

Step-27: Higher Power

The Higher Power the Torah spoke of is Electricity that is used to make Light, most people believe it means a Deity-God that does not Physically exist, and their science based on Einstein that took God or Light out of all his Alternate Universes in Alternate Realities, to get People to take the Mark of the Beast known as a Sheep like Ewe, fooling you into believing your Soul is not Light, to get you to Buy & Sell Souls with no regard for our Afterlife, just so you can make into God something God is not, proving you are Satanic if you do not believe what the Torah called God, which is All Light without Darkness, and it takes Electricity to make Light proving beyond a shadow of a Doubt that the Higher Power is Electricity, so if you know a Satanic Sheep known as anyone Religious, ask them if God is the Higher Power the Torah was talking about, if they do not believe you, plug them in till they do, you have to shock God back into their Satanic Soulless Body, trust me, after they have a Heart Attack, they will want you to use a Defibrillator or Higher Power Machine, to Shock the Light that went out in them, back into them, and we all know this is the truth about a Higher Power.

The Torah says not to make into God anything God is not, and defines God as All Light without Darkness, and we know the Darkness is the Rainbow of Colors in White Light, so you cannot have Darkness without the Light, as such it takes Electricity to make Light, and our Brainwaves are Electricity proving our Souls are too, and since this World is based on Buying & Selling those Souls, it is clear that the Torah said at the End of Time everyone is Satanic, and Evil, Money is Treason proving everyone can-be Executed for Treason, it is clear the Torah knew this would happen, and said Satan would dig their own Graves, and Underground Cities built by people who believe in Einstein, means they will not Survive, and were not built to, they were built to lure all the Satanic Sheep into a Grave, and Satan will allow all those on the Surface to Die, and will ensure those Graves will be deep enough that Satan cannot get out, all because most People do not know that a Higher Power is Electricity, just to get them to Buy & Sell Souls.

The Greatest Wizards in History are men like Kepler, Newton, and Tesla, who taught you that God is the Force of Gravity in all their Equations, not hard to do the Math, $F = MA$, where F is the Force of Gravity in terms of the Light without Darkness or God inside the Mass of Atoms times the Atoms Acceleration, and $E = MA^2$ if you want to calculate Energy, you do not need the Acceleration to be at the Speed of Light unless you are calculating the Energy of something traveling that fast, proving the Wizards knew what a Higher Power is, that is called Atoms, and the one that is the Higher Power is called the Electron.

The Torah is about Science, Religion is about Satanism, which means to believe God does not Exist, and Money is God, and all you need to Worship, Money is Satan's Higher Power, only Satan can define what a Higher Power is without mentioning Electricity they want all of you to Buy & Sell by the Kilowatt, so Satan can make Money off your Soul you Sold Satan when you

die, and your soul goes up to Heaven and Ball Lightning known as Angels, will Send all Satanic Souls back down to Satan in Hell, in the form of Lightning, and why there is so much of it after thousands of years of Humans only worshiping Satan.

Those that learn the truth about a Higher Power known as Electricity, you understand that Treasonous Sheeple Buy & Sell by the Kilowatt proving they are all Satanic, and the Torah said 100-Years before the End of Time, Jesus would return as the Flesh, and if everyone was Satanic, the Flesh was to explain to all of you, why God is about to put an end to all the Life on this Planet, Jesus told you that only Satan uses Money that is used to Pay their Armies to Murder people who did not Pay Satan's Taxes and use Satan's Money, all because it is normal to have a very low IQ and be as stupid as a Sheep for taking the Mark of the Beast you know is a Beast, proving Religious People are Satanic, no one is that Stupid.

