

Step-7: End of Time Machine

An End of Time or EOT Machine is a device that has sensors that can detect Air Pressure, Magnetic Strength and Magnetic North indicator, it has Earthquake sensors, as well as others, all used to detect the End of Time. I document this Machine in my GitHub account for Light-Wizzard, the project is progressing slow due to not enough Satanic Money to buy parts, my concept is to use a small briefcase to house a 10" touchscreen that interfaces with a LoRa Gateway, that receives data from a Sensor Box which has a LoRa Transmitter, as well as WIFI, Bluetooth, and Cellular, to ensure you can get as many types of connections you can.

The End of Time Machine can be built as a Do It Yourself or DIY project, or hopefully someone will manufacture them for sell, but they are not going to be cheap, the case I am going to use cost \$100, but you can buy whatever case you want, this one is waterproof, and strong, designed for flying, you can buy a locking device with TSA key, it is carry-on size, and very portable, but has some weight to it, since it has a battery pack in it.

I will buy parts when I can afford, and work on it till it needs more parts, so it will be a slow pace project, and there is enough at the Light-Wizzard at GitHub that most DIY people can order the parts and build one themselves, they do not have to use the same parts I do, the Wiki has all the material I wrote to go with it, I have two repositories, one for Remote Sensors and one for the End of Time Recorder Machine.

The End of Time Machine will warn you when the event is about to happen or happening, it records all the data about the event, it can be used to communicate with other EOT Machines, via LoRa, Internet via wired or WIFI, and Cellular, and can also hold personal files, videos, audio, images, and other types of Files you can access using Linux, that is installed as the OS for this system, making it a versatile device.

The concept behind the End of Time Machine is that it is a Scientific measurement equipment designed to measure and record various Earth functions like measure Magnetic Strength so you will know when the decay rate equals 0, and Magnetic Compass position so you can track when it reaches the Equator, and Air Pressure Sensors to tell when the Atmosphere is venting, and having a Machine that is designed to track the End of Time will prove to you that this is a real event in progress, so you can prove to yourself what is going on without listening to Satan tell you that this is not going to happen, or tell you Einstein is Right and Newton is Wrong, this machine is designed to prove what is going on, and to record the End of Time. The concept is that if you can use Scientific instruments to detect and record this event, that you would be able to prove to yourself what is a fact and what is fiction.

If I do not say anything about the End of Time, no one else will, that is just a fact since I am the only one talking about it, people who carry signs saying the End is coming may be right, but I asked one of them why they thought it was coming, and concluded they are as lost as people who do not believe it will happen, all because they allow the Church to do their thinking for them by interpreting the Torah like only Satan could, and Satan will always lie to you telling you that the End of Time is not going to happen, Satan lies about everything, Satan means a Liar that Lies just to take your Soul, which means to allow you to die for their Lie, thus you go to Hell for Lies.

The End of Time Machine or Recorder, does not lie as long as it is working right, it will tell you that our Magnetic North Pole is going to Reverse its Poles or Polarity, and the Torah called that the End of Time, but Satan will tell you it is not going to Kill you just to take your Soul to Hell with them since they know they are going to Hell for all their Sins, Satan teaches you that God is Forgiving, just ask Repent, but that is not what the Torah said, it said Satan is a Liar, God has no meaning for that concept of Forgiving and unforgivable Sin, God will not allow your Soul to Ascend to Heaven as Ball Lightning or Angel, where you are Free, instead your Soul stays Grounded to Earth where Humans use your Soul to run their Cities, you try to get to Heaven and God will send you back down in Lightning, and that does not feel good, Hell does not feel good.

