

## My Life as a Military Dog

My Life as a Military Dog is His-Story about why I wore Dog Tags that said I did not believe God was a Deity that did not Physically Exist, knowing my Cousin Isaac Newton proved God was the Force of Gravity based on God Being All Light without Darkness from the Torah written in the 3<sup>rd</sup> Century, that was discovered by Johannes Kepler while looking for the Birth Date of Jesus Christ, only to find Christ did not exist, much like the God that does not Physically Exist, revealing the teaching of Satan, who only teaches Half-Truths, making Satan easy to spot, just look at all Religions that have over 96% of its Leaders having sex related charges against them, mostly Pedophilia, proving they are Satanic, the same Church that Murdered Jesus Bar Abbas, and they tried to make him out to be the Bad-Man, for being the Leader of the Militia who Defeated the Roman Empire for their Use of Money and Taxation, murdering People at the Roman Coliseum for Paid Entertainment, not much has changed since that time, proving Money was the Root of All that is Evil, proving our Dog Tags tell a lot about a Dog, and this Dog has the Name Flesh engraved into it, so to understand who I am, you need to know who IAM, that is where His-Story starts with what Sir Isaac Newton Calculated to be the "**End of Time**" according to the Torah, will happen on 25 December 2060 under the Julian Calendar, which was Newton's own Birth Date, but that changed in his Lifetime, from 25 December 1642 to 4 January 1643 and then they removed 10-Days makes it 14 January 2061, and the Torah or Bible, call it what you want, stated the Messenger would come back 100-Years before the "End of Time" in the "**Flesh**", so ask yourself if it is a coincidence that is my 100<sup>th</sup> birthday, and I was born at 6:32 PM, my name is legally Flesh, my Mother's name was Mary, I was born in Corona, but lived in Norco, at 3666 and ½ Valley View, and since this Information was the Foundation for the Ashkenazi Masonic Order, founded by Kepler and Tycho Brahe, carried on by Galileo Galilei, Sir Isaac Newton, Benjamin Franklin, Nikola Tesla, and myself, Jeffrey Scott Flesher, where me is short for Meat, and Flesh is Meat, so like Kepler, Newton and Tesla, this Dog is a Wizard, and like all Wizards I am also Autistic in the High Functioning realm of Aspies with an IQ score over 180 according to my Military ASVAB Scores of 99% in Mechanical, and I have a PhD in Physics to prove Newton was right about the End of Time date, when the Earths Poles Reverse. Newton Calculated the rate of Magnetic weakening from 999 to 1666 and found that by the year 2102 it will be completely gone if the Earth poles do not reverse before then, so Newton subtracted 42 from that date, to come up with the year 2060, 42 is a Hex for 66 in the Torah that was written using Witchcraft, and why Newton studied Witchcraft and Alchemy, as such all Words have two Meanings, and why Religious Leaders had their flock of Sheep and Knights Templers, Hunt down and Burned Witches and Wizards to death. Witches are people who can Read and Write Witchcraft, which is a style of writing with more than one meaning, so it is not a Language. A Wizard is someone who understands Alchemy that the Torah is all about, so to understand the Science of the Earths Polarity Reversing, you have to understand our Magnetosphere is an Electromagnetic force, and like all Electrical Fields they collapse just before they reverse, and that will vent our Atmosphere into Space, for about 6.66 minutes, and those that survive that will freeze to death very fast if the Torah is right about the Oceans freezing 6 feet deep in 3 days, so this Military Dog knows what is coming. President Lincoln was Legally Executed for Treason for selling US out to the Federal Reserve Bank System that now owns US like Sheep, those Cats are building underground Cities for the Rich and Famous, and some of its Military Dogs, to make sure the Sheep do not rebel against the coming "End of Time", a Reality where the Surface of the Planet becomes a Winter Wonderland for thousands of years, and why the Pyramids were built to produce pure water out of Sea Salt Water, turning Water into Oxygen and Hydrogen, burn together produces Heat, Electricity, and Pure Water Vapor, but Moses the Dark Wizard, destroyed the Pyramids, stripping its Stones, Gold, Silver, and other material that made this Technology. This Dog is trying to save his Sheep, named Yew, after the Tree named Taxus, which Kills Ewe if Ewe Eat it, this Dog is a Wizard that puts Spells on Yew, and now your Mind, Dog is a backward Spell for who IAM. I am a Medically Retired from the United States Air Force Staff Sergeant, the "*Light Wizzard in the Flesh*", watch the BBC Special "The Last Magician", Magician means Wizard, and Newton wrote a book about Light called "Optics", and why Sheep think I am strange because I am Schizoaffective but not Schizophrenic.

## ***Table of Contents***

### Preface

There are only 6 chapters and I try to write this in a Documentary style, I wanted to keep the book as close to 66 pages as I can, I cannot publish a book that has a page count not divisible by 4, and the last page must be blank without a page number.

If you want to research anything I write about, do not use the Internet, use the Freedom of Information Act or FOIA the Government, and use .gov sites to do research. If you want to know about the 2027 Asteroid with a 96% chance impact with Earth, use the NASA website, same thing for 2033 event when our North Magnetic Pole will cross the Equator. If you want to know more about Aspies look up Tony Attwood. If you research the Riverside City Newspaper you will find where they named my father as having the highest IQ in the world at that time. Some of the Images and Documentation about events can be verified via an FOIA, my Military record can also.

I store most of my books at GitHub in the form of PDFs, I have several websites and a YouTube account all called Light-Wizzard, if you have any issues file them there.

My Life as a Military Dog .....	1
Table of Contents.....	2
Chapter 1: Dogs Life.....	3
Chapter 2: About this Dog .....	23
Chapter 3: Dogs Blood Clot.....	37
Chapter 4: Operation Dog.....	39
Chapter 5: Pigs Gallbladder .....	53
Chapter 6: Dog gone Conclusion.....	60

## **Chapter 1: Dogs Life**

A Dogs Life is not easy nowadays, with Vaccines that will kill me, and are designed to do so, by giving you whatever disease, its manufactures would like ewe to believe prevents the disease, or makes your immune system stronger, when all it does is weaken it, and all for Money, nothing else, since they have been proven to have never worked, by a 50 year Double Blind, Peer-Reviewed study published in the Journal of American Medicine, or JAMA, proving that Vaccines are nothing less than Murder, having lost my Mother Mary, and almost lost my youngest Daughter to the DPT Vaccine, that kills Hundreds of Thousands of Children a year, all for the Banks known as the Federal Reserve that owns US like Sheep, not to mention the 270,000 Military Dogs that committed Suicide, since getting the Anthrax Vaccine back in 1990, according to the VA, printed in a Magazine they put out called the VA Magazine.

I wrote this book, because I am sick and tired of being sick and tired, and I have had enough of this pretending that the United States has a Constitution, when it was suspended in 1861, a Century before I was born, when President Lincoln took out a Loan with the Bank known as the Federal Reserve that now Prints our Money, instead of Only Congress, using the Constitution as Collateral, all because Lincoln and Roosevelt are the Bankers Golden Boys, both are the Reason why the U.S. is now only a Franchise for the Federal Reserve that now owns it, and this is Treason and punishable by Death under the Constitution, so the President created his own Law, that was above that of its Military, which is also Treason, but at this point, the Bank, a Privately owned Bank, also known as the Federal Reserve, that Owns U.S. does not care about Our Rights, or U.S., they know they can remote Detonate all our Nuclear Weapons in a push of a Button, they all live underground, and know that by 2027 after the Asteroid impacts close to Beijing China the Earth gets covered in Ash, and after our Atmosphere vents in 2033 an instant Ice Age will begin, thus the Surface of the Planet will be uninhabitable, so why would they care if they Nuke it first, this Ice Age can last hundreds or thousands of years, so they control the World through Fear of a Nuclear Winter, and make it Legal because they Own the Bank that Prints the Money, thus they Own everyone that uses Money, and everyone does the Bidding of the Federal Reserve, and why the Torah told Ewe, Money is the Root of All that is Evil, the backwards Spell for Live, so this book is about how Evil Sheep are, and why they believe they are Good Sheep, when they are all Bad Sheep, taking the Mark of that Beast known as a Sheep like Ewe, is called Satanism, and it is what everyone on this Planet is for using Money, this is the End of Time, the Torah said the majority of the People would be Wicked, and using Money is Wicked since it is Treason and you can be executed by the Military for it, it is Evil, the backward Spell for Live.

I know the Game the Federal Reserve Plays, it is called Law, it is all Lies, proving how Evil Money is, and how Stupid Money Junkies are, all Guilty of Treason, and all of them can be Legally Executed for Treason by the Militia, and they know it, and why they use Nuclear Weapons to keep the Sheep in line, and make sure they make their next Payment, since Money is all the Banks care about, and not the Sheep, they will all be Slaughtered when they do not need them any longer, which that time is coming soon, it is called the “End of Time”, and it is an event that can be proven to be a real event since it is only based on when the Magnetic Field around the Earth known as the Magnetosphere will collapse, this will happen as our North Magnetic Pole crosses the Equator on 14 January 2033, Newton Calculated the Earth will Reverse its Polarity 180 degrees, and that is supposed to happen on 14 January 2061 at 6:32 PM Pacific Standard Time, that is when our North Magnetic Pole reaches the South Pole, and I can show you the Math to prove it,  $\frac{1}{137}$  times 864,575.9 (Size of the Sun) divided by 3 (Valance Force Field Rings around Atom) and you get 2103, to be exact: 2103.5909975669099756691... The Torah, Mayans, and Newton knew this, so does the Federal Reserve, and why they are building underground Cities for the “Rich and Famous” that can afford the Tickets to live, at the “End of Time”, so unless you have Tickets to Live, you have no idea what I am even talking about, as if this is just a Conspiracy Plot, like 2012 the Movie, so the Game is Sue and Be Sued, and as long as you own the Bank, and Print the Money, you own the Courts, and everyone working for Money, works for the Banks, so there is no Justice, only Slaves to the Machine called the Federal Reserve Banking System who is responsible for our National Debt.

Every Citizen in the United States is Guilty of Treason, the Military can Legally Execute all of them for using Money that the Federal Reserve Prints, since that is Treason under the Constitution all Military

Dogs took an Oath to Protect and Defend, knowing it is Treason to allow the Banks to Print the Money instead of Congress, it is clear the Military Dogs are all Guilty of Treason as well, and what is worse is that we are born into Treason that our Grandparents allowed, all because Sheep are Addicted to Money, and it is a Drug, in fact, it is a very Lethal one to Sheep, since Taxus is deadly to Sheep, and that is all a Citizen is, a Sheep that needs to be Slaughtered for the Sin of allowing the Banks to Print their Money instead of Congress, and everyone is Guilty of Treason, so the Banks have no problem pushing the Button, to detonate all our Nuclear Weapons at one time, since they do not live here, they do not care, they live underground, and will Nuke the whole surface of the Planet just to get their Way, they do not care about the Sheep only Money, so the World is at the “End of Time”, but Sheep are too Stupid, Ignorant, or just plain too Retarded to understand anything that requires Intelligent thought.

Kepler, Galileo, Newton, Franklin, Tesla, and myself, all view People that are ignorant to what Religion and Banks are all about, well we call them Sheep, as does the Torah or Bible in Psalms 23, and Sheep is not a term of endearment, since the Sheep are always Sacrificed in the Bible, so anyone that identifies as a Sheep, meaning they are Religious, because only Sheep follow a Shepard, so it is clear, anyone that is Religious, is a Sheep, the Bible tells you that, and it also tells you Sheep are Stupid Animals that deserve to be Slaughtered for a Sacrifice, they took the Mark of the Beast known as a Sheep like Ewe, and that is what they are doing now, at the End of Time, they will live on top of the Surface of the Planet, knowing that by 2027 the Air will be full of Ash, and by 2033, a lot of Atmosphere will be vented into Space, causing an instant Ice Age that might last hundreds to thousands of years, so it is clear the Banks are building underground Cities for the “Rich and Famous”, and only ones with tickets to live there, know about it, so that Secret is out, and it was not me that outed it, others that are now dead, ask JFK, because the Powers that Be, also known as the Federal Reserve, whom the U.S. is just a Seal for the Franchise, that seal is the Dollar \$ign, it is a U and an S superimposed, originally the \$ had two lines going through it, but that did not make a nice font, so they changed it to the one we all know now, and that is all the U.S. is now, nothing more, and this is not Legal under the Constitution of the United States since Treason can never be made Legal nor can the Constitution be Altered to allow Treason, so it is Treason, therefore everyone that used Money Printed by the Federal Reserve are Guilty of Treason, and can be Legally Executed for Treason under the United States of America’s Constitution, and that day is coming in 2027 when an Asteroid hits China, those that survive this may not survive the Atmosphere being vented in 2033, and the Ice Age that will follow it, and the Wizards like Kepler, Newton and Tesla, wrote down everything that everyone needed to know, but Sheep are just not intelligent Animals, so they never understood that Einstein was Retarded, a normal IQ is 70, Retarded is 50, 20 points difference, Einstein only had an IQ of 160, and mine is over 180, so more than 20 points difference proving Einstein is retarded to me, as are anyone that claimed to understand his Theories, since it makes no sense, not even common sense, first he removes God, and according the Torah or Bible God is All Light without Darkness, as such, there is no Light in his Theory since you cannot have Light without the Darkness, and how can Light be Dynamic when we all know for a fact that Light has no Acceleration so it is Static just like Newton said it was, regardless of that Einstein removed all the Light without Darkness from his theories, therefore it makes no common sense, and why it cannot be proven, because we have Light without Darkness in our Universe, but then again, Einstein said this only applied to an Alternate Universe in an Alternate Reality, so you never could apply it to ours, end of subject, after more than a Century of people waking up just to Prove the Theories Einstein wrote, no one has proven one theory, not one, proving it is not true, because a Theory is not a way of explaining a Fact, that is a Fact by the way, a Theory is a concept that has never been proven, whereas a fact has, and you cannot mix Kepler and Newton’s Math that is based on God being the Force of Gravity in all of their Math Equations, in a Godless Universe, that is just lying, you cannot use God Based Math in a Godless Universe, that is just the Rules that only Insane Sheep would ignore, only Assholes that lie for a living, and have no honor, would allow this in any Society, but this is not a Society, it is nothing more than a Prison for Sheep, who actually believe they have any Freedom, knowing that they will Die without Money, and there is never any way you can call Money anything but Evil, waking up every day believing a Theory never Proven to be a Fact, is called Insanity, when you do the same thing over and over expecting

different Results, believing America is the Greatest Country on this Planet and the one with the most Freedom, may be true if you are Satan living in Hell, otherwise a Country full of Treasonous Traders is called Hell, and there is no escaping the Hell they created in America, thus they are all Insane.

When I was stationed at Mountain Home Air Force Base, an F-111 Trainer went down on takeoff due to the Trainees mistake, and now that they are Dead, the Bank has no need for their Family, who is told to get off the base in 3 days, just to make sure they were dead, and if I die in War, my Wife gets nothing but Bills, and if she cannot pay them, the Bank takes back everything, so we are not Free, in fact, nothing is Free, we have no Freedom whatsoever, we are all Slaves to the Bank that Owns U.S. and there is no denying it, the Law states what I tell Sheep, to be the Truth, just read the Laws, the U.S. is only a Corporate Seal for the Federal Reserve Franchise, the Law states that, so it must be the Truth, everyone knows this is the truth, so why Lie about the Constitution being Amended, when you know that Word means Minor Change, and there were no Minor Changes to it, it was just Suspended till the Loan known as the National Debt is Paid off, and that will never happen, ask JFK why, he took Office 6 Days after I was Born, and he tried to get Congress to Print Money, to pay off the National Debt, and why someone in the Military Executed him, and this is why only Dead Presidents are Printed on Money, Proving that the United States is just a Prison for those that have to Service the Loan to the Banks, thus they are nothing but Slaves with no rights, and what they call Freedom, is just Freedumb, as Proof JFK was Assassinated by his own Military, Lee Harvey Oswald was a former U.S. Marine, proving the Lies never end.

I want the Reader or Listener, to understand what 911 Facts are, and that is not a Theory, but evidence, and there must be some, and yet there is not one Aircraft part, nor any material found from any, and that is not possible, that is called Magic, and only Wizards do Magic like this, very Dark Wizards, since a lot of People Died, and yet no parts, no crash, and that is a Fact, there is no evidence that any Aircraft even flew in that State, since all Radar Towers were Ordered to Shut Down, which is Insane and Illegal, but was allowed to happen, and they were allowed to get away with Murder.

Drone hitting Pentagon anyone that sees this surveillance footage knows this is not a 767, so why Lie about it.

Pentagon with correct size 767 Silhouette shows no hole for the Tail, body, or Wings

Anyone can clearly see that a 767 did not hit the Pentagon, but Sheep are led to believe it happened, just like everyone was led to believe Aircraft hit the Twin Towers when there is no evidence it happened, and evidence it was rigged, making this done on purpose, and we all know who, since they did not even try to hide that, it was the U.S. Government, they shut down the Radar Sites illegally to hide their Crime. The Firemen can see that a Boeing 767 did not make this hole, so they are all Liars, and Guilty of Treason, they did not speak up about it, the only reason they would not is if they are Part of the Plot, the same thing with the Police, all of those that are Guilty did not say anything about what I am showing you, proving they are all part of this Plot called the Bank Owns U.S. and do as the Master Satan Orders US to do, and that never ends, the Puppets are the Government Sheep & the Puppet Masters are the Federal Reserve.

If there is one Lie to be found, it is all a Lie, and these lies are not ones anyone can cover up, because it is evidence that will never go away, the Governments are doing this on purpose because they know they can get away with it because they did, all because of Money Junkies, they will do anything for a Fix, including killing all the Sheep, but not the Jewish Sheep who was obviously in on it, just arrest everyone that did not show up to work that day, because it is clear they knew this was going to happen, and allowed it, making them guilty of murder, as is those Sheep who made all the videos, and pictures, a few that no one knows who they are, because they never existed, it is all fake CGI that had Explosives go off wrong and made it clear this was all a scam, just like the Oklahoma Bombing, Shaped Charges using a Shit Bomb, give me a break, what stupid Science, what Stupid Sheep, no damage to anything except building.

**Oklahoma Bombing Shaped Charge Shit Bomb proves Hoax, only Building Damaged, no evidence of a bomb**

Bombs blowup in all directions, this one was in the parking lot across the street, note the bombs blast area did not do any damage of its own, only demolition took down this building, Real Science is what Kepler, Newton and Tesla wanted to talk about, but the World only Cared about Money, and in 2027, 2033 and 2061, we will find out how much Money cost Ewe, in terms of Life, when I live in a World that Pigs are allowed to torture me to the point I lost an organ, something is wrong here, and I am going to complain about it at the least, write about it at the most, because in just a decade everyone will know the truth, they will have no choice but to deal with that truth then, if they do not deal with it now, so show me what an Aids Virus looks like, because no one knows, because they do not exist, it was all Lies to kill Gay Sheep, markers that change, give me a break, Bad Science that kills Sheep is called Murder, but that is allowed, the Pigs almost Killed me for having a PTSD attack in my own House, that is not Freedom, that is just Free Dumb and illegal, immoral, and just sick, all because of Treacherous Traders, that need to be exposed for

the Satanic Crap they are, I am officially declaring they are Guilty of Treason, and need to answer for their Crimes against the U.S., but I will get no Day in a Court owned by the Bank, no Justice is Possible, because this is nothing but a Prison, and we are all Prisoners to Satan.

A Dogs Life is Dule, because the Sheep make the Dogs Life Dule, this Dog is a Wizard, and not a Witch, a Wizard is an Expert in their Field of Study or by Degrees, mine being a PhD, and a Witch is someone that can Read and Write using Witchcraft, which is a Style where words have more than one Meaning, and only a Witch knows Which one is Witch, but Dule is a state of suffering or misery, and even the cause of it, so Sheep make the Dogs Life Dule, even the Bible said the Dogs life is meant to Suffer like all Beast, it is the Cost of Guarding the Sheep Flock, and the sad fact that Sheeple really exist, is proof that the Human Race, that will go extinct in 2027, 2033 or by 2061, all due to Greed, is Gods way of punishing all of Ewe, for not believing in God, and Religious Fools are the Worse, Christians by far the worst of all Religions, since it is just based on Lies so obvious to any Intelligent Person, but to the Weak Minded, those with IQ's less than 180, like that Retarded Albert Einstein, with only 160 IQ, he was not intelligent enough to write a Theory that could be Proven, why would you think it is Intelligent, IQ does not mean you are Intelligent, nor can that be measured by a Test, Common Sense goes a Long way, God is All Light without Darkness and Einstein removed it from his Alternate Universe in his Alternate Reality and Light has No Acceleration so it is Static, and there is no debating that fact, facts are not up for debate, Theories are about Concepts that no one can prove, and in over a Century, you would have to be Insane to keep trying to prove it, when you know it is not the truth, because you know Light is Static, because it does not have any Acceleration, a Fact that no Theory can change, so why did the Banks make Einstein out to be a Genius, when his Theory has never been Proven, is clear, to Prove there are no Intelligent People on this Planet, and they can do whatever they want and get away with it, because not one Military Dog has the Balls to go up against the Bank that Owns them like Sheep and allows the Pigs to treat them like Sheep, so they make me Sick, Treasonous Sheep are nothing but Stupid Animals, that do not deserve to Live, so this coming "End of Time", is really going to happen, and you can really prove it to yourself by just finding out if the Magnetosphere will collapse when our North Magnetic Pole crosses the Equator in 2033 and reverses its polarity, and then you know I am telling the Truth, and that the Pigs and Hospital Staff really did try to kill me, but I keep surviving, why else would they have allowed me to be in so much pain, that I could not stand it, besides being Satanic and Evil, there must be another reason for them trying to turn my Wife Against me, by telling her that I am Dangerous, and Insane, and making up this Medical Emergency, why would the 911 Operator and Fire Department try to do that, and the answer is Clear, they want me dead and will stop at nothing to kill me, but they need to make it look like I died of Natural Causes.

I want to make sure I get all the Facts of 911 correct, a United Boeing 767-200 and an American 767-223 fly into the Twin Towers, and another crashes into the Ground, with no Aircraft Wreckage from that Aircraft, and none was recovered from the removed collapsed building, that could not have been taken down from Aircraft Hitting it, because it is clear from the Photographs taken by Mainstream, the hole the whole World saw, and new immediately that this is a Hoax, but Not Stupid Sheep, Sheeple that believed their claim they saw the Aircraft Hit the building, most of them had Cameras, but never thought to take a Picture, and all the Photographs show the same thing, a Fake CGI Image or Video, and easy to prove it is fake since it is a Fact no Aircraft Hit the Building, since not one part of all 3 Aircraft, have ever been found to this day, all that Debris in the Dump, but not one Aircraft Part, and Photographs show Thermite Signatures, so let me see this image again, this time with the correct size 767 Silhouette, to show how fake this Event is, you do not see any Fire, because only panels where they hid thermite and explosives was burning, other images shows People above and below the Fake Explosion Sight, you can clearly see that a 767 will not fit through the hole, since the beams are still intact.

Take a very good look at the images below, notice how the Aircraft does not hit the building, does not break one window, nor does any damage to the Aircraft itself, this is not possible in the real world, notice how building on the left is aligned to towers, yet this was supposed to be taken from Battery Part, where this angle is not possible to have been taken there, this is the worst CGI I have ever seen, they actually took a video of an Aircraft flying and then let it ghost into the building as if no one will notice.

