

Step-18: Adults

This Planet has many Governments, all of them have their limits to what Age they call someone an Adult, in the United States it is 18, that is the Age you can be Drafted into a War and lose your life before turning 19, but also the Age you Legally become Guilty of Treason, so let us talk about what being an “Adult” means.

The way I found out what Adults were, is when I was around 6, when I corrected an Adult in Class and was yanked out of my seat by the Sister who was in charge of the Class, I knew better than to correct her in class and soon learned that applies to all Adults in Class, this time the Principle uses the excuse that Adults never Lie, and Children should never correct Adults because they only have the IQ of a Child, how ironic that sounds looking back knowing that by the 3rd Grade I already had an Adult IQ of 180, so the term Adult to me as a Child, are people you can never trust, they will Lie to you, and never admit they are Liars, and my view of them has not changed, so it must be a fact since facts never change.

As an adult, I have my view of Children, who are always anyone younger than me, because that is what adults do, they believe they are more intelligent than they are due to age, all because they believe you get intelligent by learning all the Lies the Schools teach them, which brings me to the question why Lies are allowed to be taught in School, and they know they are lies, and why they would not let me correct them, so I have to conclude those in power are purposefully pushing Religion & Einstein’s denounced Theory, as the Truth, why else would anyone lie about what God is, knowing the Torah defined God as All Light without Darkness, and we all know what that is, and do not need to redefine it to mean something it does not mean, like Good & Evil, where Good has one more oh in it, as such, the truth is those in power are having everyone enforce only their viewpoint of the Universe, no matter how stupid it sounds, as long as People will still use Money to Buy & Sell Souls, the powers that be do not care how retarded your Reality is, as long as it does not slow down the use of Money, and why I view everyone as children regardless of their age, because your age does not determine it, your mentality does.

The way we define what an “Adult” is, defines who we are, and adults should not lie, only Satan lies, and that is what the Torah said, but those that do not believe God Exists, not even Physically, will not believe the Torah, which only said God is All Light without Darkness, the fact they knew that type of Light existed, proves they were far more advanced than we are today, they built the Great Pyramids, and that is still beyond our Technology, and we know it, so why Lie is a question only Satan can answer, and why the Church needs you to believe you have the right to believe what you want, so you can believe Satan is a Demon cast down from Heaven as a Fallen Angel that does not Physically Exists, and Einstein’s Theory removed God, and this is the Science the Church is pushing, because it reenforces the concept that God is not Real, so what those Religious Sheep are saying is that Light without Darkness does not exist, as well as those

they do not believe in God, proving people are basically stupid, they tell me they do not believe in God, I have to laugh, they ask why, I say because God is All Light without Darkness, you want to say you do not believe in Light or Darkness, you have to be the Stupidest person on the Planet, but that is “Adults” for you, stupid as a box of rocks, no concept of Reality, all because their IQ is retarded, and in an Advanced Society, you would not define an Adult by their Age, you need some type of IQ test you must pass or something other than age, or the word adult means an older stupider person, who is too stupid to know just how stupid they are.

There is no fixing stupid, and that is what all adults are, I never met one of them that were intelligent enough to figure out the simplest of sentences, “God is All Light without Darkness”, how complex of a Sentence structure is that, let us look at this Logically, for the last two thousand years you want to tell me, that besides, Brahe, Kepler, Galilei, Newton, Franklin, Tesla, and me in the Flesh, are the only ones in History to understand that simple sentence, seriously, do you have any understanding how hard that is for me to believe, God, which the first time you read that word, you might not know what it is, so the Torah is very clear, God is All Light without Darkness, we know this means the Light we cannot see in the visual spectrum of Light, but we have known this for thousands of years now, so what is so difficult to understand what God is, please explain this to me, because there is only one explanation, everyone knows this, and are therefore Worshiping Satan, or Money, Law, and Religion, instead of believing in God that is All Light, therefore, it is the adults who indoctrinate their children into serving Satan in the Church, gets them to take the Mark of the Beast known as a Sheep like Ewe, knowing they are Sheep for following a known “Out of the Closet” Gay Pedophile Green Pasture, who wants to get Paid to Alter Boys by Altering the Torah, and Commanding you to Murder anyone who does not take the Mark of the Beast, proving adults are sick disgusting Animals, and there is no fixing that.

When you are a Child, you are told by Adults that you will understand when you grow-up, adults that told me that, proved all I learned was what Satanic People say to Children, and growing up things only got worse, adults wanted me to go along with all the Treason, and it never made any sense to me, but then again Money never made any cents to me, but I understood what the Torah called Satan, and how the Church lies to Weak-Minded-Fools, and Religious People, who the Torah calls Sheep, do not like being called Weak-Minded-Fools, but what do you call people not intelligent enough to understand a Sheep is a Beast, and you must be a Sheep to Follow a Shepard, you are either retarded, or are knowingly Worshiping Satan, so pick one, and feel good about it, or grow up and stop being a Liar, and stop Listening to Liars, and take responsibility for the World you live in, the World means our Sun, and all its Planets and Moons, but does not mean our Galaxy or the Universe, nor does it mean only the Planet Earth, so if you want to learn about our Universe, you have to grow up, and become an adult, that means no more lies, only what you can prove is the truth, and do not let Satan teach you that you have the Right to Believe what you want, and when you meet people that tell you that, explain to them how stupid they are, and that they need to grow up, prove there is such a Right, and we all know there is not a Legal

Right to do anything, Legal Rights only tell you what you cannot do, by taking away all your Rights with Money that is Treason, and since Treason cannot be Legal, nothing is Legal.

