

Step-20: Years

The Years that have gone by cannot be taken back, but the years to come can be taken away, so what we do with the Years we have left is what I want to talk about now, because 20-years ago no one wanted to talk about this, and now look at where we are today with the Sky Falling in 2027, and the End of Time starting in 2033, and no one has any plans on surviving any of these Life-Extinction events, and why is simple, everyone on this planet is insane, and why they are insane is simple, they believe in things that are not real, or do not physically exists, like their Deity-God they call God, proving they are Liars, knowing only Satan Lies, proving the Church is causing People to take the Mark of the Beast known as a Sheep like Ewe, Psalms 23 was very clear about following out of the closet gay pedophile Green Pastures, proving Mainstream Religion is behind that Insanity, and Mainstream Science that took God out of their Universe, also removed Light since the Torah said God is All Light without Darkness, proving it is Mainstream Science that is behind this Insanity, proving it is Mainstream that is Insane.

If you follow the Lies in History, they trace back to the 4th Century when the Church Altered the Torah by inserting Jesus Christ to make Jesus Bar Abbas out to be the Bad-Man and for two thousand years the Church and its Members known as Sheep like Ewe who took the Mark of that Beast, have taken over all the Governments, by pushing their Treasonous Money on the World by using their Mainstream Insanity Machine with its Rich & Famous Liars who have Tickets to live in Underground Tombs when the Sky Falls and End of Time comes, so all they have to do is keep up the Lies till it is time to check-in, and they have cameras so they can watch all of you die in real-time, ringside seats to the end of the Human Race, and no one wants to talk about the Treason, nor the Life-Extinction events, so it does not take much to figure out why they are lying to you, they want all of you to die on the Surface so they can Loot, and rob from the dead.

Throughout Time, People believed in Classes of People based on the Color of their Skin or how much Money they have in their Bank Account, and as an Ashkenazi Jew, knowing in World War II people Tattooed their Bank Account numbers on their Arm, and checked into Camps waiting for their Promised Land where they can build more Walls around their Cities to keep none Zionist Jews out, and it was easy to tell the Zionist from Ashkenazi by their Tattoos, that is what my Grandmother told me, my Grandfather told her, so my views of Jews is very different than Mainstream Liars, and their kind are now in control of the World using Money that is Treason, Enforcing that Treason with Treasonous Laws, their Law System is nor more Legal than the Treason it is Enforcing, but Sheep do not care, as long as they get their Money Fix, the Money Junkies will do anything you tell them, and in this case is roll over and die like good little Sheep, White Sheep & Black Sheep, all look the same after they are Slaughtered by Satan, proving most People are Sheeple, and that is why they invented Classes, and Color Discrimination, so you will fight between each other, as they get you to service the National Debt like good Slaves in the Land of Freedumb, where Mainstream is paid to lie to all of you.

The Trinary Universe does not care what you believe, you have to prove it before anyone should care, and never allow anyone to tell you they have the right to believe what they want, that is the Mark of the Beast known as a Sheep like Ewe talking to you, trying to convert you into their Satanic Ways, so never be Fooled by Satan who uses that Lie to get you to Commit Treason, by getting you to believe they Amended the Constitution to allow Treason, that is Treason, and allowing it to continue is Treason, and it is Treason to make it Treason to take back a Corrupt Government, that is not even a Government, its Laws prove it is just a Franchise to the Federal Reserve, and those type of People do not care about the Lives of anyone living on top of the Surface of the Planet since Trolls live underground with Satan, and would Nuke the surface, without a second thought, and why they demanded their Military build them Remote Controlled Nuclear God Bombs, so you will die on the Surface like the Stupid Sheep you are, and Trinary Science proves they depleted the Oil, so there is no way their Underground Cities will Survive, so it is Ironic how Evil Money is, and those who put their trust in it instead of God.