**911 Fake CGI Aircraft hitting Twin Tower, note that this Aircraft has a Tail** (*Lightened for Printing*)

This is the only evidence I need to prove no Aircraft hit the Twin Tower, there is No Radar Proof that Aircraft were even Flying in the State of New York at the Time, no Aircraft Parts, and holes in Buildings that were blasted using Thermite, which is used to cut through beams, and explosives, bringing down the building in a demolition controlled fashion, otherwise, it would have fallen to one side, but it did not, all the buildings came down as a Controlled Demolition, and the New York Firemen and Police know this is a Fact, as does the World, so look at the image above and honestly tell me that 767 flew through it, it is not even possible, and everyone in the World that can see, can see this, it is way too big to miss, it is proof that 911 was a fake event to justify their War against the Iraq Banking system, and all of New York is Guilty of this Crime, they allowed the Federal Reserve and U.S. Government, to get away with it, as if Treason was not enough. I have degrees from the Air Force, for knowing my job in the Air Force, the first was as a

Computer Test Station Technician for the (E)F-111, I worked on the Terrain Following Computer System that flew the Aircraft most of the time, having been very close to aircraft that crashed at an air show, I know a lot of things about how Aircraft Crash, having one come down in front of me less than 100 feet away, so I knew what to expect, I was in Helicopter Air Rescue, that was our job to know things like this, and the Twin Towers are not special, they are made of Steel, Glass, and Concrete, and the Aircraft is made of Fiberglass, Aluminum, and other lite materials that will be crushed on impact, and the wings will not act like a knife and cut into the building, it will act as an anchor, and pull all the steel, glass, and concrete with it as it throws parts everywhere, there is no physics simulator that can reproduce the affect you are about to see in the images above, because this is the worse CGI you will ever see, after you notice it for the first time, take a very close look at this Aircraft taken from Battery Park in New York on the 911 day, and honestly tell me you believe an Aircraft the size of a Boeing 767, can hit a building like the Twin Towers, and not break one window in it?

Notice the view of the building on the left and look at the image below taken from Battery Park, and you will notice that this could not have been taken from Battery Park, so why does everyone Lie about it, this image above shows an Aircraft Ghosting into the Building, not breaking Glass, or Steel beams holding the glass, nor does any aircraft parts break, note building view cannot be seen from Battery Park, see next image.

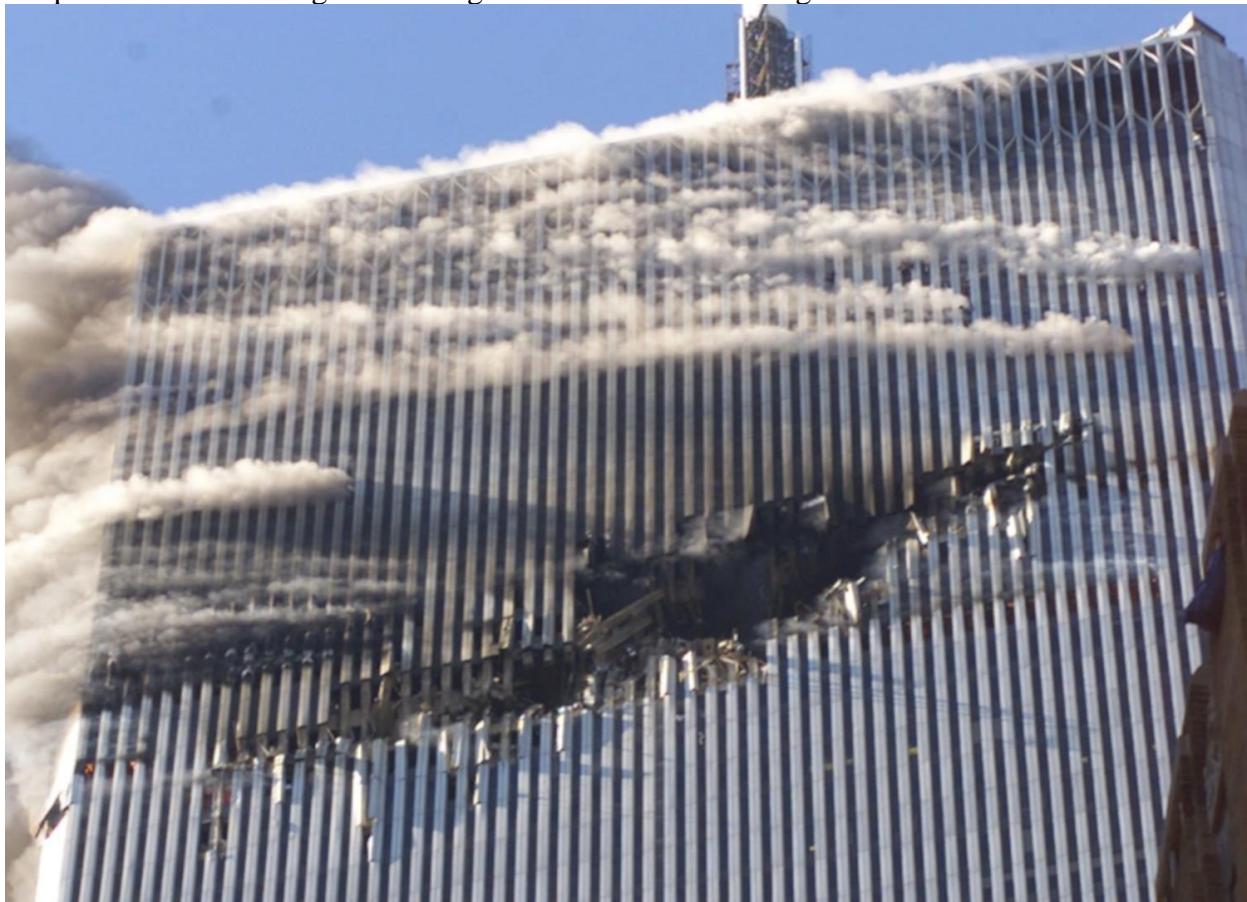

**Battery Park View of Twin Towers, the view angle of video cannot be seen from anywhere in the park**

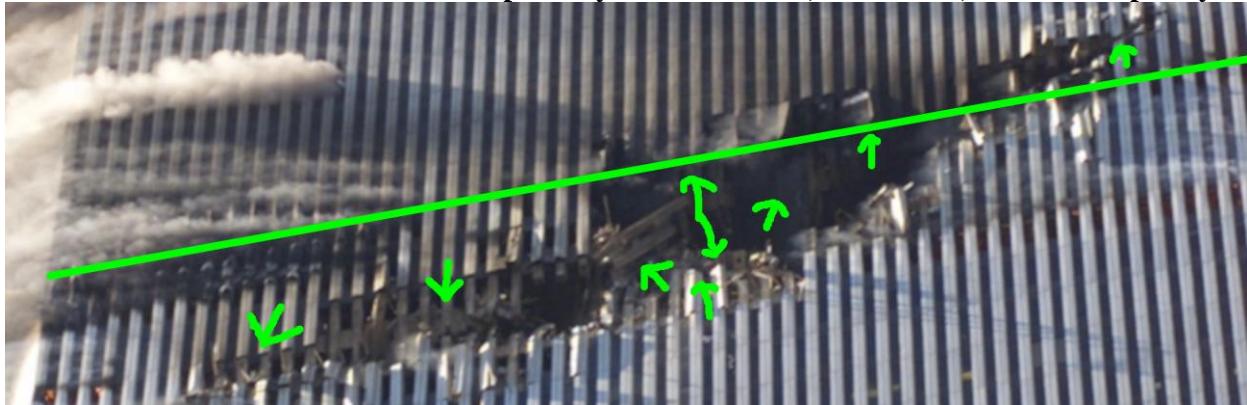

Details like this bother me, a Lie is something only Satan tells, so what or who is Satan, well Kepler and Newton said that Christ means Star, and Christianity means the Study of Stars, a lot of Sheep believe the Bible AKA Torah was written during the 4<sup>th</sup> Century, that is a Lie Kepler found out about, having seen Microfiche Copies of the Torah written in the 3<sup>rd</sup> Century, pictures from the Torah that was passed down from Brahe to Kepler, to Galileo, to Newton, to Tesla, and eventually to my Grandparents who worked at the Pentagon before 1948, in the form of very small pictures, who gave it to me in the Flesh. Knowing that this information has been Public Domain for over a Century now, means that no one has an excuse as to why they do not know this, if you are waiting for the Movie, it is the 2013 BBC Special “The Last Magician”, Magician translates to Wizard, and Nikola Tesla was the Last Wizard, and why I call myself “The Light Wizzard in the Flesh”, where Flesh is my legal name signature, and it is because I find this all too *Entertaining* at times, being born on the Day that Jesus Bar Abbas, the Leader of the Militia, who fought against Money and Taxation, being born on the Day and Time, that Sir Isaac Newton Calculated, back in 1666, and is Public Domain, and Birthdays you cannot change, so the Bible States, someone will come back in the Flesh, 100 years before this event known as the End of Time, so it is not me that compares myself to Jesus Bar Abbas, but the Torah or Bible and Newton, to myself I am just me, and that is short for meat, and that is Flesh, and also my legal signed Name, and Jesus, who is basically fighting for the same cause, so you have to admit it is Entertaining to think about, not that I believe I am the Resurrection of Jesus Bar Abbas, I am pretty sure I did the Resurrection thing on my own, you have to

understand what the Spell means, Newton wrote that there are two types of Resurrection, Physical, meaning coming back from the dead, and he said there are time limits to this, but he believed we are not dead till after 3 Days, which is why they used to bury Dogs, and tie a string to their paw, so if they woke up, someone working Graveyard, will hear the Bell it was attached to, a Dead Ringer in fact, and the other type of Resurrection is by remembering your after life, or past lives, Kepler wrote that this belief is what Alchemy is based on, Newton, who studied and knew more about Alchemy than anyone in History, wrote that he remembered being alive in another body, in another time, and why he was interested in Alchemy, and the Torah, which said we are always born if God allows it, meaning reborn, and there is plenty of proof that this is a real phenomenon, I have many dreams about a different life, and a White Haired old man, and have come closer to death more times than most, so I know more about dying than most.

Maybe it is hard for most Sheep to believe an Aircraft did not Hit the Twin Towers, yet there is no evidence it did, the below image is proof it was a hoax played on Stupid Sheep, you can see that the hole is blown out, and not inward, you can see the blast did not blow through the beams, and they are still intact, not possible if something flew through this hole in the building at near 600 MPH.

**Proof no Aircraft made this hole that is partially blown outward, not inward, and not completely**

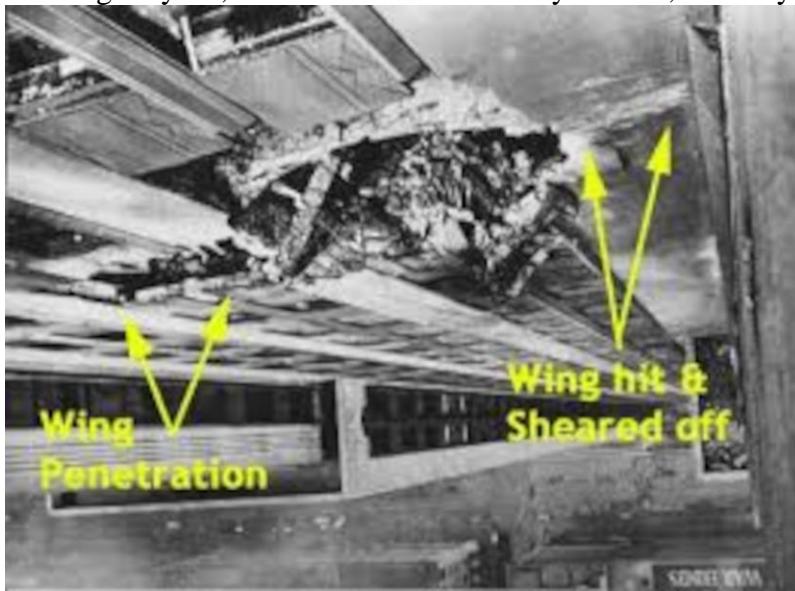

**Look at key areas, note beams are intact, and the hole is not big enough for 767, it looks like a Flying Saucer**

Besides missing a Tail, making it look like a Flying Saucer, look at the left side, notice how the beams are still fully intact, no Aircraft could fit through it. This is proof the building was ridged to blow in this pattern, and the video was made to look like it made it, but the two do not correlate since no Aircraft could fit into that cut-out, you can see the main support beams that hold up the floor above it, in the center, showing visibly that the beams are still intact, and not even broken, and that would not be possible if a Boeing 767 flew through it, only Sheep would believe this Story, all beams are blown out, none are bent in the direction the aircraft would have been moving. Notice the straight line that appears from side to side of the building, above at the top of the largest part of the hole, this shows clear signs of Thermite Charges, and explosives, but not an aircraft, no way in the world anyone with a clear conscience could say that looks like an Aircraft made it, a UFO maybe, but no 767 flew into this building, there is no evidence of it, the only evidence is of foul play, and it does not take a PhD to understand what you are looking at.

It is clear that the building was ridged to blow in a pattern to match the poorly made fake CGI video, that defies the laws of physics, when the Aircraft is supposed to be hitting the building, you see no visible signs of damage to the building or the Aircraft, but later you see this picture above, that clearly shows no aircraft made it, it is not possible to disappear ghosting into a building and not even break the steel panels holding the windows in, I mean look at that hole, what was the thinking at the 911 fake investigation, you can see that from the top of the hole to the bottom, at the tallest point, is still connected, they are not fooling anyone with this image, whoever set those explosives screwed up big time.

Below is an image of a B-25 Bomber that hit the Empire State Building, it did not make it into the building very far, and had to be removed by a crane, and why the building is blown outward.

**B-25 hits the Empire State Building and gets stuck in it, not making it inside the building**

In the 911 images all the beams are bent outward, yet the Aircraft is supposed to have gone through this hole without damaging the building or the aircraft till it was inside the building and blew up for some reason, they were almost out of fuel so that was not a factor for fire, if it was people would not still be sitting at their desk talking on the phone, and on the right look at how precise the cut is, only thermite and explosives are that precise, and that is clear by the straight line, how can something smashing into something, cause it to bend outward unless it did not make it through, and explosives are the only explanation, anyone that can see can understand a 767 did not make that hole, someone with explosives did, and now you see 911 for what it was, a huge Lie. Look at this picture of a Military B-25 bomber when it hit the Empire State Building, it did not Ghost into the Building, this is what would have happened to any Aircraft that hits any building, the wings get torn off, and the Aircraft is stuck in the building or falls to the Street, but the building does not collapse, the beams are bent outwards because the aircraft was pulled out of the hole.

There are few if any, that are stupid enough to believe the Lies about 911, it is Bad Science, and only those Guilty of the Crime of planting the explosives, making a fake CGI video, that has too many problems with it, and the images of the hole that is not even complete, it can be seen this was an explosion, and not an Aircraft impact, it is clear that the 911 building hole is not made by an Aircraft since one could not fit through it, common sense, the beams are still fully intact, no hole, just beams that did not blow the way they wanted them, and left a huge sign saying this is a Fake Event also known as a Holy-Cost Hoax.

Lawyers, Pigs, and Liars, or Lions, Tiger's, and Bears, Oh My, not much difference, take the case of Kai the Hatchet guy, who was Drugged and Raped by a New York Lawyer, and his Police Friends and Family come in and deny him any rights, kept him in jail for 6 years without a trial, then sentence him to a death sentence in time, all because New York is nothing but Liars, if the Gay Lawyer who Drugged him died when Kai came to, it was Self-Defence at most.

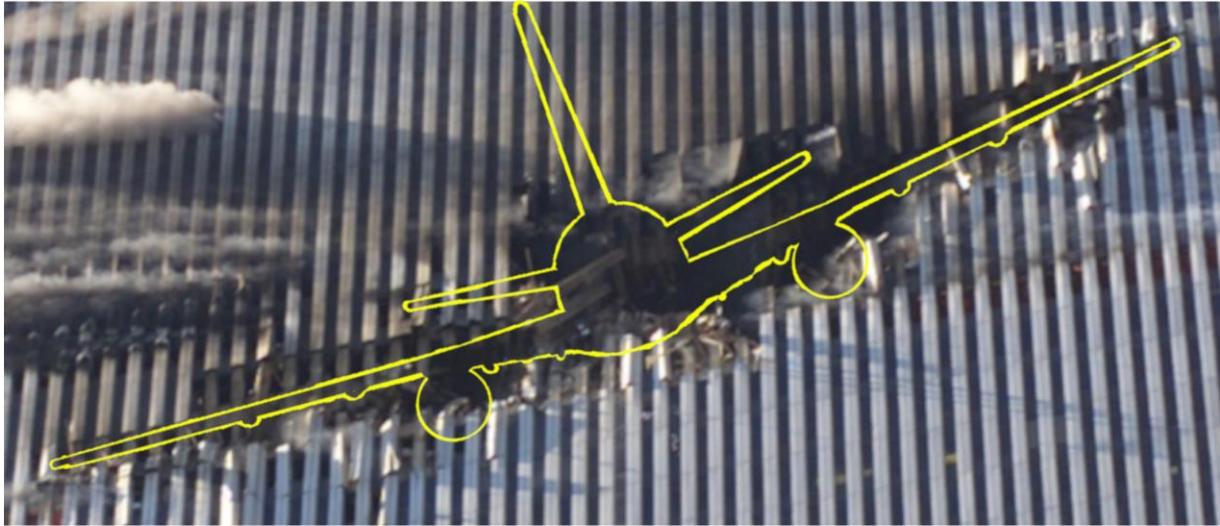

**Kai the Hatchet Guy**

I wrote another book called "You Say you have a Constitution", but can you prove it, where I talked about this case in more detail, but I cannot think of New York without thinking of all the Crime they got away with during 911, first, the President ordering all Radar Towers to be Shutdown was insane, why would he do that, so they could fly those 3 Aircraft out of the Country, without anyone knowing, they railroaded Kai, he should have gotten a Metal for what he did, the Jew York Lawyer, used Drugs to Rape him, so he was waking up out of a Daze with someone raping him, all he wanted was out of there, the fact the creep died was self-defense, not murder, but in a City that Kills Black Sheep just to get a Rise out of the White Sheep, by put them in harm's way, proves how Satanic New York's Police are, no Honor, only Liars, and no Justice System, only a Just US System of Treason.

If New York allowed Kai to be held without Trial for 6 Years, refused him a Drug and Rape Test, and found him Guilty of something that common sense would tell you was not Murder, but self-defense, so it is not hard for me to understand this, the Courts are Privately Owned, just like the Police Departments.

Once you see the Truth for the First time, it will Set you Free, and Freedumb is going to change your mind about the Country called America, where this is Allowed to happen, just Imagine everyone who Claimed to have seen Aircraft Hit the Twin Towers, 767, no way, there is no Proof of this, no Parts, no Video or Image Evidence anyone intelligent could believe, so I want you to have an Open Mind, and do not take my word for it, go online, and download these same images, and make an overlay of a scaled model of a 767, as I did here, using the outline from the Actual Model Boeing puts out at their Website, so it is exactly to scale for a 767-200, the 233 is not that much different, no external difference I know of, if there were, it would not be a 767, the versions are more of a Production thing, but there are internal differences, so to the best of my ability, this Model represents what the Actual Aircraft would have looked like, and you can compare it to the fake Aircraft CGI above, where the Aircraft Ghost into the Building. They forgot the Tail, wow, huge mistake, what was the Thinking, this is something no one can miss, this Aircraft will not fit through this Hole, it is not Possible, and no Aircraft parts is Evidence it did not happen, parts from wrong aircraft at the site is proof of a sloppy coverup, but this Photograph is Proof beyond any Reasonable Shadow of a Doubt. Notice how the Left Wing, would have been torn off, and should be in the Street, because it did not go through the Beams you can see are still connected, from top to bottom, as well as were the Aircrafts main body would have gone through, is still connected from the top to the bottom, you can see stuff in the background, like support columns, but it is clear this was blown out, and not inward, and that

Explosion was unreal, having seen Aircraft crash 100 feet in front of me, I know they do not Explode at all, every Aircraft Crash in History proves this, sure Jet Fuel Burns, but these Aircraft did not have much Fuel in them, it is just a Fact that those that committed this Crime told you they were full of fuel, I have videos they showed on TV where FEMA said they set up the day before, so they would be ready for this event, those Jews that did not go to work that day knew about this event also, because they were in on it, no other way to explain all this, New York is Guilty of this Crime, since no one seen any Aircraft Hit the Twin Towers, it makes New York and Wikipedia Liars, and they are Guilty of this Crime and its Coverup, they cannot even Prove those Aircraft were in the State, but if a Picture is worth a thousand words...

**Twin Tower showing Fake 767 Explosive Patterns gone wrong, No Tail must be a Flying Saucer**

I showed you photographic proof that 911 was Fake, there were no Aircraft parts found from any of the 3 missing Aircraft, there is no Radar Proof that any Aircraft was Flying in New York State at the time of the Fake Event, if this was a Military Job, I think it would have gone off better, this was done by amateurs that made way too many stupid mistakes to fool anyone, because if Anyone was Fooled by these Fake CGI images and videos, well what can I say about Fools or Sheep, but these Aircraft did have Tails.

Looking at the image below, anyone can clearly see one person above the floor, and one person below it, and they are alive, so never ever tell me this is a Conspiracy, this is a real photograph, look at the beams in the top, they are cut straight across, and you can see all the beams are covering the hole, so people survived the Explosion that was created to make it look like a Boeing 767 could have made it, but no one could have survived an Aircraft going through that building at almost 600 miles per hour, you can clearly see that both floors are fully intact, and they are sitting at their desk trying to call Maintenance about the Noise problem, the flames are clearly below the floors on the right side, but the Fuel is in the Wings, both of them, and one Wing could not have gone through the window frame that is still intact, so where is the Wing is a question that is simple to answer, it does not exist, that much has been proven, and this Image is Proof that this is not a Conspiracy, those that try to cover it up are guilty of that Crime, but everyone knows this is just BS, and there is No Freedom, just Freedumb, and this is what it Cost Sheep, so Happy 911, as the U.S. now must take full responsibility for the Treason that is allowed to take place, those Fire/Police are never allowed on my Property from this time forth, they made it clear they were trying to make everyone think I was Insane, hoping I would die, since they refused to Treat me, they left me to Die, just as they did with these poor Souls, so the Federal Reserve can expand their Business and Franchise, so Politicians get a Rich Salary, as the National Debt goes up exponentially, and they are targeting US.

At least two people (upper left and lower left) stand near blown-out windows on the 92<sup>nd</sup> and 94<sup>th</sup> floors of the north tower of the World Trade Center awaiting rescue. The building collapsed five minutes later. Credit: Rick Wood

**They want you to believe this fire is so hot it caused the building to fall, reality check, she is proof of lies.**

Understand that all of this was presented during the 911 Investigation, go back and find it, and you will know they know this, anyone with two eyes can see that was a Flying Saucer that Hit the Twin Towers, and not a Boeing 767, so what is the Thinking, that everyone is Stupid, let reality sink in, the Tail of an Aircraft is very strong, and will not shear off as easy as the Wings, and it is clear they did not go through the Facade, since it is still intact, and people above it and below are still sitting at their Desk, and you have to admit, that is an Odd thing to do after a Boeing 767 flew through your Office at 600 MPH, so what was the Thinking, the Fire was so intense it caused the Building to collapse, cutting all the Beams at Demolition angles that can only be made by Thermite, and people can survive this, and why, because it was Clearly a UFO, look at the Shape, no Tail, and no parts even break loose, and fall to the Street, not even the Glass Windows, and you can see through the Windows that are still fully intact, above and below the floors, where that UFO went through, after switching to Stealth Mode with a Shield of Invisibility, allowing the UFO to Fly into the Building, without going through the Windows, that is what the 911 Investigation is claiming happened, because that is what the Evidence would lead anyone to believe.