If the Human Race is to survive the Sky Falling and the End of Time, it will have to be something all the People on this Planet can get behind, but the reality is, there is not enough time to build this large enough for everyone, and why I say Adults should sit this one out, myself included, let the younger generation have a chance at having a future, if you want the Human Race to Survive, you have to be realistic from the start, no lies, no deceit, only the truth about everything, and the truth is that Adults do not deserve a second chance, they will never change their ways, their Minds are Full of BS, and will always be full of it, the age groups that should be put in charge of building this, are 18, and I do not pick that age because that is the Age they are is an Adult in the United States, I pick it because that is when they physically are growing into adults, and with any Luck, their Generation might survive this, but they will need the Help of this whole Planet to make that a reality, so once you are a Trinary Militia Member, you are always one regardless of your age, this is not an Age discrimination thing, nor is that age 18 even a real number for any limit, it is the Goal to get people in their prime, and Children & Teenagers are always allowed, this way we might be able to build enough room for them to have a Future.

You the reader, must understand what your role is in life, no one can tell you what it is, so if you do not figure it out for yourself, no one will do it for you, this is called being an Adult, you might not be one yet, but this Step is about being an Adult, and I did not write one on being a Child, because I believe they need that time to learn, play, and be a child, but once you become a Teenager, you have to start to learn to become an adult, and I am not going to explain how that is done, only what it requires, and that is all lies to stop, and you have no right to believe what you want, whoever sold you on that sin, sold your Soul to Satan, only Children would say such nonsense and believe it, being an Adult means you have the Duty to only believe the Truth, and only tell the Truth, so grow up, and take responsibility for what you call facts in your life, do not allow anyone to sway you into believing something is a fact, I tell you to prove it to yourself, and really mean that, it is not a bluff to say FOIA it, I am serious, you need to create your role in life, no one else will do that for you, it is your life, you do not have the right to do anything, you do have duties, and proof is always a duty, otherwise you will believe everything you read, and why you are not an Adult at any age you are, if you believed in Lies, and told those lies like they were facts, and that makes you a liar, and only Satan Lies to deceive, and only Satan could deceive themselves into believing they are good people, and were tricked into Religion, you had no idea you were taking the Mark of the Beast known as a Sheep like Ewe, I have a Headache and made a mistake is just as good of an excuse as any I guess, but if you want to be an adult about it, grow up and take responsibility for your mistakes, and write your script in this 3 Act Play called Life, and write your own Role in it, then play the part.

Our World consists of our Universe, our Galaxy, our Sun, and our “Planet” we call Earth, and they all have growing cycles just like people do, and History proves this, as our Earth gets bigger from debris from Space, we move away from our Moon half that distance, so our Geology of this planet, proves that around the time we have Polar Reversals, we have Ice Ages that follow it, and our Sun knows our Magnetosphere is going to be getting Weaker for the next decade, till it eventually decays to 0 as our North Magnetic Pole crosses the Equator, and our Magnetosphere will reverse its Field, and like all Electromagnetic Fields, it must collapse, thus venting our Atmosphere in to Space, so the Sun has changed to what we call a Solar Minimum, this is when the Solar Activity of the Sun will be at a Minimum, and we will see more Darkness in the Sun than normal, I did a Sun Series on my Light-Wizzard YouTube Channel called “Sun”, and you can watch how the Sun's activity is slowly winding down, and this is because the Sun is protecting us from the Universe, and is using its Dark Energy to do so, and Dark Energy is not something we do not know about, in Trinary Science we know Dark Energy means Negative Energy, right now the Sun is sending us Negative or Dark Energy, we need it to reverse polarity, we are currently Positive or Light Energy, Trinity calls the Father the Positive 1, and the Son is the Negative 1, so they are Matter & Antimatter, as such, Dark Energy is Antimatter, and our whole planet is going from positive to negative as it crosses the equator in 2033, so to understand this change, you have to understand how it starts out, or what the Torah called the Beginning, and in the Beginning there was Light, and we call it North or Positive, and now we will pass into the Darkness, which is South or Negative, and that is the Antimatter State, and passing through 0, also known as Ground, which is known as Earth, which is known as Mother Nature, we know our Magnetosphere will have no dimensions, because this is the 0 Dimension of Space, it is a Null Void Dimensionless Space, where Waveforms do not exist, because they have no dimensions to exist in, and why Trinity called this the Holy Ghost Spirit of Mother Nature, although the 4th Century removed Mother Nature, to make room for Jesus Christ, by inserting Jesus Christ into the Torah, such that in the Torah, it said God is All Light without Darkness, so God is not the Darkness, so what the Torah told us is that, God is Leaving us, the Light is Positive, the Darkness is Negative, and when it crosses the equator it will be a Null Void Space known as “The Vacuum of Space”, as our Atmosphere is actually blown into outer space, which is the same as being sucked into space by the vacuum of it, and the Mother will give Birth to a Son, and that Son will take a long time to grow up, at birth the Son is a Frozen Winter Wonderland, and where the original story came for Satan Clause, or is that Santa Clause, I am dyslexic, so pick one, so our World, which at this point we are talking about Earth, will Super Freeze, this is very bad for anyone living underground, as the ground will crack like ice during an earthquake, and why the Torah said you will be digging your graves, once you understand the Torah, you will want to pay more attention to the Science in it, so forget about Religion, Silly Sheep, that is only about taking the Mark of that Beast, and we all know that you should know God is All Light without Darkness, and when the Darkness comes, this Planet becomes Hell when it Freezes over, therefore only Satan who is the Darkness will be with you, till the End of Time, and why they call it the End of Time, this is when all Hell Freezes Over.