From the time I wrote this in 2021, to the Sky Falling in 2027, only gives you 6 Years to prepare to Live, or just give up and Die, those in Power told you what they want you to do, which is shut up and die, you are all Guilty of Treason, and Legally all of you can be Executed for that Treason, they own the Judges, Lawyers, Police, and Military, so it is Game over for all those Living on the Surface, and that Ironic Part is they will be the first to die in their Underground Tombs, all because they are not very intelligent, just Greedy Criminals that are in Charge, because it is normal to be retarded, and normal to be cowards, and those Religious Fools are all to blame since they are the ones who committed all the Treason, and enforced that Treason on others, and want you to believe Treason can be Legal, proving Stupidity is Treason, and those with the lowest IQ's are the most Guilty of Treason, all because they are too Stupid to be called People, and why they took the Mark of the Beast known as a Stupid Sheep like Ewe, who will spend the next 6 years playing blame games till the day they die, and those in Power know this, they thought out this Treason years in advance, and have Prisons for anyone that figures this out.

The reason the Torah has a Canon with Prophets in it, is clear, they are born on the Star-Date known as Christ, the Binary Star we call Sirius, it is the day this alignment takes place, and for some reason, some of the people who are born on that day, find out the truth, and decide to do something about it, I decided to document the Extinction of the Human Race, and build an End of Time Recording Machine, to document this Extinction event with, there was really no way anyone was going to do anything for Free, or give up Religion or Law, so Trinary Sanctuary was never going to get built, it was just a Dream I had as a Child, growing up I learned everyone is insane, and there is no curing their Insanity, they are all Addicted to Money, and nothing but Money Junkies that will do anything for a Price, and why they are all going to die, and those that are in power will be the first to die at the End of Time, the Earthquake that will be felt around the Planet for over 10 minutes, will exceed a 10 Magnitude, and it will be quaking while it is being

frozen at the same time, without the Oil, the Earth will grind, as the continents get moved around, as all the Lakes and Oceans mix, and all the lands are covered in Water, the Age of Aquarius is here, and that water will freeze in seconds, the land masses will crack like ice.

To understand Evolution, you need to understand Charles Darwin, he believed in Sir Isaac Newton, therefore he believed in the God that is all Light without Darkness, and he might have been an Aspie, which would explain the way he wrote things, you can tell if someone is Autistic by the way they write, and his Concept of Life was very simple, the case with Birds for example, one breed of bird will give birth to the next generation of birds of its kind, mutations occur in only one mating, or one individual, but what we have witnessed is a next generation being born in all mating's, and only God can do that, this is not a mutation if all the birds are giving birth to a new species, yet that is what we see in nature, and so it will be in the End of Time, our Planet will go into a deep freeze for hundreds of years after the last event in 2103, and after our Atmosphere replenishes, it will start to get warmer, and eventually the Oceans will thaw out, and it will start to warm up faster, and those Animals that do survive, will give birth to a new Species that will dominate this planet in the future.

If you look at what the last two thousand years have brought us, you know it is all because of the Church and Religion, those that believe in Jesus Christ turn out to be Satanic for taking the Mark of the Beast known as a Sheep like Ewe, and it was their kind who allowed Treason, and why the Torah called their kind Satanic and Evil, and look at all the Wars, Crime, and destruction all for Money, proving why the Torah called it Evil, if there was no Money & Religion in this World, there would be very little Crime, no reason for War since that is all it is ever about, so why Humans allow Treason is simple, they are Addicted to Money, and Spend all their time trying to make it, or steal it, and they look up to the Rich & Famous, knowing they are the ones the most guilty of Treason, and at the End of Time, knowing you only have 6 years after the Sky Falls in 2027 to prepare for this Deadliest of Events, and you know that is not enough time, so what are you going to do, just wait for our time on the surface of this planet to run out, and die freezing to death, even if you do survive the event, how long do you think you will be able to survive an Ice Age, and think about all the time you would have had to build something that would have survived if those Rich & Famous Liars told you the truth, all because of Religion and their Money, that the Torah forbid, but those out of the closet gay pedophiles wanted to get paid to Alter Boys, so they had no problem Altering the Torah, and getting all of You to take the Mark of the Beast known as a Sheep like Ewe, and get all of you to Buy & Sell Souls, this is what the last two thousand years of the Church has bought you, a one way ticket to Hell.

