

Step-17: Knowledge

By the time most of us are 17, all our Knowledge we believe is true is set in our Minds, and Lies will be the thing we remember and not the Truth about that thing, and you need to understand that if your Knowledge is based on Mainstreams version of Reality where God does not Physically Exist or God does not Exist but Jesus Christ does, your Knowledge is not Trinary Knowledge and that is what I want to talk about now, in terms you will know what is the Truth, and what is a Lie, and if Knowledge is not True, then why call it Knowledge is a question only the Insane can answer, but real Knowledge is only what you can prove to yourself is true.

I try not to say I am telling the truth, instead, I am just telling you what I know to be true, because I have proven it to myself, and that is where truth begins, as such, all knowledge comes from learning how to prove something is true or not, so let us start from the beginning and go through these steps, all Knowledge comes from the Torah, some will argue this for good reason, the Torah was written thousands of years ago, but the one after the 4th Century was altered, this was authenticated by serval experts at the time of Sir Isaac Newton, and this had been known since Tycho Brahe's time, before that, what can I say, the Church hunted down and murdered all the Witches & Wizards throughout time, that said, Sir Isaac Newton, has enough of his stuff on the Internet in Public Domain, and watch the BBC 2013 Special "The Last Magician" about Sir Isaac Newton, and understand what most people who watched it know, Jesus Christ was inserted into the Torah, and remember that all Bibles come from the 4th Century Torah, for all Religions, and not just Christians, but Jews, Muslim, and all the Religion's based on the Torah, comes from the version the Church enforced by thousands of years of murder, as such, you have to understand what sources of Information you trust, and who you trust, but do not allow trust to cloud your judgment, everyone makes mistakes, and I blame all mine on my headache, that is it, it was all because I had a bad headache, if that was only true, I do own up to my mistakes, but the dead cannot, so take all things into consideration when deciding what is true, all I can tell you is what I have proven to myself was true, and will talk about how I proved it to myself.

You the reader, are an individual, yet anatomically all humans are the same, I have one more Spleen than most people, and fewer organs than most people, but other than that, I am human just like the rest of them, so how I think, is what most people would think you think like, but I have learned that is so far from the truth it is not funny, understand that I am and Ashkenazi, I have an IQ over 180, I am Autistic in the High Functioning Spectrum of Autism, I have Obsessive-Compulsive Disorder (OCD), I am Schizoaffective but only Schizophrenic in my Dreams, so I have a good reason to believe I do not think like most people, and why you might find it hard to read what I have to write, I just write as I think, and my words are important to me, I do have a College Education, and even a Ph.D. in Physics, and why my Trinary Science is not like Mainstream Science because I do not believe in Einstein's Theories never proven in over 100 years, and only use Facts with no Theories about those Facts, as such, I have to prove my Reality is Real, most people take their Reality for Granted, this is my Individual Reality.

In my Reality, everyone uses Money, so you would assume Money is Legal, but knowing Treason cannot be made Legal, you know all Laws are not Legal, they are Criminal since they are Treasonous, yet the whole World is Enforcing this Treason, yet that does not make it any less Treasonous, because Treason does not have a Statute of Limitation, and a Constitution cannot be “Amended” to allow Treason, amend means minor change, Treason means you get Executed for that Crime as Lincoln did, and I am not alright with Treason, I took an Oath to Defend our Constitution, and will do that till the day I die, so my Reality is not the same as most, after all, my Knowledge is not the same as most, because I am not the same as most, I have no idea why I am the only one talking about this, so I must think differently for some reason, because I know the Laws do not change for others, making Treason Legal for them because they believe they are Special, that will never happen, or Treason means nothing, thus Law means Nothing, and that is what it means to me, nothing but Treason and for no other Reason than to Serve Satan.

