

Step-26: Discovery

The greatest Discovery anyone can ever make is the Truth, and no one knows this better than Johannes Kepler, who wanted to know the Truth about the Date Jesus Christ was born, this led him to Tycho Brahe, who own the complete set of Canons known as the Torah written during the 3rd Century, knowing the Knights Templar would burn them alive with it, should they find out, they started the Ashkenazi Masonic Order, to throw people off their trail, they named it the Order of Merlin, the Mythical Bird from the Land of Mer, or Mer-Land, the Story of the Lady Hawk go way back in the legends of Kepler's time, which Kepler died in 1630, so the quest for truth started when Kepler found out Jesus Christ was inserted into the Torah, to make only the Love of Money Evil in the Torah, and why the Church Paid to have all the Torah's before the 4th Century burned, but this did not prevent Wizards from finding a way to safe guard the Torah before the 3rd Century, so that future generations would know about this lie, and they do thanks to Sir Isaac Newton getting this same set, and by 1666 Newton and Edmond Halley verified the Authenticity of the 3rd Century Torah by comparing it to another set written during the same Century, and one from the 2nd Century, and several other people also verified these findings, as such, the Discovery of the Torah written before the 4th Century revealed the Truth about Civilization.

The greatest Discovery was the Torah before the 4th Century, from it, Newton discovered Calculus, he did not invent it, but discovered it in Trinity using the Math $(+1) + (-1) = 0$ when Halley graphed it, Newton discovered a Sine, Square, or Triangle waveforms, this discovery would not have been possible without the 3rd Century Torah, and why the Church committed the Worst of all Crimes against the Human Race, and all its Members known as Sheep are guilty of Treason, Murder, and Satanism, so Newton, like those Wizards & Witches before him, had to keep this Secret, so he left notes that are now Public Domain, and everyone knows for a fact, that Jesus Christ was inserted into the Torah during the 4th Century, because Jesus Christ never existed in History, and there are too many mistakes made while inserting Jesus Christ into the Torah, and how Tycho Brahe found the insertion before he found the Torah written during the 3rd Century to prove it, he went to great links to get the set Kepler inherited on his death bed, and this is why the Church had Witch & Wizard hunts, they needed to destroy all the evidence of their Crimes, and this Discovery changed everything for Kepler and Newton, as well as Nikola Tesla, who was the last one known to own this set of Canons from the Torah written during the 3rd Century, and the last person to see all of Tesla's stuff was the Fake President Trump's Uncle, who worked for the FBI at the time, proving this Government knows the truth, and are hiding it from the Public, just like they hide all the Treason in plain sight.

If it were not for the Discovery of the Torah before the 4th Century, no one would know who what History calls Wizards were, Wizards like: Tycho Brahe, Johannes Kepler, Galileo Galilei, Sir Isaac Newton, Edmond Halley, Benjamin Franklin, or Nikola Tesla, since all their knowledge came from it, and would not have been possible without it, but the Church did not care, all they care about is Money, and you have to Commit Treason to use that Money, so the Church and all

its Members are responsible for all this Treason, these Men that History calls Wizards, Sir Isaac Newton they called the Last Magician, but that word translates to Wizard, proving everyone knows they are Wizards, and that the Church hunts down and Murders or Discredits Witches & Wizards throughout History, and why is clear, they know the truth about the Torah, and since this has been Public Domain since the late 1800s, it is clear everyone knows this, and has no problem taking the Mark of the Beast known as a Sheep like Ewe, and why no one wants to know about this Discovery, they know it will prove they are all Satanic, good thing those out of the closet gay pedophiles made huge mistakes when inserting Jesus Christ into the Torah, and that some of the Torah's survived the Churches Army of Satanic Sheep like Ewe, so History written by those who are Enforcing Treason, will never acknowledge the Torah before the 3rd Century, and it was the greatest Discovery of all times, it was Alchemy of the Universe, and Alchemy is a combination of Chemistry, Electronics, and Mechanical Sciences, but the Church believes it better to Lie and Serve Satan in Hell by getting all its Sheep to burn the Torah before the 4th Century, and why this Discovery will go unknown to this Satanic World, who only serve Satan, and will deny they are Satanic, knowing only Satan Buys & Sells Souls that we all know are made of Electricity that is used to make Light, I repeat this till it sinks in, the Torah said God is All Light, therefore our Soul, and if not for the Torah written in the 3rd Century Surviving all those years, this world would be a different place, but if it was not for me, no one would have ever brough any of this information up publicly, I am the only one talking about anything remotely like this, and have been doing so for a long time as people that know me, know.