Why People lie is simple, Satan Lies, the most talked about Lie is UFO's, the Torah told you that when Moses Destroyed the Pyramids by looting the Gold that made it work to make Money and Laws to make Slaves of People so those in Power do not have work for a Living, they just have to Lie to all the Satanic Sheep who took the Mark of the Beast, the Torah said those living underground, know how to build underground, and not how the Monkey's are doing it, which means you get to watch the ceilings get closer over time, till it becomes a tomb, proving Satan just wants to take your Soul to Hell, and the Torah also said that what we call UFO's are those that banished Adam & Eve to the Surface for their Sin of mixing the Tribes Blood producing a Murder named Cain, the Sin that got all of us Cast out of Paradise, proving no White or Black people exist, they are just one race, but Satan lies to people telling them they are not the same, when we all know that is not true, so why do Satanic People or Sheeple listen to Satan is clear, they are Satan and only listen to what Satan has to say.

The Torah talks about Jesus Bar Abbas trying to make a deal with those we call UFO's, and the Church is the one who murdered Jesus so he could not make the Deal, and why we live on the Surface of the Planet, left here to Die because of the Church and its Satanic Members of Satanic Sheep who took the Mark of that Beast, and run Mainstream, they are called Actors, and Politicians, who have their Satanic Police Dogs watch over their Satanic Script known as Money, and you do not need a Machine to explain to you the Truth about this Satanic Society of Liars, you know how Evil they are, you know they Rule by Threat of Prison or Death proving they are Satanic because only Satan believes in Punishment, Governments are nothing but Satanic Rulers whose only job is to send you to Hell with them, and all for Satanic Script known as Money.

Our Moon like all Moons are affected by our Binary Star Sirius, that is causing the Gravity fluctuations, and a Machine could prove this, and put an end to people lying about this also, they lie about everything to do with Science, people cannot really be that stupid is what I keep telling myself, this is just Satan Teaching Satanic Science to a bunch of Satanic Sheep, our Planet has a Trinary Engine and not Molten Metal, that is a Lie that Satan tells Sheep, all Atoms and Engines have a known Law about how they work, once you understand Trinary Atoms, you can start to understand Trinary Engines, and why God Created Moons, they can channel the Energy of the Binary Stars into Gravity waves that keep the Lava around the Trinary Engine moving, and does not create any Magnetic Field and only Stupid Sheep believe that Lie, if that was true, our Planet would be slowing down to create the Magnetic Decay, proving what Liars Satan is. Our Planet and Moon grow, as they do our Moon moves away from us, but the size of our Moon in relation to the Sun, always appear to be the same size during a Lunar Eclipse, this is called Tuning the Sun and the Moon, so that energy signature remains a constant over time.

The Earth should reach the 0 decay and our North Magnetic Pole will be at the Equator on Friday the 14th 2033 the day before a Full Moon that is waxing, on Friday the 14th 2061 the Moon will be in the same position, but our North Magnetic Pole will be at the South Pole, proving this should be the correct date and time that the Torah said it would happen on, which is a 6:32 PM Pacific Standard Time, talk about knowing what date and time this will happen, and that was the date and time I was born, and I could not make that up, the Moon was waxing, it was Saturday due to a Leap-Year, as such, I was born the day after Friday the 13th and instead of a Full Moon, the New Moon arrived on 16th which 16 is Hex for the decimal 10 which is how many days they removed after making Newton's birthday the 4th so all these Numbers where Masonic, and it is clear that there is a significance to a Full Moon and a New Moon, meaning no Moon or Eclipsed, and why only on its Waxing Cycle has to do with that time of Month, and if you switched to a 13 Month with 28 day cycle, this would become clear, the Calendar hides this Date for a reason, they do not want anyone to figure this out, and went out of their way to keep this a Masonic Secret, and why is a question I gave up on years ago, it is clear they have other plans, like Underground Tombs the Torah spoke of Satan Digging their own Graves at the End of Time.