I look around this World and only see Satanic Sheep who commit Treason by lying about everything, not just one thing, they lie about Money, it is Treasonous, and you know it is, so why Lie, and allow those that Believe they have a Right to believe what they want, knowing they have Prisons full of people who believed that same Lie that Satan tells you so you will believe in Satan, the Liar, and why no one knows that a Higher Power means just that, Electricity, the Torah was written by those who fly around in UFO's, and those in Power know this, and have been at War with them for Thousands of Years, and they have been seen leaving the Planet, a lot of activity is taking place with them lately, and no one can hide it now, they are leaving and we all know why, they know what is about to happen, first the Sky is Falling in 2027 when our Magnetosphere will be 30% weaker, giving little resistance to this impact, that will not burn up in our thinning Atmosphere, so most life will end then, those that survive that will not survive the End of Time, when that Higher Power shows you it is Electricity by reversing its Polarity when our North Magnetic Pole crosses the Equator or Ground, and our Magnetosphere collapse like all Electromagnetic fields do when reversing their Polarity, this is just Science, and why Satan only Teaches Einstein, which is a Lie, and you know Satan can only Lie.

The Universe is not how Einstein said it was it is the total opposite, Einstein could not have been any more wrong than he was about an Alternate Universe in an Alternate Reality, knowing that is not this Universe, it is clear his Theories were not about our Universe or Reality, so why is it that Stupid People believe in Einstein, just to prove God does not exist, which is what religion teaches, and why no one on this planet other than me, talk about our Universe and our Reality that has God or Light in it, that is just a Fact that proves Einstein is wrong about our Universe and our Reality since we all know it has Light without Darkness inside all the Atoms, that make up the Universe in our Reality, but Satanic People want you to believe you do not have Light in your Universe, and that proves how stupid they are, they have Negative IQ scores.

The problem with a Satanic World, is that no one knows the truth about anything, they have to Lie about Science to get you to Buy & Sell Souls, so you have a World of the Stupidest People in History, they have no common sense because they only know lies, there is nothing about their Society that is the truth, Religion is the Biggest Lie next to the Big Bang, all so people would be stupid enough to Buy & Sell Souls, that is all Satan wants you to do, so why is that, seriously, most if not all people in this World are Satanic, I have proven that not one person on this Planet can honestly say they knew God was All Light without Darkness found inside Atoms or the World would know this as the Truth, but instead they only know Lies, they only tell lies because that is all they know, all for Money, that you know is Treason.

I have told this Story to those Church Leaders, they deny it, proving they know the Truth, but are not allowed to let anyone know they know it, so they can continue to Lie, just so these out of the closet openly Gay Pedophiles can get paid to Alter Boys like they Altered the Torah, your Constitution, your Universe, and your Reality that is Satanic.

How a person can lie to serve Satan is something I will never understand, how a whole World can serve Satan, is something no one will ever understand, those who say they understood Einstein's Theory or push it, are proof that People are either Satanic or they are so Retarded and Insane, that there is no hope for the Human Race as a Species, and all get Darwin Awards for causing the Human Race to go Extinct, all to serve Satan known as Money.

People make into God things God can never be, which is anything but Light without Darkness, and People that define a Higher Power to mean anything other than Electricity is Satanic like the Torah said it is to make God into anything God is not, yet everyone on this Planet only believes in Satan, and Worship only Satan, and have for the last two thousand years according to our History, and why no one knows what God is, because only Wizards or Witches talk about God and the Higher Power, everyone else only talks about Satan known as Money.

I have seen Religious People do the strangest things, like talking in Tongues to prove they are Satan, this is very popular in the South where all the Slave Owners and Slaves Live, nowadays Color of their Skin is not what determines who are Slaves, Money does that to everyone, and they will deny Money is Evil because they do not believe in the God in the Torah, they believe their Higher Power is Money, they believe those with Money are in Power, and are that Higher Power, and why they bow down to the Rich & Famous Satanic Treasonous Liars, and we all know that all I tell you is the Truth, just like Jesus Bar Abbas, and not Satan known as Jesus Christ, those that Sold their Soul to Christ will never get to Heaven, Satan owns their Soul for all Eternity, that is the Price of your Soul, all because of Religion, proving how Satanic and Evil it is, and how Satanic and Evil its Members are, you know the Human Race deserves to go Extinct and why no one will do anything to prepare for the End of Time, they know those in Power will

murder every single one of them with a Push of a Button, and those in Power will, and we all know this, we know our Military is Guilty of Treason, we know our Police Pigs, Lawyers and Judges all Enforce Treason, so they are Satan, that is what the Torah told you Stupid Sheep.

