

Step-15: Trinary Science

The word Trinary means the 3 Logical State changes found in Atoms under an Electron Microscope, and Science is the understanding of the word Trinary, and together they mean the real Science of the Trinary Universe, based on the Torah and the work of Johannes Kepler, Sir Isaac Newton, Benjamin Franklin, and Nikola Tesla, based on God Being All Light without Darkness found inside of all Atoms.

To understand Trinary Science you must forget all of Mainstream Science since it is all Lies designed so that people would believe God does not Exist, so they can Buy and Sell Souls using Treasonous Money, and you would be too stupid to understand common sense, all to get you to take the Mark of the Beast known as a Sheep like Ewe, all to get People to use Evil Money, and since this is the work of the Church, Bankers and Governments, that are all Guilty of Treason against the Constitution of the United States, all because the Police Pigs & Military Dogs are Paid Assassins, that worship Satan by being paid using Satanic Script called Money and do the Bidding of Satan by committing Treason and then Lying about it, as such, everything you were taught your entire life has been a lie to coverup Treason, proving the General Public only knows Lies and Bad Science, all because they have to Lie about Science in order to make you take the Mark of the Beast, proving that everyone that uses Money is a Satanic Liar, and only know Stupid Retarded Science, knowing they know nothing about the truth, because they do not know what that is, two thousand years of Satanism has made everyone on this Planet Insane, too stupid to understand the truth, because they are Satan's Followers.

The Reason why the Church has Police, and Military, is because they know when the People figure out it was the Church lying, they needed protection, so they made a deal with the Governments who would use Satanic Script known as Money that is used to Buy & Sell your Souls, known as Light or Electricity Satanic Sheep Buy & Sell by the Kilowatt, proving they know they are Satanic, and Lie to themselves proving Satan is in their Soul, all because the Church wants to get Paid to Alter Boys, and Sheep will accept Satanic Script known as Money, that is Treason to its Constitution, proving it does not exist, all for Money. The U.S. is not a Country with a Legal Presidents since Lincoln was Legally Executed for Treason for allowing the Bank to loan Money to both Sides of the Civil War, telling Black People this was about Slavery, when the Constitution said all Men are Created Equal, it is clear no one ever believed in it, or enforced it, and why no one misses it, they are all Satanic Followers, that allow the Rich & Famous to Lie to them, while they have tickets to live in Underground Cities at the End of Time, proving they lie about Science so you will not figure it out, proving it is normal to be retarded, so first you need to know why you only know Lies, and this is why, so you will die on the Surface of the Planet, and those that Lie to you will never stop.

The Torah written before the 4th Century is not the same as the one after it, all because the Church has always had a Military to murder for them, History proves they would Murder Witches and Wizards for telling people about the Torah written during the 3rd Century, it was written using Witchcraft, meaning words and spells that have more than one meaning, and Satan used them to make People believe that Law was Legal, which is a lie since we all know that Laws cannot make Treason Legal, proving all Laws are Treasonous Laws that only Treasonous Traders would follow, proving everyone on this Planet is Satanic and that is why they know nothing about Science but Lies, and that proves they are stupid.

Trinary Science is based on the 3 Logical States Changes seen in Atoms under an Electron Microscope, you have the Father who is the Solid State of Positive Matter, and the Son who is the Semisolid State of Negative Antimatter, and the Invisible State known as the Holy Ghost Spirit of Mother Nature, and the Math Formula known as the God Equation $(+1) + (-1) = 0$

```
(+1)  -----*-----*
( 0)  -*----*----*----*----*
(-1)  ---*-----*-----*
```

Once Newton & Halley graphed this Formula it became clear the Torah is talking about Calculus, this is a 3 Dimensional Sine Waveform, so simple equations turn out to be Functions, and used to plot out Trinary 3 Logical State changes, when the Father is Solid, it has 3 Dimension: Width, Depth and Height, when it passes through ground or 0, it loses all those dimensions, thus collapsing the Fathers Magnetic Field, the space is now a Null Void, the Neutrinos have collapsed and why the Atom is invisible, the Son then goes Negative, and only being in 1 or 2 dimensions, it is Semisolid.