Once you remove everything that is not possible, you are left with what is, the truth, and as hard as it is to believe that an entire City would allow this, knowing they did not see any Aircraft hit the Twin Towers, because no one has any Evidence the Aircraft even Flew into New York State, let alone a Building in it, which is not even Possible, so it was removed from that list, with Proof it was all a Hoax, just like the Holy Cost Hoax, my Family line was from Germany, but we have been in North America since 1752, years

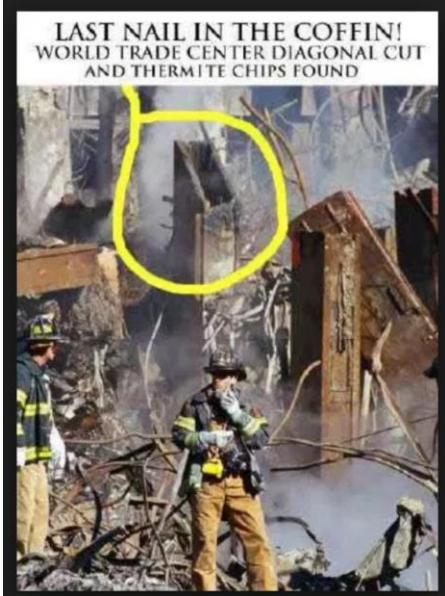

before the United States existed, so go sell Crazy somewhere else, they built a Wall around Germany, because that is what the Nazi do, at the Zionist bidding, and everywhere they Take-Over, they build a Wall around, just like Israel and now America, and these Jews knew about the plan to blow Fake 767 Patterns on the side of the buildings, but that did not go off well, the Tail, give me a Break, you see the Tail go through the Building, grant you it Ghost through it, and that is impossible, they actually crash into it, and that is just a fact, Air Rescue makes me an Expert in Aircraft Crashes, it was my Job in the 66<sup>th</sup> RQS Air Rescue Squadron, but it does not take an expert to see that the Aircraft is seen Ghosting into the building with a Tail, that would have done more damage than the Wings, that carry the Fuel, but they would have been torn off instantly, and ended up in the street, but nothing does, not even dust, so you know this is fake, no one needs to explain it to you, in as much detail that I have, just to make sure you understand this is all Treason, and where to find the Laws to prove it, as if Law is even Legal, ask Jesus Bar Abbas, it is not, the Empire wants you to believe Law is Legal, knowing Law that enforces Treason is Treason, and no Law can make Treason Legal, proving it is all made up BS, just so a Class of Elites can draw a Salary off the Death and Suffering of those they claim to Serve, that is the Story of Moses by the way, Rape, Pillage and Plunder, learn History, or Repeat it, Bar/Abbas was Clear, never allow Money or Law, they are tools of Satan.

The 911 Investigation speaks for itself, anyone has any doubts about what happened, needs to understand what Evidence is, and the Government told its Sheep, Shut Up! Sheep have no Rights, Ewe do what Mainstream Commands Ewe to do, and do not ever ask Questions, or show Proof of their Treason as if the Laws and these Images found on the Internet, and entered into Evidence at a Fake Investigation, and get this, No Aircraft Flew into New York City and Crashed into the Twin Towers, and there is No Evidence it did, and all the Evidence it did not, no Aircraft Parts, no Crash, it is a one to one relationship, proving all involved in that Coverup, is Guilty of Treason, and for Covering up a Crime against the Whole Country, that is nothing more than a Franchise like Circle-K and people are OK with that, they do the bidding of their Masters that do not even live in the United States of America, and may have never even visited, but are Allowed to Print our Money instead of Congress, and the Constitution said that is Treason, end of Subject, there is no debate, and there is no justifying Treason.

How and why American's allowed this to happen is simple, they are Guilty of Treason, and do not care, they are nothing but Liars, every single one of them that let this happen, and said nothing, as such, "Happy 911" (Quoted from a True American Patriot: JB) is something that I have to Agree with, every year those that got away with it are Happy, because American's actually Celebrates this Day, the Day American's Proved they are nothing but Sheep, and are all nothing more than Satanic Sheep that allow their Master, Money, to dictate what is Legal, and what is Allowable, so Happy 911 New York Jews, the World knows what Satanic Pigs Ewe are, the World knows who is to Blame for this Crime, the Pigs, Firemen, Politician's, Mainstream Media, Wikipedia, and everyone else that pretended we have a Constitution, or any Rights under it, this is evidence, see those men in the picture below, they are Guilty of the Coverup, arrest them, we all know who they are, but Sheep, what can I say, no Courage, they are nothing but Liars, and Thieves that work for Satan. If the Fire/Police Department, had any integrity, they would have testified this was Faked, the Fact they did not, makes them Guilty of that Crime, because it is Clear they know that those Beams were cut from Demolition Thermite, and the only way Building Freefall in a controlled implosion, that is Real Science, and just Common Sense, and only those Covering it up will tell Yew anything different, this is Treason, they are all part of the Treason, and there is no way that anyone can Claim Ignorance to the Laws that Prove this Whole Government is Guilty of Treason, anyone that wants to Claim this is a Conspiracy is Guilty of Treason, and all the Crimes of covering one up, and the Military Knows this, and why they made all its Sheep take an Oath to Defend and Protect something that has not existed as a Legal Document since 1861, 100-years before I was even born, and only Treasonous Fools would argue that point, so there will be no Trial, since everyone that Uses Money is Guilty of Treason, and can Legally be Executed for that Treason, and will be sentenced to Die on the Surface of this Planet called Earth, that is about to go Nova because the Treasonous Fools have used up all the Oil our Planet Requires to spin around its Core, and why the Planet is Wobbling, for the first time in Recorded History, all because of Liars calling themselves Scientist, who work for the Feds to Lie for them, just like the Fire/Police

Department, just Treasonous Traders and Enemies of the State who enforce Treason. Once you see the Proof, be it the Laws that prove the U.S. is a Corporate Seal, and nothing more than a Franchise, is the Law now, and no one can deny that is the Truth, and knowing it is the Truth, means that you have to acknowledge the Treason, and all those Guilty of it, and there is no such thing as being Grandfathered into this Treason, it does not work that way, everyone had the Chance to stop the Treason, but Refused, because they are all Addicted to Money, and Could never Imagine working for No Money, that belief is called being a Slave, knowing only Slaves use Satanic Money, the Bible is very Clear about that being the Root of All that is Evil, the Backward Spell for Live, and everything you cannot Live without is Evil, and the Stupid Sheep allow it, because they are too Stupid to do anything about it, or they just Do Not Care, Congress could Print Money to Pay back the National Debt, also known as the Treasonous Loan Lincoln got a Cap in his Head for, and all the Satanic Sheep Worship Lincoln and Roosevelt for Making them all Guilty of Treason, Proves Money Junkies will do anything for a Fix, disgusting Pigs is all anyone that Uses Satanic Money is, not only is it Treason, but it is Slavery, and this also means this is a Prison, behind Bars, since that means the Courts that are Enforcing all this Treason, makes all the Judges, Lawyers and Police, not only Guilty of Treason, but the Enforcers of it, the enforcers of Treason, and the ones that are still to this Day committing Treason every single Day that goes by, making it very clear that all these Sheep suffer from Mad Sheep Disease, it is caused by Money making their Mind go Numb, as long as they Get their Fix, the Money Junkies will continue to lie about having an Addiction to Money, as if allowing Treason to continue is right, knowing only Cowards would do that, proving only Cowards exist in this Whole Country, nothing more to say about Stupid Sheep.

The Faces of Treason, makes me want to Puke on them, disgusting Liars, and Murders, that is all this Government is, nothing more, nothing less, just Treasonous Traders that need to answer for their Crimes that they allowed to this day, making me Hate Sheeple, so this Dog is Done Protecting the Stupid Sheep if they want to Kill me, not much I can do, since not one Sheep will ever help the Dog.

**Firefighter standing in front of beam cut by Thermite at angles to bring building down**

The Faces of Treason, they are all Treasonous Traders and know nothing else, they are Satanic, and Religious Sheep are the Worse, totally Liars about what God is, just because that is Part of this Game Satan Plays with Stupid Sheep or Sheeple, known as American's, who allowed Lincoln to Take their Freedom and Constitution, along with any Rights that go with it, all for a Buck, and that Buck stops Here, IAM Judging America Guilty of Treason and to Die for their Crimes at the End of Time.

There is the Picture of one of the People Guilty of Covering up this Crime, but the list is a mile deep, and leads underground to the Cities these Thieves are Building, at the Sheep's expense, all because they know that Sir Isaac Newton is right about the date for the "End of Time", which is 14 January 2061, at 6:32 PM, Pacific Standard Time, and they will continue to Lie to the Sheep and Murder them for Entertainment

because that is all that this was about, my Grandfather told my Grandmother that, this is just a Game to those in Power or the Powers that Be, the Federal Reserve, the U.S. Sheep's Masters, who obey their every command, those Reporting it was Aircraft, knowing it is not, is illegal, and a Crime Mainstream is Guilty of, every single one of them is to Blame, Reporters are Satanic Liars, that much is evident. The End of Time has 3 parts to it, the first is an Asteroid impact in China in 2027, the Atmosphere venting in 2033, marking the mid-way point of the Pole reversal that will happen in 2061, so this is all a setup for War.

Not one Window broke, people sitting behind them, explain this, nor did it pull the steel window frames into the building with it, as if no broken glass, nor any visual distortion to the building on impact, and the Explosives they set up to make it look as if an Aircraft hit it, did not blow as they wanted it, leaving the building facade fully intact, and noticeably fake, it is really bad CGI, they took a video of a Boeing 767 flying, and then Ghosted it into the image, knowing Sheep are too stupid to figure out that there are only a few released videos, and CGI flaws in all of them, but not one person out of Millions that live there and carrying small Cameras with them, this was 2001, cell phones came out with Cameras in them in 2000, phones like the Samsung SCH-V200, and Sharp Electronics J-SH04 J-Phone, there were millions of Cameras available, but not one credible person thought of taking a picture as the second Aircraft hit the Building? I do not believe it. I have to point out that one of the Aircraft only had enough fuel to fly to LA, and it had to make a huge U-Turn, such that all the fuel it had available without inflight refueling, was not much if any fuel left in it, but I think like an Aircraft Crew Chief since I was one, but Mainstream wanted everyone to believe these Aircraft were full of Fuel when that was a Lie, so that Aircraft, that supposedly hit the building, the images and lack of Aircraft parts of any of the 3 missing Aircraft, were never found, not one scrap of the medal, or parts from any aircraft matching the type missing ever found, no parts, no crash, and it is that simple, no Aircraft can disappear or Ghost into the Twin Towers, or any building, and photographic images that were taken by Mainstream, available on the Internet, are proof that this is all Fake, no Aircraft even Flew into New York that Day, and Radar would have proven that and why they was order to be shut down, to hide the crime they were committing. Look at the view angle of the building on the left, and go to New York and find that angle where this Video was taken from, and you will find that it does not exist at Battery Park because this is a fake video, but it is possible to figure out this location if you want to know, personally, I do not care, all I needed to know is that they Lied about where it was filmed, and New York allowed that lie to continue to this day, and no one has updated this crime with any new evidence since the Crime that all of New York City is now guilty of, is proof you cannot ever trust any News that comes out of New York since it is all Lies, and all New Yorkers are Liars and not to be trusted.

I just proved to anyone that cares, that no Aircraft hit the Twin Towers, and New York State is nothing but Satanic Jews that are the ones that committed this Crime and tried to make all the American's believe it was Real when it is obvious to blind people that this is all Fake, and only Satan's Followers would believe what Satan tells them, so it is obvious that Americans are Satanic Liars, and why I am ashamed of this whole Country, and as a Military Dog that took an Oath to Defend and Protect its Constitution, I find the U.S. Guilty of Treason and ask the Military to do their Duty, and the one they Took an Oath to fulfill under the penalty of Death, is called Treason, and it is clear, that America is Guilty of Treason, so it is time to put an End to this Game, and Start a New One based on the Truth about God and the End of Time.

Only Jews Like or Love or Use money, that is a fact by the way, so it is clear everyone is a Jew, as proof, do a DNA test, anyone that has a Mixed Family line is a Jew, as such, everyone is a Jew, Jew is not a Religion, it is a Birthright, and the Bitch passes it on, the use of Money is Evil, so Jews are Evil, we see their Work, they Blowup our Buildings, and blame it on their Enemy, so we go in and do the Jews work for them, the Bidding of Satan, and the Gulf War Continues to kill Slaves, and Military Dogs Die Defending Opium Fields for their Masters, just like the Wall they built around Germany, just so they could breed out the Ashkenazi, and then after the Jews won WWII, they wanted more Land to build more Walls around, and now the Jews want to build a Wall around America, and the Stupid Sheep will Let them, because they are all Guilty of Treason, all because of Jews, and I am an Ashkenazi Jew, so I know all about Jews, and their Money and Taxation that never Ends, ask Jesus Bar Abbas why Religious Leaders lies to Sheep, as does the Government, they are all Zionist Jews, and they Hate Ashkenazi, and why the Zionist split off of

the Ashkenazi, becoming the Nazi, who won WWI and WWII, and started WWIII, just so they can conquer more Resources, so they can build their Underground Cities, and let all the Sheep be the Sacrificial Lamb at the End of Time, when Satan takes your Soul you sold for Money, to Hell, where all the Sinners go. Only Sheep would believe in things that do not exist or were proven to be a Lie, like Jesus Christ or the U.S. Constitution, that Game is Satanic, and only Satan believes in Lies, and that is what the Torah or Bible calls a Half-Truth, and is very clear that only Satan tells Half-Truth, the truth half is that it is all a lie, and only Satanic Sheep would go along with Satan, so Christ is a Star, and its Followers are all Satanic, according to the Bible, or Torah written before the 4<sup>th</sup> Century, proving Religion is Responsible for everything Evil in this World, and the Followers of Satan, believe 911 Happened, I have seen videos of Sheep saying they seen the Aircraft hit the Buildings, when we all know from Evidence, or the Lack of it, that this did not happen, proving what Liars Sheep are, and how Satanic Religion is and all of its Followers as well as Non-Followers, for going along with Satan's Plans, only Satanic Sheep do the Bidding of Satan, and it is Clear that Religion, all its Followers, as well as Non-Followers, are going along with the 911 Coverup, making them not only the Cause for all this Treason, but Proof they are behind all the Crimes, since every New Yorker that was outside that day, and seen the Buildings explode, saw no Aircraft, because there is no evidence they even flew into New York's Air Space, and no evidence whatsoever, to prove they Hit the Twin Towers, and proof they did not hit it, since the Holes are obviously Fake, and all Beams cut by Thermite, Demon-lition.

I am asking the United States Military to Step in and Take over the Government that is allowing the United States to look like Satanic Liars to the whole World, thus Disgracing our Honour, and deal with them, which is the Main Job of the Military, since they all took the Oath to Defend and Protect the Constitution, so either they allow "Trinary Sanctuary", its Military's and Militia's own Country, giving its Militia the ability to survive the End of Time, or we can all agree who is Satanic, and who is Guilty of Treason Against the United States of America's Constitution, which is every one that Works for Money.

The Military has always Worked for the Bank, and only those that took the Oath to the U.S. Constitution, and not the United States of America's, that Makes this all Treason, so those that know are normally only High Ranking Officers, but I knew many Enlisted that knew this as well, and many more Disabled Vets that know the whole story, and we know who is in Charge, and since 1861 that has been the Federal Reserve, and backed by its Military, and people like myself, whose family has known this from day one, and we were the ones against that Clause that Only Congress Can Print Money, allowing Money is what Made England Slaves to the Bank that has owned them for as far back as the 4<sup>th</sup> Century, all because Money Junkies do not understand what Slavery is, and it is simple, you work all your life for your Home and Land, miss one Tax Payment, and it is no longer yours, that is not Freedom, that is Called Slavery, when Food and Water Cost Money, that is called a Crime, since only those with Money will Live, it makes it Evil, but Sheep are confirmed Sinners, and Love to Live in Sin, and Only Satan does that, proving all Religious Leaders along with all the Sheep that Support them, are all totally Satanic, as if we need the Statistics like over 96% of the Pedophilia Charges against its Leaders and Fellow Sheep, any Religious Sheep that Deny this are proving they are nothing but Satan's Helpers, or Santa's for that Matter, since it is all about Money. If the Military refuses to allow "Trinary Sanctuary", then they are telling the Sheep they are all going to Die, and they are going to Allow it, and why they built all the Fenced in Area's around all the Military Dog Bases, all for Sheep ready to Slaughter, so the Military is Ready, and if American Military Dogs will not round up all the Sheep, the Chinese Cats will since their home is about to get wiped out by the Asteroid of 2027, payback is a Bitch when you are a Dog, I do not blame them for what they will do when the time comes for this part of History to past, it is not a Prediction, it is the Nazi's Plan, and I am not a Prophet, nor did I write any Books to make a Profit, IAM always a Messenger, born on the Same Date throughout History, I am in tune with the Frequency I was Born at, which was 6.66 Hz, so I can remember being born many times when I was very young, and all this was just Memories flooding back in, but keep in mind I read the Torah written before the 4<sup>th</sup> Century, and it was not in English, luckily it is all in code, and many people had already deciphered it, as did my Cousin Isaac Newton, and his Son Benjamin Franklin who took over the work, so my Family has always known this, all Masons, all Knowing, all Wise,

all Powerful, Omnipotent as an Organization, the one that Founded the United States of America even, so I know what the Duty of the United States Militia is, and that it is Treason to the U.S. Corporate Seal, and Violates the Franchise with the Federal Reserve, but still, the Feds do not get involved in how the Treasonous Traders known as the Governments operate, and I work for the Feds, and not the Governments they Service for a Fee, and I know what the Banks what, they want to Survive “The End of Time”, that is their plan by the way, only Yew are not allowed, but some of its Military Dogs will be, because they are in Charge of it, and the Governments do as their Military tells them, that is their Jobs, the rest is all a Game they Play on Stupid Sheep, also known as Sheeple, and that is from the Bible by the way, the reason I love to use it, is for the same Reason, my message is Forced Vaccinations is a Jonestown Massacre Plot.

I never get involved in Voting, I tried it once, it was Stupid, I was overseas and did an overseas ballot, only to have Gore, wearing a US Flag, state we should not count my Vote, and just declare him a Winner without them, because that Race really was that close, but my Vote, did not matter as it turns out, I was only an Active Duty Military Dog, who knows it is all a Game, the United States of America has not had a President since Lincoln was Legally Executed for the Treason, that is now in Place, making the U.S. only a Franchise to the Federal Reserve, and making the “So Called” Government, all Employees of the Federal Reserve, and not the United States of America, under the Constitution that made this Treason, making all Presidents since that time, not only Guilty of Treason for allowing this on their Watch, but Fake Presidents for a Fake Constitution for a Fake Government, who Loves Entertainment, like 911, so Happy 911 to all the New Yorkers that made it Possible, by ignoring the Impossible, the Images taken prove this did not happen, sure the Building were Ridged by the Government to implode, all 3 Buildings, do not get me going on the 3<sup>rd</sup> Building, since it only fell down due to a Rigged implosion, also known as Demolition, see the Thermite Angled Cuts on all Supporting beams, and why all the Buildings did a controlled Freefall, only possible using Demolitions, otherwise it would do a “Pancake Affect”, where all the floors starting with the first one that gives, start to Pancake down on the floor below it, and a measurable amount of time that can be accurately measured to prove it, and that was not the case, despite the written and verbal testimony at the Fake 911 Investigation, who also looked at these Images I am showing Yew, as such, only Sheep would believe that a 767 was even in the State of New York at the Time, since no one can prove this using Radar, or any Creditable Videos or Pictures of the 911 Aircraft Ghosting into a Hole too small, and of the wrong Shape, for the Aircraft to even fit through, so it is just a fact that no Aircraft hit anything, since no Aircraft parts were ever found from any Crash, and everyone knows that is just impossible, so who does the Treasonous Traders think they are Fooling... Ewe. If you want to think for a moment you have no control over the Government you Live in, you might as well Dig your Own Grave, and Bury yourself in it, because in 2027, 2033 or 2061, no one will be burying anyone, the Dogs will have a field day, as their former owners become their next meal, so no hurry, it can happen at any time, let's just hope Sir Isaac Newton and myself are right about it waiting that long, and that is not long, considering how long it will take to build “The Principles of Trinary Sanctuary”, a book in itself, that has the bare minimum you need to know just to survive the Ice Age, and how you can ask the Governments for Trinary Sanctuary, and they might actually allow it, as long as Trinary Sanctuary holds up its end, and provides all the Free Power, as well as excess Food and Water, that it provides Nations for Free, and what Trinary Sanctuary will provide the People building and Maintaining it, is a Safe Place to Live, where there is no Lies allowed, no Money, no Barter, no Trading, no Laws, no Rules, no Regulations. no Chaos, so in short, take away all the things that make Humans Slaves, and give them Freedom instead of Free Dumb.

I have written many books, made many videos, and all are Free, and also for Sell as Printed Books, and ePubs at your Favorite Book Store, you can find links at <http://TrinaryUniversity.org/>, <http://LightWizzard.com>, and at GitHub: Light-Wizzard for the Galaxy Calculator Project <https://github.com/Light-Wizzard/galaxy-calculator>, as well as other Light-Wizzard Repositories.

TS stands for Trinary Sanctuary and Trinary Science, and is the Science of Kepler, Galileo, Newton, Franklin, and Tesla, as well as my own, most notably was my correcting Einstein's Energy Formula:

$$E = MC^2 \text{ to } E = F - [F - ({}^+_{} - f(x))]$$

Based on a Math Constant called a Primer (Prime`er):  $(+1) + (-1) = 0$

In terms of Frequency:

$$E = F - (F - X)$$

In terms of Wavelength:

$$E = W - (W - X)$$

In terms of Percentage:

$$E = 100\% - (100\% - X\%)$$

Where F is the Fire Frequency, meaning the Frequency that Object you are extracting Energy From, will catch on Fire, meaning you can register its Neutrinos with a Detector, and its Wavelength will always be in relation to the speed of Light = Frequency times Wavelength; and where X is the current Frequency, such that:  $3 \text{ MHz} - [3 \text{ MHz} - 3 \text{ MHz}] = 3 \text{ MHz}$ , Such that its Energy is equal to its Frequency, in terms of Percentage, it is easier to calculate, if 0% is 0 Hz and 100% is 3 MHz, this is a Temperature range, so in terms of Energy, it is 100%, in terms of Watts, 1 Watt = 1 Joule per second and is used to quantify the rate of Energy Transfer, its measured as an electric current of one ampere as it passes through a resistance of one ohm for one second, so it is a measurement of the quantity of Electrons per second, an ampere is measuring the electromagnetic force between electrical conductors carrying electric current, so Energy is proportional to Ampere in terms of numbers of Electrons, Previous definition: The ampere is that constant current which, if maintained in two straight parallel conductors of infinite length, of negligible circular cross-section, and placed 1 m apart in vacuum, would produce between these conductors a force equal to  $2 \times 10^{-7}$  Newton per meter of length. Sheep may not understand this, but most Electrician Dogs do, if you convert all Atoms, in terms of Mass into Electrical Terms, because Atoms have nothing but Light without Darkness inside of them, and that is what Newton Called God, as did the Bible, also known as the Torah before the 4<sup>th</sup> Century, the one that Kepler found while looking for Christ, just to find that Christ did not exist in Bibles during the 3<sup>rd</sup> Century, only to find Christ means Star, and Christianity means the Study of Stars, and why Characters have ages that we all know may not be for Real People, but for the Constellations, they are Named after, and once you know this, it makes sense. I have many Degrees from the United States Air Force, and a couple of Higher Education Academic Achievement Awards, enough to fulfill my Ph.D. in Physics, but Mainstream Universities and Science, only Teach and allowed to Teach, Einstein's Theories, and since mine proves Einstein's Theory is wrong, by just pointing out that Light does not Accelerate, and therefore not Dynamic, but Static because it is the Universe that is moving at what we perceive to be the Speed of Light, read the Book "Optics" by Sir Isaac Newton, links are at the Trinary University website, link above. I started this University, that does not allow any Theories, only Facts, so it goes against everything Mainstream Teaches, or allows to be Taught, because the Christians Ban Sir Isaac Newton from all Public Venues, for proving Christ was Inserted into the Bible, see the BBC Special in 2013 called "The Last Magician", link in this book, it fully explains how Newton felt about Religious Leaders, and why they Ban him, they know he is the Antichrist, or the One Against the Teaching of Christ as a Deity, that Does not Physically Exist, also known as Satan, and only allow Einstein's Theories, which common sense tells you is wrong, but after a Century with no one Proving it, it is still unproven, I watched someone go Mad trying to Prove it, his Mind was once as bright as a Hawk, later in life he was a Vegetable, still staying Tomorrow I will give you the proof, and died having a computer recording just repeating that over and over again, till they finally pulled the plug, on the Computer, not the Idiots that spent his whole life promising to prove something, to lose his Mind completely, and only proved what a Complete Fool he is for Believing in Einstein, when he never believed in his own Theory, stating it will not work without Newtons God as the Force of Gravity, but the Newspaper Reported only that Einstein Found Religion in Newtons God, so no wonder I was force to make my own University, that is only based on what you can Prove as a Fact, because it is a Fact you cannot Use Newtonian Math based on God in a Godless Universe, and Einstein removed God thus all Light from his Alternate Universe in an Alternate Reality.