The way we get Knowledge is by questioning all our “Beliefs” to find the “lie” in them, you cannot let the Mainstream push Treason without answering the question of why they are not telling everyone that it is Treason to allow anyone but Congress to Print Money, and you can use the Freedom of Information Act to FOIA the United States Government and ask them who Prints the Money, if they tell you the Federal Reserve does, they are not lying and would be the response you would expect since their Laws state the United States is just a Franchise to the Federal Reserve since 1933 when Congress was dissolved for not making the first payment, and Executed Executive Order 6102, ask them if being a Franchise to the Federal Reserve is Treason, we all know Treason can never be made Legal, and I have no idea what their response would be, not everyone knows this apparently, and why Knowledge must start and end with the truth, with no lies in between, and that is not what Reality is, it is simple, Treason, what else do I need to say, that one word says it all, and no one can change what it means.

You need to know where to find these Laws that Prove this is Treason, this is Knowledge:
US CODE of FEDERAL LAW TITLE 12 CHAPTER 3 SUBCHAPTER 9 SUBSECTION 341,
you can find it at the (White) House under US Code, SUBCHAPTER IX—POWERS AND
DUTIES OF FEDERAL RESERVE BANKS:

What you call Common Knowledge, I call Knowledge of Treason, and the Reason is simple, if you do not deal with the Treason First, there is no reason to talk about Knowledge that is Treasonous, and there is no way to deal with Treason on this Scale, you need to find the best spots on this Planet to build Trinary Sanctuary, and never allow Money, Law, or Religion, in one part of that Complex, I call this the “Inner Ring”, and make it a Weapon Free Ring, this is where you ensure only the Truth is Knowledge, and you build to produce Power, Air, Water, Food, and basic supplies, that are free to everyone in the Complex of Rings so that the Buying & Selling of

Souls will Stop, and Treason will never be allowed, only then will Common Knowledge have any meaning other than Common Lies.

I remember being in a library one time and as I looked around, I thought, wow, that is a lot of Lies, and nothing that is in here is the truth, and I walked out, that is when I knew this was the End of Time for the human race, and it did not matter what I said since I am the only one saying it, and I have been doing so for many lifetimes if my Dreams are real because I have Dreamed of past lives, but they do not go with the History that is written about them, so I might be Schizophrenic in my Dreams, I have a rare sleeping disorder called Dream Misinterpretation, I have low to no REM Sleep, they hook me up to machines and I go to sleep, from my point of view I am just sitting in the room with stuff hooked up to me, I try to fall asleep so I shut my eyes and try not to move, but I also have Periodic Limb Movement or PLM, and sometimes wake myself up, plus I have PTSD, and sometimes events come into my dreams waking me up to find them in the room with me, and people waking me up during a dream, I have this overlap where I can see my dreams while I am awake, it is very disorienting, when I have PTSD attacks, it is because of the way my mind stores all my thoughts, just as images, with sound, and tactile information in them, plus all the emotions, they can flood into my vision, and I see both what is in my reality, and what is in my memory of this event, and they do not always play out the same way, for example, for years I was having this recurring dream about where I was on a 15-foot tether, and the Helicopter pitches back, and I found myself airborne, and flew back to the end of the tether, breaking my back, this went on most nights, till after an Operation, then it changed to repelling out of a Helicopter and getting to the end of my rope and there is no land, I fall and break my back again, no reason I know that I should be having these dreams, or nightmares, I can smell the Jet Fuel, and all I have to do is hear a Helicopter and all these memories flood back in, yet most of my Knowledge comes from my Dreams, and why I really have to question my reality more than most people do, and why when I need to look for the truth, the Library is the Last place I know I can find it, it is worse than the Internet.

The Torah talked about Knowledge of the Arc-Light or Ark-Light, it was mounted on top of the Great Pyramid, it was said to put out a beam of "Light" that would prevent Asteroids or Comets from hitting the Earth, by deflecting them from the path that would hit us, if this device still exists is unknown, I guess that they melted it down for the Gold & Silver it was made of, proving people only care about money, and this is what the Torah said Moses did, besides making Money, Law, and Religion to turn People into Sheep, by getting them to take the Mark of the Beast known as a Sheep like Ewe, the Torah said Moses Raped, Pillaged, and Plundered the Great Pyramid stealing all its Gold & Silver to make Money, melting down Technology and Knowledge for Money, Law, and Religion, just to be in Power.

