve, who is the Cause of all this Treason, and Guilty of all Crimes where Money is a factor, and the Pharmaceutical companies kill more people with Vaccines than all Wars combined, making them guilty of Mass Murder, but the Governments pay them to thin out the Sheep Herds, the VA published a Paper saying that out of the 290,000 that got the Anthrax Vaccine, after a decade 270,000 of them died of a rare disease or committed Suicide, making Pharmaceutical companies the number one Enemy of the Military, who forced their Members to get the Vaccine, I know all about this, I was forced under threat of Court Marshal and Dishonorable Discharge proving the Military is not only guilty of Treason and not doing their Job defending the Constitution, they are also Guilty of Mass Murdering their own Troops, proving they are Satanic.

If you do any research on the Church or any Government since they go Hand in Hand, you will find a long History of Mass Murders, these People are Satan, and there is no denying it, People

allowed the Churches and Governments with their Military Murdering Machine to take over the World and Turn it into Hell for Money, and now everyone will pay for their Satanic ways, allowing Satanism to exist is Satanic, and every Church or Government is in charge because you know they will kill you if you do not comply with their Controls on your Life, and People allowed this because they are Cowards, no other reason, they are Satanic and will die at the End of Time with all the Treasonous Traders.

People are nothing but liars, every single one of them, and God knows this, you cannot lie to God, the End of the Human Race is a good thing for this Planet they are Destroying for Money, Satanic People are so Evil, they lie just for Fun, they Murder by allowing Money to exist, Money is why most People are Murders, all those Deaths are because of Money, the Federal Reserve is Satanic and is in Charge of Mass Murder Operations and People allow because they are Cowards, every American is a Satanic Liar, not one of them will Defend their Constitution, they allow the Military to Murder their Own Troops proving they have No Honor, and are just paid Assassins working for Money, nothing but Cowards that make me sick to say I am a Military Member, taking Orders from Treasonous Traders, all of you can go to Hell, there is not one person on this planet worth saving, and you know it, they Human Race deserves to go Extinct for Allowing Satan to Rule by Force, Sheep do not deserve to go to Heaven and will not.

People want to believe the Church and Governments are Good, but History proves they are nothing but Thugs who Rule by Fear, they Conquered and Murdered to get to where they are today and show no signs of slowing down, they Murder for Fun, they are responsible for all the Children missing, they are known Gay Pedophiles, and everyone knows it but are too big of Cowards to do anything about it. Federal Reserve owns the Courts and only wants to Sue and be Sued, but not one of their Laws are Legal since Treason can never be made Legal, proving the Church and Governments are Guilty of Treason and all because of their Paid Assassins known as a Military who allowed the Military to force Vaccine and Murder over a quarter million Military Members, proving they are Criminals, there is no science behind Vaccines, they are only used to murder, proving that People are just Cowards who will never do anything about it, so they will die and that will be the End of the Human Race of Satanic Liars.

The U.S. does not have Free Press, never has since the Civil War the Federal Reserve started by funding both sides of the War not caring who won since they just Stole the Country and now have Slave Labor for Free, and the Mainstream Media would never publish a story like this, proving they are not Free, but Paid by the Bankers to print only what they want to be printed, and this is not it, so never think the Press will report the Truth, they are nothing but Liars and are responsible for Treason directly since they are the ones lying about it, so never believe anything Mainstream has to say since they are nothing but Satanic Liars guilty of Treason, and behind it as a coverup.

Having an IQ over 180, I came to realize that I am not the only person alive at this time to have such a high IQ, yet I am the only one who is talking about this subject, which I would think would be an important subject, so I wonder what the others are thinking about, and why am I the only one talking about this, people think that there is a chance this will not happen, and the Science behind the End of Time is correct, therefore from the Science point of view this has to happen, it has no other choice, and Scientist know this is in progress, and this is why I think the whole world is insane, I find it hard to believe I am the only one in the world that sees this coming, and the only one talking about it, I have seen people with signs saying the End is Coming, I wonder if they knew what I know, my Grandmother knew this was going to happen, as well as my father and uncles, and I would think that their friends also knew, and I know why they would not go public with this information, but I could not keep this secret, I do not care much about Masonic Secrets, and I do not care if people think I am crazy for saying this, and could really care less about those Satanic Sheep trying to discredit me just so the Human Race would go extinct, at times I think I should just let them go out without knowing why, they will not believe me till it happens, at the expense of the Human Race, they do not believe me, and after it happens, it does not matter who believes, because that is the End of the Human Race.