I cannot imagine what the World would be like today, if Satan did not take over two thousand years ago, but to allow Satan to continue to exists in the World today, is proof Satan has won, Money is how Satan talks to you, and you using it is how you serve Satan, and Satan invented Religion, Money, and Law, and why those Laws are now used to Enforce Treason, all so Satan can collect Taxes from yew, and make you take the Mark of the Beast by using that Money to Buy & Sell Souls, you know for a fact is Electricity used to make the Light knowing the Torah said God is All Light, it is clear Satan is retarded, and why Satan requires you to use Satanic Science known as the denounced Theory of Albert Einstein, and they say you would have to be a Genius like Einstein knowing he is Legally Retarded to me, but as long as they get people to believe God is a Deity-God known as Satan, and remember this is Witchcraft, the Art of using Words & Spells with more than one meaning, so anagrams like the Santa Clause, you can imagine as a Horned Sheep after slaughter, Santa's Unicorn Hat with only one Horn on it, does not fool anyone with an IQ above retarded, and why I cannot imagine what the World would be like today, if Satan did not take over two thousand years ago, and Satan will never give up Hell.

It is clear that the Church wants to keep all of you in the Dark Ages, the Church Leaders are now out of the closet gay pedophiles that want you to pay them to Alter Boys, like they Altered the Torah to make you all Sheep, and there is no Laws against having Sex with Sheep, and why the Church Leaders get away with Altering Boys and Altering the Torah, you know they teach a Deity-God they call God, and you know for a fact that the Torah said God is All Light without

Darkness, and after Sir Isaac Newton discovered that the Darkness the Torah talked about God Being, is the White Light from the Sun, as shown through a prism, it is the Rainbow of Colors we see, thus it is the Age of Light, but Religious Leaders need its Sheep to believe in the Deity-God known as Satan, and must pay them using Satanic Script known as Treasonous Money, and God does not need Money, so why the Church does is simple, they want you to become ewe, so they can bend you over like Congress bends over the Pages, just to get Paid to Alter Boys by Altering the Torah, and redefining Light to mean Good, and Darkness to mean Evil, only Satan Lies, only Satan tells Half-Truths, the truth part being a lie that Satan tells you to make you a ewe, to get you to use Money and believe the Torah allowed it, knowing the United States Constitution only allowed Congress to print money, that loophole is why my family would not sign it, and when Satan took over, my family lost all their Land to Satan, just so Congress can vote themselves a Raise, and the Church Leaders can Alter Boys as a paying gig, all because of Money, Law, and Religion, the greatest Discoveries of all time are unknown to people, because they are all Sheeple, and too stupid to understand how stupid they are for being Fools.

All the greatest Discoveries of all time, are unknown to all Sheeple, because they only know what they heard in their herd, it is a heard it mentality, and Mainstream is all they hear, and Mainstream is Paid to lie, as are all the Rich & Famous are Paid to Lie with that same Treasonous Money, everyone knows this is Treason, and really do not care, and why they idolize those who are lying to them, those who are fine will letting all of you die when Sky Falls or the End of Time is here, those that Commit Treason and get you to Commit Treason, and create a Criminal Empire out of the Stupidest People in History, everyone on this Planet, and they make you accomplices to Treason, by getting you to follow Treasonous Laws, and use Treasonous Money, and why all you know is Money, Law, and Religion, and you have no concept of Reality, because you have been lied to for over two thousand years by the Church, and its Members, who are in Charge of all the Governments around this Planet today, all Satanic Sheep who love to Commit Treason, because they Love Money, and that is all the Rich & Famous are, Liars, and the Torah called those kind of Liars Satan, proving this world idolizes Satan, and why you do not know about these Discoveries.