Trinary Science is based on Kepler, Newton, and Tesla's Math, as well as my Trinary Math, Trinary means the Same as Trinity, without the Religion tied to it, and it is 3 State Logic Changes, so by looking at all Atoms as having Light without Darkness inside them, it is simple to find the Relationship with

Electricity, under an Electron Microscope, you can see Atoms in 3 States, the Solid State, or Matter State, it is a Positive State, and if graphed using  $(+1) + (-1) = 0$ , you get a Graph like:

State	Trinity	Dimension(s)	Visibility	Graph												
				1	2	3	4	5	6	7	8	9	10	11	12	13
(+1)	Father	ALL 3	Solid	*			*			*			*			*
0	Mother or Ghost	0	Invisible		*	*	*	*	*	*	*	*	*	*	*	
(-1)	Son	1 or 2	Semisolid		*			*		*			*			
Time frame				1	2	3	4	5	6	7	8	9	10	11	12	13

### Graph of $(+1) + (-1) = 0$ is the Primer for Trinary Math

By Converting all Matter to terms of Electricity, it is easy to understand the one to one relationship it has, because all Mass is nothing but Atoms, and their Mass Can be Calculated by using their Atomic Weight, so it is clear the Atoms all have these 3 States of Visibility under an Electron Microscope, so it is easier to understand Electricity, then it is Chemical Reactions, which is all Chemistry is, is Electrical Signals, even the Sperm creates a Spark of Electricity, when it Fertilizes the Egg, thus Jump Starting its Electrical Engine, that 98.6 Watts of power our bodies generates just to stay alive, giving off Light, proving we are Light Beings, and all Atoms can only put out Energy, while they Exist, and by bringing up the Frequency till they do not exist, you find their Fire Frequency, when Neutrino Detectors can pick up the Atom is gone, so is all its Energy, so you can calculate how much Energy is left before this Happens, and what Energy Level you are at currently, and this all came from the Torah, making it the Oldest Science ever known to Humans, and Religion almost lost all of it, just to insert Christ into the Bible, so they could continue to Live in Sin, as Sinners, also known as Religious Sheep in the Bible, those that Follow and Worship only Satan, who Teaches False Gods, and Sheep are just too Stupid to understand when Wizards are just making fun of Stupid Sheep like Ewe, but that is what Sheep Dogs do all day.

A Dogs Life is all about trying to understand the Sheep that I am supposed to be Protecting, knowing the Sheep are all Mad, totally Insane, they believe in things that do not Exist, these Deity Gods, also known as Satanic Angels, as if God is only a Name of one of the Angels, making all the Angels just the Same Being as God, and God is not even the best Looking Angel, and why only Sheep follow Satan, and the Dog just nips at their Heals, telling them what Liars, and Treasonous Traders they are too the Human Race, nothing but Gay Pedophilia Cults, that get away with Crimes against Humanity, and even Racks up the National Debt, by not paying Taxes, but taking all the Benefits, as if they had, and yes that is illegal and Immoral, but so is what they do to Kids, and Pigs are the known Leaders of these Gay Pedophilia Rings, and why so many Politicians are now under investigation for this Crime, and because the Judge Rats that Judge them are also Treasonous Traders, that allow Gay Pedophiles to get away with Drug Rape in New York, proving they themselves are one, just ask Kai the Hatchet Guy, so this Dog is Sick of the Gay Pedophiles that run this Treasonous Country, that is only known by its Corporate \$eal, and Federal Reserve Franchise, and nothing less than Treason, so as a Military Dog, I am marking all my Territory, and the Sheep are on their Own, the Pigs have been doing things behind their Backs, that only Sheep know why they Run from them, and because of them, they are the Enforcers of Treason, also known as Satan.

There is no Justifying Treason, and no excuse to keep doing so, knowing it is Treason, proving that this Government is totally out of Control, lucky the Military is in Charge, but only the Federal Reserve can order the Button to be pushed on all its Assets, so I do not think that will happen, but having the Chinese Dogs do what America Dogs might Refuse to do, which is march all their Sheep that refused to get their Vaccination Shot that will kill them, into Pig Pens, so they can strip them of all their Possessions before processing them, in Rendering Farms, for Spare Parts, for deep freezing when needed, all the Sheep get Rendered for their Crimes against Humanity, now that is Military Justice, coming to a Theater near Ewe Soon, and the sad thing is that most people understand this is going to happen, and do nothing.

Sheep that get someone to read this to them, or are intelligent enough to decipher it, may not understand everything I have said, mostly because they do not believe it, and why they are Sheep, but knowing you are Sheep, or being a Sheep on purpose, just to serve the Evil Empire that Jesus Bar Abbas defeated by telling all the Sheep this same story, this is His-Story, and few learn from it, so they repeat it,

wow, that is just Sad for all of the Human Race, who are far to Satanic, and totally Guilty of Treason for allowing it to continue to this Day, deserve no Rest, no Good words about them, like Ignorance is Bliss, Ignorance of the Law is no excuse, and the Law States that this is all Treason, so poor Stupid Sheep that lost their Way, and never learned what the Constitution meant by only Congress can Print Money, but not for Greedy Politicians who Take a Salary, up till Lincoln they all Served for Free, like the Constitution stated, so once Congress was allowed to have a Salary, the Treason had begun, and that is how and why, they think they are Special, and Sheep are just Assets to service the Loan, where they get their Salary & Retirement From, proving how and why Treason is now the American Way of Life, all because of Religion, and because those Gay Pedophiles running it want Ewe to Pay for what they are Doing to your Kids, proving the Parents support Gay Pedophiles, and why they are all in charge of all the Governments, because that is the Satanic Lifestyle of Satan, and only Satan would deny that, because Satan lies about everything, everything is a Half-Truth, also known as a Lie.

A Dog's life is Short, as mine will be, those believing I will outlive them, are sadly mistaken, when everyone out there is trying to Kill me, for what I write about, since I have been putting this message out there since 1999, so it is a well-documented Life, but Sheep do not like to read His-Story about the Military Dogs Life, because the Military Sheep squeal like Pigs when you ask them why they allowed this to Happen on their Watch, proving what Cowards all Sheep are, and why they make me sick, Tox-Sick.

Humans can think what they want, believe what they want, I am not here to teach them how to do either, just asking them to do something to prove they are Alive, and Count, and not Count as Sheep, not much to ask, just Prove what I wrote about, do not take my Word for Anything, after All, I am Schizoaffective, but not Schizophrenic, and why I always insist that you never take my Word as the Truth, Prove it is or is not, but do not ever Assume it is or is not, without trying to prove it, which in this case, means look at the Images, Documents, Read the Laws, and make up your mind what this all means to you, and not so much about ewe, but about what yew is all about, so prove it, and never believe in anything but your Dreams. If Sheeple wants to become People, they must take Responsibility for their Part in all this Treason, and they may not be able to do much about it, they can stop pretending that the Constitution Exist, knowing that it was Suspended by Laws anyone can find if they are looking for them, I gave enough of them to get you started if you want to look for more, but what is the Point, unless New York wants to change their Story to a UFO last sighted over Jesus Bar Abbas, what is the Point in even Pretending this is Legal, knowing Treason can never be Legal, or it would not be Treason, to begin with, the Cap in Lincoln's Head speaks for itself, pretending he is Honest, or even a Good Person, is a Lie, knowing what he is, watch this video, that was recorded from a Public Broadcast and shown here under the Fair Act.:

[http://LightWizzard.com/books/trinary.universe/webforms.html#lincoln\\_video](http://LightWizzard.com/books/trinary.universe/webforms.html#lincoln_video)

This Dogs Life is about telling Sheep Stories, Sheep Jokes, and Sheep Realities, all because of Sheep, and the Bible is the one calling them Sheep, and they think it is Cute to be a Sheep, knowing how Satanic it really is, any Intelligent Being would Read any Book, cover to cover before believing it, so they had to read the statement that God is All Light without Darkness, proving God is not the Name of an Angel, unless you really do think the Bible is talking to Humans instead of Sheep, which is too Stupid to believe, since Psalms 23 is very clear about only Sheep Believing in the Stories, it is similar to me writing this passage only applies to Sheep infected with Rants, which is half Rat and half Ant, that are a Parasite, much like anything Federal, since what I am saying only applies to anyone infected by Rants, only those infected believe they are real, unlike a Deity God that does not Physically Exist, meaning God does not Exist, which can be caused by many Mental Disorders, the first is Insanity, which is define as Believing in things that do not Exist, because anyone that does not Believe God Exist, not the Deity God, but the Real God the Torah stated was All Light without Darkness existed, they too are insane for the Same reason, Light without Darkness Exists, unless you redefine that to be another Satanic Metaphor, because Newton and Tesla both proved that Light without Darkness exist in a Spectrum of Light found inside of every Atom in the Universe, so the Torah States that is God, and not what Gay Pedophiles define as a Deity, Witch is Satan!

## **Chapter 2: About this Dog**

After my Mother Mary Died at age 19 from a Heart Attack due to a Vaccine that gave her Rheumatic Fever, instead of preventing it like those Satanic Pharmaceutical Companies who got Satanic Sheep to go along with Vaccines for Dogs, because Sheep Hate Dogs, and want them all Dead, Vaccines only give you the illness, they do not prevent it, making it mandatory is Murder, so this Dog grew up with Drug Addicts for Parents, the Bitch my Father Married never like my “*Little Sister*” and I, she is a year and a half younger, nothing nowadays, why I call her my “*Little Sister*”, is because I have 2 Step Sisters both older, and 3 Step Brothers, 2 younger and 1 older, and my older Step Brother thought me and my Sister were his to order around, both of us have nothing but bad memories of that whole family, my oldest Step Sister Marries my Uncle, my Dads Little Brother, after he died she Marries her Daughters Sons Father, and I do not want to talk about my other Step Sister, all of whom both my Sister and I still love, and do not think ill of, it is the past, but after my Step Mother Committed Suicide in front of me, blaming me for what she did, it is no wonder my Grandmother told me to not tell anyone, they reacted just like she said they would, they blame me, because my Father would not take her back after she divorced him without his knowledge, and married Merlin, who was a Guitar Wizard, and was 8 years older than me, the same age as her Son, all because she said she needed the box that had all my belongings in, so she threw them away, copies of work taken from Microfiche, documents she knew meant everything to me, and she even told me she did it on purpose to punish my Father, so why she expected him to take her back after that is a question only she knew as she crawled across a Desert Road in front of a Pirate Ship, allowing some 16 year-old girl end her life, as she has to live that life knowing what she had done, and it was never her fault, Sheep make me Sick.

I married my high school sweet heart out of high school, only to find out she is her Mothers Husbands Horror, her Mother started pimping her off to her husband while still in diapers, both knowing it was not His, but the Redheaded next door Neighbor, Sheep talk too much when they are drunk, and feeling sorry for all the Satanic things they have done in their life, only to have my own Wife Pimp my Daughter, and we have 2 of them, to her Step Father, because that is what the Bitch Mother taught her to do, so when I was being Medically Retired, after braking my back twice, having permanent Vertigo from the Anthrax Vaccine, Antibiotics, and other Drugs they were giving me, who knows, I went from being a Helicopter Crew Chief in Air Rescue in Kuwait, to a Helicopter Crew Chief in Special Operations in Korea, and while I was gone, the Pimps went to town, with their “Pedophilia Indoctrination”, so my Commander walks in, and makes me make a lot of promises before telling me something, so I knew it was bad, starting off with: no one died, no one is sick, everyone is safe, all the things that made me think more clear, he said, your Daughter is talking about Suicide in School, and Teachers reported it to the Base, and I am only half-way through my Tour in Korea, the first half was worrying about something like this happening, the Bitch I was married to was Evil, about as Satanic as they come, being raised / raped by Satan, she believes it is me who has the problem, when she took the Stand, it became clear that Pedophiles run in her Mother’s side of the Family, years of Inbreeding has left many with birth defects that are present in her mother’s sister side of the family, because my X made it clear that this Pedophilia was going on by her Grandmothers Husband, so never believe anything Satan tells you, it is all Half-Truths to Cover the Truth part about the Pedophilia, and why she is my X, and she trained my Children to Hate me for Filing Pedophilia Charges against a known Pedophile, so I have not talked to my X, or my Children from her, since 2004 I think, it is been so long I cannot remember, they Hate me with every fiber in their Soul due to her Mother and the Bitch before her, and the Bitch before her, and that whole line of “Pedophilia Handlers”, that allowed this Pedophilia, and did everything they could to cover it up, they will go to Hell to live with Satan for this Sin, all Sinners do, and nothing to do with me, that is just what the Bible states as a fact, Honour your Parents, or go to Hell for your Parents Sins, reporting it to Pigs was a waste of time since they are all Pedophiles and Prove it by not pressing charges and ignoring it.

After I was medically retired from the Air Force, I was also single, being Retired and Divorced at the same time, all because she did not believe I could make it as a Civilian, and she was right about that part, so she wanted to move in the boy toy she found online while I was in Kuwait and Korea, I came home to find all the evidence I needed to know she was using my Children to take Pornographic Images for her, Satanic

Bitch, in court she did not deny it, no way she could, I could see my Daughter in the Mirror behind her, Sick, not my Daughters, I love them with all my Soul, and think about them all the time, OCD, no choice, but What Happened to them was insane, proving Las Vegas Nevada is Satanic and full of Evil Sinners.

I moved out to Boulder City, and found myself taking my neighbor's child with me, she was best friends with my daughter, so it became a routine to pick them both up for the weekend, her parents were also divorced, and both Military, having moved there when both of our youngest was very young, mine was a year older, but they grew up together, I fell in love with her in no time and looked forward to her coming, I eventually moved back to town, to be closer to them, and fell in love with her Mother, and we have been married since 2000, so 20 years in 2020, longer then my first, although we were together for over 20 years, I knew my now wife, since 1993 when we moved to Nellis AFB in Las Vegas Nevada, so over all, I have been with my second wife the longest, and much happier.

My Grandparents were both Engineers, my grandmother worked on swept-wing aircraft designs for Grumman at the Pentagon back in the 1940s, where my grandfather worked as an Engineer in the Navy, designing Nuclear Submarines with a close friend Admiral Nimitz, who he was with during Pearl Harbor, my grandmother just left there to visit her sister, since my grandfather was ordered back to the States with Nimitz. My family has always been in the Militia or Military, having moved to what is called North America, I say called because it is South America, but Sheep get confused when I try to explain to them about Magnetic North, and True North, which is what Ewe call the South Pole, so to be more specific, my Mother side came from Scotland, and only part of the reason my middle name is Scott, they moved to Nova Scotia, or New Scotland, and ran a Ship, and Navigation Equipment company, that was later burned down when an Ammunition Ship caught fire and blew up, they migrated South, I get confused when talking to Sheep, this Dog knows South is North, Magnetic North, it is this thing in my brain, it senses direction, so calling North-South makes my head spin, they ended up in what is now called Texas. The Name Robertson means Son of Robert the Bruce, so search and you will find that William Wallace is also in the Flesher Family Tree, so now my Family Tree can be traced back to both Robert the Bruce and William Wallace, see <http://FleshMaster.org/individual.php?pid=I574&ged=flesher.ged>, get the name and Google them on the Internet to find another source, never trust the Authors sources, find others, I only posted this link so you can follow the Family Tree, my Father side of the family has a long past also, that includes Isaac Newton <http://FleshMaster.org/individual.php?pid=I623&ged=flesher.ged>, Benjamin Franklin <http://FleshMaster.org/individual.php?pid=I622&ged=flesher.ged>, some Facts are Stranger than Lies, and my pedigree does not Lie, I have a very long line of descendants dating back to the beginning of the Torah. Read the notes about Isaac Newton, I will print them here:

Birth dates range from 1796 to 1798, I use the official date of 1796.

Isaac Newton Flesher (1796 - 1841)

Born on 22 November 1796 the son of Andrew and Elizabeth (Bibbee) Flesher.

Named after a known member of the Family Sir Isaac Newton.

Soldier in the War of 1812.

He married Elizabeth Bonnett the daughter of William and Barbara Bonnett on 14 July 1814.

They had Eleven Children.

Isaac Died on 29 June 1841.

In 1859 Elizabeth was allowed "Bounty Land" on "Goose Island" in satisfaction for the services rendered by Isaac Newton Flesher in the War of 1812.

Elizabeth died on 3 March 1889 in Reedsville, Meigs County, Ohio.

Cite: Jackson County, West Virginia, Past and Present, 1990, pages 127 - 128

If you search for Flesher's, you will find a lot of Doctors, Military, and even a Race Car Driver, all good people, how much of what I know they know is another story, that not even I understood, and it was my life, but my Grandparents did everything for the Masonic Order, so many Masons know this, I would be willing to bet only 33 Degree Masons know this, and they have been in charge of the United States from the Beginning, so this was never a Secret, it was always part of someone's Plan.

Isaac Newton and Benjamin Franklin

Note the Masonic Symbols, do not ever confuse these with Freemason Symbols, the two are not the same, but in truth, my Family is all in the Masons and Freemasons, they are Odd Fellows and Rebeca's in charge, having been inducted into the Order at a very young age, all because by the time I turned 6-months old, I was saying my first words, much like my oldest daughter, who is now some type of brain surgeon last I heard, both have a degree, all the way up to a PhD from what I read, my Oldest is in the Illuminati, and I am not the one that got her into that, I just like all Mason or Freemason Halls, I grew up in the Odd Fellows Lodge, my Grandparents were in charge of it at times, the duty falls to many over the years, I watched many depart, and why I wanted to grow up and be in the United States Air Force as a Helicopter Crew Chief in Air Rescue, so I could save a few when I got out, but Vertigo ended my Flying Status in one Word, when I could no longer Fly, well, I write about what bothers me, I have No Freedom, only Freedumb, all because of what the Bible calls Stupid Sheep, or Sheeple, known as Satanic Slaves.

When I was growing up, I spent a lot of time staring into space, I had very good eye sight, all the way up till 97, when they Retired me, I had  $20/10$ , meaning what normal Dogs see at 10 Feet very clearly at the end of their spectrum range, I can still see at 20 Feet, Dogs that see at 20 Feet what other Dogs see at 20 Feet have  $20/20$  Vision, what I have at 60-years old (14 January 1961) is called "**Legally Blind**", so I stare off into space wondering what is in front of me without my Glasses, no idea why they call them that, it is a very heavy set of Plastic Lenses, Glass would be too heavy to stay on my nose, I tried it once, up to that point my vision was failing to the point they were now Magnifying Glasses/Plastics, and I need a monitor that is 66 inches wide so I can magnify the 4K display by a factor of 200%, just to get 2 inch letters, and

my feet are only a couple feet away from the screen, so it takes up my whole field of vision, yet regardless of my eye sight, what I was staring at was "White Noise", it can be recorded as fuzzy looking, like an Old TV Set with a Tube instead of a Flat Screen, set to a TV Station that does not exist, it is just Static Noise, yet growing up, I knew that was how God Communicated with Dogs, Sheep on the other hand, only believe what Ewe Heard in Ewe Herd, it is called a Heard Mentality, I Heard it so it must be true, and why Dogs do not like to talk to Sheep, they just nip at their heals when they come near them.

My father called me on my Birthday on 14 January 2000, I was with the Woman I wanted to be with the rest of my life, and still am and do, but still, what he told me, shocked me, no other word for it, everything I thought I knew about my life had changed, first off, he asked me about the Test I took as a child in the 3<sup>rd</sup> Grade, they found out you have an Adult IQ over 180, so they tested you for Autism without our Permission, so your Grandmother had the Test Results removed from my record, as she does everything I do wrong in my life, that right there was enough to make my head spin, but the rest of it, I just stored in my mind, trying to think up questions to ask my Dad, but never got the chance, he was sick when he called and died about 32 days later, never regaining the ability to breathe, he died of Pneumonia in the Hospital, which is the Parking lot for the Hospital I was born in, it was called Corona Hospital, I think my Uncle died there also. My Dad Smoked a lot of things, not just Cigarettes, Camels none filtered, Cocaine, Morphine, Hash, Cannabis, and the list goes on, having been there at times he was doing it, so I know firsthand what it is like. My Grandmother gave me a newspaper clipping I keep in a box, it is a picture of my Dad when the Schools started taking a mandatory IQ test, my Dad was found to have the highest IQ Score in the Country, things were going fine till events like my Mother Mary Died, my Dad got into a Gang Fight, they put Brass-Knuckles on him, and the other guy had Nunchaku, they both made contact at the same time, my Dad missed his face, and took off his ear, he still does not have one, my sister talked to him one day after asking how he lost his ear, he told her, then he told her how they became best friends while in prison and some outdoor work camp, after all of them were arrested for the Gang Fight. Growing up in Corona some of my friends would run from the Mexican Gangs, I would wait for them, and then we would talk about how funny my friends are for running, I grew up with most of them, they were friends to me, we when to the same school at least, they knew the story about my Dad, and they knew my Step-Mothers Sister is married to a Mexican, and my Step-Mother's first husband was an Indian from Mexico, who later married a friend's Mother, and I got to know him, and more about my Step-Mother then I needed to know, stories about how she was babysitting an 8-year old, and they were in the backyard playing old western bank robber games, while she and her friends were drinking and smoking pot in the house, when the parents came home they found them when they when out into the backyard, they found their Son Hanging Dead from his neck from the close line, the kids left him that way and ran, it was part of the Game gone wrong, no wonder the Bitch was crazy.

