

Step-09: Upside-Down

To understand Science you have to first admit that Mainstream Science is Upside-Down, first off, God does not exist, and since the Torah defines God as All Light without Darkness, and Sir Isaac Newton wrote a book about God called “Optics”, and proved we can only see the Darkness in the White Light of the Sun shone through a 3 sided Prism, as the Rainbow of Colors we see our World in, proving in Mainstreams Reality, Light does not exist, and that is completely Upside-Down from Trinary Science, so let me explain these two Realities in a way you might understand why I said this about Mainstream Science versus Trinary Science.

The Number 6 is an Upside-Down 9, I was born in 1961 if you turn that Upside-Down it will say the same thing, this is 100 years before the United States Constitution was Sold to the Federal Reserve for Congresses Salaries, and why Lincoln was Legally Executed for Treason by his own Militia, despite the Police and Military protecting him, and because of those Salaries they could not make the first payment and lost the Country, when they Executed Executive Order 6102 and began Trading with the Enemy by becoming a Franchise to the Federal Reserve, so I was born with 100 years of Treason in my past, and 100 years in the future in 2061, the End of Time, known as a Pole Reversal, will have completed a 180 degree Polarity Reversal, and that will make our Earths Magnetosphere Upside-Down.

I was born from an Ashkenazi Parents, that mean our names had a meaning, my first name is Jeffrey, it is pronounced Jef-Frey, no one has ever pronounced it right, nor do I try to correct them, because if you look up Frey they know that is the God of Fertility, so it is clear my parents believed in God, my middle name is Scott, I am named after a person who was born in Scotland, on my Mother Mary’s side of the Family we have the Robertson’s, or Son of Robert the Bruce, and on my Father’s side, we have William Wallace, and my last name is Flesher, but I sign it Flesh, and what most people call me, and being born Autistic with a high IQ at a young age, it was expected of me by my Grandparents, seeing how my Father Robert E., the E. does not stand for anything, as my Grandmother put it, the E. in Robert E. Lee did not stand for anything either, and for the same reason, they were named after a Robert E, that was his full name, he was like William Wallace, after his time, and a story few know about in History for a good reason, he was a Wizard, this means a High IQ, and any IQ over 160 has always been someone Autistic, no exceptions, the Ashkenazi are known to be the most Intelligent Tribe of Jews on this planet, that is just a known fact, and they also have the most Autistic People of all of them also, my own Father was reported in the Riverside City Newspaper as having the highest recorded IQ, but what my Grandparents were the most happy about my Birth, is that I was born at the exact time and date Jesus was said to come back as the Flesh, my Mother Mary thought that was odd, seeing how that was close enough to my last name, my first name had to start with a Je, and why they chose the one they did, so from the time I was born, my whole life was Upside-Down.

I look at History in terms of only facts, if you want to know a fact, you need to know how, for example, the Freedom of Information Act known as FOIA, what you might want to know is a fact, can be found as Law, like US CODE of FEDERAL LAW TITLE 12 CHAPTER 3 SUBCHAPTER 9 SUBSECTION 341, can be found at this link:

SUBCHAPTER IX—POWERS AND DUTIES OF FEDERAL RESERVE BANKS

<https://uscode.house.gov/view.xhtml?path=/prelim@title12/chapter3/subchapter9&edition=prelim>

There are other ways to prove the United States is a Franchise to the Federal Reserve in those Laws, read them:

First. To adopt and use a corporate seal.

§ That is a U and an S, superimposed on top of each other.

Second. To have succession after February 25, 1927, until dissolved by Act of Congress or until forfeiture of Franchise for violation of law.

This states that the United States is a Franchise to the Federal Reserve, because in 1933 Congress could not make the first Payment, due to their huge Salaries, so they dissolved Congress after they Executed Executive Order 6102, and then they stole all the Gold and Silver in the Country, and forfeited the Country, and then filed Bankruptcy, and this is all a matter of Laws, we all know are all Treasonous, because we all know Treason can never be made Legal, nor can the Constitution be Amended to allow Treason.