I prefix things with Trinary to show they have 3 Logical State Changes, as such, Trinary Atoms means Atoms with state changes you can observe under an Electron Microscope, they have larger versions I call Trinary Engines that are the core of every Galaxy, Sun, Planet, and Moon, they use the same laws and rules of Trinary Atoms.

Our Sun has a Trinary Engine, its polarity changes every decade, it has a massive Trinary Engine, that attracts in most debris the Sun flies through so it does not hit its Planets, as objects hit the Sun, they cannot touch its Trinary Engine, so it is forced around it, this causes friction that melts the material, the Trinary Engine has a set Frequency that determines how fast the Sun rotates on its axis, the speed of the Sun as it orbits around our Galaxy is based on its Mass, Light has No Acceleration, therefore is Static, proving only the Neutrinos are moving, and it is the

Universe that is Dynamic, not to be confused with Einstein's Retarded use of the Term, if you think of the Universe as water moving very fast, and Trinary Engines are floating in that water, and as its Atoms change into the 0 Dimension known as Ground, or Earth known as the Holy Ghost Spirit of Mother Nature, the Neutrinos can move without burning up due to the Universe moving at what we call the Speed of Light, the more Mass the faster and object is dragged through space, there is nothing causing the Sun to accelerate, Centrifugal Force is a Satanic Lie, it has nothing to do with Gravity, not hard to prove, the Magnetosphere is decaying at 5% a century, if Iron in the Earth or Centrifugal Force had anything to do with Gravity or our Magnetosphere, our Planet would have to slow down for this decay rate to happen, proving anyone that says that is just a liar, it does not even make common sense, so it is not Science but BS.

Light travels in a circular path with a radius arc of 16 billion Light years, anyone that wants you to believe Light travels in a straight line is insane, too Stupid to be called Intelligent, that concept is not even rational, proving it is a lie and not a misunderstanding, there is something called the Laws of Physics, and in order for Light to travel in a straight line, it would have to break the fundamental Law that states all Electromagnetic Forces are Circular Paths, so why would anyone believe Light breaks that Law of Physics, proving Mainstream is Lying about Science on purpose, no one can actually be that retarded as to believe their version of Science.

I have an IQ of over 180 according to my Military ASVAB Score, that means anyone with 20 points below that is retarded to me, by the 3rd Grade Einstein was retarded to me, like Tesla, I understand God is All Light without Darkness found inside all Atoms, Einstein removed God, thus All Light without Darkness found inside all Atoms, thus no Atoms, and No Light since there cannot be Light without the Darkness, so neither of them exist in Einstein's Retarded Alternate Universe in an Alternate Reality, and then the Retard wants you to believe $E = MC^2$, where E is the Energy, and M is the Mass, and C is the Constant for Light that Einstein removed, proving everyone that believes in Einstein is Retarded, this does not even make common sense, whereas Newton said $F = MA$, where F is the Force of Gravity, which is God in all his Equations, God is All Light without Darkness found inside Atoms, where M is the Mass of those Atoms that have the Light of God inside them, and A is the Acceleration of the Mass of Atoms, if you want E just Square A when M reaches the Speed of Light, the Thief in the Patent office was also a Plagiarist, as well as a liar, but I do not believe you need to have a high IQ to figure this out.

Most of Trinary Science is based on observations, experiments, and only include things anyone can prove is the truth about Science, and the Fundamental Foundation of this Science is based on God Being All Light without Darkness found inside Atoms, this is from the Torah, proving the Churches Lie about what God is, just to get People to take the Mark of the Beast known as a Sheep like Ewe, to believe God does not Exist, and is not the Light, because if you knew God is Light, and we Pay for Lights and Electricity proving who Satan is for Buying & Selling Souls, or

God's Spirit, meaning all Light, keep in mind the Darkness is the only thing people can see since it is the Rainbow of Colors found in the White Light of the Sun seen through a Prism so this is all based on Facts and not theory, and a Theory is not a way of Explaining a Fact, that would make it a Theory and not a Fact, but Stupid Sheep are easily confused by Science.

Trinary Science is based on Wizards and Witches, Nikola Tesla was the Last Wizard according to History, and Sir Isaac Newton was the Last Magician, and History proves they studied Witchcraft, and were Alchemist, so it is clear why people in History make them into Fairy Tales, and discredit them, they told the truth about the Torah, Religion known as Satanism, that teaches People that God does not Exist, so that you will not make the Connection with our Souls being Light or Electricity, all so you would take the Mark of the Beast, and Buy & Sell Souls with Treasonous Money, proving the Torah was right about the End of Time being Evil.