The Trinary Universe gives all Animals the chance to survive, and humans throw it all away for Religion and its Money, that you all know is Treason, and at the End of Time, you will not have to worry about God Judging you, the Torah said God is leaving us, and Satan will take over, but the Humans put out the Fires in Hell by pumping out its Oil, and now the whole Planet will

freeze solid to its core and go Nova, and all for Religion and its Money, and the Torah told you this, but none of you listened, they did not listen then, nor will they ever listen, so the Human Race proved they did not have the IQ Power to move up the chain of evolution, and in just 12 years, all of them will be dead or dying, all for Religion and its Money, and Religion is just the Worshiping of Money, and you cannot have one without the other, so those who love Money, will Love Religion since Money is all it is about, and serving Satan, and you Celebrate Satan using Anagrams like the Santa Clause, picture a Sheep with Horns after it has been Slaughtered in Green Pastures, which is where those out of the closet gay pedophile Green Pastures are taking its Flock of Sheep known as Beast like Ewe, and why the Torah said at the End of Time, all those who are Satanic, will dig their Graves to prove it, and all for Religion and its Money, the Universe gave you Freewill, and you decided you have the Right to believe what you want, well believe it all you want at the End of Time, because the Universe will not give you a second chance, and it is clear how this Game will play out with Satan in charge.

If years older made us more intelligent, instead of less, maybe getting older would not bother me as much, but the older I get, the stupider everyone else gets around me, making the years drag on, and no hope for anyone getting more intelligent, or getting any courage, this world is full of Followers, but no Leaders, just a bunch of Treasonous Traders, and why I know watching the Human Race go Extinct is the best thing to ever happen to this planet, and why I could care-less if anyone survives these Life-Extinction events, no one deserves to live, so if you want to document the End of Time, you have to be realistic as to what you are hoping to achieve, you cannot change the World, and even if you could it would be too late to build anything that could survive, that is proof that there are no intelligent humans on this planet, just a bunch of Money Junkies, and they are not worth saving, so why bother, just act like nothing is going to happen, and wait to see what happens, just like Sheep standing on the Railroad tracks at Night as a Train is coming, all the Sheep saying go towards the Light, thinking those are words of wisdom.

Regardless of the Sky Falling or the End of Time, current buildings around the world will not survive either event, as such, building them is proof that everyone is insane as if I needed proof, just look around, everyone is Buying & Selling Souls, taking the Mark of the Beast and they are proud of being Sheep, ask any Religious person if they are a Sheep, remind them of Psalms 23, and following the Shepard, then it will click, they are Sheep, and that is an Animal also known as a Beast, and now you just popped that bubble they were living in, where they believed they were good people for going to Church, knowing they have to Murder all that do not believe that God does not Physically Exist, and calling a Deity-God, God, is a Lie, and only Satan Lies, proving all those going to Church, are Satanic, and guilty of Treason, so it is proof they are all insane, and there is nothing anyone can do but laugh at all the Sheep because they are a Joke.

Human Intelligence is a Joke, and IQ test is proof of that Joke, no one can claim to have an IQ above retarded, and we all know that is the truth, if they had a Normal IQ of 20 points above retarded, they would understand God is All Light without Darkness, just 66 IQ points is all it takes to understand the simple phrase “God is All Light without Darkness”, proving Humans are all retarded as a Species, and every once in a while someone is born who has an IQ, people like Brahe, Kepler, Newton, and Tesla, all known as Wizards, and you know the Church and all its Members known as Sheep like Ewe, murdered Witches & Wizards throughout History, to keep their Secret a Secret, and now that another Wizard was born to tell you their Secret is that they get Sheep like Ewe to take the Mark of the Beast known as a Sheep like Ewe, who are too retarded to understand how retarded ewe are, for allowing out of the closet known gay pedophiles to get you to take the Mark and feel good about being Sheep, and pay the Church to Alter Boys, like they Altered the Torah, and get you to murder me for telling you the Truth about the Church and all its Satanic Members of Sheep, who are too retarded to understand what all the Wizards have been telling them, stupid Sheep, you push your belief on the World of retarded humans, proving how retarded all of them are, all too insane to know how insane they are.

