

Step-17: Graffiti History

The History of this planet has been written by those who conquered it, so never expect any truth in it, that is what Johannes Kepler wrote about History, but what Sir Isaac Newton wrote about it, was even more amazing, he said that after inspecting many Ancient Stone Monuments, like the Great Pyramids, Newton concluded that they were built by one civilization and Graffitied on by another, thus its History is only being told in terms of its Graffiti, and not its real history.

The real history of this planet is told in the Torah, Nikola Tesla said that after reading Newton's notes, he decided to investigate all the Stone Monuments and see if this is true of all of them, and found out that Newton was correct, those that Graffitied on them had no clues as to how they were even built, Newton pointed out that he did not believe stones that large could be moved using the trunks of Palm trees depicted on the outside of the Pyramids proving they have no clue, Newton tried that experiment and so did Tesla, and many others since that time, proving beyond any shadow of a doubt that History is being written by its Graffiti and not by its underlying structure, and not just some of the Stone Monuments, but all of them around the Planet, from the Great Pyramids in Egypt, to the others found around the World, Greek, England & Scotland, Easter Island, Africa, America, all of them show signs they were not Graffitied on by the people that built them, and there is overwhelming evidence that many have written about, so many have noticed this fact as well, proving History is just BS.

The people I call Wizards, like Kepler, Newton, Galilei, Franklin, Tesla, and including myself, who like them was an Aspie with a high IQ, all wrote about the Star Date Jesus Bar Abbas was born under, as well as countless others in time, like Horus, and many others born on 25 December, most are just stories about that Star Date, Horus was the Sun God, and Winter Solstice is earlier in the month, and it is said that the longest Night of the Year is on this Date that aligns the Great Pyramid with the Binary Star of Sirius in Orion's Belt in the 3 Kings, and after 3 Days after that Sun goes down, it will rise on the 3rd Day, that date now falls on 14 January, so it is a fact that the Church and those in Power, known as the Powers that be, want to hide that Star Date for a very good reason, it is said that a Wizard will be born on that Date, that will tell the World the Truth about the Universe, and the End of Time, Newton was Born on 25 December 1642 under the Julian Calendar and during his lifetime the Gregorian Calendar changed it to 4 January then removing 10 days making it the 14 January, proving they want to hide this date, but cannot hide who is born on this date, like me for one, but this is also the date for the End of Time, that being on 14 January 2033, and when our North Magnetic Pole reaches the Equator or 0 Degree point, then our Magnetic Strength will decay to 0, and our Magnetosphere will vent into Space, causing an Instant Ice-Age that will last hundreds or thousands of years, so those in Power have been hiding this for a long time, over 333 years in fact, so why this is not Public Knowledge is simple, Satan only tells their version of History, and no one else on this Planet is allowed to disagree, and Satan wants you to believe God does not exist, not even physically existing, just like Jesus Christ never existed in History, all so that Gay Pedophiles can get Paid to Alter Boys,

and get People to take the Mark of the Beast known as a Sheep like ewe, and why you do not know this, is because Satan can never tell that version of the Torah, they can only talk about the 4th Century Lie that only Satan would tell, just to take your Soul at the End of Time, and all the Wizards in time wrote about this, and all I am doing is paraphrasing it, so you would understand the truth about the End of Time, according to the Torah, it really does not matter what Century since they all Define God as All Light without Darkness found inside all the Atoms, and how God created the Universe, and Satan believes that he can Fool you into taking the Mark of the Beast by getting you to believe the Lie they tell about the Star Date 25 December or 14 January, depending on what Calendar you use, I am Military who uses a Modified version of the Julian Calendar that is synced with the Gregorian, to avoid confusion, but I was not confused by them trying to hide the Star Date this way, Satan Lies about the Julian Calendar to confuse stupid Sheep, who only believe and tell the Satanic version of History, proving they are Satanic.