The UFO's, or Atlantans, have one story in history that you should know about, there was once land between the Rock of Gibraltar and land on the other side of the Sea that Moses destroyed by use of a God Bomb also known as an Atomic Bomb with enough power to bridge the gap between the Sea wall and land, causing Atlantis to sink to the bottom of the Sea, and with it many machines, it is said that Atlantis itself was a Spaceship that could and did fly to the Moon, as well as Mars, and there is evidence of this. They fly Pyramid shaped ships that have spherical ships that can fly out of it, maybe drones, they can fly into the water without slowing down. After the End of Time, you will be seeing more of them, because it will be safe for them to come out again, it is not safe now, all Nations have been known to fire on them, making us their Enemy, so never expect them to be happy to see us, we are just Satanic Sheep to them.

Those that live in Paradise have machines that are so far advance from our own, that we are like cavemen compared to their technology, the Torah before the 4th Century had volumes about them, but the Church paid Knights Templars to Burn all those Torah's just so their Satanic Version would be the only ones to survive the Dark-Ages, and Satan continues to Lie about what they have done, and why they have done it, Greed, Lust, all the 7 Deadly Sins called Money.

I am one of those people who do not believe we went to the Moon, all because I lived in Corona, and for some reason we have a good view of a new Satellite off our coast in Geosynchronous Orbit, that was there after the day the Apollo mission left for the Moon, and it went away after they landed, scientific study of that object led me to conclude it was the Apollo mission, we did not have the Technology to land on the Moon back then, and we still do not now, so why does Satan Lie? Satan means Liar, maybe other missions were not a lie, but I believed that one was, we can send unman missions that can put Mirrors, Flags and other things on the Moon, without having to send humans, the main problem is lack of protection from Micrometeorites, as well as no shielding for harmful electromagnetic energy like Gamma and Xray, my guess is that humans would be seeing them in their vision, and would be dead after being exposed to it as long as it would take to get there and back, that is just the Science of it, and until we send a real mission with real people on it, I will not believe it, we might have gone but I refuse to believe it do to the fact I know they lied about so many things about the Moon, that is proof enough they did not go.

The truth is I do not trust the History of a world I know is all a Lie, and once those lies make you question if we went to the Moon, diminished that reality to me because of all the Lies, so even if they did go, I believe it was a lie, and cannot see beyond that lie, so I might be a liar for saying we did not go to the Moon, but at least I based it on what I saw rather than what I heard, but I cannot in clear conscience say we did go to the Moon since all my observation proved to me we did not go, but the Truth is always diminished by Liars, and that is all Satan means. I would never write about anything I did not understand and cannot prove, unlike most sheep who just Lie, and we all know Jesus Christ was a Lie, and all those who believe in Jesus Christ have to take the Mark of the Beast known as a Sheep like Ewe, proving you cannot trust anyone religious, and being married to a Catholic makes life interesting, she still calls God my Light, but I still Love her, and that is Life, we all have to put up with things we know is not right, and have no clue as to what the Truth is, I know of no truth in the Apollo missions because they lied about what was in orbit off the coast of California and everyone could see that lie, but cowards never do anything to correct History and why it is all Lies, with very little truth to it.

Machines can lie just as easy as people can, so it is easy to fake going to the Moon, there are just so many facts that do not add up, for example, we know for a fact since NASA send up a satellite just to go outside our Magnetosphere and then come back down, the mission was to see what it could collect as far as space debris, and had 2" beams with Micrometeorite holes, they had hits that would puncture the spacecrafts air chambers, not to mention no shielding, it is clear that

without it your brain would be fried, so what makes more sense, they broke the Laws of Physics to go to the Moon, or they faked it, using Machines to lie? Do not ask me, I have no clue.

At the End of Time we need a Machine that will not Lie, I cannot believe Liars, and why I have to question anything I hear on Mainstream, I know their Science based on Einstein is a Lie, and really just a joke on Stupid Sheep since this is just a Masonic Game to get Sheep to commit Treason so they would have a reason to murder them with Vaccines and War, which are just Satan's way of "Thinning out the Sheep", this is a very popular song to sing, so sing along as Stupid Sheep get vaccinated, and fight in Wars designed to Murder them, proving Governments are Mass Murderers, and that is what the Torah said Satan would do, so the Torah is describing all Governments in terms of Satan being Evil.