Starting in 2006, I started to get back into Sleep studies, every year I was doing a new one, even did a new one when I move to where I live now, just a few years back, I have never been found to have REM Sleep. I was in Korea the first time I had a Sleep study, then it was because I kept having recurring Dreams or Nightmares, many different events over the years, and not one specific event at the same time, but all events that happen in Helicopters. The first recurring Dream/Nightmare happened while I was stationed in Kuwait a year before, this has many parts, when combined became something else, but the events themselves always happen, just not the way I remember them at times, this is because when I think about them, I tend to only want to remember parts of what happened to begin with, the other is that the events themselves that happened, caused me to have a PTSD attack for the first time, because I had no clue what it was, till the moment this event happens, I remember reading all about it, listening to people who have it, but having it is another thing, it was not even a big event, it was just a lot of small ones that added up over time, for example, I am losing my hearing, Tinnitus makes it even more difficult to hear, this is not to long after I was near an explosion, I hit the deck, hands over my head, face down, let out my breath all the way and held it, I had a vest on, helmet, headset, air plugs, and still popped that thin membrane in my ear canal, and this was not the last time mind you, the next time was Tympanostomy Tubes taken out by a Korean Doctor, to find out why I had scars in both ears if I never had Tympanostomy Tubes before, only to find out

the first time was due to that earlier explosion that damaged the Ear Drum Anvil connection to this very tissue, but the Doctor was right, hurts to put in, hurts more to take out, but you will feel much better with it in, but eventually it will fall out on its own, which I found out hurts longer, but as I was sitting in his office almost a year later to see him again, I was sitting in a waiting room which had me and a little boy, who asked me why I was in there, he only spoke Korean, but I did not need a translator to know we are both waiting for the same thing, to have our Tubes removed, I gestured to him to be brave for me, because I am next, he laughed, not so much a minute later, I thought the doctor was torturing the child, I did not need to know Korean to know what he was saying to the doctor, and then I can hear the doctor trying to calm him down, the boy finally stopped crying, without a translator I heard him say to boy, now we need to do the other ear, I had no idea that he did the ear that felt the best first, he was just prepping the boy for what was about to come, the bad ear, and as the boy staggers out, with the doctor pushing him towards me, he stops in front of me and hands me a small package containing two pain killers, and said, they will not help for what I am about to do, because this is your Ear Membrane, I cannot numb it, nor can any drugs, ask the boy, he was given half your dosage, its fast acting liquid capsules, bite them and swallow, I will be back, the boy just stood there staring at me, I opened my arms up, and he climbed in, I held him till his mother came in and took him from me, he was peacefully a sleep, she gently took him and thanked me, I told her, no, thank you, I am next, if he can do it I can do it, she giggled and exited the room, I did not cry out, but felt like it, but my ability to communicate in Korean was lost on the Taxi Driver on the trip back to Oson AB, he kept focusing on the Word Oson, I said yes Pyeongtaek, trust me, I was saying it in Korean, but we end up in Oson, not Pyeongtaek, I said where is Pyeongtaek, he said "ask" in English, we pull up to a guy on a street corner, the Driver says to him in English, Oson, he needs to take a pee real bad, this guy walks up to my window and ask me in perfect India British English, I explained to his guy my situation, as he laughed about the mistranslation of Pyeongtaek, he said for sure, your Driver is Japanese, most Koreans can speak their dialect, but do not like them any more than the French, who invaded this country before the Americans, so this goes back 50-years before that even, when the Japanese invaded, so let me see if I can explain where to take you, but forgive me in advance, but your path is unavoidable, I thanked him, and we were off. I started to see things I recognized and felt better, then this guy drove off the road and started driving around these buildings with big glass windows, at first I had no idea what this place was, there were men and women and children in the windows of what looked like a glass cage, he said stop, I said no, so on down the road we go, another window district, only this time they were wearing no clothes, something I cannot un-see, and I finally got what this place was, and wanted no part of it, my Japanese got better real fast, this guy got me out of there, and we made it back to the base without any more stops.

Another recurring Dream/Nightmare was one time when I was wearing a belt harness with a 15-foot tether, I was in the back of an MH-53, so I could move 30 feet total, 15 forward of the tether point, and 15 feet behind it, and as I was walking towards the Flight Engineer (FE) to grab the back of his seat, so I could tether onto a new point, he sits between the two Pilots, so I am standing just behind both of them when I noticed a strange aura, I lost my focus on what I was doing to grab my mic switch and just as I keyed it and said one Word: Thermocline! I dropped it to grab the seat again, but too late, the pilot was already pulling up on the collective, I could feel the "G-Force", as the 2 General Electric T64-GE-100 Turboshaft Jet Engines, each with 4,333 Horse Power were howling trying to pull up faster than designed, we got just enough Height to clear the ridge of the Mountain, as I flew backwards as he pulled up the nose to compensate for not enough stable air to keep the back end up, we started to drop like a rock, I have no idea how far, since all I could see was my hand still reaching out to grab the back of the seat, we were full tilt, very steep angle, I was in the center line of the aircraft, behind me is a 50 Caliber Deck Mounted Machine Gun, with someone manning it, that is now looking at me flying towards him, we both know I cannot hit him, since my tether will stop about a foot short of that, and when it did, I went sideways, to the right if you are looking at the pilots, which I was not at this point, that was the side I tethered to, so I slammed my head against the top half of the door jamb facing it, which the door is down and locked, as such, only my head hits the jamb, and my feet fly out the side of the Helicopter, as the back of my head hits the Tail-Gate, and I land outside it, hanging looking down, and backwards, then the Tail-Gunner pulls me back on board, just in

time for us to go down the other side of the mountain, but I was still looking backward the whole time. Another recurring Dream/Nightmare was me repelling out of a Helicopter on the top of a mountain ridge, only to miss the landing zone, and ending up 90 feet down the side of it.

I remember getting my back X-Rayed, and being sent back to work in a lot of pain, a year later I was in my first car accident, I was driving a Van when a Yellow Cargo Van pulled in front of me very slowly and gave me nowhere to go, and I was doing 60, the speed limit there, I hit it so hard I flew up on those concrete road dividers that stand about 3 foot high, both tires hanging over it, with oncoming traffic doing 60+, and as I was sliding down it, I hit the Yellow Van a second time, and tore the tire off. When I got out and called my then-wife to come & get me, I noticed my leg was numb. The Military doctor comes in with a large envelope that says needs translation, it was my X-Rays from Korea, I fractured the fifth lumbar upper right Dog ear the first time, and the lower one the second time, and the numbness is an indication of nerve damage. I spent years going to a Chiropractor, trying to straighten out the Scoliosis that was setting in at the base of my spine, which I now have a Rare Form of Basal / Squamous Cell Carcinoma Cancer Clusters down the center of my spine, dating back to 1997.

The older I get the harder it is to walk, since my last operation I have not been able to walk, so I have not walked more than the length of my house in over a year, I fall down a lot, even with my walker and Cain, and my knees cannot take falling on any more, so I do not walk much at all, not only because I cannot feel the ground I am walking on, it has been that way since the Anthrax shot, but now it was a little different, besides being more painful, think about sitting down with your legs crossed for too long, when you stand up you feel a real painful pins and needles feeling, that is what I feel in my legs <sup>24</sup>/<sub>7</sub>, they call it Neuropathy, same symptoms for Diabetics, having had to take my Grandmother Niva to the Hospital, where they amputated both her legs, and she still died 3 days later, I watched her veins turn to Varicose veins, so it is no wonder I am having PTSD Attacks over this last incidence, which all started over an IV, and led to me having a Blood Clot for 1 year, before it caused all my veins to turn to Varicose veins in seconds, and it was extremely painful, and is the reason I am writing this Book, to make it clear what happened for the last year of this Dogs Life of Pain and Suffering at the hands of the Medical System.

I have two issues that are hard for me to distinguish at time, one is that I have Obsessive-Compulsive Disorder or OCD, in the Autistic Spectrum of Autism, and this is a very well-known and documented phenomenon, see the work of Tony Attwood and Hans Asperger, I have also been diagnosed as an Aspie since that time, and if you can function with OCD, then you also are on the high end of the high functioning Autism Spectrum and trust me, there still are a lot of Aspies in the Military, I was in a military forum one day, and a Neurotypical or NT, says to this guy that wants to join, why would anyone with Autism want to join the Military, I have no idea if they even understand how Ignorant they are to being Autistic, so this guy is saying he is afraid to tell them, and this is the response he gets from NT's.

No one ever asked me if I was Autistic, even if they did, I did not know till 2000, then I did not accept it till 2013, when I was watching the BBC Special "The Last Magician" which aired on 27 July 2013, <https://BBC.co.uk/programmes/b01rwgmw>, this 1-hour video set my world right, you can watch it here, this video was recorded from a BBC Public Broadcast and shown here under the Fair Act, the Queen knows. [http://LightWizzard.com/books/trinary.universe/webforms.html#newton\\_video](http://LightWizzard.com/books/trinary.universe/webforms.html#newton_video)

I am sure there are a lot of other Dogs that ace both Mechanical and Electronic while taking the Military ASVAB Test, but how many of them got two Meritorious Service Medal, an Achievement Award for improving the (E)F-111, just before the Gulf War, bringing it online just in time for the Gulf War, and the second for improving Special Operations Helicopter Maintenance.

As a Military Dog with good Eyesight, better than average, I could shoot any Gun, but I got my Award for M-16, and it is a Congressional Medal, so Congress has to Authorize it, and they Authorize it for wear on all Uniforms, the only one, by the way, it is so rare that only 12 Dogs are Authorize it per year, for the entire Military, not just one branch, less than 1% of the Military were ever awarded one, and while in the "Honor Guard" I took advantage of wearing it on all Uniforms, and why you will see me in a lot of publicly videotaped events, like the Los Angeles Class Nuclear-Powered Fast Attack USS Boise SSN-764 Submarine Inauguration in Boise Idaho, back when Joe Albertson was still alive, I left there just after his

death, sometime in 1993, with orders for Texas, to be trained on Helicopters, I continued to serve to Guard our Honour time to time, but times change, so does what you shoot at.

I got to dine with High Ranking Officers and Government Employees, we all work for the Federal Reserve, knowing it is the Militaries Job to fight any War they want US to fight in, that are not even on our soil, let alone touching it, so any concept of having a Real-Constitution never entered my mind, just read the Laws, the U.S. is only a Franchise to the Federal Reserve, let me give you an example:

Franchising is based on a marketing concept which can be adopted by an Organization as a Strategy for Business Expansion, where implemented, a Franchisor Licenses its know-how, procedures, intellectual property, use of its Business Model, Brand (U.S.), and Rights to Sell its Branded Products and Services (Military) to a Franchisee, that would be the Federal Reserve.

To put this into perspective, you need to read U.S. Code of Federal Law Title 12 Chapter 3 Sub-Chapter 9 Sub-Section 341, found at the House under U.S. Code at dot Gov for Government, <https://uscode.house.gov/view.xhtml?path=/prelim@title12/chapter3/subchapter9&edition=prelim>, to see who the Enumeration of the Powers Act puts in Charge, just read this far into the page:

- **First.** To adopt and use a Corporate Seal. (the **U.S. \$**)
- **Second.** To have *Succession* after February 25, 1927, until dissolved by Act of Congress or until forfeiture of **Franchise** for Violation of Law. (**FDR's New Deal**)
- **Third.** To make Contracts.
- **Fourth.** To Sue and Be Sued, Complain and Defend, in **Any Court of Law** or Equity.
- **Fifth.** To appoint by its board of directors a President, Vice Presidents, and such Officers and Employees as are not otherwise provided for in this chapter...

Sheep do not normally understand Law, and Dogs never care, so if you want another opinion, get a Cat-Scan, in simple terms it means that the United States of America is over, and Banks that now Print the Money are in Charge, and Not Congress, who is clearly just and Employee, and not Officers of the Federal Reserve, not that it would matter, since this is all Treason under the Constitution of the United States of America, and why they renamed it to the U.S. Constitution, so all the Sheeple could pretend you can Amend it, so they can pretend they did not commit Treason by doing so, ask JFK why only Dead Presidents Print Money to pay off the National Debt, instead of finding new ways to borrow more Money from the Bank, we all know is Privately Owned, so who are We the Sheeple Pretending for, oh, so you will not have to admit you are Guilty of Treason for allowing the Bank to Own U.S. knowing the Militia Legally put a Cap in Lincolns Head for Treason, means Sheep understand very little about what is really going on, so why would I write this to Animals as Stupid as Ewe, is simple, read Psalms 23, "The Lord is my Shepherd", if you agree with that statement, you are a Ewe, also known as a Sheep, so "We the People", becomes "We the Sheeple", all because of Lincoln and Greed, so the Bible tells you who Sheep are, by stating they are Stupid Animals that deserved to be Slaughtered for a Sacrifice, the Bible told you who Satan is, and who believes that God is nothing more than the name of an Angel, knowing only Satan would Teach Ewe that God does not Physically Exist when Light without Darkness Exists inside of every Atom in the Universe, and Sheep always tell the Dog that it does not matter, God is the same for everyone, but that is not the Truth, since God and Satan are just names of Angels, so how do you know which one is witch?

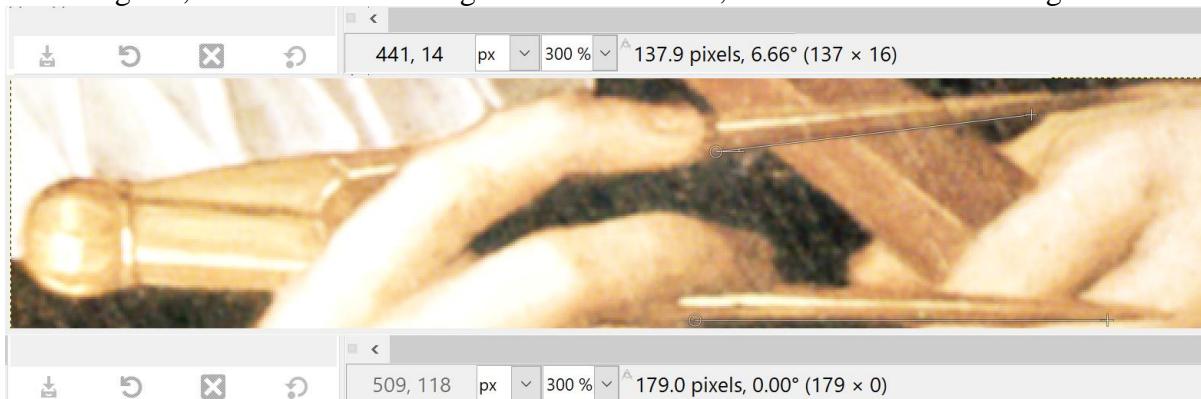

Satan only tales half-truths, so what is half a truth? A Lie, and what is a Lie? That God is only the Name of the Leader of the "A-Team", that even the Bible states only Sheep would believe, so unless you are a Ewe then I am not talking to You, only to Yew, which is the name I gave my one and only Sheep,

who is a Ewe, and eats Yew, and Taxus is bad for Ewe, the Bible wrote this way for a reason, I did not make any of this stuff up, how could I, it all happened hundreds of years before I was even born, and as a child, I knew God was All Light without Darkness, and Light is nor more Good than Darkness is Bad, that is called Con-Science since most Sheep do not have a Conscience, they never understand Witchcraft, the Art of using Words and Spells that have more than two meanings, and only a Witch knows Which one is Witch, and why Religious Leaders hunted them down and Murdered them and their children for Centuries.

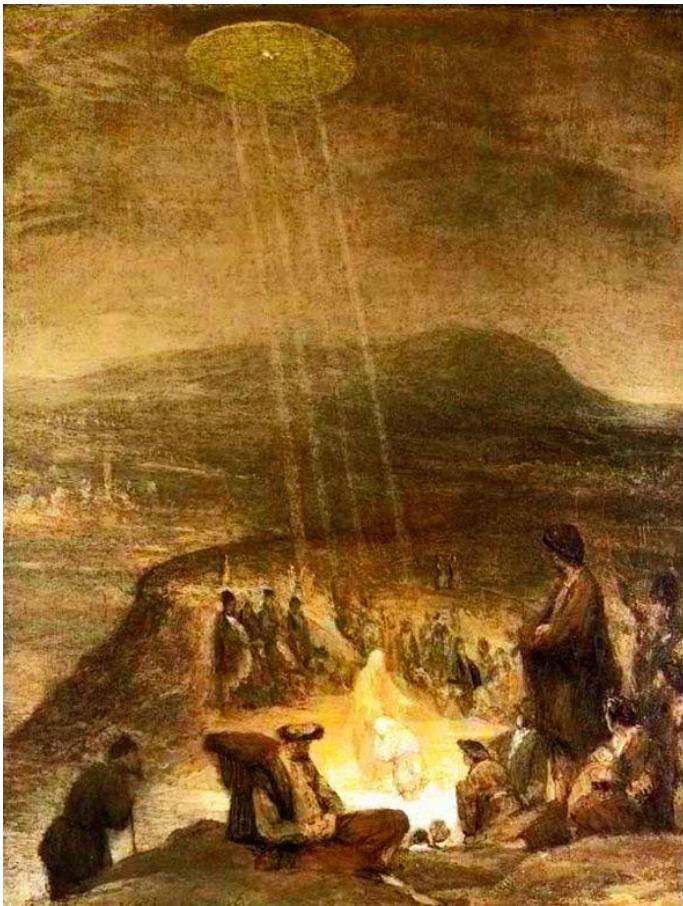

### Johannes Kepler

Notice the Masonic Instrument in Kepler's Right Hand, and what looks to be a Triangled Bar in his Left, scholars have argued the debate it can be a Square Bar, which was the whole point of painting it that way, it was done so on purpose, for a reason, figure out the Angle, the top part of the Protractor is around 22.11 degrees, and around 33.69 degrees for the bottom, so let us look at this image below.

### Kepler's Protractor is at 6.66 Degrees

Notice the image was rotated such that the bottom angle is 0 degrees, the top angle is 6.66 degrees, and this is not by chance or coincidence, it is a Masonic Number in the Torah, and just happens to be Earths Internal Core Frequency, and how long we have to hold our breath during the End of Time, we do not have the technology to build Pyramids today, why think people back before Moses were less evolved Technologically is a flaw in Logic, the Bible has many images of UFOs.

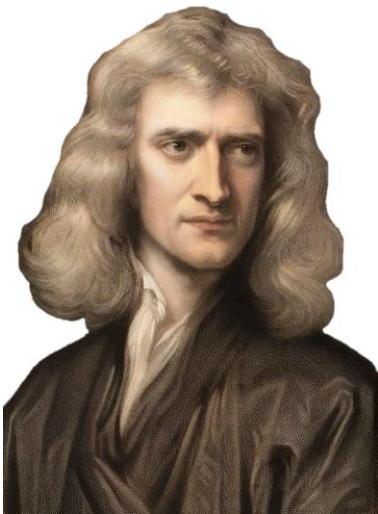

#### **UFO or Flying Saucer over Jesus Bar Abbas, like the one that hit the Twin Towers**

Most of the History that Sheeple know is BS, also known as a Belief System, in the Middle of what Ewe beLIEve is a Lie if you look for it, this is not a sign from Heaven, it is a Flying Saucer, with 4 Laser Beams of Light coming down around Jesus Bar Abbas, and Kepler said that the Story of Adam and Eve, was the Story of the first Ashkenazi, 3 Tribes, Ash is White, Ke is Grey, and Nazi is Black, but none of those are Colors, all Colors come from the Rainbow, yet White through all the shades of Grey to Black is not in the Rainbow, therefore it is not a Color, Kepler said Satan is teaching that Christ is a Deity that does not Physically Exist, as it turns out, neither did Jesus Christ, not even in the Torah before the 4<sup>th</sup> Century.

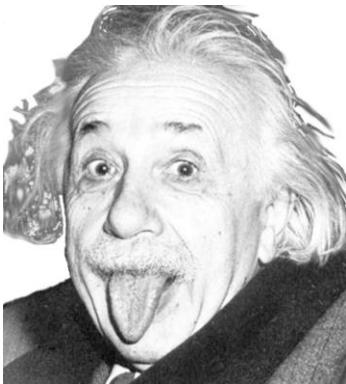

#### **Galileo Galilei**

Galileo Galilei took over the Masonic Order that Kepler began, has an all-Seeing Eye in his Right Hand, and knew all, only to be shut down by Religious Leaders, so the Information was passed on to Sir Isaac Newton, who was born on 25 December 1642 under the Julian Calendar, which was later changed to the Gregorian Calendar, changing it to 4 January 1643, and removing 10 days made it 14 January 1643.

**Sir Isaac Newton**

Most of Sir Isaac Newton's notes are Public Domain for over a century, still, most people never read it, nor those that did understand it, otherwise Newton's Universe would exist instead of Albert Einstein's.

**Albert Einstein**

To set the record straight, Einstein Lied when he said he did not Fundamentally Change Newton's Universe, and Nikola Tesla called him on it before his death, 1942/43, the headlines read Einstein Finds Religion, about using Newton's God as the Force of Gravity instead of his Stupid Theory.

**Nikola Tesla**

Anyone that says they understand Einstein's Theories is insane, since his theories are, and I say his, but it was from math he plagiarized while working as a patent clerk, much like Thomas Edison, George

Westinghouse, and J.P. Morgan, nothing more than Thieves. Anyone that believes Einstein's Theory about  $E = MC^2$  has anything to do with Atomic Energy, would be wrong, as Tesla pointed out, Energy has no relationship between its Mass being squared, if it did the Universe would not exist, this is equivalent to stating that Force = (Energy)<sup>2</sup>, Force = MA, and A is for Acceleration, and Light has none, C is the Constant for the Speed of Light, but as Newton pointed out Light is Static since it does not have any Acceleration, it cannot be moving, it is the Universe that is, proving Einstein is just wrong on so many levels, all ending in endless paradoxes, so why believe the other?

Einstein had no idea what he was talking about, because it was all BS, nothing he said was the truth, besides being retarded, and anyone below an IQ of 180 is retarded to me, he came out with the Concept of a Static Universe and Dynamic Light, till Tesla pointed out Light has no Acceleration, so Einstein came out with a Special case of General Relativity Theory, where Light and the Universe were both Dynamic, which causes a Paradox, Light still has No Acceleration, so it cannot be Dynamic, only Static, which means it is the Universe that is moving, and not the Light, and when Tesla was reported saying that, Sheep said he did not understand Einstein, as if only they are Smart Enough to understand a theory that never gets Light correct, or the relationship between Mass and Energy, Light cannot be Dynamic ever, and by removing God Einstein removed all the Light, and since Light without Darkness exist inside all Atoms, nothing Exists in Einstein's Alternate Universe in and Alternate Reality, that cannot be applied to our own since it has Light, trust me, I have a PhD in Physics to prove it, when Common Sense would dictate it, but it is very easy to prove Einstein's Theories are wrong, because in over a Century no one has proven one Theory, and why they are called Theories, and not a Fact, and the former does not explain the latter.

One day Edmond Halley was over working on one of Newtons books, as usual, the two would sit down and use Cannabis together, Newton liked to mix it in a blend, and put it into a cloth, and soak it in Ale for hours, then express it, and chug it, Halley wrote more about Cannabis than he did about the Comet that Newton named after him, for asking him about the orbit it took.