People that exist today are so Satanic they have no concept of what it would be like to not be Satanic, they have no concept of Freedom, nor any concept of God, all they know is Satan, and they all believe that is God because Satan has raised everyone for two thousand years to worship only Satan, and why they know only Satan and believe that is God, proving why they Commit Treason and have no problem with it, the Military Dogs are the worse since they Outlawed their Own Militia and Worship Lincoln, the very person who is responsible for all this Treason, proving they all know they worship Treasonous Satanic Money, and they worship those that are known Mass Murderers like Moses and Lincoln, both Traders to the Human Race and God, proving they all knowingly worship Satan and the World knows this and why they Hate Americans, we enforce Treason, and everyone knows it is run by Organized Crime since it is Treason.

Those that lie about what a God or a Higher Power is, are what the Torah called Satanic, meaning Liars, Satan is a Person in the Torah, whereas God is All Light without Darkness found in Atoms, so it is not that the Torah is not clear about who and what Satan is, it is two thousands years of nothing but Satanic Lies that cause everyone to be Satanic Liars guilty of Treason, all for Money everyone knows is Treason, proving they all know this is the truth.

Why people lie for Satan is simple, Fear, they are all Cowards, those who took the Oath to Support & Defend the Constitution prove they are Cowards and Liars, the truth is not always what you want to hear, but is never the less the only explanation for allowing Treason, but taking the Mark of the Beast is due to being Stupid, lack of Intelligence, Retarded, and many other reasons, so just pick one, that was something most did of their Freewill, then they get others they know to serve Satan, they push it on the Children who are now born into Satanism.

I have to admit that Jesus Bar Abbas coming back in my Flesh, just because I was born at the right time and date, plus having Flesh as my Legal name, I took the Torah more seriously than most people would, I had to do more research into Kepler, Newton, and Tesla than anyone I have ever heard of since no one is talking about this except for me, and think about that for a moment, why only me out of billions of people on the Planet, and I was searching for others that have claimed to have come back as Jesus Bar Abbas other than Sir Isaac Newton in History, and did not find any, so I have wondered if the experience Newton had was different than my own, like Newton I am very analytical, and even Newton knew no one would believe he was Jesus Bar Abbas anymore than they would believe I was, yet we both had this same thought about the Torah talking about Resurrection, and got the feeling that maybe it is just that we spent so much

time trying to understand Jesus Bar Abbas, who talked more about Science than anything else, he wanted to rebuild the Great Pyramids, he talked about how he would do it, and it still seems reasonable to me nowadays, but no one would allow it then nor will they now, in fact, no one will even believe in the God of the Torah, instead they believe in Satan known as a Deity-God, and few know of Jesus Bar Abbas, and in History few came back as him, whereas every year has a new Jesus Christ who is killing People in God's Name, proving it is insane to come back as Jesus Christ, but not as crazy to come back as Jesus Bar Abbas, but I find it more Entertaining to play the Role of Jesus Bar Abbas since I know more about him than most.

At the End of the Day, it only matters what we can prove about the Torah, and the one thing I have proven, is that no one on this Planet except for myself, has talked about the God in the Torah since Tesla died, before him it was Benjamin Franklin, then Sir Isaac Newton, before that it was Galileo Galilei, then Johannes Kepler, and there were a lot more Wizards in History that talked about the Torah and the God that is All Light without Darkness, and all of them knew the concept of our Soul, maybe only Franklin and Tesla got the Light to Electricity connection, and are two of the Greatest Wizards when it comes to Light, Lightning, and Electricity, and they all proved God is the Force of Gravity, even though Kepler and Newton may not have gotten the Lightning to Electricity part, they knew God's Light was Gravity, and knew how to write the Math to prove it, so they clearly understood God and Light, considering Newton wrote the book titled "Optics" which is about God, at the End of the Day, I know all my Trinary Science is the Real Science of this Universe in this Reality, and the End of Time we will all find out if the Torah is right about the End of Time, and if my Trinary Science was right about Atmosphere venting into Space, but I can guarantee you that all these Wizards believed it would.