I have no interest in Space travel because in our Future I know it will be very hard to launch a Rocket from on top of Mount Everest, and what Sea Level will be like in just 13 years, so all the Money going into Space Travel will be for nothing, all that Space Junk will crash down to earth in 2033 and no one will be able to put another one into orbit for hundreds if not thousands of years from now, and that is just Science talking, we cannot live without Gravity, so living in Space or on the Moon is not possible, stupid sheep with their stupid science want to make Money and do not care about reality, when Money is involve thinking is not, BS Science just so the Satanic Sheep can destroy the Moon, Satan is not to be trusted, they rule by fear that their Police will arrest you and put you in prison, or they will Vaccinate you to death, or send you to War, all to make money off your dying Souls, and why War is big Money, proving who is Satanic and Evil, and that is anyone that allows Money to be used to destroy, proving Murdering Machines.

Once you understand just how Satanic Sheep are, you know the End of Time is a Real Event the Torah described, and understand that the Church is to blame for being Satanic, they know they are Satanic, and only worship Money the Root of All that is Evil, who believe in the Lies Satan Inserted in the Torah or Bibles making them all Lies that Sheep have to take the Mark of the Beast known as a Sheep like Ewe to believe their BS about believing in God by believing God does not physically exist is just lies most intelligent people can see through, and they can admit they are cowards and allow it, proving to themselves that they are Satanic for Allowing Satan to be worshipped in the Name of God just to get paid to Alter Boys, and why nothing will ever change and this End of Time Machine is just here to record why Satan was allowed to Rule.

Bad Science is the number one enemy people have to deal with, Theoretical Scientist are basically insane for believing in things they cannot prove, our Moon acts like a Binary Planet, much like the Binary Star Sirius, the two are in tune with the Sun and the Moon, all that Energy can be tracked by a Machine, and that would put an end to bad science, Machines also need to be ensured they work right, or you could be looking at wrong results, which is worst then bad

science, so make sure you have built in test functions that may require exterior parts, for example you can take a vacuum hose to test your Air Pressure Sensors, a Magnet can be used to test your Magnetic Sensors, this is called self-diagnostics, to prove your machine is not giving you bad data, also be careful of areas with strong magnetic readings, or drafty or windy areas that can make your readings vary, your machine or sensor boxes, needs to be away from Electrical Wires, so being inside a house is not the best place for it, I recommend making Sensor Boxes for each function required, you can have all boxes be the same, but only rely on one of its functions, this way you can put your Magnetic Sensor box away from any electrical wires or electromagnetic sources, while having the Air Pressure sensors in the house, a closet is the best place since as long as the door is shut, it will have little air pressure fluctuations.

If you can build these Machines, maybe you can build enough for others, so everyone can have one, because I have no interest in Money, my wife needs it to pay bills, which add up fast having cancer, I hope to live to my 72nd birthday, and watch the Ice-Age take over in seconds, and know that at that moment, everyone will know I was telling the truth, and everyone else was just Satanic Liars, and their own Laws prove they are Liars about the Constitution being Amended, nothing but a Franchise makes all Americans guilty of Treason, and no Law can ever make Treason Legal, ask the Military to do their Job, they will have no problem Murdering all the Satanic Sheep for Treason they set up, proving who Satan really is, my employer, the United States of Sheeple.

Everyone has the choice to believe in Trinary Science or Mainstream's version of it, meaning Einstein's denounced theory, keep in mind that people that say they understand his Theory, are Retarded, Dumb is not being able to talk, Stupid is you can talk but should not, because you have nothing Intelligent to say, never listen to Religious or Theorical Sheep in general, they are insane for believing in things that do not exist, the very definition for insane, and it is up to you if you want an End of Time Machine or not, IAM the Light Wizzard in the Flesh, next Step is 8.
