

Step-14: Timeout

The End of Time will happen on 14 January 2033 at 6:32 PM Pacific Standard Time, whether our Calendar is Accurate or not, we will find out what the Real Date and Time is, but that is when we are out of Time, so we need to take a Timeout and talk about this.

People need to take a Timeout and think about what the Torah said about God Being All Light without Darkness, and think about the fact it takes Electricity to make Light, maybe it is just me thinking Logically, but People Buy & Sell Electricity by the Kilowatt, knowing they are Buying & Selling God, and since we know our Brainwaves are Electricity, we know that is our Soul, so take a Timeout and understand what your Soul is, and think about if you want to Sell your Soul to Satan, spending All Eternity in Hell, so take a Timeout thinking about your Afterlife, most people believe that when they die that is it, you are your body and die when it does, or ^{Heaven}/Hell, but I do not believe that based on Trinary Science, which is based on God being Trinary or Trinity, so it is God Science, and the Torah spent a lot of time talking about the Afterlife with God, but it is not the Afterlife Religion sold you on, that is called Satan making promises, which has no bases in reality, you were promised you will be reunited with love ones, I see no reason to make stuff up about the Afterlife, as Electricity we have no concept of our Body, we can be born into any body, and that means Insects, Animals, Plants, and inanimate objects, where ever our path takes us after we die, is where we go, we would be aware of our surroundings, but not as Humans or any other life form would be aware of their surroundings, as Energy we do not feel pain like other lifeforms, I can imagine being send down from Heaven as Lightning must sting a little bit, and is not as fun as it might sound, if it was they would not call it Hell, and people would live a life without sin if they wanted to live in Heaven, so keep in mind that God is everywhere since God is all Light without Darkness, God is our Universe, and everything in it, including us, and why I believe we have an Afterlife as Electricity, and like Nikola Tesla said, we are Light Beings, and the Light is Everything, and I imagine Tesla Being Ball Lightning up in Heaven, that is the Afterlife he wanted, as do I, and why you should take a Timeout and reevaluate your life.

If you take a Timeout to try to understand the Trinary Universe, you understand it is not complex, anyone with a high enough IQ to understand Trinary Science, knows it does not take that many IQ points to understand Trinary Science and the Trinary Universe, God is All Light without Darkness found inside all Atoms, God is Electricity that is used to make Light, as is our Soul, and the Math is very simple: $(+1) + (-1) = 0$, we only need to know that this is a Truth Function and can be graphed to look like a Sine waveform, and is the bases for Calculus, and you do not need to know Calculus to understand it is Math based on Sine waveforms, using these waveforms we can calculate the volume of a Bottle, using very short waveforms, we can measure their wavelength to determine how wide a Bottle is at all points, and do some Calculus to figure it out, not too complex once you understand the concept, proving that Trinary Science is something most people can understand, whereas Einstein's BS is so Complex no one understands

it, because there is nothing to understand, Einstein removed God thus all Light without Darkness found inside of Atoms, proving that in Einstein's Alternate Universes in Alternate Realities has no Atoms in it, nothing exist in all those Alternate Realities, and why is simple, God is Light, and Light is Everything, without Light you have nothing, and why Stupid People say they understand Einstein's Theories, but we all know there is nothing to understand about Stupidity, the Thief in the Patent office as Tesla called him, and said Einstein like Plank, ignores the Light, making Einstein's Science, the Science of Stupidity, so take a Timeout and do a brain dump of the Stupidest Science in the Universe, so you can learn the simplest Science in the Universe, and this is Trinary Science, based on God who is all Light.