These were all facts before I was born, and you can FOIA them if you do not believe the links, just to give you an idea what it feels like to be me, for example, my wife and I are both Medically Retired U.S. Air Force, and she knows about all the Treason, but still thinks this is the best Country in the World, and having been to many around it while in the Air Force as a Helicopter Crew Chief for Air Rescue in Kuwait and Special Operations in Korea, and having some good friends in all the places I have been, even Iranian friends, the truth is that felt safe while I was there for some reason, not sure why, but I trust them as a Nation, and there is no place like home, Treason and all, but I thought everyone would band together and build something to survive the Sky Falling in 2027, and the End of Time Starting in 2033 ending in 2061, with another event in 2103, when the Earth will be totally frozen, even Geothermal vents will cool down, Volcanoes will cool down, at that point only the Oil that is left will keep the Earth from going Nova, so this my past, present and Future that I have to look forward to if I live that long, knowing I have Cancer, and after having a couple of organs removed, the extra Spleen

I grew to keep up with the Pus production does not make up for the ones I lost, so those that want to kill or murder me, would be wasting their time, and I should point out that Kill means the act of Physically doing it, Murder could mean you paid someone, or got someone else to do it for you, but does not mean you did it physically, Kepler wrote that when he was researching its use in the Torah, thou shall not Kill was an example, but that is what Moses said, yet all he ever did, and Kepler said he was Evil, so let me put it this way, in my time Hitler was nothing compared to Moses, he invented Religion by making up the Story about talking to a Burning Bush, if I really wanted to Play the Jesus back in my Flesh Act, and told that same story today, everyone would ask which one, Junior or Senior, and that Joke never gets old, because it is the truth and you know it is, so you want to know what facts are, do not use the Internet to find them, First research the Laws, I have given you enough information about how to find them, what they are called, and you can FOIA, asking any questions you have about those Laws, but I do not view the U.S. as a Legitimate Government knowing all the Laws, because I know for a fact that Treason can never be made Legal, nor the Constitution Amended to Allow that Treason, so I do not have any delusion about Freedom, and what we have is Freedumb, I took an Oath to Defend the Constitution that has not existed for 100 years before I was even born, and that is just one of the reasons my World is Upside-Down.

Try to imagine being told as a child that you are Jesus back in the Flesh, but everyone is expecting Jesus Christ, only to find out that Johannes Kepler discovered Jesus Christ never existed, and the same Church that Murdered Jesus Bar Abbas has Altered the Torah after the 4th Century, and this was confirmed by Sir Isaac Newton, using a set of 3rd Century Torah's, one was once owned by Tycho Brahe, the other the King, and Newton said it was to make only the Love of Money Evil, but they removed all the Science, what he called Alchemy, or Chemistry, and the Church is how they infiltrated Governments, now they are all Sold out to the Banks, and people are now Sheep, due to Religion Tricking Stupid People into believing in a Deity-God, that they Call God, which we all know is a Lie, and only Satan Lies, proving the Church is Satan, and Satan is just a Person or Organization that tells Lies to Deceive People, and that is what the Church is doing by getting People to use Money that they know is Treason, and to follow Laws they know are Treasonous, knowing the Police Enforce this Treason, because the Judges who also work for Treasonous Money Enforce the Banks Laws, proving this is not a Country, but a Corporation of Treasonous Criminals who have their finger on God Bombs known as Atomic or Nuclear Bombs, so that their Military can Enforce Treason, and I should know since I was one of them, and still am, Medically Retired, so just as Guilty of Treason as everyone else, maybe more Guilty since I knew this going in, and why my life is Upside-Down.

The Torah said that in the End of Time, Jesus would come back as the Flesh, and explain all this to all of you one more time, so just to be clear, I am not Jesus Christ because that is a Deity that never existed in History, and I am not Jesus Bar Abbas, he died two thousand years ago, so the way I look at it, is more like hitting the Lottery, someone had to win, no one said coming back as Jesus Bar Abbas was going to be Lucky, but I am in the same Militia he started, and do intend to