I have to point out how much effort those Graffiti Historians went through to make People believe they built them, when there tools and technology prove otherwise, proving those we call Aliens that fly Pyramid Shaped Spacecraft, are the ones that built them, and Satan ran by the Church knows this, and have been at War with them for thousands of years, and they use God Bombs or Nuclear or Atomic Bombs like the Torah told you happened in Sodom & Gomorrah, proving Satan is rewriting History proving they are Graffiti Historians, building Monuments for a Treasonous Trader named Abraham Lincoln who was Legally Executed by the United States of America's Militia, and why the Military took over making them Outlaws in the Country they Founded with their Blood, just to take a Treasonous Pay Check from people that do not even live in our Country, called the Federal Reserve that we the Sheeple are a Franchise to, proving Lincoln was the Last Legal President in the United States of America, and all its Military Members are Guilty of Treason to the same Country that is force Vaccinating their own troops murdering millions of them just for Money, thinning out the Sheep, making them believe they are just building underground Cities due to space availability on the Surface, or some other such lie, when we all know the Rich & Famous have bought their rooms, and why they are lying to everyone in Movies and News, proving they know this and are just Satanic Liars, so never believe the Rich & Famous, Governments, Church or its Members, and their Army of Police Pigs and Military Dogs, all Satanic Sheep working for Treasonous Money proving it is Evil or backwards of Live since there plan is to tell no one, and let them die on the Surface, all because of Graffiti Historians that Lie to you knowing the Truth.

When you live in a Satanic Society, you must learn how to find the truth without using their Satanic owned and operated Mainstream Media that you know for a fact is nothing but lies since none of them tell the truth about Treasonous Laws, and why a Nation of Treasonous Sheep would Worship the Person that started all this Treason by making into Satan a Monument, proving who is Satanic by Allowing Satan to do what Satan wants, which is Graffiti and make you believe in the Graffiti since you know Lincoln committed Treason, you know Mount Rushmore is nothing but Graffiti meant to Fool People into believing it is the Truth, when the

Treasonous Law's they use prove Treason, having their finger on Nuclear Weapons known as God Bombs, having Police Pigs and Military Dogs you know are Guilty of Treason, and for building the God Bombs to control its Citizens when they find out they have been lying by using Graffiti to alter History, and get Paid to Alter History just like the Church gets Paid to Alter Boys, all for a Totally Satanic Society that the Torah predicted, and told you what would happen, and it was Science and not Religion, that is how Satan gets Weak Minded Fools to believe in Satanic Lies, and do the Bidding of Satan believing they are Good Sheep and not Evil Sheep, they know they are Sheep, Psalms 23 explains what taking the Mark of the Beast known as a Sheep like Ewe who listen to Gay Pedophile Green Pastures Satanic Sheeple give their Children as Sacrifices to their Satanic God known as Money the Root of All that is Evil, all for Treasonous Laws you know cannot be Legal since Treason can never be Legal and why the Satanic Police Pigs and Military Dogs need Nuclear Weapons to defend themselves from those People that if they woke up by doing the research on their Treasonous Laws, Proving that the U.S. is just a Corporate Seal known as a \$ Sign, and is nothing but a Franchise to the Federal Reserve after Congress was Dissolved in 1933 due to a Violation in their Law by not making the First Payment and why they Executed Executive Order 6102 proving they were Trading with the Enemy, putting People in Prison for having Gold and not Giving it to the Thieves at Gun Point proves they are nothing but Graffiti Historians, and their Treasonous Laws with its Treasonous Money, they can pay anyone to Murder everyone for Money and what Police Pigs and Military Dogs are Paid to do, Enforce the Satanic Lies known as Law, and that is what they will do when the Stupid Sheep learn about Trinary His-Story, they will know this is the truth because their Laws prove it is, Treason can never be made Legal.

