

## Step-31: Mother Nature

The Torah talked about the Holy Ghost Spirit of Mother Nature, the Science behind Mother Nature is called the God Equation:  $(+1) + (-1) = 0$ , and is graphed as below:

The Torah wrote about Trinity I changed to Trinary to remove Religion from Science, because Sir Isaac Newton hated the Teaching of a Deity-God and Jesus Christ. The Father is the  $(+1)$  the Son is the  $(-1)$  and when they are equal, that is where the Holy Ghost Spirit of Mother Nature comes in, this is also known as Ground, which is known as Earth, which is known as Mother Nature, which is also known as Mother Earth, so the Torah was talking about Science.

To view Science the way the Torah explained it, you have to think like someone who has Autism, they normally always take words and spells at face value and do not read into what it has to say, so when the Torah said God is All Light without Darkness, people like myself, an Aspie, know that God is All Light without Darkness, we do not read into anything since the Torah told you not to make into God anything God is not or you are Satan, and since God is All Light, God can only be Light, and we all know the Darkness is the Colors of the Rainbow found in White Light, so we do not need to make into God a Person who has only Light or Good in them and no Darkness meaning Bad or Evil, that is something only Satan would teach you, that is called making into God something God is not nor ever could be, God may have created the Universe and everything in it, but did so as All Light without Darkness, and few Sheep can wrap their Satanic Minds around what the Torah called God, and why they are all Satanic for being Religious or believing God did not exist, which are both the same concept about God, since not only do Religious Sheep believe God does not Exist by pushing the Denounced Science of Einstein, they believe God does not even Physically Exist, thus adding Insult to Injury, Denouncing God's Existence, which is the Worst Crime against God, proving that everyone on this Planet is so Satanic they will never be able to view God the way the Torah described.

People that deny Mother Nature was once part of Trinity are what the Torah calls Satan, meaning a Person who Lies to Deceive, the Torah says there are many types of Lies, we know them as White Lies, Honest lies, Ignorance, Stupidity, and the list goes on, we all know the Torah could not have been started till after the 4<sup>th</sup> Century considering most of the Cannons are Thousands of Years old, proving that claim is false just from the physical evidence, proving the Church, and everyone on this Planet is nothing but Satanic Liars, meaning Lies told by Satan.

Those that were taught Satanic ways only know Satanic ways and why everyone on this Planet is Satanic, and I do mean all of them that use Money, or are Religious, the Torah said they took the Mark of the Beast known as a Sheep like Ewe, who Buy & Sell Souls, that are Light made of Electricity, proving everyone knows they are Totally Satanic since they know for a fact the Torah said God is all Light, so you know you are Buying & Selling God by the Kilowatt, and do not tell me no one on this planet since Tesla had an IQ high enough to figure out what those words mean, unless everyone born since Tesla was just retarded, there is no other Explanation for the whole Planet Serving Satan, and pushing a Deity-God off as God knowing the two are not the same, proves everyone knows this and is serving Satan of their own Freewill, and this has been going on for over two thousand years so we know no one has Ascended to Heaven with the exceptions of Witches & Wizards that told everyone about the Light of God, this is not my Opinion but what the Torah wrote was the truth about those that Serve Satan.

To fully understand what Trinity known as Trinary is about, just open any Torah, Bible, depending on what Faith you are: Christian, Jew or Muslim, who all believe in Killing the Goyim or Infidel, but the Torah told you anyone that uses Money is Evil since Money is the Root of All that is Evil, if your book inserted only the Love of Money, you need to take into account what Love means in terms of Loving Money, the Torah, meaning what every Bible you read, told you to Love one another as you would want them to Love you, this means Love only applies to those Lifeforms that Live and Die, and not to objects such as Money, so we can all agree Love is not an Affection you can actually show and inanimate object that has no clue you Love it since the Torah said Love is something you show each other, I am sure it did not mean to have Sex with them, only Satan would believe that, so you have to understand the Torah said Money is Forbidden, as is anything that is Evil, meaning you cannot Live without, if you cannot afford to buy Food and Water you will Die, that means Evil, the Opposite of Live, proving the Torah said that Satan would get you to use Money to Kill those that do not believe God does not Physically Exist or Exist at all, and that means the Church is teaching only that God does not Exist as Light, and all Religious People or Sheep, meaning Sheeple, believe God does not Physically Exist, and those that do not believe God exist, are the same as those claiming they do, but in reality they are saying they do not, let me give you an example, I have a Widget, it does not matter what that Widget is, since it can be anything, a Widget is a name you give something that you do not know its name, so a Widget by itself does not Physically Exist, therefore it does not exist, it could not Exist yet Physically not Exist since Physically existing is like saying it exist as this Widget I have in my Hand, and just do not know the name of it, so if God is a Widget, and you believe that Widget does not exist knowing that Widget is Light that Physically Exists, therefore God is just the name of all the Widgets with no names, like a Horse with No Name, God is Everything.