Play his Part in this 3 act Production of the Trinary Universe, so I am against Money & Taxation, Slavery, which is called the National Debt, and Genocide of all those living on the Surface of the Planet known as Earth, knowing the Sky is Falling in 2027, and the End of Time begins in 2033, I think it is clear by now they plan on letting all of you die, in hope that their Underground Cities will survive, knowing they are built by People who believe Einstein's Theory is a Fact, because they believe a Theory is a way of Explaining a Fact, and to believe that, they must believe they have a Right to believe what they want, and why most of them are Religious, and you might think it odd that the Church endorses Einstein's Science that removes God from all these Theoretical Alternate Universes in Alternate Realities, which Albert Einstein himself denounced to keep Nikola Tesla from laughing at him for pushing $E = MC^2$, which is a Joke since C is the Constant for the Speed of Light Einstein removed by removing God who is All Light without Darkness, all to get everyone on this Planet to believe that our Soul is not Light, or Electricity, and that is why Mainstream pushes Religion and Einstein's denounced Theory, Satan is a Liar, so who does this make Mainstream is question you can answer yourself, they need Religion teaching you that God does not Physically Exist, they do this by teaching you that you have a Right to believe what you want, well Prove it, and I know you cannot, because that is not a Right known to any Laws in the World, it is a Made up Right, only told by the Church, and those Theoretical Nut Job who push Einstein, by telling you that a Theory is a way of Explaining a Fact, maybe a Retarded Fact since that would make a Fact a Theory, facts do not need to be explained, they are just facts, like $(+1) + (-1) = 0$, if you believe you have the Right to believe what you want, you can believe $(+1) + (-1) = 1$, and push that belief on others as a Fact you explain using a Theory, Einstein's denounced Theories have never been proven in over 100 years, so to understand true insanity, imagine these Nut Jobs pushing Einstein have to wake up every-day believing they will prove it today, they send out alerts to get ready for a Press Release, we are moving to Stage Alpha Beta Charlie Delta Echo Alert Level Status of Importance to the Einstein Cult Community of Satanic Liars, but at the end of the day they go back to Sheep, I mean asleep counting Sheep, no one has any Right to believe in Lies, and that is all a Theory is till it is proven to be a fact, and this is only one reason why my World is Upside-Down.

To explain everything, you need to understand why the Torah said not to build underground at the end of time, the Ground will Freeze down to the core, only the Oil or Blood of the Planet can keep it from going Nova, and in 2103 that is the date we will all know for sure, if the Atmosphere does not Vent into Space when our North Magnetic Pole crosses the Equator, due to some unknown Law of Physics that can hold it in without a Magnetosphere, I will be the happiest person alive, I would love to be wrong, and will love to say I am wrong if this does not happen, till then I have to base it on Facts, and Real Science, and not Science Fiction, so I am 100% sure Science will win this debate, it always does, so do not build underground believing you will survive the End of Time, it is not going to happen, if your Underground City is anywhere near an oil pump, by near I mean within a 1,000 mile radius, that ground will freeze solid and crack, and that is just Science, the Oil had a purpose and your Bad Science knew it, they did not care, they figured they would be dead by then so what do they care, and since the Money is Treasonous and no one cares, they will not care if they are paying someone else to dig

their own grave, as long as they can afford Tickets to live in Underground Cities, they will Lie for Money since Money is the Biggest Lie since the Big Bang, proving Stupid Sheep will believe in Einstein's unproven Theories while they only use Kepler and Newton's Math, proving they are nothing but Liars, considering Newton said God is the Force of Gravity in all his Equations, you cannot use them even in an Alternate Universe in some Alternate Reality since none of them have God or Light without Darkness in them, meaning nothing exists in Einstein's Denounced Theories, and that is just another reason why my world is Upside-Down.

When everyone on this Planet is Satanic and Denies it, and you know everyone is Satanic since you know everyone in this World Buys or Sells Electricity thus you are Buying & Selling God and Souls by the Kilowatt, and all those Religious People who took the Mark of the Beast known as a Sheep like Ewe, and you do not see your World as the one that is actually Upside-Down, my World concept of what the United States should be is a Country with a Legal President and Legal Congress, and since we all know the current Criminal Syndicate running it is not since you know you can never make Treason Legal, so you cannot Amend the Constitution to allow Treason, and you cannot take back your Corrupt Government who is Committing Treason because the Burning Bush told you that is Treason, I doubt Junior can see the irony in what he said, it is Treason to do what the Constitution demands you to do, finger on the Button of God Bombs makes this all Legal I guess, seems that is Blackmail, but who am I to tell you that since I work for the Military, I have to follow orders knowing that they are all Treasonous, but if I did not, they would Lock me away for the rest of my Life, so I have no delusions about how the United States is run, and who is running it, Satan, and why your World is Upside-Down.