When anyone talks about Knowledge, you have to ask yourself what kind of Knowledge is it, because, to me, there is only one type of Knowledge, True Knowledge, and that means it is True,

and the whole truth and nothing but the Truth, and that is not the Reality of this World, it is run by the Federal Reserve that is a Criminal Organization or Syndicate known as the Feds, and they know the Sky is Falling in 2027, and the End of Time is in 2033, so never allow them to lie to you that they did not know about these events, the facts are clear, all Mainstream Knowledge is Satanic Knowledge, meaning Satan, the Person who only Tells Lies, is telling you this is Knowledge, when it is just Knowledge of Lies, Knowledge of Treason, Knowledge of Crime, but what I call Knowledge and what you call Knowledge, is not the same Knowledge, or this World would be different, it would not allow the Buying & Selling of Souls or Treason.

To build your own Knowledge base, take all the important things in your life, and make a list of them, Freedom being at the top of my List, what does Freedom mean, well it means Free, that is the prefix for domain, and if your basic needs for Power, Food & Water are not Free, you do not have Freedom, instead you have Freedumb, and the reason is simple, Satan, who is a Person who tells Lies to Deceive you, gets you to believe you have the Right to Believe what you want, and if you Believe you have a Right to Believe what you want, you are Satan, because what you agreed to is called Insanity, like Satan it goes by many names, but is basically the Belief in things that are not True, or do not Exist since they are both the same thing, anything that Exist is True, at least its Existence is True, but not with a Deity-God that you can FOIA and ask if that God Physically Exist, and they will tell you “No”, you can FOIA and ask if God Exists in Einstein’s Theory, and they answer “No”, proving your Right to Believe what you want, and push that Belief System or BS off as the Truth is called Satanic.

How we view Knowledge, defines what type of person you are, if I tell you God is All Light without Darkness, and that is what every Torah and Bible ever written said, you would have to admit it is correct that it says that, but is it true that is God, and where Trinary Science comes in, it teaches you Trinary means 3 Logical State Changes in Atoms, and under an Electron Microscope you can prove all Atoms have those 3 Logical State Changes, so you know that it is a fact that it is described by Trinity, the Father is the Positive 1, the Son is the Negative 1, and the Holy Ghost Spirit of Mother Nature is 0, so the Trinary Math $(+1) + (-1) = 0$ is correct, so your Knowledge of what is true is now expanding, after 16 Steps you should understand what is the Truth, and what are the Lies, and why People Lie to Deceive you, and that is all Satan is, not the Version the Church tries to Sell you on, the Torah only said Satan was a Liar trying to Deceive you, and if you took the Mark of the Beast known as a Sheep like Ewe, than you need to reevaluate your life, and determine if you want to be someone like ewe, or if you want to be someone you know only knows what they can prove is the Truth, and have no Rights to believe in Liars, and no Right to believe what we want, since that means we can believe in Lies, and become a Liar, and that is all Satan is, and all Religious People are, and if that Offends them, or you, than what to you want me to say, I am Sorry for you if you feel that way, but that makes you a ewe, and you should be the one who is Sorry.