I am intelligent enough to know that it does not matter what I say to anyone, they will only believe me after it happens, so my quest to inform people is a waste of time, no one listens because no one really cares if the Human Race goes extinct, the sad truth is that no one thinks it is worth the effort to do anything about it, they are too big of Cowards to say anything about it, 911 proves that, from the Evidence at the scene, it is clear that a UFO without a Tail hit the Twin Towers, the parts at the scene was from the wrong type of aircraft, why someone did that is beyond me, they wanted to make sure everyone knew that was a Fake Event, the U.S. Government Murders Federal Employees during Fake Events just because they know they can get away with it, because the American Public is nothing but Cowards who would not Uphold, Defend & Protect the Constitution they Pretend was Amended, obviously they do not have Freedom since they have Freedumb instead, Stupid Satanic Sheep, I want to make sure to Document how Stupid Americans are, and what Cowards they are for allowing this Treason.

I know it does not matter what I say or document, it will never change anything, the Rich & Famous will Trust Satan, and do Satan's Bidding, Allowing all the Common People or Lower Classes who cannot afford Tickets to Underground Tombs, to die on the surface with all the other animals, all because they put a Price Tag on their Lives and did not give it another thought, that is the world we live in today, and everyone knows this is the truth, and will not do anything about it, they will wait to see if I am right, well not me, but the Torah, Kepler, Newton, Franklin and Tesla, I have never been alone in thinking this was going to happen, I am just going by what they wrote, and I know they know what they are talking about, and I trust the Torah and the Greatest Wizards of all time, so I know this will happen, and it will in time.

Everyone should document their thoughts on the End of Time, and we need to make sure that somehow these records are preserved for another Race to find, so they can be warned about the End of Time, we had 3 hundred years warning and Sheep decided it was not worth the effort to save a Race of Satanic Liars, no one cares is why the Human Race is going to go Extinct, and I have to agree, Satanic Sheep are not worth anyone's effort to save, but I do think we owe it to the next race to give them a heads up, maybe they will move beyond Money or never heard of it, it has been a source of Crime and Sin, and nothing good has ever come of it, as proof it cost the Human Race all their Lives, you cannot get anymore Evil than that.

When it comes down to what I want to document about the End of Time, it is that Rich & Famous People have no honor, they are Liars and that is how they got their Treasonous Money, you have very few years in any lifeform you are born into, but those that Sin, will never be reborn into anything other than insects, and why we have so many of them, Darwin wrote that he wrote about the Rich & Famous with disdain in his writing, much like Newton who hated the Rich & Famous for the same reasons, they are Arrogant Satanic Pigs, not much else to say about them, they are going to be responsible for the Human Races Extinction.

How we spend our last moments on Earth before Hell Freezes over, will say a lot about Humans, but I would only expect more Crimes like Rape, Pillaging and Plunder, that is how Sheep behave, people have a choice, Sheep Riot not People, Sheep Protest not People, People can use Logic and Reasoning to figure out a better way of doing things without violence, move past blame and look for solutions, be constructive and not destructive, do the right thing and not the wrong thing, if you want to make change, you need to learn the right way to go about making that change, you can start by finding a place to build Trinary Sanctuary, and let the World know that is where it will be built, and then just build, but build it right, make sure you have full authority over that Land, meaning you are not under the Control of any Government, and do not use Money, Laws, Religion and all the other Satanic Controls on what goes on, on this land, you do not need a building permit, you need the right to live in Freedom, in exchange you give that Government excess Energy, Air, Water, Food and other supplies as payment on the Worlds National Debt, and instead of Fighting with Governments, work with them, and just maybe some people can survive the End of Time, but you will not survive Vaccines and War, and there is no need for them, we have to learn that if we want to live in Freedom and not Freedumb, Trinary Sanctuary is the way to do it, no Money means we have no excuses for not being able to afford it, no crime, true Freedom for all.

This is just a short Documentary explaining why the Human Race went extinct in the year 2033, and it was mostly because it is normal to be Retarded, Liars and Cowards, IAM the Light Wizzard in the Flesh, the Next Step is 7.