The truth about the Torah is that it knew all this, proving it was written by a race far more Intelligent than exist today, if it turns out to be true that the only reason I was Intelligent enough

to figure it out, is because Intelligence ran in my Family, my Father had the highest recorded IQ, in Corona where I was born, when he was tested in High School, my own was recorded over 180 by the 3<sup>rd</sup> Grade, and my Military ASVAB Score for Mechanical is 99%, meaning my IQ is over 180, and why I got so many Awards and Medals in the Military, and not Medals for anything trivial, like improving the (E) F-111 by 30% and bringing it online a year in advance, just in time for the Gulf War where it flew over 96% of all the missions, the reason I mention this is in case it turns out to be true, that my IQ is why I could figure out a lot of things in my 60 years on this planet, this lifetime, and as you know Jesus Bar Abbas was also the Leader of the Militia, and was talking about rebuilding the Great Pyramids, so he was more advanced in Science then we are today, he was an Engineer, he was a Wizard, but what you need to know is that, the Torah told of technology we do not have today, UFO's are shown in many pictures, Pyramid Shaped Aircraft that show Jesus Bar Abbas was making a Deal with them, and one of the reasons the Church had the Roman Empire Murder him for Money, the Torah said Jesus said, that these people who wrote the Torah, flew around in Aircraft that could fly into the Ocean at a very high rate of speed, Admiral Byrd wrote about it, my Grandfather Herbert Walter Flesher, a Navy Engineer who met my Grandmother Eula, while working at the Pentagon designing Swept Wing Aircraft, the same type her Son would later build for General Dynamics, the same (E) F-111, I got a Medal for during the Gulf War, where I later served there in Air Rescue as a Helicopter Crew Chief, where I learn more about what was going on in the World.

Admiral Byrd wrote that he saw one very large flying Pyramid, and out of it came a Spherical Ball, which fly around his Ship, a United States Navy Ship, and several people on board reported hearing voices in their thoughts, not so much their head, no one reported hearing them in their head anyway, it was more like they were thinking thoughts they knew came from this Aircraft that could Fly into the Ocean at a very high rate of speed, and come out at that same speed, as if to show them what they were capable of, and the Navy did not have any aggressive behavior to them during this whole experience that took place over an hour, before it went back into the larger Pyramid Shaped Ship, and flew into space and disappeared.

Admiral Byrd is best known for the Hollow Earth Theory, he wrote about Science that made my mind race as a child, he is a very Intelligent person, with a lot of Honor and Dignity, a Hero of mine as a child, and Medal of Honor recipient, and still to this day is a Hero, he said that over the next few months several people on board reported strange dreams they believed were related to those strange thoughts they had during the encounter, one underlying thought was that our North Magnetic Pole was going to head South in the near future, this was around 1930, but most of the reports indicated our Atmosphere will Vent and everyone on the surface of the Planet would die, a few reported verses from the Bible or Torah, not sure which, but it was clearly about Trinity, he wrote that just before the Father has a Son, the Holy Ghost Spirit of Mother Nature would wipe all life off this planet, and that is out of the Torah and Bible both, so it did not matter, and this scared him and his men, they all talked about the End of Time Newton had Calculated in 1666, so they knew what this meant, our Magnetic Strength that Newton & Halley

wrote was decaying at a constant rate, going back in Ship logs to the year 999, when they first started to record them, and since that time NASA did a study of our Magnetosphere over a Century, and determined Newton was right, and it has a constant decay rate of 5%, and that our North Magnetic Pole will cross the Equator in 2033, proving that Newton was right and soon our Atmosphere will vent into Space, and we have been warned that this event will take place.