The World is Satanic and will refuse to change, and I am not sure that the Federal Reserve would want to allow Trinary Sanctuary, and I am fairly sure all the Governments and their Military would rather go to war, and allow Vaccines to kill most of you before they give up their power over you, and we all know they will never admit to Treason, so trying to talk to any of them will be nothing but a waste of time, they already told you they are fine allowing all of you to die at the End of Time, and will not allow anything to change that, they will Lie to you and tell you that I am crazy, and maybe I am to believe Satan can ever change.

Everyone needs to reevaluate their Life after reading all the Steps, maybe read "The Principles of the Trinary Universe" for some Light Reading, and maybe think about if you want to try to get People who do not want to allow Satan to Rule them anymore, and would like to get away from all these Satanic Governments, who have Police Pigs who enforce Treason the Judges and Lawyers brought to an Nation of Satanic People all because of Religion, the Church, Governments, Police Pigs, Politicians, Citizens, and the Military Dogs that have no honor by allowing all this Treason, and Enforcing all the Treason with your Nuclear Weapons to protect all your Treasonous-Asses, this is a Crime known as Blackmail and how the Federal Reserve

works, it is a Criminal Organization that worships Satan, and would rather push the Button than give up their Satanic Control over this Satanic World that is about to allow all the Human Race to go Extinct, all for Money and all because no one ever read the Torah, or did not have a high enough IQ to understand anything they did read, and why they allow known Gay Pedophiles to Sell their Soul to Satan and commit Treason, all because of Religious Sheeple, and God will wipe all of you off the face of the Planet, after God Crushes every Underground City and Cave on this Planet first, the Torah said Satan will Dig their Own Graves and we know they did, just like all of you know they did not even warn you about the Sky Falling or the End of Time, and that is only in 2027 and 2033, not long from now, and they planned to let you all die believing their Underground Tombs will save their Treasonous-Asses, all because they do not believe the Torah, they know they worship Satan by using Money, they will murder everyone before going underground, and why they have this Fake Pandemic, just to get Sheep ready to line up to get Vaccinated, and one time it will kill all of you, that is their Plan, give all you Placebo Vaccines, than next time they will just kill every single Satanic one of you, and you will roll-up your sleeves and let them, going out like the Coward you know you are, proving you all know you sold your Souls to Satan, and you know Satan is going Looting after Murdering all of you, and you will let them, and there is nothing anyone can say that will change this, because Your Soul belongs to Satan and Satan is done with all of you, line up to get Vaccinated into Extinction for Satan, roll up your sleeves, get shot, then die.

How Americans can live with their Treason is beyond me, knowing I am a Treasonous Trader for allowing this Treason has caused me to have PTSD, Anxiety, and Major Depression, because I know the Truth about the End of Time.

The way I look at this is simple, if Kepler, Newton, and Tesla all said this, I would believe all them over Einstein any day of the week, and I would never trust the Church that Murdered Jesus Bar Abbas for Money and still pass the Money Pray Tray around proving nothing has changed, they are still Serving only Satan and Satanic Money that is the cause of most Crimes, and used by all Criminals, proving it is all about Crime, and those that use Money support that Crime, you are Responsible for all of it, you know the Church is still using Money, so why think they have changed, Religious People do not have a Soul, and why they Serve Satan, they do not believe God is All Light without Darkness or they would not be Buying & Selling Souls, they know for a Fact only Satan would do, proving everyone on this Planet is Satanic Serving Satan or the Saint or Satan Clause, the Red Devil himself, who is a Gay Pedophile, who else dresses like that and Alters Boys, give me a break, no one is Stupid enough to fall for Satan, proving all those using Money Worship Satan on purpose knowing this, and we all know this is the only explanation, and it is not just because IAM the Light Wizzard in the Flesh.