The Human Race needs to take a Timeout and try to understand that they have been Lied to for two thousand years, and all because of the Church and their Totally Satanic ways, its Members have to take the Mark of the Beast known a Sheep like Ewe, proving they are Totally Satanic, getting them to believe their Soul does not Physically Exist, just like the Deity-God that does not physically exist, proving how Satan Lies to you, just so they can get you to Buy & Sell Souls, no other reason besides getting paid to Alter Boys by Altering the Torah, they took over your Governments and started committing Treason, these Religious People, and really you cannot call them People since they took the Mark of the Beast known as a Sheep like Ewe, and why I call them Sheeple, so the Human Race needs a Timeout to rethink their existence on a Planet that is about to vent its Atmosphere into Space, and if you think this will not happen, it is because you believe those Lies about Gravity being Centrifugal Force, this is too Stupid to contemplate, as stupid as our Magnetosphere is Generated by the Iron in our Earth, Stupid People only know Stupidity, and they believe it, proving they are Insane, the Belief in things that are not True, we know after a Century of Studying our Magnetosphere, NASA said our Earth is not Slowing down, yet our Magnetic Strength is decaying at 5% a Century, confirming what Newton said, that in 2061 our Magnetic North Pole will be at what we call the South Pole, to believe nothing will happen is just Stupid, we know for a Fact all Electromagnetic Fields have to Collapse when they reverse polarity, we can prove this, and know there is no other way it can reverse polarity, it can not be both Positive or North and Negative or South at the same time, and that is what is going to happen when it crosses the Equator in 2033, at the Equator our Magnetosphere will be at Ground Level, meaning 0 Energy Level, our Magnetic Decay rate will start to accelerate the closer we get to the Equator, and it will reach 0, this means our Magnetic Energy will be gone, like an Electromagnetic that has had the Electricity removed, our Gravity will be gone with it, considering God is the Force of Gravity, and that Force will equal 0 at the Equator, so not only are we going to lose most of our Atmosphere, not all of it, it will only vent for $\frac{1}{137}^{\text{th}}$ the diameter of Earth, which works out to 6.66 minutes, in which time our Elevation from ground will be lowered to what we have at 33,333.333 Feet, that is like being on top of Mount Everest, and that is our Future for a long time, it will take hundreds of years for our Atmosphere to replenish, all Plant life will go dormant, CO2 levels will increase, it will be difficult to live on the Surface of this planet for hundreds of years to come, and it will be getting cooler for the next 100 years, rather than warmer, the Earth will freeze to its Core if there is not enough Oil I call the Blood of

the Planet, to keep it warm so it will not crack like Ice and break up into chunks, this is known as going Nova, and will happen or not in the year 2103.

If you want to believe in Einstein's Theory knowing it has never been Proven in over 100 years, you might want to take a Timeout and check into a Mental Health Clinic for a long stay, long enough for your Insanity to be cured, maybe Electroshock Therapy will put God back into you, you need to take another Timeout, and rethink your view of Science, knowing that the Church has been pushing a Deity-God that does not Physically Exist, and pushes Einstein's Denounce Theory that proves God does not Exist, proving Mainstream Religion & Science does not believe that God is All Light without Darkness, so they do not believe in the Torah since that is what it teaches God is, but Religion is not about God, it is about Worshiping Satan, also known as Money, and that Money is Treasonous, and you can Legally be Executed for Treason, proving Money is the Root of All that is Evil, and we know Evil is just a backward Spell for Live, and Evil is something you do not require but cannot live without it, like Food & Water, if you die because you cannot pay for it with Money, then that proves Money is Evil.

Timeout is what you say when you want someone's Attention! Yet few of us take this Timeout, to really take the Timeout to have a Timeout, and all because when they were Children in School, you were taught nothing but Lies, and was told in the Torah, I do not like to use the Term Bible since I am an Ashkenazi Jew, and anything based on the 4th Century Lie, is Satanic, that is what that word actually means, Evil backwards of Live, Poison Kills, therefore Evil if it Kills, but harmless if you do not use it to Kill, it is a Potion, and Witches & Wizards are known for them, so why is it the Church and all its Army known as Sheep like Ewe murdered or discredited them throughout History, and nothing will ever change, those that are Evil, believe in a Deity-God they call God, not understanding they are lying if they do not add the Term Deity to it, and why Ewe have to believe Ewe have a Right to Believe what Ewe want, and that is true, but you do not have any Rights, since you have none, not in any Government considering they are all just Franchises to the Federal Reserve and it does not matter where you live on this Planet, that is Treason, and you will demand Justice in Courts you know are Enforcing Treason, what would be the point, unless you were trying to make a point, a rhetorical remark to you the reader, who should think about what you do, knowing if you follow the Treasonous Laws you are Committing Treason, and if you do not follow those Treasonous Laws they will throw you in Prison, and the truth is you, like Me, or Meat known as Flesh, was born into Slavery and never knew what Freedom was, all you and I see is Treason, and since we know we are Servicing the Loan Congress took out as a Loan we better know as our National Debt, no matter where you live on this Planet we call Earth, so if you are going to allow me to ask you to take a Timeout, I should at least make a point, or this was all just Pointless, which was always my Point, I am just going to sit in front of a Monitor till the Sky Falls in 2027, and hope I survive that, so I can be there in 2033 when our Atmosphere vents into Space, maybe then would be a good time for a Timeout, all because Children never liked Timeouts, we were raise with lies only Satan would tell, so who did you think Conquered you, your Friend, you are just a Number to the Bankers