The Torah said only Satan could lie to themselves, that is what every Religious person on this planet is, Satan, they Buy & Sell Souls and only Satan would do that, proving everyone is Satanic, regardless of what they tell you, because Satan only knows how to Lie, so Satan will always lie, and yet there is no denying you Buy & Sell Souls, so there is no Denying, you are Satan, and if you are Religious, you have to take the Mark of the Beast you know is a Sheep like Ewe, and denying it, just proves you are Satan since only Satan Lies, and Denying the Truth is a Lie, and only Satan Lies, and why is simple, everyone will do anything for a Price, and they Sold their Soul to Satan for Money, and now have no Soul, and therefore do not believe in Souls, the Religious Sheep Paid Satan to take their Soul, they Paid Satan to Alter Boys like they Altered the Torah, proving all the Religious People are Sheeple who have no Souls and Worship Money, their Deity-God, with “In God, We Trust” engraved on it, so Satanic People are easy to spot, they go to Church, they use Money, they Lie, and they only know Lies, and only tell that Lie.

The End of Time was never about trying to Survive it, Satan never was going to allow that, all Satan ever wanted was War, and that is how you know who Satan is, the War Machine, the Military are Satan’s Soldiers, they forced me to get the Anthrax Vaccine that killed 270 thousand out of the 290 thousand Vaccinated, so I know who my Enemy is, it is all of you, so I have no Interest in any Constitution that allows Treason, no interest in People who Support Treason, and again, that is all of you, you are the Enemy, so why should I waste my time writing to Stupid Sheep who are too Stupid to understand that they are Satanic Creatures, and not Human at all, they are nothing but Liars, and that is all Satan is, and all that everyone on this planet is, nothing but Soul Selling Satanic Sheep, and not one of them deserves to live, so not one of them will, that is just the Science of it, those underground bunkers will be the first to fall, they are Engineered and Built by people who are too Stupid to Understand the simplest of Concepts, God is All Light without Darkness, and we are supposed to believe they are intelligent enough to

build underground bunkers that will survive the End of Time, knowing none of them believe it will happen, and not one of them know how it will happen, or I would not be the only one talking about it, none stop for the last 20 years, and that is all documented on the internet, no one cared, and they were so insane, they believe they can debunk Facts with Theory, Sheep, not worth the effort to build anything survivable, and Satan just wants all of you Dead, and that is why all the Underground Bunkers are built to fail, because they failed to build them for the event that is going to happen, they are so Stupid, they will tell you that Earthquakes are a Surface Phenomenon, what BS, and they are so stupid they believe it, so it is fitting for these Traders to the Human Race to Die first.

In all the years I have lived on this Planet, and as many people that I have talked to in all those years, and after 60 years of trying to find just one person who understands what I have to say, and finding none, I can only conclude that the human race is brain dead since they do not believe that is their Soul, and have no problem Buying & Selling Electricity by the Kilowatt knowing God is All Light without Darkness, and it takes Electricity to make Light, so you know you are Buying & Selling God by the Kilowatt, therefore everyone on this planet is Satanic according to the Torah, and since most people or sheeple, believe they have the Right to believe what they want, proving there are Alternate Realities taking place on Earth right now, and why is simple, everyone is Insane, and Satanic, but too Stupid to understand that, but what do you expect from Sheep like Ewe, and you know who you are, so the Next Step is 21, where I will talk about Legal, and what is Legal, and what cannot be made Legal, which we all know is Treason.