Once you understand the God Equation:  $(+1) + (-1) = 0$ , you will understand what Admiral Byrd wrote about, the Father is  $(+1)$ , and Matter, our North Pole, is our Magnetic North, North is Negative and South is Positive, so the Northern Hemisphere is Positive, it is pointing toward Negative, and therefore our South Pole, like a compass our Magnetic North Pole points to the South Pole, so not to confuse you, what we call the North Pole, is our North Magnetic Pole, a Compass always points North, because it always is attracted by the opposite Polarity, meaning our South Pole is our Magnetic South Pole, and the Southern Hemisphere is Negative or  $(-1)$ , which is Antimatter, and our Equator is at 0, so as our North Magnetic Pole is moving towards our Equator, our Magnetic Strength will decay to 0 at the same time and rate, there is a one to one relationship, because we are talking about the Graph above,  $(+1)$  is where the North Magnetic Pole is, so the Father is moving towards the Holy Ghost Spirit of Mother Nature, or 0, looking at our God Equation:  $(+1) + (-1) = 0$ , it is clear that when they are equal they are at 0, in terms of an Electrical Sinewave, the same is true, the top half is Positive or the Father, and the lower half is Negative or the Son, so in terms of Electrical Energy our North Pole is moving towards 0, when it reaches it on 14 January 2033 at 6:32 PM Pacific Standard Time, its Energy will be at 0, and as we all know that is the Holy Ghost Spirit of Mother Nature, and why the Church removed Mother Nature from the Torah, so you would not know this, but Trinity makes no sense without Mother, it is the Father, Son and Mother, another 4<sup>th</sup> Century Lie.

If you go back into the History of the Torah, you will find out they removed everything to do with Astrology, the 12 Signs of the Zodiac were replaced with 12 Disciples that never physically existed in history, Sir Isaac Newton proved this took place between the 3<sup>rd</sup> and 4<sup>th</sup> Century when the Knights Templar and the Church Members known as those Religious hunted down and murdered all the Witches & Wizards throughout Time, all to hide the fact that Jesus Bar Abbas did not allow Money & Taxation, and defeated the Roman Empire for 3 Hundred Years before the Church and its Armies forced Money & Taxation on the World, by getting them to take the Mark of the Beast known as a Sheep like Ewe, and it does not take a high IQ to figure that out, anyone that follows out of the closet Gay Pedophile Green Pastures is a Sheep, dress up like one and you would be known as a Wolf in Sheep's Clothes, and both are Beast, and this is all about bringing Money back as a form of Slavery, those that do not have it will Die, meaning Evil, and why the Torah said the Root of All Evil is Money and Forbidden, and we all know it is Treason for anyone but Congress to Print Money, but Congress was Legally Dissolved in 1933, after they Executed Executive Order 6102 Stealing all the Gold from its Citizens, putting many in prison for life for not giving it up at gun point, proving it was a Crime called Treason, making the United States into a Franchise, meaning there is no Legal Congress or Legal Presidents, just

Treasonous Traders to the Constitution, and since Treason can never be Legal, its Constitution cannot be Amended to allow Treason, and a Fake Government with a Fake Congress and Fake President, knowing the last Legal President was Lincoln who was Legally Executed by his Own Militia that its Own Police Pigs and Military Dogs, took an Oath to Defend and Protect the Constitution only allowing Congress to Print Money, and not the Federal Reserve, and why those Gay Pedophiles Altered the Torah like they Alter Boys, for Treasonous Money, that everyone on this Planet Works for, proving they are all Guilty of Treason, and will be Legally Executed when the Sky Falls in 2027 and Atmosphere vents in 2033 at the End of Time the Torah talked about.