Edmond Halley

Sir Edmond Halley, or Dr. Halley as he signed his name, was born 8 November 1656, Haggerston, Shoreditch, near London, died 14 January 1742, Greenwich, near London, that was 101 years to the day of Newtons Birth of 4 January adding back the 10 days they removed made it 14 January 1643, and that is also my Birthdate in 1961. Sir Edmond Halley would take dictation from Sir Isaac Newton, and helped him complete his books, he was a very close friend, and must have been thinking about Newton on his death bed that day, he wrote some notes about how Newton saw the Universe, Light was Static, and the Universe was moving at the Speed we perceive Light Moving, what confuses most of us is the way the Dynamic Universe moves, not to be confused with Einstein's theory about the Dynamic Universe, where Light is always Dynamic, but the Universe can be Static or in a Special Case of General Relativity, Dynamic, but you cannot use Newton's God that is the Force of Gravity in all his Equations, in a Godless Universe, did not even make sense as Tesla put it, Newton said Light is Static not Dynamic, and in both of Einstein's Theories it was Dynamic, got it wrong twice, and without Newton's and Kepler's God Based Math, the World would have no Math, since no one uses any of Einstein's Math, and you cannot use Newtons Math in Einstein's Theories, they are incompatible, since Newton's Universe has Static Light, and a Dynamic Universe, and God is the Force of Gravity in all his Equations, and in all of Einstein's Theories, God does not Exist, much like the God Religion Teaches, and why most Religious Sheep believe in Einstein's Theory, they are insane, both Newton and Halley believed that God was All Light without Darkness, and that was inside of Atoms, and Newton tried to prove this in Alchemy but failed, and did not understand why, I do, and it is because Atoms are Electrical in Nature, and nothing is actually Chemical, it is all Electrical, as such, Alchemy is the Study of Electricity.

Intelligent People would understand what I have to say in this book, and Intelligent People would have been able to figure out what was wrong with me, so Pigs, Religious Sheep, Doctors and Nurses, even with a Cat Scan, and the list goes on for People who are not Intelligent, but think they are, they are Stupid to the point of being Dangerous, if it hurt to be Stupid, these Sheep would be dead from the pain, because I figured out all of this BS when I was just a child, and nothing has changed, Adults are Stupider than ever, no signs of Intelligent People on this entire Planet, only Sheep, nothing more, nothing less, than Stupid Animals that are about to be Sacrificed, and "We the Sheeple", are nothing but Treasonous Assholes, that allowed Satan to stay in charge just so the Money Junkies can get their Fix, proving they have no Intelligence, and are nothing more than Satan's Helpers, by allowing this Treason to continue to this Date, all of those that took an Oath to Defend and Support the United States of America's Constitution are Derelict in their Duty, and Guilty of Treason, and they have no excuse, oh I was stupid, what kind of an excuse is that, even after I prove what is the Truth, nothing will change, because everyone is too scared to do anything, because they know this is the truth, and they will get the same treatment I got from the Pigs, and might not survive their Torture.

The overall Intelligence of People, has declined due to the Stupid Vaccines they get, which are designed to make Sheep Stupider as if that is possible, and they are all raised to think insane thoughts, like Light is Dynamic, give me a break, how Stupid do you have to be to believe Bad Science like that, Humans are Devolving, not Evolving, Money has made them Insane, and Stupid, so Stupid, that most Sheep believe what Mainstream wants them too like 767 hit the Twin Towers when photographic evidence proves otherwise, so do not ever think anyone on this Planet has any Intelligence when that is not possible, how can any Intelligent Person allow this to happen? I did not allow it, nor did I try to hide it, only the Truth.

What is Freedom, Free, what is Money, Freedumb, how much does Dumb Cost, your Life, because Treason will cost you that, and that day is coming, "Judgment Day", 14 January 2061 according the Bible, Calculated by Newton, so on that day, "The End of Time", those with seats to Live underground, will be the first to be Judged by God, the first major event is in 2027 when an Asteroid impacts China, the second is when our North Magnetic Pole crosses the equator in 2033 as the Earths Magnetosphere Reverses Polarity, and its Field Collapses, and our Atmosphere is vented into space for 6.66 minutes, when it picks back up, the whole Earth will Quake, giving a new meaning to the word Earthquake, it is a Kickstart, and this will cause all the Underground Cities to collapse, thus becoming Tombs for Sinners, proving they are not Intelligent People, only Greedy Stupid ones, all because Stupid People also known as Sheeple, are too

Stupid to figure any of this out on their own, and it took someone with Autism and a High IQ to figure it out for Ewe, and Ewe are taught that Autism is a Disease that needs a Vaccine to cure, because a GROUP of Satanic Doctors push Satan's Will, as if Intelligent People need a Cure for what makes them Intelligent People, but Neurotypicals Hate Autistic People, no other reason they would want to make Vaccines to kill us, and why would they treat us like we are the ones retarded, when it is actually Normal to be Retarded, and why Neurotypicals, also known as the Stupidest People in History, if any of them had any Intelligence, what I am saying in this book would be common Knowledge, Neurotypicals are so common because they are not special, and why they are Jealous of Intelligent Aspies like myself, who are Intelligent enough to Figure out the Truth about the United States Treasonous Government, and all the Treasonous Traders that live there and allow this Treason to continually exist to this day, is totally unacceptable to a True Patriot, but we have few of those in this Country, and too many Treasonous Fools, too Stupid to understand common sense, or understand why the End of Time is the third event to happen and will be in 2061, this is the End of Time because it is the full Magnetic reversal, a lot of people will die in 2027, it is estimated that 90% will die in 2033, but the big event is always the last one, and this one will be a BIG Event, in terms of Science our Electricity will not work the same, nor our compasses, they will be backwards, not sure if our electronics will work right, but reversing the batteries will not help, Lightning will be the first thing to change since Ground is now Positive, but the good news is that now your Maps are right and the North Pole is still the North Pole, now for the bad news, the Earth is totally Frozen because Humans removed all the Antifreeze known as the Blood of this Planet, also known as Oil, so when that last major Earthquake happens, the Earth will shatter like glass, also known as a Nova, the End of Time.

No matter how many ways I tell you about the Sins of the Human Race, nothing will change, and come my 100<sup>th</sup> Birthday in 2061, then you will know this was not a Joke, nor a Schizophrenic break, it was actually the Truth, according to the Greatest Wizards of all time, and they too were Schizoaffective Aspies with High IQ's, well John Nash was borderline Schizoaffective, PTSD is a Schizophrenic Attack, but still, I know what Reality is, and what the Law States as a Fact, and what the images show, which is the Truth about 911, the Fire/Police were the once orchestrating it for the Reasons only the Freemasons and Jews that did not show up to work that day, knew to be a fact, I do not care about any Theories or Conspiracies, only the Truth, and setting up FEMA the day before, so they would be prepared for this Event, is not the Truth most Sheep were looking for, but never the less the Truth, thus giving away their Guilt in that matter, since it proves they all knew this was going to happen, and what did really happen, no Aircraft flew into New York, prove it, not hard, it did not happen if you cannot prove it happened, and to prove anything happened, you need Evidence, yet look at it, these are the same images the Fake 911 Investigation looked at, so nothing has changed about them, or what they look like, they had Expert Testimony, that everyone in the World knows is Perjury, but not the Courts owned by the Federal Reserve, investigated by Sheeple that work for the same Money they Print, instead of the Legal Money that only Congress Can Print, proving they all know this is Treason, but do not care as long as they get Tickets to live underground, so they Sell out the Sheep to be Slaughtered, so Happy 911, and Happy 100<sup>th</sup> Birthday to me, the Dog, that will have his fill of Sheep by the end of 2061, but that is how Yew are, silly Sheep, didn't Ewe Know that only Pigs make Ewe do Tricks, and they call this Dog a Wizard, so do not pay any Attention to the Man behind the Curtain, because IAM the Great and Powerful Wizard of Oz, and Dorthey's family is about to Lose the Farm to Taxes, so never get lost on your merry-go-round trip, in the jolly old land of Treason, all because Sheep have no idea why Logic and Reasoning proves Treason, but that is why they Call Ewe Sheep, it is always the Bitches fault for having Jews, and it is just a fact they knew about 911, so why did they not warn the Sheep, because Jews and Muslims are ordered to Kill the Goyim or Gentile, that means everyone that does not believe in their Satanic God that demands them to Kill everyone that does not believe, that God does not Physically Exist, so if you believe God Exists, the Christians, Jews and Muslims, all took an Oath to Murder, and Go to Hell means to literally burn them Alive, talk about Evil or the D'Evil, who is Satan the Bible Talks about, so the Bible is what tells you all of this, proving Sheep cannot Read.

The more Ewe learn "About the Dog", Ewe learn that the Dog is both a Sheep Dog, and a Military Dog, and the two have very different Roles, the Sheep Dog Protects the Sheep, the Military Dogs put them

in their Place, either 6-feet under, or in a Pig Pen, since the Pigs concept of Protection is Jail and Prison, never ask them for any Protection, unless that is where Ewe want to go, where you have to Drink Toilet Water, that comes from the Toilet, and doubles as a Sink, becoming the most disgusting Pig Pen to live in, all because all the Pigs work for the Federal Reserve, and had Sheep, they know are not Intelligent enough to understand this is not Legal, since it is Treason, that concept is Clear, but not to Satanic Sheep.

Sheep will Deny that the “End of Time” is near, and coming soon to a Theater near Ewe, so let me see, this would make a Great Movie, yet Hollywood never thought about making a Movie about Sir Isaac Newton’s Calculation, and Science from the Bible, Newton got it, God is the Light in Electricity, and in every Atmos (Atmosphere, or a single Atom) in our Light Being, as Tesla put it, all so they can believe that God does not Physically Exist, meaning they Believe God does not Exist, how stupid is that proving Logic and Reasoning, is something that only Intelligent Animals have built into their Mind, everything I talk about in all my Books, is Common-Sense, and Sheep have none of that as well, my IQ has nothing to do with all I have written about, and I only bring it up as Entertainment, everyone should have Common-Sense, but that is up to you the Reader or Listener to the Messages that God left you, DNA.

Conclusions are inevitable at the end of any Documentary, and that is all I write, all I know how to write, in truth I am Documenting the End of Time, and how Satan won, and all the Sheep were Sacrificed, just as the Torah foretold, Humans really do just Repeat History, or His-Story, and the Bible knows this, having gone through countless iterations, spanning millions of Years, all Hidden from Sheep, to make them Slaves to the Empire, way to go Human Race, racing right into Extinction, on 14 January 2061, so I have to live to be 100 years old, and everyone wants to Kill me, so what else has changed since the last time Jesus Bar Abbas Told His-Story, just to have some Asshole Named Christ, to give him a Bad Name, and this Assholes are known Gay Pedophiles, proving the Sheep are just Gay Pedophilia Handlers, for the Kids they Forced to Go to the Church, that the Bible itself teaches the Sheep, that they Murdered Jesus for Money, have you actually read Moses, it is all about Rape, Pillage, and Plunder, nothing else, way to Go Moses, destroy the Pyramids, get Banished from Paradise, to rule in Hell, because they did not want to Serve for Free in Paradise, that about sums it up, the Forked Tongue was Satan, Eve’s Parents were Seth, so anyone that thinks for a Second Adam & Eve is a Story about the First Humans, never Read the Torah before the 4<sup>th</sup> Century, and not the Lie Printed After, having the Knights Templar, Burn all Witches and Wizards alive with the set of Canons known as the Torah, written in the 3<sup>rd</sup> Century, it was actually written over 3 Million Years ago, but Sheep cannot Count, and you will fall asleep counting Sheep, and like all Conclusions, they drag on, or is that dragon, being a Wizard you never know, this is all About the Dog.

I can joke about being the “Chosen One” because I was born on the right day, with right name, the right mothers name, and way too many other so called coincidence to not give it serious thought, personally I know my Masonic Grandparents pushed me into the this role, because they said if it is not me, then it is not anyone, and that I know is the truth, so I entertain the concept that I was reborn throughout time on that same date, telling the same story throughout time, just a messenger who chose to be the “The Chosen One”, and as far as my IQ you can FOIA the U.S. Government asking for my highest Military ASVAB Score in Mechanical and Electronics, 99% means I have an IQ over 180, so this much is a fact, and I did not make up anything I have ever written about, so take His-Story for what it is, and do the required research to make sure that I am not Schizophrenic since to I do have those moments, that is the curse of having a high IQ, being an Ashkenazi, I am prone to many mental abnormalities, being Autistic in the high functioning spectrum, having OCD and other issues, and being Schizoaffective makes my writing interesting at least, but if you do the research you will find out it is all the truth, I have no reason to lie about anything, or exaggerate much, but I do have a flare for telling stories, but this is more of a Documentary about why the Human Race is going to be extinct by then end of this Century, this is the End of Time, that much is a known fact that anyone can prove by calling NASA and asking them what they think, like they would tell you, they have tickets to live underground and believe that is safe because they have no concept of the End of Time, and why it is called that, this planet will be wiped clean by Ice Glacier movements over time, and in a few centuries the Planet will be begin to heal, and another species will dominate the Earth in the next million years or so, that is how the Universe works, we are all reborn something or someone else.

### **Chapter 3: Dogs Blood Clot**

The Dogs Blood Clot or Superficial Thrombus, was caused by a Nurse that got mad at me for taking out a bent IV, she said she was going to get supplies for, just to come back in the room after a 12-hour shift without them, I was begging them to let me out of the Hospital because of the treatment I was getting, and she put the new IV just below where I told her I had an IV ripped out years ago, she said it will be fine, and put it there anyway, I am sure this all shows up on video tape.

They never flushed the IV once, maybe when they put it in, but not after that, it was never used, but not flushing it caused a Blood Clot, that was measured in their own Hospital, to be 1 inch long, and  $\frac{1}{4}$  inch in diameter, about the size of a writing pen in diameter, and it feels like it also, my body does not know the difference, so I am feeling the pain of this object in my arm, and it is causing my blood to flow differently, my arm is still numb now, but it has been that way since they took out the IV in the hospital, this is my main vain, originally I thought I was having a heart attack, no Gallbladder, and eating the wrong things, can make it feel that way, but the truth is, one nurse came in and looked at it, and said they can do some type of procedure to clear it, but the Hospital refused to treat it, they said it would go away in a few weeks, a year later and my Veins are turning to Varicose Veins, and the Hospital has no idea why, proving they are Satanic, making Suffering is all Satan knows how to do, and Only Satan Ignores those who are Suffering, watch the Videos from the Hospital and Pig Pen, these people did all they could to murder me legally.

Friday I think I had a heat stroke, so I just rested Saturday and Sunday, but Monday the Varicose Veins issue was getting worse, and I woke up with very sharp chest pain, I still have right now, so I called my doctor, and talked to the nurse, who told me to go the Emergency Room at the VA Hospital, so my wife took me, and because they did not want to call a tech to come in to do an Ultrasound on my arm, I was admitted for chest pain, and given a full Chest CT-Scan, in the morning they did the Ultrasound and told me the clot was gone, and they gave me pills for my enlarged Prostate, that I normally do not take, because they dehydrate me, so the doctors at the VA say they have no idea what is wrong with me, but in the middle of the Night just after I fall asleep, my Blood Pressure drops to something like  $86/42$  and they send in a Crash Team, they said they monitored my Heart Fluttering, well I know why now, my body was trying to open a vein that has been closed for a year. They did a lot of blood tests, gave me a blood thinner shot in my stomach, those hurt, but I am sure it helped thin my blood, so I could pass this blood clot easier.

The VA released me, I asked for an Arm Sling, so I did not have to hold my arms over my head, the Nurse said they do not have Arm Slings, I said you must be Joking, this is a hospital, they were just too Lazy to find me one. On the way home I drank a 32-ounce bottle of water, and once home I was drinking another after taking a shower when my whole body started to convulse, I knew I was dehydrated at that point, classic symptoms of dehydration, and at the same time I have something else going on, all the veins in my body started to turn to Varicose Veins, and it was so painful, I understand now what was happening, my body needed to open that vein, so it made all my veins dilate, by turning into Varicose Veins, and it hurts so much I cannot keep my consciousness for very long, in and out of consciousness, and my Head is now constantly spinning due to Vertigo caused by my blood flowing unevenly throughout my body in surges. Imagine having a 1 inch Pen that you write with, stuck in your arm for a year, and then your body decides it is time to get it out, I can see where the Blood Clot moved outside the vein, beside it, and was flat, instead of round, I remember wanting an IV and Water, no idea why at the time, but I could not think, I keep talking just to try to stay conscious, I would go into Lala land, and things would get quiet, no Tinnitus, means I am not awake, so the Ambulance shows up with the Fire Truck, my wife tells me that 911 was treating this like I was having some type of attack, and no one believed me, and what I was going through, so no one treated me for anything, the morning I was released from the Local Hospital that the Ambulance took me to, and not the VA, which is where my wife told 911, I wanted to go, but 911 had another agenda, to convince my wife I was dangerous, I took my temperature, it was 101, I got into the bath tub, with cold water, the whole time everyone that came to help me, could have killed me, first off, my sinuses have been infected since the beginning of the year, and a drive down an almost Mile, over 4 thousand feet, so I am decompressing all the way down, ears popping, and these guys have no plan on helping me, they lied to me about putting in an IV and starting a solution of water to save me, I left the house at 8:30 PM, got the IV at

12 Midnight, fell asleep after that, and the clot cleared, leaving a red mark where the blood clot once was, and I found myself in the waiting room, not even remembering the trip down the mountain, or ER, all I remember was that no one knew who I was or where I lived, those Assholes that took me, only wanted to make money off the ride, they took me in my underwear no clothes, no ID, they did not even tell the Hospital who I was, or gave them any details like my wife's phone number, that is Criminal.

Some nurse walks into the waiting room and hands me a slip of paper, with no glasses, I have no idea what it says, but she said you need to leave the building, I said I cannot walk, she got mad and walked out, later a Pig escorts me out like I am a criminal, what an Asshole. A Doctor that does not know about Blood Cots, is not really a Doctor as much as a Quack, I know more about Blood Clots, then everyone in the Hospital and these Ambulance Drivers that actually Kidnapped me against me and my wife's will, I wanted an IV, the Fire Department was too busy trying to convince my wife that I was a Danger to her, so they did not even try to help me, no one did, they took me to the ER and let me sit there in so much pain I was in and out of consciousness, the Ambulance Drivers took me to the hospital with no clothes, ID, Phone, Phone Number for My Wife, our Address, nothing, that is Criminal, neglect, they endangered my life for Money, that makes them Satanic, nurses grinding their Knuckles into the very spot they wanted to X-Ray, knowing I just had a CT-Scan hours before, why did they want to X-Ray me, for Money, this is criminal actions, and my Vertigo was so bad I could not open my eyes or talk due to nausea, but they want to force pills down me, so this Bitch makes me sit up, then drops me, sit up then drops me, my Vertigo is insane, I cannot see, nor hear due to my Tinnitus being so bad at that moment, due to my blood veins all turning to Varicose Veins, all because these Sheep are Criminally Negligent in their Duties, they do not need to be Sued, they need to be sent to Prison for what they did to me. Imagine having a Splinter, I have had a few, one went through my finger one day, it was about an  $1/8$  of an inch in diameter, and tapered to a point, if hurt, but not as bad as smaller sliver would have, no idea why that is, but I guess if the pain increased, this 1 inch by  $1/4$  inch blood clot, that is no different than a Splinter as far as your body is concerned, so this is a very large Splinter, and it can be removed, but that cost money, and the hospital is telling me that I am not worth that money, so I have to suffer for over a Year, and not only that, but at some point in time, my body is going to try to eject this Splinter, so now imagine your body has a 1 inch by  $1/4$  inch Splinter, and the only way to get it out of your body, is to cause all your veins in your body to dilate to the point of becoming Varicose, and this is a very painful medical condition that has been documented, many cases in fact, just search for them, why the Hospital did not know this is simple, they did not care, it cost money that I am not worth, end of subject for them, there is no way in the world anyone that watches the Video that is taken in ER, cameras everywhere in that hospital, and this time they will prove that the Doctors did nothing to help me, nothing, they refused to treat me and sent me home in a taxi, because those Asshole Ambulance Sheep, kidnapped me, against my wife's and my will, with no ID, no Phone, no Clothes, this is criminal, they should be up on charges for endangering my life, nothing but Assholes that have no idea what an EMT is, all they want is Money, and my Life is not worth any Money to those Money Junkies. There is no excuse for the treatment I received, they treated me like a Criminal, thus becoming one, and it is all because Sheep believe they can do whatever they feel like, they have no one that sets them right, so it is allowed to happen on a routine basis, so everyone that has to go through that Hospital, poor souls, no one deserves being disrespected as much as the 911 Operator, Fire, Ambulance, and Police are allowed to Disrespect Military Veterans, they are nothing but two faced liars, and I cannot trust them, none of them, not one of them are trustworthy, and they prove it time after time, so I have to live in Fear of them coming to my house to take me away, proving there is no Freedom, only Freedumb, all because of these very Sheep that allow this treason to this Day, so there are no United States Patriots, because there is No United States, only a Corporation that allows its Retired Military Dogs to be Tortured for having PTSD, that they caused, and now this Dog has nowhere to run to, nowhere is Safe from these Satanic Sheep, and they wonder why I am Nervous and have Anxiety and Depression, because I actually care about this Country, and I cannot stand what these Jews are doing to it, nothing but Treasonous Traders that do not even care about the Crimes they commit just by using Money, you have to Love it knowing you will be Executed for the Crime at the End of Time, and God knows everything, and this is Gods Punishment.

## ***Chapter 4: Operation Dog***

When I was active duty in the United States Air Force, I was trained to use the Library, and Military Computer Systems to do research, but I did not need one nowadays, since the Internet has a lot of these same Links to them, so when I wanted to know the Worlds Rank Structure, and I want to talk about it again, just so it will sink in, I needed to read U.S. Code of Federal Law Title 12 Chapter 3 Sub-Chapter 9 Sub-Section 341, found at the House under U.S. Code on the dot-gov for Government website <https://uscode.house.gov/view.xhtml?path=/prelim@title12/chapter3/subchapter9&edition=prelim>, so see who the Enumeration of the Powers Act puts in Charge, just read this far into the page:

**First.** To adopt and use a corporate seal.

**Second.** To have succession after February 25, 1927, until dissolved by Act of Congress or until forfeiture of **Franchise** for violation of law.

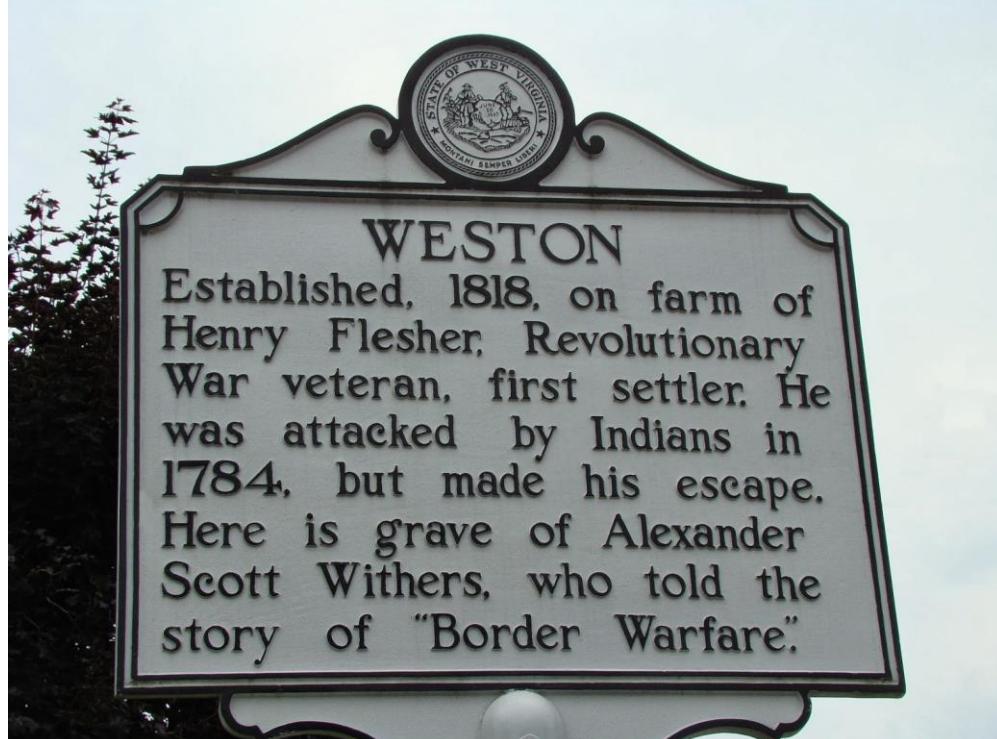

**Third.** To make contracts.

**Fourth.** To sue and be sued, complain and defend, in any court of law or equity.

**Fifth.** To appoint by its board of directors a president, vice presidents, and such officers and employees as are not otherwise provided for in this chapter...