I cannot teach you Trinary Science without explaining to you why you were not taught this in School, after Einstein took God out of the Universe, no one teaches the Newtonian Universe, and this is based on it, it does not change it, unlike when Einstein Lied about not Fundamentally changing it, what a Liar, God is the Force of Gravity in the Newtonian Universe, and Einstein removed God, weather you see the Lie or not, all of History is nothing but one long Lie, and how can I teach you the truth, when all you know is Lies, not possible, just do a brain dump and rid your mind of Satanic Knowledge.

Mainstream Science is about Lying about what God is just to make People take the Mark of the Beast, Church is about indoctrinating People into their Satanic Cult of Murderers, Religious Sheep only know Satan as God, and have no concept of God as All Light without Darkness found inside Atoms, proving the Religious Sheep are Satanic Liars, all so the Government can get away with Treason by allowing the United States to be Franchised to the Federal Reserve, that owns everyone working for Money, the Courts, the Governments, Police, Military, Schools, Mainstream Media, News Agencies, all of them are guilty of Treason, and the Police and Military, who took an Oath to Uphold, Defend and Protect the Constitution are Treasonous Traders to it, they have no honor, they are Liars, and they have their Finger on Nuclear Weapons to keep you under their Control, Satan's Control, using Blackmail to get what they want, proving everyone on this Planet is Satanic Liars that have no concept of what God is, what Money is, what Sin is, what Liars all of you are, nothing but Cowards that offend me, so I offend ewe stupid Sheeple who will die for Money just so Congress can Vote themselves another Raise, all that Treason is hard work, and Satan always wants his Dues.

Science is about Facts, and the fact is that anyone Supporting Satan is Satanic, proving Religion is all about Satanism, and only Satanic People would allow it, and by allowing it they take the Mark of the Beast known as a Sheep like Ewe who sold their Soul to Satan for Treasonous

Money, living in a Prison they call Freedumb, the Science of Satanic Fools is simple, anyone that uses Money is Satanic, you cannot use it without committing Treason, proving it is Evil, and not Legal since Treason can never be Legal, and why Lawyers are guilty of this Treason, and God will not allow their Kind to Survive the End of Time, the Torah said they will Dig their own Graves and that is what they are doing, only for the Rich & Famous Satanic Liars that have tickets for the End of Time, first the Sky is Falling, 96% chance everyone on the Surface will die, but those that survive that in 2027 will have the End of Time in 2033 when our North Magnetic Pole reaches the Equator, and the Magnetosphere decaying at 5% a year will be gone venting our Atmosphere into Space, raining down tons of Ice and Space debris, this is Science that no one is being told of because then they would have to admit Treason, knowing you can Legally Execute all of them, and why they will murder you when you try, that is the End Game for Stupid Satanic Sheep, who were nothing but Cowards in History, those that took an Oath will go to Hell for Treason, and why so many commit Suicide when they figure this out.

The reason for Science is to have facts, Mainstream believes in Einstein, who we all know has no facts, just BS, proving those pushing it, know how stupid it is, common sense wise it makes no sense, no Light in a Universe, what kind of BS is that, Stupid Science, and why is obvious, to lie to people to take their Soul, so why is it no one believes they have one, or that a Soul is even real, because those that do not believe God exist, meaning Religious Sheeple, they will not know what a Soul is, which is Light, and why the Church has to Lie about what Light is, because then you would know everyone is Buying & Selling Souls by the Kilowatt, and making God Bombs, and using God as Atomic Fuel, proving what Satanic Sheeple are all about Destroying this Planet for Treasonous Money, all so the Federal Reserve can keep their Finger on the Nukes or God Bombs they will use on you once you learn about Trinary Science, because Satan cannot hide in Trinary Science, it is the Science of detecting Sinners and Satanic Followers.