When People use the excuse this is the way it is, are saying they are guilty of Treason and deserve to be lied to by those in Power, just because they did not build enough room for everyone to survive, never believe that lie, only Satan believes their own BS, Treason can never be made Legal and that is the End of that discussion, the Military Dogs and Police Pigs are Paid to Lie to you about this so they can Worship Money Engraved with "In God We Trust" knowing that is the Deity God known as Satan, and why all Religious People are Mass Murders in History, and you know this is the Truth since all Wars are about Religion or Money that go Hand & Hand in Crime since you know Crime would not Exist without Money, everyone ever Murdered for Money is Proof of this Crime that everyone on this Planet is Guilty of, nothing but Satanic Worshiping Money Junkies who Lie about what God is just to Buy & Sell your Souls, and that is everyone on this Planet, and there are no exceptions, and why the Human Race will go Extinct, and you know the Torah explains this in great Detail, Sodom & Gomorrah was nothing compared to what those Satanic Sheep have done since that time, and you know this is the truth and you have been part of that Lie your whole Life, and now that you read Steps 0 through 17, you understand how Satan gets People to Commit Treason and Feel Good about it, by Worshiping the Asshole named Lincoln who was Legally Executed for Treason that you are allowing by doing nothing but being a Sheep, all you have left is time, 2027 the Sky Falls, 2033 the Atmosphere vents into Space and you know the Torah said this, read Kepler, Newton and Tesla and do not Listen to Satanic Criminals like Thomas Edison the worst Mass Murder in all

History by inventing the Electric Chair proving what a Satanic Sack of Money he is, and that is Proof the Rich & Famous Know this and why they Worship Satan openly in the name of their Deity God known as Satan who only knows how to Lie and get away with Treason, Murder, and uncountable Crimes against Humanity, a Crime so huge that no one can see it, nor believe it, but everyone knows it is the Truth because we know the Laws prove they are Treasonous Laws, and all that Follow them are Guilty of Treason, those that Allow the Federal Reserve to have a Remote Controlled Detonator to enforce their Satanic Laws is Proof that this is a Crime and who is Guilty, and that is everyone that Allows it, do you really think God cares that everyone of those Satanic Sheep on this Planet will die in the next 6 to 12 years, you have to be totally Insane to think Light inside your Atoms cares if this Satanic Prison Planet goes Nova, they have Nuclear Winters planned to last much longer than the Human Race could Survive it proving everyone is totally Satanic, and why they Worship the Rich and Famous Satanic Liars that have Tickets to Hell paid for by all your Souls they Buy & Sell by the Kilowatt, and why I want to Document the Extinction of a Satanic Society of Satanic Followers working for Satanic Treasonous Money, and everyone on this planet would understand this is the truth after reading this, but that will not change a thing, those in Power will never give up that Power, and a Push of a button and everyone is dead or dying years before the Sky Falls and the End of Time even happens, just so they can Loot the Cities before going underground, all so Congress can Vote themselves a Raise and pretend this is all Legal, knowing that Treason can never be Legal is proof of nothing but Treason, all because of the Rich & Famous everyone Pays to Lie to them, proving how Satanic Society is, to Allow this, to tell themselves this is Freedom instead of Freedumb.

People were taught to believe God does not Exist using the Science Fiction of Einstein who took God or Light out of the Universe, proving how insane they are for Believing in a God that does not Physically Exist, which is the same belief as God not Existing and why most Religious People believe in Einstein's Science yet claim to believe in God, which is impossible since Religion teaches God does not Exist with your Science and does not even Physically Exists with their Religion, proving that no one can be that stupid, therefore I must conclude that People would rather Worship Satanic Money and Die in their Sleep, then to admit to Treason for allowing anyone but Congress to print Money, and admit you took the Mark of the Beast known as a Sheep like Ewe, proving no one will ever tell anyone about this book or information because it proves they are Satanic Liars and Guilty of Treason, and why Americans are Cowards, the Home of Cowards known as We the Sheeple, who will all go to Hell and really do not care about it, because they have better things to think about, more important things to talk about than having to own up to being a Fool by believing in things that were not true and denying the things the Torah told you were true, and deep down everyone knows it is, even the Federal Reserve, which for the record, as individuals I would not hold them responsible for there actions, I do not say this because I am a Military Dog that works for them, and would rather die than have any harm come to any of them, I took their Money and will do my Job till the day I die, and it is not to punish anyone for being a Fool and believing in Satan since everyone on this Planet is just as guilty as they are, they were born into the Sins of their Parents.