System, and nothing but a Net worth to them, and why they are not telling you the Sky is Falling and the End of Time is near, that sounds Crazy even to me, Jesus back in the Flesh, Right, rather be Left.

The Truth is only what you can prove, so please do not use the Internet to try to prove anything I say, you need to use their Laws, but not to get them into Court since they own them, and we all know they are Enforcing Treason, which is a Crime much worse than just Treason itself, you were force at Birth, so we are Grandfathered in, meaning we can Blame them for all this Treason, but mine warned me, they were born into also, so this Treason goes back 160 years, and shows no sign it will end till the End of Time, and that is in 2033, just another Decade from the time I wrote this in 2021, and in 2027 the Sky is Falling as a Near Earth Object known as NEO, is going to impact the Planet Earth we all live on, and this is a Life Extinction Event in itself, so prove this to yourself, go to NASA's own website and search for such events, grant you they call the End of Time a Pole Reversal, when our North Magnetic Pole crosses the Equator in 2033, and if you live in a Country that has something like a Freedom of Information Act, AKA an FOIA, so you are getting your information directly from the source, and not the Internet in General, but via it in a direct manner no middle sources that an rewrite History, but never take anyone's word till you prove you can trust them, and you can FOIA Medically Retired United States Air Force Staff Sergeant Jeffrey Scott Flesher, if you want to know my IQ ask for my ASVAB Scores in Mechanical, then look up what 99% means, which is over 180, just facts, the Riverside Newspaper reported my Father had the Highest Recorded IQ at that time, when he took the Test in High School, my results were hidden by Masons since the 3rd Grade, but I cannot hide from my ASVAB scores, what else do I say that you want to FOIA, the Franchise is the Law, I told you that in prior Steps, SUBCHAPTER IX—POWERS AND DUTIES OF FEDERAL RESERVE BANKS and Executed Executive Order 6102, FOIA any questions you have about those Laws, and Site the Law you are using, the US CODE of FEDERAL LAW TITLE 12 CHAPTER 3 SUBCHAPTER 9 SUBSECTION 341, Constitution states Only Congress Prints Money, Prove-it.

All Religion is the same, regardless of how anyone views it, it is all a Lie, the Torah is what all Religion is based on, and we know for a Fact the Torah after the 4th Century was Altered to insert Jesus Christ to make only the Love of Money Evil, and to make Jesus Bar Abbas out to be the Bad Man, for saving people from the Roman Empire who Forced their Money on the World and made them believe it was Legal, knowing the Torah before the Church decided it wanted to get paid to Alter Boys, and push Money and Treason, and the Torah in the 3rd Century did not allow the use of Money at all, it was a Crime, the worst of all crimes, and it is clear the Church and its Members of Sheeple are the cause of all this Crime, they are a Criminal Syndicate that Worships Satan by calling Satan a Deity-God, so take another Timeout to deal with the Treasonous Traders, but if you follow their Treasonous Laws you are committing Treason, so let us all take a Timeout and understand this, you cannot take back the United States Constitution, it was Abolished 100 years to the day before I was born, that would be 14 January 1861, the day