I have proven beyond a Shadow of a Doubt that everyone on this Planet is Satanic, regardless of if you believe Satan Exist, the Torah said Satan told Half-Truths, so any Liar is Satan since Satan only knows how to Lie and only Knows Lies, everyone is truly Satanic, and the Torah said that is the Sign of the End of Times, we know the other sign is Pisces the Fish, that gives us the Timeline, so we know this event is going to happen, and that the Human-Race will go Extinct due to the 7 Deadly Sins that everyone is guilty of, Treason being at the Top of that list, when the Population of the Planet are nothing but Soul Dealers, everyone is Satan, and no one can deny that, but they will prove they are Satan, so what will change knowing this is nothing since I already proven there is no one in the United States not guilty of Treason, proving they have no respect for the Law, they just make them up and expect stupid cowards to believe Treason is Legal, proving this whole world is nothing but Satanic BS, and why God will not allow those underground Cities to survive, why else would the Torah write that, how would they know that, and it is because History repeats itself more times than I do, and I do it just to make it sink in, but if it works is another matter, most will believe they are not Satanic after figuring out this is all

true, and that proves Satan has your Soul, you cannot Lie to God, and God does not care if you believe in God.

Those that do not believe in Trinary Science prove Satan won, those that do not believe the Treason, it is because they know they are supporters of it, those that do not believe they are Satanic prove it by denying it knowing it is just a fact, proving Satan can never stop lying, all because you cannot use Treasonous Money without taking the Mark of the Beast known as a Sheep like Ewe, making you Satanic, so go sell crazy somewhere else, Satan won, and the human-race is over in a matter of time, the countdown to Extinction.

Why people would choose Mainstream's version of Science over Trinary Science is simple, Trinary Science proves you are Satanic, and you do not believe it, even though it is just a fact, I have no problem saying that I am Satanic:

IAM the Light

IAM the **Darkness**

IAM Every Shade of Grey in between

IAM the Light Wizzard in the Flesh

Trinary Science can only tell you the truth, but you have to prove it before it becomes that truth, it is not about trying to fool people into taking the Mark of the Beast, it is to prove to you that you did, and you now know it, but will do nothing to prepare for the End of Time, like all the other Sheep, and why the Human-Race will go Extinct, because no one cares, if they cared they would not have allowed Treason, just to be betrayed by the Governments, Police Pigs, Military Dogs, the Church and every Religious Satanic Sheep on this planet, all for Money, how can American Military Members Support Treason, how can Religious People take the Mark of the Beast, and not care, you Buy & Sell Souls by the Kilowatt, and you know everyone else in this World is just as Satanic as you are, and will deny just like you do, proving you have no Soul, and no honor, and only know Lies, and you are just a Liar, and why most of you do not like Trinary Science, because it proves you are a Satanic Coward who only knows how to be a Liar.

People have Freewill, and they allowed Satan to Buy & Sell their Soul with their Freewill, as such, Trinary Science of People turning into Sheeple, is all about the Mark of that Beast, known as Ewe.

Trinary Science is about what can be proven without any theories, just the facts, and History is nothing but Lies, and why People are Sheeple who know only lies, and nothing about real science, just real BS is all they know, and they care to know, no one wants to know the truth,

because then they would have to admit to being Treasonous Liars who took the Mark of the Beast known as a Sheep like Ewe, who will all go extinct at the End of Time according to the Torah, who told you 100 years before the End of Time Jesus would be back in the Flesh to tell you what the Torah already did, you and your Society is totally Satanic, and God will wipe the Earth Clean, and Flood it, then Freeze it for Centuries, the End of Time is Near, and Satan is Digging their own Graves in Underground Cities, allowing all on the Surface of the Planet to die without telling them why, which is because Congress could vote themselves a raise, and they are going to let you die because they cannot admit to Treason, knowing you can Legally Execute all of them for Treason under the Constitution, proving only Cowards live in the United States, and their Government was taken over by the Bank that owns their Police and Military, now have orders to Murder all of you once you found out what they have been doing, so end game, Satan wins because nothing but Satanic Cowards live in the U.S. and allowed it, and now the whole Human-Race will go Extinct for Satanic Liars known as Sheeple, those Soulless Animals who took the Mark of that Beast knowing they wanted to Serve Satan, as such, Trinary Science is about Documenting the End of Time and Extinction of the Human-Race, my name is Jeffrey Scott Flesher, the Light Wizzard in the Flesh, the Next Step is 16, Hex.