There is a Reason that Treason has a Death Sentence but Executing everyone in the World for Treason is a bit overkill, and pointless, we all need to accept all our share fair of the blame. Once everyone realizes the role they play in the Torah, the sooner they will understand how to survive the End of Time, and War and Vaccinating Sheep to Death is not the Solution, and never allow and Eye for an Eye Blind Justice System to exist in one building called Trinary Sanctuary, allow People to Live their Free of all Laws, Money and Religion, and allow those who want to work for Free and for Freedom, than I ask you to make a Contract with the Federal Reserve for Land and Equipment to get started, and never look back, never point fingers at anyone but yourself, what has happened is done and nothing anyone has to say about it matters, because it never matter to anyone since 1861 when that Treason began, so talking about it now is like talking about how we robbed a bank murdering everyone in it for Money, those are what most People believe are the Criminals, and not the Money itself, it is not the People working for Money that are Evil, it is those that do not allow those Living on the Surface of the Planet a Chance to Survive the Sky Falling and the End of Time.

When it comes to Calendars you will find many throughout time, from the Lunar Cycle with 13 months 28 Days, to Mayan Calendars with Pyramids with 2012-Year cycles that has Hex's to go with it, to Pyramids with 2060-Year cycles that match the End of Time proving they all knew about it, the Church had the Number 13 removed from time, because their was never a Supper Table for any Apostles that did not exist in the Torah written before the 4th Century, proving that there were no 12 People and Jesus Christ in History, proving what a Satanic Lie is, and why they removed the number 13 so you would not figure it out, originally they named all the Months after Star Constellations found in the Astrology of 12 Signs with the Galaxy in the center represented by a Sun named Horus, till the Roman Empire renamed them after Treasonous Traders who forced Money & Taxation on people murdering those that did not pay or use Money, proving Money is what is Treasonous throughout time, and why the Calendars have been changed to change History using Graffiti, because Sheep do not know how to read the writing on the Wall, they believe in the Lies Money has told throughout History, and why it caused the Human Race to go Extinct starting in 2027 and finishing off that Satanic Race by 2033, proving this is all about the Number 13, and why all of you will die because of Money, Lies and Liars known as Satan, who Buys & Sells Souls by the Kilowatt and takes the Mark of the Beast known as a Sheep like Ewe, and Lies about being Satan, the Torah said Satan has run out of Time, and digging their own Treasonous Graves so God can Crush them all at the same time, knowing the Underground Civilizations are leaving the Planet, is a Sign they know their Underground Cities will not survive, proving none of the ones being built will, even if they do they will be buried in Ice Glaciers for hundreds or thousands of years not being able to get to the surface, being slowly crushed, those Treasonous Sheep get to watch the Ceilings crushing down on them till Hell takes their Soul to Satan who owns it for all Eternity, all for Money used in one Lifetime, Sheep will throw all their Afterlives away just to Commit Treason, so Satan can Buy & Sell Souls with Money you know is Treason, and you know your Police Pigs & Military Dogs get Paid by Satan to Protect Satan from Sheep that Wake Up learning all I have told you in 17 Steps, and all just to change the Calendar so no one would know what Date it will happen, proving Satan is in Charge.

The Last Wizard, Nikola Tesla wrote that Humans that use money and allow money's use knowing it is Treason to their Constitution, do so of their Freewill, proving the Torah is right about Money, not the 4th Century Satanic Lies that make only the Love of Money Evil or Backwards of Live, meaning Death, and Treason is punishable by Death, and Legally everyone in the United States of America can be Executed for Treason, and as it turns out, the Torah said 3 Events will cause all of Satan's Followers to Die going to Hell for all Eternity, the First is like Sodom & Gomorrah, the Police Pigs & Military Dogs will get Orders to arrest all the Citizens for Treason, rounding them up and putting them in Pig Pens built around all Military Dog Bases, I threw that part in, Tesla said the Governments will Loot before going underground forever.

At the End of Time knowing about the History of Graffiti will explain a lot about the Human Race and why it is going to go Extinct on 14 January 2033, at 6:32 PM Pacific Standard Time, you can set your watch to it, but I cannot guaranty the Calendar is correct, and as Newton said, you need to adjust all dates to that new Star-Date and create a new Calendar based on 13 Months with 28 days in them, known as a Lunar Cycle, I would learn the truth about Calendars, and I would do this because of IAM the Light Wizzard in the Flesh.