You can read the whole thing, but understand this, the President and Vice President they are referring to is the Federal Reserve, not the United States since they are Voted on by the United States Citizens, as such, the President and Vice President of the United States, fall under officers and employees as are not otherwise provided for in this chapter.

The reason I know so much about the History of the United States is that my family came here years before the United States of America was even thought of, making me a Native American, and my Great-Great-Grandfather Weston Flesher, which Weston West Virginia was named after.

Weston West Virginia also known as Flesherville

Weston was once Flesherville, and my Great-Grandfather brought with him the Magna Carta that Sir Isaac Newton said he fixed, aboard a ship named "The Phoenix" as part of its crew as Stellar and Magnetic Navigators in 1752 and set with the Captain of the Ship. My Great Grandfather gave those documents to Benjamin Franklin, and they became the United States Constitution, but my Family refused to sign them, because of the Clause the South insisted on, that allowed Congress to Print Money, they said that is a loop hole some Lawyer would exploit, and the town disowned themselves of the Fleschers in Weston, after they allowed John Wilkes Booth to be buried on Weston's property, Booth who died at the age of 89, was an American stage actor who by Orders of the Militia executed President Abraham Lincoln at Ford's Theatre in Washington, D.C., on 14 April 1865, for committing Treason against the United States, by taking out a loan for Money from the Bank, and using the United States Constitution as Collateral for the Loan, that is known as the National Debt, and the United States is nothing more than a Franchise for the Bank, and everyone who is a Citizen in the United States are Guilty of Treason under the United States of America's Constitution, so they renamed it to the U.S. Constitution, and Amended it, Amend means Minor, and all the changes to the original are Major, and called Treason, just ask JFK why only Dead Presidents are Printed on Money with the Words "In God We Trust", knowing that God is a Deity that does not Physically Exist, its Satanic, since God exist as Light without Darkness, and only Sheep buy off on that whole Light is Good, and Darkness is Evil, knowing Evil is just a backward Spell for Live, but only dead Presidents try to pay back the Loan, or National Debt, and only Treasonous Traders would take an Oath to support and defend the Constitution of the United States of America, I did not, I took mine to the U.S. Constitution, that way I cannot be Executed for Treason, but you have to ask for it, and even then they might refuse to allow it, but I insisted knowing this, and they always allowed it after the first time.

I know for a Fact that the Police, or Police Enforcers for the Banks that own them, and pay them in Money that was loaned from the Bank, making them guilty of Treason, and even the Military had high ranking officials that protected Lincoln even after he was served by the Militia of the United States of America for Treason, and why Booth had to sneak up behind Lincoln in public and put a Cannon with only a Cap in it to Lincoln's head, and pulled the trigger, and the Citizens only wanted Money, so in 1927, Congress accepted the **Franchise**, making the Treason Official. In 1933 the first payment came due, but Congress and the President had already spent the Money, so they passed a Gold Hoarding Act just to steal all the Money and Gold in the Country to pay the loan.

Executive Order 6102 is an Executive Order signed on 5 April 1933, by US President Franklin D. Roosevelt "Forbidding the Hoarding of Gold coin, Gold bullion, and Gold certificates within the continental United States." The executive order was made under the authority of the Trading with the Enemy Act of 1917, as amended by the Emergency Banking Act in March 1933.

Therefore, Lincoln and Roosevelt have a Head on Mount Rushmore, that was built by the Ku Klux Klan, because they are the Banks Golden Boys and anyone that does not believe that is a Fool.

*"They say there are two ways to be Fooled,  
One is to beLIEve what isn't True,  
the other is to refuse to Believe what is."*  
Viggo the Dragon Slayer

In the Military, there is a chain of Command, and I always try to follow all the rules, regulations, and Laws, and I have the Right, in the Military, to only report the Truth, the Whole Truth, and know you can be Court Marshalled for reporting the Wrong Information, or a Lie, and I would never do that for this reason alone, I do not ever want to end up in Jail or Prison, so I only report what is the Truth, and that Truth I can prove using their Laws, so no reason for me to lie, I just show you the information that proves it is the truth, and I make my comments, that is allowed under the Freedom of Speech Act, but I am not allowed to report false or misleading information, and I would never do that for the same reason, first thing is that I am Autistic, and Lying is not in our Nature, nor is Looking People in the Eye, I have Aspie Eyes, I do not like

to look into anyone's eyes except those of my Wife and Children, Step Children, and Grandchildren, they are worth the discomfort.

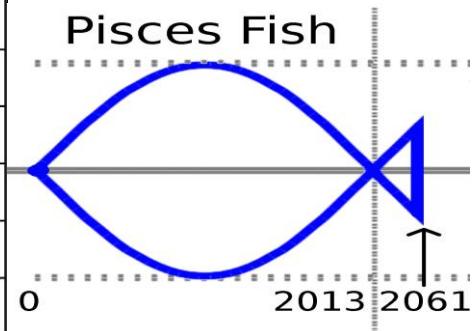

I often get asked why I was Medically Retired from the Military, and it is not one answer, at the time, I had no idea I had Gulf War Syndrome, it was a VA doctor that told me I had it, even then I did not believe it, how could the Military Lie to me, but then I remembered, it was Doctors, not the Military, the Military has always been there for me, and I Love the Military Lifestyle, we work for the Banks, and do what the Banks want us to do, like go to Kuwait and Kill all the Third Country Nationalist also known as TCN's, who signed a contract back in 1960, the year I would have been born under the Julian Calendar, and the Military still uses it, so my Birthday under it is 25 December 1960, so I know what 30 years is, that was my age at the time of the Kuwait War, I remember it well, events in 1989 got me a Medal for successfully improving the (E)F-111 by 30% and brought it online a year in advance, in time for the Gulf War, where it flew over 96% of all the missions, and I worked on the Terrain Following Computer that flew the Aircraft most of the time, therefore I was the Gulf-War, but my History with this Aircraft goes back to when my Grandmother Eula designed the very first swept wing aircraft for Grumman Aircraft back before 1947, where her and my Grandfather Herbert met, he was a Submarine Engineer stationed with Nimitz, and later a Naval Warfare instructor in Norco California, after not wanting to go along with what turned out to be 911, my Grandmother told me that he was transferred after finding out about a plot to bomb the Pentagon they both were stationed at, at the time, and bomb some target in New York, my Grandmother told me this was exactly what he described to her, and she had just left Pearl Harbor, when my Grandfather was ordered to go with Nimitz back to the states, they both were later Radiated by Nuclear Radiation and died, my Grandfather died in 1964, Nimitz two years later in 1966, makes me sad to think about that to this day, both great men, both believed in paying off the National Debt to get our Freedom back.

There was another Canon that was removed, the Zodiac Canon, I made up a Zodiac Table to give you an idea of what it is, and some of it should be familiar, the Celestial Longitude uses the Great Pyramid and not Greenwich as a Time Line reference, the dates are under the Gregorian Calendar, but you have to understand what the signs all mean, in Electricity a Sign is normally Positive, Negative, or Neutral, the Father, Son, and Holy Ghost or Spirit of Mother Nature, which means Ground, also known as Earth.

#	Sign names	English Translation	Symbol	Dates	Celestial Longitude ( $a \leq \lambda < b$ )
1	Aries	The Ram	 	21 March - 19 April 22143-24155	0° to 29°
2	Taurus	The Bull	 	20 April - 20 May 20130-22142	30° to 59°
3	Gemini	The Twins	 	21 May - 20 June 18117-20129	60° to 89°
4	Cancer	The Crab	 	21 June - 22 July 16104-18116	90° to 119°
5	Leo	The Lion	 	23 July - 22 August 14091-16103	120° to 149°
6	Virgo	The Maiden	 	23 August - 22 September 12078-14090	150° to 179°
7	Libra	The Scales	 	23 September - October 22 10065-12077	180° to 209°
8	Scorpio	The Scorpion	 	23 October - 21 November 8052-10064	210° to 239°
9	Sagittarius	The Archer	 	22 November - 21 December 6039-8051	240° to 269°
10	Capricorn	Mountain Sea-Goat	 	22 December - 19 January 4026-6038	270° to 299°
11	Aquarius	The Water-bearer	 	20 January - 18 February 2013-4025	300° to 329°
12	Pisces	The Fish	 	19 February - 20 March 0-2012	330° to 360°

#### Zodiac Table and Pisces Fish

Let me just explain the Fish, this started when they created the Gregorian Calendar, but goes back to the Mayan and their 2012 day Calendar, which used 13 Months a Year for a Total of 364 Days in a Year,

and they had 3-Days after Winter Solstice, where they Align the Binary Sun Serious, it would take anywhere from 1 to 2 days, making a year 365, or 366 on a leap year, and on a rare occasion, 367, the Julian Calendar had only 12 Months, and that made the Math strange, but they always reset the Calendar with the Stars, during Winter Solstice. To understand why you must understand Trinity, the Father is the Positive one, so the Father is Matter, and the Son always does the Opposite of the Father, so the Son is the Negative one, as such, the Antimatter, and the Holy Ghost Spirit of Mother Nature is 0, meaning Ground, or Earth in terms of electricity, so look at this image to understand this relationship with God.

State	Trinity	Dimension(s)	Visibility	Graph												
				*			*			*			*			
(+1)	Father	ALL 3	Solid													
0	Mother or Ghost	0	Invisible	*	*	*	*	*	*	*	*	*				
(-1)	Son	1 or 2	Semisolid		*			*			*					
Time frame				1	2	3	4	5	6	7	8	9	10	11	12	13

### Trinity Math Table

Newton hated the Teaching of Trinity using Christ, it made him ill to think about it, Trinity is describing an Alternating Current, or AC Waveform because God is All Light without Darkness, that is inside every Atom, including the Electron, and why it has this Pattern to it, Solid you see it, Semisolid less, 0 Invisible, and why they call it the Holy Ghost Spirit of Mother Nature.

As you can see, at the beginning of the Gregorian, or Mayan Calendar, you have 2012 years, 0 based makes it 2013, and in the year 2103 the Earths Magnetosphere will be completely gone if the Earth has not reversed its poles by then, and Newton said if you subtract 42-Years, the Hex of 66, you get this Symbol. This is an Electrical Sinewave, it represents a frequency of time, and when the End of Time comes, meaning when the Magnetosphere reverses, and the Atmosphere is vented into space for 6.66 minutes, as such, the Body of the Fish represents Time, and 42 years after 2012 years, that Time comes to an End as seen by the Tail.

After going from the Gulf War with the Aircraft that flew over 96% of all the Missions during the 1991 campaign, to retraining as a Helicopter Crew Chief for the 66<sup>th</sup> RQS Air Rescue Squadron stationed in Nellis AFB and Kuwait during Desert Storm, and Vigilant Warrior, to come back to the States, only to be sent to do a tour in Korea with the 31<sup>st</sup> Special Operations Black Knights Squadron, where I received another Medal, an Oak Leaf Cluster, so why did they retire me, well the Military did not, but after two back injuries, both making my colon worse, and being diagnosed with Permanent Vertigo, that led to me losing my Flying Status as a Crew Chief, and I was then transferred to the Maintenance Operation and Control Center also known as MOC, that actually physically sits under the Command and Control Center, in a Top Secret Bunker, where we control all the Aircraft on the base, including all the Maintenance, Refueling and Weapons loading, we also had to track them in the Air, which we had to do via the information the Air Traffic Control (ATC) feeds us, Tom Clancy once wrote that MOC was the toughest Job in the Air Force, and I believed him, we get all the Stress that the ATC feeds us, plus the extra load of Maintenance Operation, and only Crew Chiefs get this duty assignment, they want qualified Crew Chiefs who know all the Aircraft they need to deal with, having over a decade of Helicopter and Aircraft experience, made me a good fit in MOC, but dealing with my second back injury, finding out my first one was no better, and not dealing with my colon issues, and they did a lot of test for many years and found nothing, on New Year's in 2017 my colon ruptured, it was horrifying to me, the pain was so bad I could not stand it, my Granddaughter was spending the Night, and I am sure she was not to happy, my wife had to keep her out of it, so it made the whole thing very difficult to go through, as if having to have my Descending Colon removed was not bad enough, I was actually very happy, and felt so much better, first time since Kuwait and Korea, that my colon did not hurt, but the Hospital made sure that happiness did not last, by not

treating me for the C-Diff they gave me, so in the long run, I was retired for everything, Injuries, Depression, Anxiety, and the list goes on, I was in Air Rescue and Special Operations, I got the Anthrax Vaccine that really screwed me up, gave me Permanent Vertigo for one thing, so as proof, because everyone wants the proof this is the truth, they say a Picture is worth a thousand words, so I will show you 3 of the Highest Medals you can get in the Military.

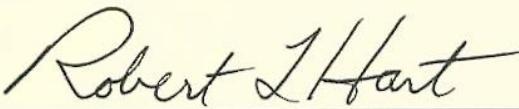

DEPARTMENT OF THE AIR FORCE  
THIS IS TO CERTIFY THAT  
THE AIR FORCE ACHIEVEMENT MEDAL  
HAS BEEN AWARDED TO  
STAFF SERGEANT JEFFREY S. FLESHER  
FOR  
MERITORIOUS SERVICE  
28 DECEMBER 1986 TO 1 JUNE 1993  
ACCOMPLISHMENTS

Sergeant Flesher distinguished himself by meritorious service as Automatic Test Station Technician, 366th Maintenance Squadron, 366th Logistics Group, 366th Wing, Mountain Home Air Force Base, Idaho. Sergeant Flesher's professionalism was evident on many occasions during the acceptance testing of the avionics intermediate element's replacement test stations. He wrote software to consolidate various data bases generated during this testing, providing the capability to cross-reference equipment failures, to identify trends, and to expedite resolutions. He submitted and had approved over 50 service reports on test equipment software and hardware that did not meet standards. His efforts improved system reliability by 30 percent and reduced the time required to complete acceptance testing by at least a year.

GIVEN UNDER MY HAND THIS

21ST DAY OF JUNE

1993

A handwritten signature in black ink that reads "Robert L. Hart". The signature is fluid and cursive, with "Robert" on top and "L. Hart" below it.

ROBERT L. HART, Colonel, USAF  
Commander, 366th Logistics Group

AF 2274, FEB 83  
PREVIOUS EDITION WILL BE USED

Modified to Fit

First Achievement Meritorious Service Medal improving (E)F-111 by 30% a year in advance

DEPARTMENT OF THE AIR FORCE  
THIS IS TO CERTIFY THAT  
THE AIR FORCE ACHIEVEMENT MEDAL  
(FIRST OAK LEAF CLUSTER)  
HAS BEEN AWARDED TO  
STAFF SERGEANT JEFFREY S. FLESHER  
FOR  
MERITORIOUS SERVICE  
5 OCTOBER 1995 TO 5 OCTOBER 1996  
ACCOMPLISHMENTS

Staff Sergeant Jeffrey S. Flesher distinguished himself by meritorious service as Isochronal Section Shift Supervisor, 31st Special Operations Squadron, 353d Special Operations Group, Osan Air Base, Republic of Korea. During this period, Sergeant Flesher's contribution to the Isochronal Inspection Section was outstanding. His attention to detail was one of the reasons the inspection section was able to produce such quality products under harsh mission pressures. He developed a database to monitor and track all Due-In-From-Maintenance assets and to show the individual who is responsible for turn-in of those high value assets. Sergeant Flesher also volunteered to be the section equipment custodian. He identified, cataloged, and marked over 390 equipment items; totally reorganizing the entire equipment account. His attention to detail were key factors in the 31st Special Operations Squadron winning the 1996 Secretary of Defense Maintenance Award, small unit category.

GIVEN UNDER MY HAND THIS

7TH DAY OF OCTOBER 1996

*Thomas M. Beres*

THOMAS M. BERES, Colonel, USAF  
Commander, 353d Special Operations Group

### Honorable Discharge U.S. Air Force 1999

The United States Air Force Jeffrey Scott Flesher and in 2010

The Bible is about Science, not Religion, who are liars about what the Bible says, by Teaching its Sheep to believe in the BS, or Belief System, that God does not Physically Exist, and is only the Name of one of many Angels, the one teaching Religion is known as Satan because only Satan would Teach God does not exist, and was an Angel, knowing Light without Darkness exist inside every Atom, its clear Christ is a Star, and not a person, nor did Jesus Christ exist in History, that was a Lie, just so Religion could Make Money off of Sheep suffering, and so they can have Sex with their Kids, knowing this made my life a living Hell, and caused me more Anxiety and Depression then I care to admit.

I enlisted sometime in 1985 under the Delayed Enlistment Program, where I got a guaranteed job once I got in, I wanted to work on the (E)F-111 Computer Test Station, so I had to wait till May 1986 for an opening to get into the training program that lasted about a year at Lowery AFB Colorado, over a decade

later I was Retired, and Temporarily Disabled. Note I am Retired and that is Permanent, Disability was not Permanent at the time, but is now, and you are not 100% Medically Retired till you get over 100% in Ratings, and I am over 166% now, a number I made up, but real close, but in 1997 only 70% of it was Disability at the time I was ordered to Randolph AFB in Texas, the Air Force wanted me back on Active Duty, they did not care about my health, they wanted me because I can do my job well, but too many things going on in my life, they just Retired me for one, I am 70% disabled for two, and I was divorced at the same time, and for 3, I was diagnosed with a rare form of Lymphoma, when I stopped losing nodes they said it was in remission, now I have Advanced Degenerative Joint Disease, or Osteoarthritis, in my case its caused by my immune system attacking my joints, I got diagnosed with it shortly after I got the Anthrax Vaccine, and before I went to Kuwait or Korea, and trust me, I have thought about going back, but I know that this is causing me to lose touch with my Reality, since everyone around me is pretending we have Rights under a Constitution that by Law was suspended in 1861, and why President Lincoln, the last Legal President in the United States of America, and since that time, anyone that took an Oath to Defend and Protect the Constitution of the United States of America, failed to do their Duty, thus they Committed Treason by taking the Oath to Defend and Protect it, knowing the U.S. Filed Bankruptcy, after it could not make the Next Payment to the Bank that has Owned U.S. ever since, they committed Treason again, by Stealing all the Gold, and other things worth money, they robbed the Country Blind, and got away with it, Stupid Sheep. Sheeple, only the truly braindead would think otherwise, and why Lincoln is the Federal Reserve's Golden Boy, as is Roosevelt for making the Franchise Publicly known to all the Sheep that did nothing, these have been Laws a century before I was born, and they never changed since that time.

This is Not a Great Country, in fact, to the World, who all know this by the way, it is only Stupid Sheep that do not, and the World knows U.S. as Bullies, who come in and rape, pillage and plunder, and that is an accurate description for U.S. so I must agree, nothing Great about a Treasonous Country of Liars, and Pretenders with a False Constitution, to go along with their False Gods, as if it is not bad enough Religious Sheep are so Stupid they BeLIEve God is an Angel that does not Physically Exist, basically if you believed this, or ever did, you were or are a Sheep, only you know what you are, but if you have a Shepard, you are a Ewe, and what do Sheep Herders do to Sheep, well, let us look at the World Wide Statistics for Charges against Sex Crimes, and you find that over 96% of the Leaders of Religion are known Gay Pedophiles, so Sheep that send their Kids there are Satanic, knowing what they are doing to them, what is the Thinking, and there is no thinking, and nothing Great about this Country, it has no Freedom, only Freedumb, and that is not the Same thing, and Sheep that pound their Chest Defending the Treason, or the U.S. Franchise Seal, deserve to be Punished for that Crime, as do all Americans, the World is Right, this Country is totally Satanic, and there is nothing Great about it, it is Hell and Satan is in Charge.

I am ashamed to have to write that I am an American, it is embarrassing, I do not mind working for the Military, they are World Wide, and only work for the Federal Reserve, the Government, and all that ilk, are all Treasonous Traders to the Constitution, and are nothing but a Pain for the Military to have to Deal with, and soon they will realize they do not need them, it is over, and that day too is coming in time, 2027, 2033 and 2061 to be more specific, because as soon as its Citizens start to Riot, the Governments call in the Military Dogs to deal with it, because the Pigs never could, they are great at starting riots, but lousy at ending them, and all they want is to enforce Treason. The Military Dogs that know this Game, and there are a few, mostly officers, but they know that all Militaries work for the Federal Reserve, and why we get along with most of them, and most other Military units around the World, know they work for the Banks, only American Dogs can be so stupid as to not know, they Print our Money, and that is Treason, so we know that those that took the United States of America's Constitutional Oath, the Majority of them, if they did not know the Difference, they get the United States of America's Constitutional Oath, which is Treason to the United States of America's Constitution, so those that know, live a different lifestyle, they know they cannot change things without paying off the National Debt, and it would be suicide and stupid, to try to take back the U.S. Government, without first paying off the Debt, it is required by the way, and the Military will enforce that, that is their only Job by the way, so no reason to try to take it back knowing this, I work for the Military, so never get in the way, they train to put Sheep down, I do it for Entertainment, by writing

to a Sheep named Yew, after a species of Tree called Taxus, or Tax US, and by the way, Taxes do not go to paying down the National Debt, it does not even service the Interest, the Loan itself cannot be paid back with the Money they Print, this is the Game, and once you understand you are just Property of the Banks, you understand Free Dumb. Few understand the Game called the "Law", Sheep do not understand what God is, witch is All Light without Darkness, also known as the Light inside every Atom in the Universe, and not an Angel that does not Exist, prefixing it with Physically means that not only does this Angel not exist, but it also does not Physically Exist, witch is even worse, the Logic is simple, if you believe in a Deity known as God, that is nothing more than the Name of one of the Angels that do not Exist, not even Physically Exist, so is you believe that God does not Exist, since that is the Logic, but Sheep do not understand Logic and Reasoning, they are just Sheep, and not much more intelligent than Pigs, it is a fact that Sheep are always in charge of the Pigs, I watched enough of Charlotte's Web to know who is really in charge, the Spider, the Sheep, but never the Pig, they are never to be trusted to be in charge of anything, and the Laws Moses Started are called Treason, rape, murder, pillage and plunder, is all the Bible talked about Moses doing, so Followers of Moses or his 10-Commandments, all BS by the way, burning Bush, Gore would have liked to have seen that, but Reality is something else, Moses was a Dark Wizard, that started Slavery, the thought that Money makes you Free is called a Slave Mentality, and only Sheep are Slaves, not this Dog. If you want Freedom, you have to pay off the National Debt, you cannot take back a Treasonous Government, as long as the Federal Reserve has their Finger on the button to detonate all our Nuclear Weapons, as such, the Military will stay in charge, and not the Governments they Service at a Fee, nothing is Free in this World owned by the Banks, and most Military Dogs do not like the Pigs any more than I do, some of the Pigs think we are on the same Team, they try to tell me they were once in the Military, and now they are nothing but disrespectful Assholes, who proved we are not even a team, they are just thieves, so putting them in charge of Crime is *Ironic*, because that is all those Satanic Pigs are in charge of, besides their Toilet Water, so in the End of Time, its Citizens need to know the truth, and that is that Pigs are not here to Help Ewe, they are Here to Protect the Federal Reserve's Investment and nothing else, at the End of Time they will Not be Judged by God, because only Satan Judges their own.