What it means to be an adult varies from house to house, state to state, country to country, to the point that it no longer has any meaning, at least none that you can apply across cultures, and Draft Laws have a lot to do with that, and its meaning is not the same for a man as it is a woman, if they were they would not be calling it Manhood or Womanhood, they would just call them Hoods, which makes more Cents nowadays, not to be confused with Robin Hood, that was a different right of passage, so what makes any Right of Passage a Right is something no one can explain, it must be a Masonic Right, or a Church Right, like you have the Right to believe what you want, and why the term adult has no real meaning nowadays, Adult what, Sheep, seriously, take a good look at the World today, and wonder what a good name for Adult is nowadays, if I see Adult written on anything, like buildings or books, bad thoughts start to come into my mind, so no thanks, I have no interest in that type of adult entertainment, and why I know the End of Time must be near, how else do you explain all this insanity called being an Adult.

People cannot agree on anything when it comes down to it, they will not agree on what age you become an adult, but agree it must be based on their age, which is stupid, since age has nothing to do with being an adult, you have responsibilities, and the truth about everything should be at the top of that list, otherwise you end up with a Satanic Society, where people have no idea what the Lightside is even about, because it is not about Money, Law, or Religion, and that is all everyone knows nowadays, and no concept of what life would be like to live without them, most people cannot imagine for a moment what that might be like, they were raised by Money Junkies to be Money Junkies, and therefore Money is all they know, and all they will ever know, they have been trained to believe that is Communism, when it has nothing to do with it, but that is the Propaganda that made them Money Junkies to begin with, knowing it is treason, there is no reason to believe any of them care as long as they get more Money, so maybe they can agree they need more Money, but they will never agree about how to save the Human Race from Extinction, they simply do not care, because no one pays them to, all because it is normal to be retarded, and no one can agree if it is even worth saving, so why try, too much work, and all because Adults lie, they commit treason, and they take the Mark of the Beast known as Ewe.

Until Society changes, Adults never will, and Intelligence has a lot to do with it, I might joke about IQ's, but really it is what it all comes down to, those with low IQ's will believe they are Intelligent, when the fact is none of them are or we would not be committing Treason, and taking the Mark of the Beast known as a Sheep like Ewe, so why deny it, people are sheeple, and no more Intelligent than any other Animal on this planet, not enough Intelligence to figure out everyone is Buying & Selling Souls, so I guess I should not expect the Human Race to be Intelligent enough to survive the Sky Falling or the End of Time, and why I am pretty sure they will go extinct way before 2061, or 2103, those two events will be the defining moment for the Human Race if they survive that long, which there is no sign they have any plans to survive it, they act like they do not know what will happen when Poles Reverse, all because of Mainstreams Science & Religion, only supports Treason and worshiping Money, and why Society never changes, in the last two thousand years everyone has been lied to, and now they are just stupid.

As a child I did not like adults for many reasons, this made it difficult for me growing up, I tried to have friends, but knew that friendship would end the second I mention my Grandparents obsession that I was Jesus back in the Flesh, so my list of friends who knew this about me, and those that know this are still my friend, are few, I always had to decide which one was more important, but in the end, it does not matter, we all go out on our own, and that is when we find out about this Afterlife, and find out if anyone was even close, and you will not have to wait long, just stay on the surface of this Planet when the Sky Falls, or the End of Time rolls around, and you will find out real fast, who was right about that, and I am betting on the Torah, and so in the Next Step 19, it may seem backwards, but now I want to talk about Teenagers, because there is no hope for Adults, so all our hope must be in our Children, they deserve to Survive the Sky Falling in 2027 and the End of Time, which actually has 3 events, venting of Atmosphere in 2033, the full 180 degree rotation in 2061, and if we go Nova in 2103, so we have a lot to look forward to, and very little time to talk about it, because most Children grow up skipping being a Teenager, because they believed they were already Adults.