To prove how stupid Theory is, you must first understand it is not true, those that believe it just has not been proven yet, are called Fools, those that believe they have the Right to believe what they want, are those same Fools, only Fools believe in that Right because only Fools would believe in a Theory before it is proven, and why the World does not know about all the Greatest Discoveries of all time, because Money requires you to serve only one Master, the Bank, and those Trolls that run it, live underground where all Trolls live, and why they do not care if they accidentally push the Nuclear God Bomb Button, when they get bored they throw darts at it, it is amazing they never hit it, but that is life in Hell, just waiting for someone to get Lucky, and put all those stupid sheep out of their misery, all for a Theory never proven in over 100-years, and do you have any idea how retarded you have to be to wake up every-day, believing today will be the day someone Proves this Theory, but at the end of the day, no one ever does, proving it is not

true, and there are those who believe if it was a Theory long enough, that it must be a fact, proving Sheep are just stupid Animals, and it is normal to be Stupid, and people prove they are stupid by not figuring out all this on their own, or denying the truth when you hear it, thus you will see no evil, speak no evil, and see only evil by denying the truth.

If you make a new Discovery, how do you get the World to know about it, that is the question that always keeps my Discoveries unknown to most people, the News will not run it, nor will Mainstream say anything about it, no one will, because most people live in Fear, and are nothing but Cowards, how else do you explain 160-years of Treason, and I am the only one talking about it, and why no one knows about it, no one will tell anyone they heard it, because they would then have to admit they are all guilty of Treason, and why American's Pretend to have a Real Government, knowing it is just a Franchise, which is more like a Whore House than the White House, and why everyone is so Satanic, they live in fear of Satan and Satan's Satanic Police Pigs, who enforce Treason, proving they work for Satan, and will do anything for Money, proving everyone in this World are Money Junkies, who will do anything for Money, including Buying & Selling Souls, and taking the Mark of the Beast known as a Sheep like Ewe, I write that so much I should come up with an Acronym, how about Sheeple, that sums up everything you need to know about everyone on this Planet, and those that are Satan, will Deny it, I might be Schizophrenic in my Dreams, at least I understand my Reality when I am awake, Sheep are asleep, the walking brain dead, how else do you explain mass insanity, so maybe I should have Discovered a new way to make Money, than everyone would be interested, as soon as I say we need to do away with Money, so we can do away with Treason, People turn into Sheeple, so what was my Greatest Discovery, is time, and in one more Decade of that Time, I get to prove who is the most Intelligent Person to have lived since the Last Wizard Nikola Tesla, by Proving the End of Time is really going to happen, and it really going to vent our Atmosphere, causing an instant Ice-Age, and countless other Discoveries the World will never know of, all because Sheeple will try to hide this, the Governments will try to get this removed from Public Access, and you know that since I was born in Corona, I am the only thing they are worried about going Viral, and there is very little chance of that happening, someone would have to translate all these episodes into other languages and try to get them published, which they have my support, and I hope they can sell it to countless others, because the Words are more important than Money, you can post your Translations on my Light-Wizzard GitHub account by creating an Issue, this way others can find it, I could do a Computer Translation, but that does not do well with my style of writing, which is old English, Ancient is more like it, it has Witchcraft in it, and that does not translate very well, so if you know how to make this go Viral as the Corona Virus did, others might Discover something new, the concepts from the Torah, before the 4th Century, as such, Discoveries like this should be known World-Wide, and Language is only one barrier, the other is those in Power, I call the Powers that Be, do not want anyone knowing any of this, the Churches and Governments will deny any of it, as will most people, proving Knowledge is Power, and God is the Highest of Powers, yet everyone Worships only Satan, can you imagine everyone learning about this Discovery, the World will change overnight, but I know that after publishing two Books, a third one was a waste of Money since no one bought them.