Abraham Lincoln committed Treason and gave the Country to the Federal Reserve, who prints all the Money in the World from what I see, they had a Trial and Lincoln lost, but the Police & Military took over and started Enforcing Treason on a Nation of the Stupidest People ever born, they did that for the cost of a Statue and later a Monument erected by the KKK, so what does that say about Americans is not really a question but a statement about how Lincoln was, but some People are just Sheeple, meaning Stupid Sheep People, combined into one word known as Sheeple, Powers that be "Own" the News Agencies, and Public Education Systems, they own Hollywood, and get everyone that works for Money to Lie for Satan, and keep in mind that in the 3rd Century Torah, Satan was a Person who only tells Half-Truths, for example, God is the Truth, God is All Light without Darkness, and we know for a Fact is inside all the Atoms in the Universe, and that Physically Exists as the Light you cannot see for many reasons: Cosmic Radiation, none visual spectrum of Light, and Light that is so far away you cannot see it, but know it is there, as well as the Light you can see, so it is Clear that Light without Darkness is all God can ever be, all of anything is everything that can be, and the Torah said never make into God anything God is not, it also said Jesus Bar Abbas the Leader of the Militia that IAM the Leader, would return 100 years to the Day, which is 14 January 1961, at a specific Time which is 6:32 PM Pacific Standard Time, Place is Corona, as in the Virus that Infects your Flesh, and known Mother Mary's name, as well as the name this Child would be given, which we all know is "Flesh", so I will try to explain these Steps, one Step leads to the next, for a total of 33, in two series that is 66 Steps, as an Ashkenazi 32 Degree Mason, I know the 33rd Degree is that it stops at 32, above that is layers of BS, too deep to walk in, so I will not go there, all Degrees start at 0, so 32 is 33 Degrees, and why all my Steps start at 0, so let me tell you the difference in the Torah after the 4th Century, and that of the one before it, and keep in mind someone owns all the Canons in the set that either the King owned, or Nikola Tesla owned, since he was the last to own the set Sir Isaac Newton got from Galileo Galilei, who got it from Johannes Kepler, who got it from Tycho Brahe, and to be clear, he is the Key to the Ashkenazi Masonic Order since he started it, and they are the Militia, and this is Reality, whereas Religion is about Money & Laws, coming from the Torah Newton proved was altered by comparing actually 3 sets, one the King owned was from the 3rd Century, as was the set Newton owned, but there was yet another set that Edmond Halley had access to, it was written in the 2nd Century, and was said to be very fragile, I do not mention it much because I cannot prove this story to be the truth, it was a note I found in my Cousin Isaac Newton's collection I inherited as a child, and my main source for my information, but it is Public Domain about Sir Isaac Newton proving Jesus Christ was inserted into the Torah in the 4th Century, and that the Knights Templars were paid to hunt down and burn all Torah's written before the 4th Century, this is known as the Witch & Wizard Hunts, where they burned anyone found with the wrong version of the Torah, in the fire they burned the Books, or Canons in, this is known as Sending them to Hell, as such, understand that Jesus Christ did not physically exist in History any-more than a Deity-God, so this is where Satan comes in, the Person who tells Half-Truths, the True part being it is a lie, Jesus Bar Abbas was Militia, as am I, but I am also Medically Retired Air Force, from Computer Test Stations for the (E) F-111 in Mountain Home AFB, to Air Rescue in the 66th RQS at Nellis AFB to Kuwait and back, then on to Special Operations with the 31st Black Knight Squadron in Korea, as a Helicopter Crew Chief, so do not be disappointed I am not Jesus Christ and want to preach Money & Laws we all

know is Treason, that is your Deity-God you call God, proving you are a Liar and only Satan lies, so I want to take a Timeout, just to let you know, I only use one Period in a paragraph if it is needed, because to Me, which is short for Meat, we call Flesh, but that is my Legal Name, and what Confuses you, is the Nature of this Game, so let me introduce myself, IAM a Man, of 6 Decades, I was around 100 years before the End of Time, just to tell you this Story one more Time, so pleased to Meat Ewe, won't you guess my Name, so have some Sympathy for Satan and all Satan's Criminals, who got you killed at the End of Time, the Next Step is 15, where we talk about a Society, and I hope you guested my Game, it is to get you, to read the Next Step, IAM the Light, IAM the Darkness, IAM every shade of Grey in between, IAM the Light Wizzard in the Flesh.