When you look at the World today, it is Upside-Down, those that Claim to believe in God, prove they do not, those that use Money are Buying & Selling Electricity that is used to make Light knowing God is All Light and so is our Souls, so you know your World is Upside-Down, you know Mainstream Religion & Science is nothing but Lies, if you live in the United States you know your Government is Fake, and not even Legal since Treason can never be, and now you know the Sky will be Falling in 2027, and the End of Time starts in 2033, so how much more Upside-Down can your World get than a full 180 degree Pole Reversal, no one is talking about this except for me, and you know who IAM, but what confuses you is my name, Flesh, maybe my birth date and time confuses you since you know I did not make that up, nor did I make up my Mother Mary's name, nor being born in Corona, so what confuses you is facts, Upside-Down.

To understand how your World got Upside-Down, you need to understand Fear, Lust, and Greed, those in Power Rule by Fear, using peoples Lust and Greed to control them like Sheep, the Weak-Minded Fools are easy to control, they never question anything, they believe everything is Legal, because they have no Concept of what Legal even means, and that is because once Satan

owns your Soul, you belong to Satan, and believe you are a Good Person, knowing you are Guilty of Treason for using Treasonous Money and Following Treasonous Laws and Orders.

The Trinary Universe is about what we can prove is the truth, regardless of what anyone thinks of it, the truth does not care if you believe it, anymore than God believes anyone on this Planet is Good knowing everyone on this Planet is Satanic, God always knows the Truth, People are Satanic, meaning all they know is Lies, only telling Lies, their Lives can not be anymore Upside-Down, those that go to Church to Worship Satan are the worse of all types of Humans, they push their Satanic beliefs off on family and friends, forcing their Children to be Satanic just like them, so their World can be just as Upside-Down as theirs is, as they put more Treasonous Money in the Satanic Pray Tray, paying their Dues to Satan who got you to pay Satan to Alter Boys like they Alter the Torah to make only the Love of Money Evil, just to get People to do the Bidding of Satan by taking the Mark of the Beast known as a Sheep like Ewe, and you know this is all the truth, and why your World is now as Upside-Down as mine is, now you see all those Religious Sheeple for what they are, Treasonous Traders, Criminals, and Satanic Demons who Buy & Sell Souls by the Kilowatt, all to Serve Satan who cares less if all of you die when the Sky Falls or the End of Time comes, because Satan has been digging the Graves of those Rich & Famous Satanic Liars who did not tell you any truth ever, because of beliefs Graves will save them, proving how Lost their Souls are, having sold them at birth to Santa Clause, and other Saints, all Saints being Anagrams for Satan, the Truth is easy to understand once you understand Witchcraft, and why the Churches and its Members of Satanic Sheeple Murdered those telling the Truth about the Church, Governments, and Money, the Truth none of you want to hear, because you believe you are Good, knowing you are Satan for Buying & Selling Souls, your view of yourself is unrealistic, you are guilty of Treason and can be Legally Executed for that Crime, proving you are a Criminal guilty of the Worse Crime on the Books, so do not talk to me about what is Legal knowing Treason can never be made Legal, therefore only Satan will try to get you to believe the Constitution was Amended to Allow Treason, by getting you to Believe Treason is Legal, proving the World is Upside-Down.

If I have written anything in the last 9 Steps that might have turned your World Upside-Down, you might have been one of those People I call Sheeple, one of those who either took the Mark of the Beast known as a Sheep like Ewe, or is Satan by Buying & Selling Electricity that is used to make Light knowing God is All Light, you are Buying & Selling God and Souls by the Kilowatt, proving your World was already Upside-Down, the next Step is 10, as in a Decade.