I must apologize if my Knowledge offends or insults anyone as an Individual, such as you the reader, you need to understand that I am playing the Part of Jesus Bar Abbas in the Torah, and therefore, I must stick to the script somewhat, but unlike Jesus Bar Abbas, I have no intention of going to War with the Church or the Governments they Controls, that was never Jesus's part when Jesus Bar Abbas's Memories are Resurrected, those that know the Torah know the Story, if Jesus comes back 100 years before the End of Time is Completed, and everyone is Satanic, Jesus was just there to tell you why all of you are about to go Extinct as a Species on this Planet called Earth, and this Knowledge is easy to prove, just ask NASA, they tell you on their website that we have a 96% chance of Impact with Earth, those that survive this, will have to deal with what NASA confirmed is a Polar Reversal, that means our North Magnetic Pole will cross the Equator in 2033, NASA does not say what will happen, you can ask them and see what they say, but I would say proving this is simple, what do all Electromagnetic Fields do when they Reverse, they Collapse, this is a fact, so understand this from my point of view, you are all dead by 2061, when the End of Time completes, I have a Theory that it will Ring like a Bell, just like the Moon, so I do just tell it like it is, and really do not know any other way to tell His-Story, and after thousands of years of hunting down and murdering Witches & Wizards, who I consider my Kind of People, those that have IQ's you can verify are over 180, and you can FOIA my ASVAB scores for Mechanical, and knowing they are always Autistic in some Spectrum, the ones I write about are in the High Functioning of Autism known as Aspies, and we are known to be Insensitive to how we present facts, and this is mainly because we tend to go for Information overload, and try to tell you so much stuff it just overwhelms your mind, and if these are new concepts your Mind can snap, we all have a point where we fill like just one more thing and that is it, well Aspies dump all that on you in the first sentence, and are continuing to dump and endless supply of facts into your Mind, such-that you are in the Information Overload situation from the start, people like me read sets of Encyclopedias before going to Kindergarten, and beyond what normal people can learn by the 3rd Grade, so we are not right in the head to begin with, so we do not feel the need to Apologize for our behavior, we think we are the ones that are normal, and all the rest are retarded, much like a Sheep, with no common sense, all because the few cents they have were spent committing Treason, in this 3 Act Play, I am a Military Dog, and Ewe are Sheep, and it is the Dog's Duty to Guard this Flock of Sheep, and whom I am really venting all my frustrations out on, sometimes I do not write ewe, or even yew, the Tree known as Taxus, but I really mean to, but that gets old for you the reader, for example, if I say ewe are stupid, you should not take that personally, unless you are a ewe, but Torah said in Psalms 23, that only Sheep Follow a Shepard through Green Pastures, so you are a ewe if you identify as a Sheep, and therefore take the Mark of the Beast known as Ewe, and the Church knows this and why they Murder all the Witches & Wizards, and why they demand you Murder all those that do not believe like Ewe, so must of what you take as me insulting Church Members, it is actually the Torah that is, and I am just paraphrasing what the Torah said, and that offended you, and why I might not Apologize since I was only telling you the truth, how you handle it, is really your problem, just understand I did not try to deceive you, I just tell you what you can prove yourself, is the Knowledge based on Truth, and I only wanted to Offend Ewe and Yew, but not You, and why you need to understand Witchcraft, so you do not get Offended.

In Life, there is only one type of Knowledge you need to know, and that is the Knowledge of Life, people believe they are still good people, even though I have proven to those who were or are Religious, that transforms you into a Sheep like Ewe, that is the Knowledge of Life you need to learn about, not Mainstream's version of Legalized Insanity known as Treason, that I am a Military Dog barking at Sheep.

We, humans, have many types of Knowledge, and many types of Truths, and I am just like most people when it comes to how we deal with our Knowledge and Truths as if they are separate Entities, we tend to believe we can separate our Emotions from our Knowledge or our Truths, and this is when it becomes clear that our Truth is not in our Knowledge, nor is there any Knowledge in our Truth, because we all know Mainstream Knowledge has no Truth in it, and if that is your only source for Knowledge or Truth, you will not find either of them in Mainstream Science or Religion, or anything that is Mainstream that is true since it is all Lies, Knowledge is what we proved to ourself is Truth, so my Truth is in my Knowledge, and the Next Step is 18, that is when you become an Adult in the United States of America, and become Legally Guilty of Treason, and $1 + 8 = 9$, so it is time for you to understand what an adult should know, by the time they are 18, but different countries have different ages when people become an Adult, and the truth is, that people may grow older, but may never become an Adult, and that is because Adults are not supposed to Lie, proving there are no Adults in the United States.