If you can make one Discovery in your lifetime, it would to Discover the Truth, and know what it sounded like when you heard it, because all you have ever heard were Lies, and why the Truth will sound strange to you, and take time to settle in, most people will wait till their next Lifetime, as long as they have Money, they do not care about anything else, when your waking moments are spent Working for Money, you must realize that Money has no value after the Sky Falls, people will Rape, Pillage and Plunder, that is what Moses taught them, and Lincoln taught them how to commit Treason, and have a Nation Pretend he was a Hero or an Honest Man, knowing he was a Criminal, and a Coward for not standing Trial for his Treason, thus forcing a public execution, topping it off with the KKK making a Rushmore Monument for their Treasonous Hero, proving how Satanic People are, American's make me sick, being a Medically Retired Air Force Staff Sergeant, who went from the (E) F-111 as a Computer Test Station Electronic Engineer and Computer Programmer, to a Helicopter Crew Chief in Air Rescue and Special Operations in the Black Knight Squadron, so I know how all this works at the Government level, and I discovered the Truth is in plain sight, and nothing complicated about understanding all of it.

To understand how a whole Country can commit Treason every-day, and say nothing about it for over 160-years, is unimaginable to anyone with an IQ above retarded, seriously, you do not need to be that Intelligent to figure out what is going on by using their Laws, this Discovery of their Banking Laws, proves the United States is a Franchise, and because of that Discovery, we know about Treason, and the Laws that Enforce that Treason, and knowing the Sky is Falling and the End of Time is a decade away, it is clear that my only discovery is how insane everyone on this planet is, they are all standing on the Railroad Tracks watching the Light get Bigger, and none of the Sheep will say to the others, we should get off this Track before we all get slaughtered, you hear the Dog barking it, but it will not get on the Tracks to scare the stupid Sheep off, so like the Dog, I will just sit on the side of the Tracks and tell all of you how insane you are for following a Shepard who leads you onto Train Tracks, and after 160-years of Treason, none of the Sheep hear the Dog, all they hear is the Train's horn, and all the other Sheep saying go towards the Light, people are no different than Insects flying around a bug zapper, I think you get the point about stupid Sheep, and Insects that Bug you, they both have one thing in common, they have no sense of Danger, so understand this from my point of view, I know the Science behind the Earth's Reverse Polarity, but those in Power, will not allow this Discovery to be Discovered by its Sheep, and Trolls & Goats will always tell me they have debunked me using a Theory, all because they get paid to Lie, they work for Satan, and that is how Satan does Business, and why people around the globe, all use Money knowing it is Treason no matter what Country you are in, Treason knows no bounds, and Borders are there because of Money, and why Mainstream will never report the Truth, all because no one wants to admit they are committing Treason, much like the Emperor is wearing no clothes, because someone sold him an invisible suit, and everyone bought into the invisible suit game, and they figure if everyone is playing this game, it must be Legal, and Money is the same concept, everyone is using Money you know is Treason

after 25 Steps, so I say what I mean, and mean what I say, people know this is Treason since Congress does not Print their Money, there is no excuses for not knowing your Constitution only allows Congress to Print Money.

I could talk about all the Discoveries the Lightside knows about, but I am just writing to stupid Sheep, who only believe in Money, and in just one more Decade, most of you will be dead, so all these Discoveries will die with me, because no one will ever listen to me, no one will tell anyone about anything I have to say once they hear it, and all because it is normal to be Stupid, as such, Trinary Science is the Study of Stupid Sheep like Ewe, who all went extinct at the End of Time in the year 2033 if they survive the Sky Falling in 2027 that is, and few will, the Food and Water shortage will wipe out most over populated areas fast, making it easier for the Trolls to Loot the Surface of the Planet before locking the doors to their underground tombs, and they will take all their Darkness with them, burying it deep underground for all Eternity, seems like a lot of work to go through to build underground roads, underground bunkers, or underground cities, knowing none of them will survive, because none of them were built to survive, because the people who built them believe in Einstein's Theories and thus built them to survive in an Alternate Universe in an Alternate Reality, and why the Human Race is going to go Extinct, without ever knowing about the Lightside, and all its Discoveries, the Next Step is 27 where I take you on a journey into a Puzzle, and where that Puzzle will take us.