The Church has to keep up their Lies because they are Satan, and its Members known as Religious took the Mark of the Beast known as a Sheep like Ewe, proving they are Satan, and they Buy & Sell Souls for Treasonous Money, proving they are Satan, so they will have to keep up their Lies, because Satan only Lies, and only knows Lies, and therefore will only tell Lies, and nothing anyone can say will change their Mind, because it belongs to Satan, so never expect the Church or its Members of Religious Sheep, and their Police Pigs and Military Dogs, who all Commit Treason for their Satanic Deity-God known as Money, the Root of All that is Evil, because you cannot Live without it, proving that it is just used to Buy & Sell Souls.

When you want to talk about Real Science, the Torah is the only source of knowledge you need, it is more advanced than anything being Taught anywhere on this Planet at this time, it is known as Trinary Science, I would have called it Trinity Science, but Newton hated the Teaching of Jesus Christ, being Antichrist, so I changed Trinity to Trinary to remove Religion from Science, and it is based on the God Equation:  $(+1) + (-1) = 0$ , where you have the Father, Son, and Holy Ghost Spirit of Mother Nature, and why the Church Removed Mother Nature from the Satanic Version of the Torah written in the 4<sup>th</sup> Century, is because then you would know God is Mother, and in Math the Number 0 represents God, and 0 is a Female Symbol, and Gay Pedophiles wanted to keep this all a Masonic Secret, so they can get retarded People to take the Mark of the Beast and Murder in their Deity-Gods name, and you know they are Liars about worshiping a Deity-God by calling it God, which is a lie only Satan would tell anyone, so the last two thousand years has all been about the Church getting People to take the Mark of the Beast known as a Sheep like Ewe just to get you to use Money the Torah Forbid, want proof they are Satan?

The Church & its Religious Sheep, Governments, Police Pigs, and Military Dogs all Lie about Money being Treasonous, by allowing the United States to become a Franchise to the Federal Reserve, this is the same as a Circle-K, so it is just a fact all the Americans Guilty of Treason are OK with this, and since you know they Lie about Treason, and you know Treason is an Unforgivable Crimes without Statue of Limitations, and can never be made Legal, nor can you Amend the Constitution to allow Treason, proving all these Satanic Organizations are nothing but Organized Criminal Syndicates, that is using Nuclear or God Bombs to Enforce this Treason, proving that is Blackmail and therefore a Crime only Criminals use and you know they are not

warning you about the Sky Falling in 2027, or the Atmosphere Venting at the End of Time, knowing this is the Science of the Torah the Church Altered, so they can get all of you to accept Treasonous Money as Payment for your Soul to Satan, who is going to allow all of you to just Die on the surface of the Planet, while they move underground, to Underground Cities built only for the Rich & Famous Satanic Liars that never told you any of what Kepler, Newton, and Tesla told you the Torah told you was the Truth about Science, all to send your Souls to Hell for your Money they used to build their Underground Cities, and why they Fake Events like 911, and the Corona Virus knowing that the only one talking about Jesus Bar Abbas coming back in the Flesh was born there, since Sir Isaac Newton, telling you the same Story right out of any Torah or Bible written in any Century, and I do not mean to leave the Muslims out of this, but like all Jews, they believe in Slavery, and Teach that Allah is a Deity-God that Worships Money, much like all Satanic Sheep who took the Mark of that Beast for Money they will Die for, all because they will never believe Jesus Bar Abbas came back in my Flesh, to tell you His-Story, but only Satan exist at this time, and Satan only knows how to lie, only knows lies, and will deny everything I have had to say just proving they are Satan, because the Torah told you only Satan would tell Half-Truths, the part that is Truth is known as a Lie, and you all know who is the Liar, and it was never Kepler, nor Newton, not even Tesla, and we all know it was not the Torah, and that is all I talk about, so it is not Me in the Flesh, which is also my Legal Name, I can prove this is all the truth just by explaining the Facts, everyone on this Planet works for Satan, took the Mark of the Beast known as a Sheep like Ewe, and committed Treason against the United States of America, by allowing the Federal Reserve to Print Money instead of Congress, these facts are not Theories, nor are Theories a way of Explaining Fact, it is all because those that want you to believe you have a Right to believe what you want, know that is the only way anyone can believe in Lies, and the Torah told you only Satan would lie to you, and this is Proof who is the Liar, it is all of You, and not one of you will ever believe that I could be Jesus Bar Abbas back in the Flesh, but the fact is, IAM the Light Wizzard in the Flesh.