If you believe in God, and not a Deity, since that is not God, because God Exist as Light, so in the Beginning that Light was All God was, and All God can ever be, and why God is Only the Light, and nothing else, not the Leader of the "A-Team", that is just a Sheep Story for Weak Minded Fools to believe in, just so a known Gay Pedophilia Organization can have Free Access to Kids, which are Goats, wait a second, it is not Free, Sheep actually Pay to have their Kids Molested, Religious Leaders have a Hell of a Deal going on Down there, all the Sheep's Kids and they get Paid for it, how sick is that, Satan has No Honor, but a Hell of a sense of Humor, Dog Humor I guess, since Sheep will never get the Joke is on them, Sheep come up to me, Hi, I am Religious, which means I believe that God does not Exist, not even Physically, no God, and I believe in Einstein's Theories, because I can go back in time and kill myself, before I have to think about paradoxes again, and again, that is what a Paradox is, Sheep believe they can destroy this Planet, and go live in an Alternate Universe in an Alternate Reality, or even go back in time to fix it, all because they are totally insane, and all because they do not actually believe God exist, that is what Religion is all about, teaching everyone that God does not Physically Exist, they need to be locked up for mental problems, because the belief in things that do not exist, or Physically Exist, is called Insanity, and Sheep Pay to be Insane, 10% of their Living to Religious Leaders who are Known Gay Pedophiles, such that the Sheep not only Support Gay Pedophiles, but they Pay them to molest their Kids.

People are Animals of Average Intelligence, those that believe what they are taught, instead of what they can prove, are called Sheep, the Herd Mentality of I heard it, so it must be true, they teach it in school so it must be true, I read it on the Internet so it must be true, I feel it in my bones so it must be true, Sheep, nothing more, nothing less, just Mindless, Spineless Animals, that only know what they were taught, and what all the other Sheep were taught, all because they never had the Intelligence to think for themselves, and now they are nothing but Slaves to Pigs, that only care about money, so how many People are actually alive at this point, and not counting Sheep, that will put this Dog to Sleep, and now you know the Truth, Sheep Lie, People do not, so how many people are telling the truth nowadays? 1

Sheep think I Flew Over the Cuckoo's Nest, when after you think about it, it was always the Sheep that are insane, and not the Dog, and one Dog out of all the Dogs in the World, and IAM the only Dog that is pointing this out, with less than a decade for the Sheep to Wake up and Stop being Liars for Satan, that is all I ask, wake up, God is Light inside of every Atom in the Universe, not a Name like Satan, do you have any concept of how Satanic the belief in Christ is too sane people, it is Creepy, even for a Dog like Me.

Pigs are the worst of all Animals on the face of this Planet, not the four Legged type, there are many types of Animals on this Planet, but those that Lie, only go by the name Satan, as such, all Pigs are Satanic, since it is just a Fact that they Support the Treason of Lincoln to this Day, because trust me, they know that this is all a Scam, they are part of it, a huge part of it, they are running it, proving they are nothing but Treasonous Traders to this Whole Country, that makes them Enemies of the State, those Pigs in New York are Guilty of Killing all those People in the Twin Towers, as well as the Jews that would not be Sacrificed with the Sheep that were, and they do not Eat Pigs, because they use to be one, and why they Support Pigs, why else would you, knowing they are Enforcing all this Treason, and individually need to be tried for that Treason, but that is up to the Military Dogs Leaders, and not me, I am just a Dog that takes orders, and only gives them to those under my Rank as a Dog, but this Dog is Retired, so Rank has no meaning any longer, but those Dogs above me, assure me that the Pigs Day will come, the Sheep are already about to lynch the whole lot of them for just being Satanic Pigs and are killing Black Sheep just to piss off the White Sheep, just so the Pigs can crawl back to their Pig Stations, to get their Governor Wolf, who is also under investigation for Pedophilia, to have the Mainstream Media threaten to call in the Military Dogs to take care of the mess they started on purpose, just to put the Sheep in their Place, in Jail, working as Slaves.

Sheep will defend the Shepard that Raped them, the Pigs that beat him, and the Government that suppressed a Nation just to pay their own bills, Congress knows all this, as well as the Senators, and the President and their Vice, no one is actually that stupid, they are all in on this, the only ones that do not know about it, are Sheep, they are just too Stupid to figure out that this is not allowed under the Constitution, who are ewe going to trust, the Supreme Court that already told you this, and you know they only work for money, and anyone that does cannot be trusted, because like me, they work for the Bank, and my Job is to Kill Sheep when they learn they are Sheep, this is what I learned in Kuwait, a 30-Year War, that we, the Sheeple of the United States of America, sent Troops to Kuwait, to Kill all the TCN's that the Paid Iraq Soldiers would not do, kill innocent children and women, so I know the Federal Reserve is Satanic, and only cares about Money, but the Military, when did Money mean more then Honour?

Never get in my face and say I am not American for talking like this, maybe I am not an Asshole like 99.999% of them that go along with this Madness, and it is because those Satanic Pigs and that Satanic Hospital, is Disrespectful to its Military Dogs, and now this one is Turning on them, and I have Diamond Sharp Teeth, and I will not allow other Military Dogs to go through this same Pain this Satanic Sheep put me through, I am calling for a Full Investigation into the Pig Pen, and Hospitals that Disrespect its Military Dogs, what I got was unreal, it was insane, and these Satanic Sheep need a Wakeup Call.

I will continue to write more books and put them out there, this is now the only goal in my Life, to make sure this does not happen to any more Military Dogs, we will not stand for it, go make Money off of the Citizens, not the Military that can wipe the Pigs off the Face of this Planet without another thought about it, because none of us Retired Military will put up with this Disrespect and Torture that is not allowed under the Military Code of Justice, read my Military Forms, these Pigs tortured a Medically Retired Military Veteran, and they will Answer for this, sure the Governor will let them get away with it, while they are under investigation for Pedophilia Charges, so there is no getting Justice through the Courts, instead, these Pigs will have to Deal with a Lot of Pissed Off Military Dogs, and they will find out who these Pigs are and Expose them for their Crimes against Military Dogs, for having PTSD, a Crime I was arrested for in my own Home, and kidnapped, taken to Jail, and Tortured till my Organs failed, this is called a Crime, but not to Pigs, it is called Business, they are Privately own, and not part of this Fake Government, so you can sue them individually, and it is time someone did, the American Public, if there are any People Alive in it, Sheep will do nothing, that is why they are called Sheep, the Bible calls them that, I just agree with the Bible, it tells you Satan only tells Half-Truths, and Pigs describe Satan to a Tee.

Money is the most Addictive Drug in the Universe, the Bible stated it was the Root of All that is Evil, that part about Love was inserted with that Asshole Jesus Christ, yes, that is all Christ is, is a Lie, and only an Asshole would Defend a Lie, so Christ was an Asshole for Asshole Followers only, get Over it, Sheep are Satanic, 96% of Religious as well as Government Leaders are nothing but Known Gay Pedophiles, the Facts do not Lie, Gay Pedophiles and Pigs do, and everyone knows it, so why Lie about how Evil Money is, not only is it Treason to the Constitution, giving the Military the Legal Obligation to Execute any that Uses Money Printed by anyone but Congress, well that is just sad, Money Junkies will never admit they are Guilty of Treason, nor will anyone for that Matter, so everyone that uses Money is nothing but a Liar, that is just a fact, and why it is the Root of Evil, and it is not Legal since it is Treason under the Constitution.

If I can pay someone to kill someone, everyone that uses Money made this possible and are therefore equally Guilty of that Murder, the Pigs might find a way to make more money off them knowing this, because it all comes down to Money, it is not a Tool, unless you call it a Tool for Evil, or an Evil Tool, since it paid to have someone Killed, that Blood will never wash off, and those Liars of Religion, that made Jesus Bar Abbas out to be the Bad Man, because he went town to town teaching Sheep about what Religion is about, which is just pounding on Kids, butt they also do far more damage to their Soul, by convincing them that God does not Exist, not even Physically, so they are making Fun of Insane Sheep, that do not understand that they actually believe God does not Exist, because that is what Satan is Teaching its Sheep, that are way too Stupid to understand the simplest of Logic and Reasoning Concepts, and I would like to think that only Neurotypicals are Stupid, but I have never met many people like myself, so I would have no one to compare myself to, but in reality, I am not even a normal person inside, maybe I do not think normally, that much is clear, but not Abnormally either, since I am the only one who reports the Truth, no one on this Planet, at this point in time, has ever written anything remotely similar to what I write about, so they are either too scared to publish their Knowledge, or they simply did not know, but now they do, and still will do nothing, so what is the point in me even writing a book, that no one will believe even with proof, the Laws that prove this Country is nothing but a Franchise like Mc Donald's, Junk Food is disturbing to anyone Intelligent, so I must admit that is not a huge problem in Society today, it seems no one is, except for me and you of course, since you were intelligent enough to read this book, and Sheep cannot Read, they wait for the movie to come out. Sheep say so what, I like Money, and that is why they are Sheep, only Sheep would be happy with Money that someone had to Die for, not worth it if you ask me, that Blood never washes off, but Sheep do not want to know anything that takes longer than 3 Minutes, ADD, that means Addition, they cannot Add, because they have ADD, come on, ewe have to be Joking, Money has Addled their Brains like Mad Cow Disease, and for the same reason, it is BS that makes your Brain Ache, Money make Sheep do Terrible Things, that they would not do unless being paid to do it, and that make it Terrible, and the Terrible thing about it is, that Sheep will do anything for Money, give them enough, and they will do anything, that is Terrible, and why it should be against the Law, oh it is, that is right, it is Treason against the Constitution, so Money Printed by the Banks is Not Legal, it is Blackmail, make Payment or Push Button, and those Lawyers, Judges, Police who Protect them, are all Guilty of this Treason, and all of them Know it, only Stupid Sheep are the Last to know they are Sheep, ADD, it does not add up, Stupid Vaccines do. Can Sheep Change? No, if they could, they would not be called Sheep, even if you are Religious, and had no idea they were Teaching Ewe that God does not exist, not Even Physically, that is in all the Brochures, but Sheep cannot Read, so maybe they did not know that meant they were worshiping Satan as if you can Worship a God that does not Exist, not Even Physically, not even possible to worship a God like that, what is the thinking, oh yeah, Sheep, and why they will never change, they know that a Privately Own Bank Prints the Money and Not Congress, and they know that is Treason, so what is the Thinking again, because blaming this all on Sheep and Pigs, is making this Dog sick, because Sheep will never do anything about it, because the Pigs will not allow them, and that is why the Pigs Hate All Military Dogs, especially the Disabled ones, they like to Torture them till their Organs fail, and watch them Suffer in Pain.

## ***Chapter 5: Pigs Gallbladder***

One day my wife had been drinking and I had a PTSD attack over it, being raised by Drug Addicts who like to get Drunk, and being Autistic I always think in terms of relating one thing to another, so when anyone is Drinking, it always has that potential to trigger a PTSD attack, and while you are having one, you are not in your right state of mind, people may think you are, but you are not, I go into a trans-state, where I have a hard time telling if this is a dream or if it is real at times, and only the silence of Tinnitus do I know, but I have trained my mind to ignore that noise, because if this is a dream, no matter how bad it is, I know if I recognize the noise of Tinnitus in my head, it will wake me up, only to go back to sleep with this same dream, so this is one of those days, PTSD is a Bitch when you are a Dog, so the Pigs show up and arrest me for PTSD and my wife for Drinking in our own Home, proving there is no such thing as Freedom, only Freedumb from Pigs, why, because they make money by doing so, it is all a scam to make Money, the Pigs take you to Jail, and move you from Cell to Cell <sup>24/7</sup> just to make the Transfer Fee, and then move you from Jail to Jail just to make More Money off of you, and they really do get paid to write Tickets and Arrest.

After my PTSD attack subsided, I found myself in jail, having been in a wheel-chair for two years, walking is not my strong point, and I do not walk because I do not like to fall, Vertigo and Neuropathy in my legs do not mix, and I have medication that I have to take just to eat, and to eat without taking it has its side effects, and they knew this, but never gave me any when I needed it, thus I could not eat, and no way in the world I was going to drink Toilet water, seriously, to save space they put the drinking water outlet as part of the Toilet, same water feeds both and it also serves as a sink, so everyone in Jail, takes a Shit and washes their hands in your Drinking Water, no thanks, Pigs.

After a full week, with no eating or drinking, since they only gave us sour milk, and I cannot drink milk without my Medication that they do not ever give me, they move you around so much that you are not in a cell at any given time, because they force you to stand in long lines as they move you from Cell to Cell just to make a Buck off of our Misery, and tell us we should not have been Arrested, if I knew PTSD was a Crime, I would have committed suicide years ago.

A few days into this I have such a bad attack that I cannot stand it, the pain is so bad I thought I was going to die, they come in and check my Blood pressure, it is just below <sup>180/132</sup> and according to their standard you do not get to see a doctor till it is just over 180, and having been Diagnosed with Hypotension, my blood pressure never goes over <sup>120/60</sup> after jogging for 5 miles, so 180 for someone with Hypotension, this is a serious health risk these Pigs are putting me into just for PTSD, when did that become a Crime, then they let me out, just because they know they do not have a case against me, but want to threaten us that they can serve us years later, that is called cruel and unusual punishment, and it is a crime that is allowed by Pigs.

For the next year this pain continued to get worse, until the day it got so bad, I knew I was about to die, and I was scared to go back into a hospital that released me with C-Diff, telling me I can look it up on the internet when I get home, just to find this definition:

Clostridium Difficile (or C. difficile, C. diff) colitis is a common infection of the colon that is typically associated with the use of antibiotics. It is, therefore, also called antibiotic-associated colitis. Another common name for this condition is pseudomembranous colitis.

Proving the Hospital knows what it is, and gave it to me, and because of the Cost of Medicine, refused to treat it, and released me knowing no other Hospital would admit me, and that is a Crime. This Hospital treated me with total disrespect every time I end up there, the Doctors are not the problem, the Staff is, they are Rude, Disrespectful, Stupid, or Ignorant of Medical Problems like Blood Clots that they caused, or C-Diff, that they caused, so it was no wonder what is left of my Colon is now turning to Diverticula, all because this Hospital only cares about money, they do not care about how much I had to suffer for over a year with a Blood Clot, and no one told me this would happen, if they had, I would not have been so freaked out about it, not that it would not have hurt as much, it was very painful having all your veins turn to Varicose Veins in seconds, but the PTSD was from not knowing.

#### **10 August 2018 after the Pigs tortured me for a week for having PTSD in my own home**

Pigs did this by bouncing me into Walls to put Hand Cuffs and Chains on me, I was in so much pain I could not stand up, and they would push me, and pull on my chains, what Assholes, how this is Legal is simple, the Banks make it Legal since they Own the Courts, and all the Judges, who are all Guilty of Treason to the United States of America, and I have a pinched nerve, that still shows up in that arm to this day, this is what Pigs do to Medically Retired Disabled Gulf War Vets, my wife talked me into shaving.

So basically this is their fault for not giving me enough Probiotics, and the VA Emergency Room refused to see me because I was not allowed in their Hospital with it, and the treatment cost a thousand dollars a pill, and I could not pay for the prescription they gave me, so they basically screwed me, they did not think my life was worth the cost of the medication, so they discharged me, only to make my health worse, when yet another pain in my life, that made me rethink my Pain Scale on the order of 0 to 10, this felt like something was about to explode, so you might understand my anxiety about having to go to this Insane Hospital again, so they want to do a CT-Scan, and they ordered it without Dye, I told the tech to call them back and confirm this, so I do not have to do it twice, and she said that it is not required for this test, only to be wheeled back in there again, proving she did not know her Job, hours later, still feeling like I want to die more than anything, so I ask for pain meds knowing the side effects, so back into the machine I go, this time with Dye, I do have a PhD, and just because it is not in Medicine, does not make me any less of an Expert, having gone 20 years since my Colon went bad, and having to do this at least once a year, 20 CT-Scans, that always required Contrast, made me an expert on this subject, but this tech did not care, she gets paid by the hour, and just added 6 of them to my wait time, all because she did not want to do her job, and why when the machine came on, my IV got stuck and ripped out of my arm, oh I can fix it, I said no, just remove it, it hurts, she said they would fix it upstairs, so upstairs we go, hours later, after turn over, a nurse tells me she will be right back to put a new one in, 12 hours later she comes back in just before shift change, without the IV equipment, she said she needed to go get, I guess she had to order it online or something, she looks at the IV I removed due to the pain levels it was causing me for hours now, and she got mad, she stormed out the door, came back with the new IV, put it in, not nicely by the way, and another nurse walked in to clean up my tray, and looks at the IV and says no wonder it hurts look at how its bent.

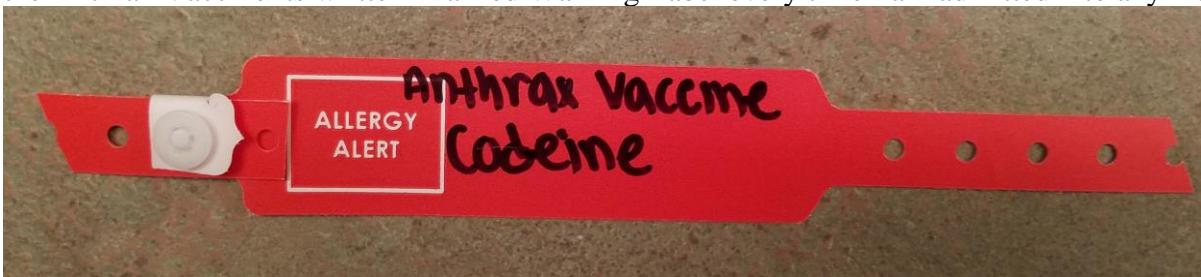

My Doctor, who is the best in the world as far as I am concerned, has an Uncle, who works with him, they have a joint practice, and are two of the friendliest and most professional people you will ever meet, they were from Jamaica, so Data comes in, and I instantly started to feel better, I had many doctors look at me and tell me why they and others will not take my case, it was clear to me why also, but I knew that no matter how bad it was, they would fix it, and they did, I thought it was my Appendix, it hurt, but this was not the same kind of pain, he told me it was infected, not as bad as the last time, so I will survive that again, but my Gallbladder was bad and being absorbed by my Liver, and I had Tumors in it the size of my finger,

so this was alarming, and both Kidneys have large cist on them, and I told him my Story about the Pigs, and he said that is what caused it by what I have told him about my symptoms.

I panicked about this Blood Clot many times over the year I had it, initially, I was dealing with the symptoms, by using Cannabis, I do not smoke it, I use Oil, so I went into the VA Hospital Emergency Room, the VA refused to Operate on me when I needed Colon Surgery, I believe that God is the Light inside all the Atoms in my Body, so God wanted it this way, that is the way the Universe works, I got my Surgery by the best Doctors in my World, so no bad feelings, and none about the VA releasing me with this issue, but I wish they did not, it seems God steps in to make those Responsible Pay for the Damage.

I read the same books that all the Doctors read, I would never trust the Internet for any information, so I know just how stupid their Training is, and trying to correct them will bruise their Ego, but keep in mind that when I was in the Air Force, I was an Instructors Instructor, and no I did not just repeat myself. In the Air Force, we have two types of Emergency Medical Technicians, also known as EMT, we call it Self-Aid and Buddy care, basically we give yearly crash courses in EMT, but the Instructors get way more training than they give out due to time, and I wanted to be an EMT when I got out, so I passed all the tests Certifying me as an EMT, all I needed to do was apply, but I never did, I was Medically Retired from the Air Force, with severe Colon problems, so that is my life, I know more about what was wrong with me then the Doctors did, but they never believe their Patients, so seeing Doctors is a huge Anxiety to me, talking to them knowing they do not believe a word of it, gives me little incentive to even talk to them, I wanted my blood vein to be repaired, I know they can do this, but refused because it costs money, so I had to live in pain for a year to save them a buck, and that buck stops here.

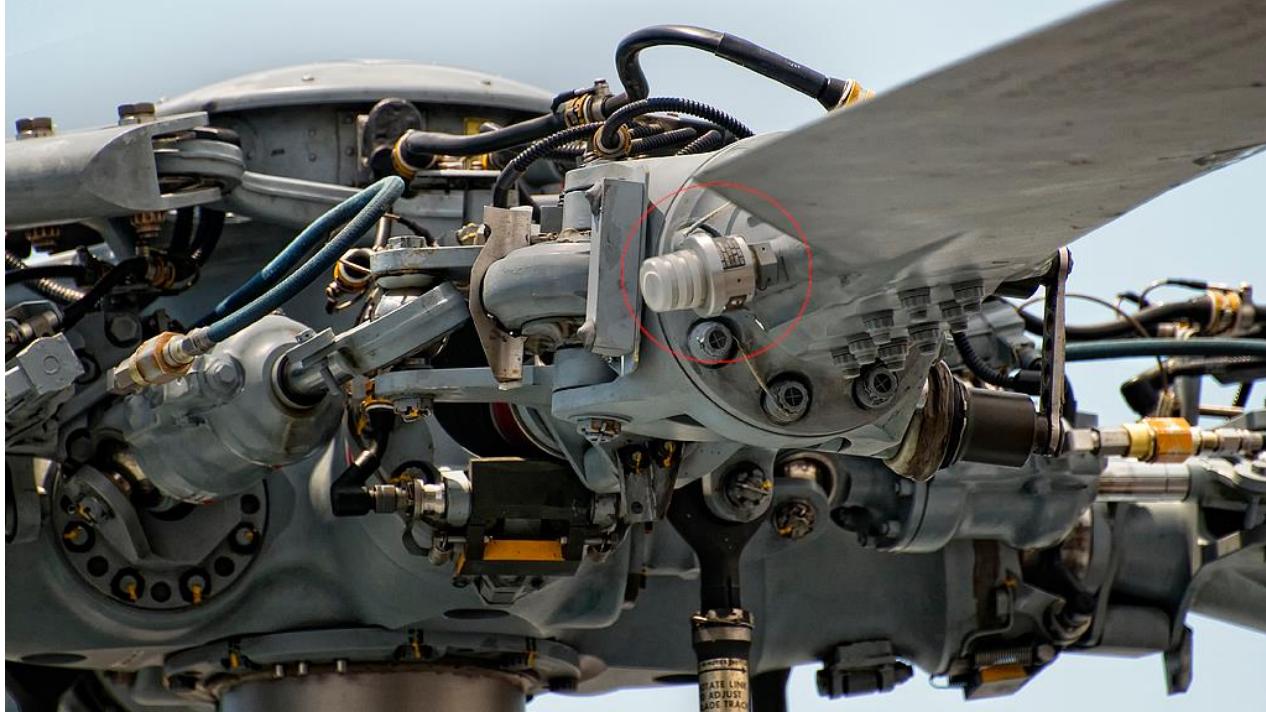

Let me explain what happened to me in terms normal people can understand, and IV is inserted into your vein, it is a very thin wire with a hole in it, that allows fluids to pass into your vein, but your body sees it as an Attack, and people like myself that have been diagnosed with a Rare form of Lymphoma, have another disease associated with it, it is called Advanced Degenerative Joint Disease, also known as Osteoarthritis, it is a condition where your bodies T-Cells are attacking what it perceives as a foreign body in your cartilage, due to Chemical and Radiation Exposure, let me see what I have been exposed to while in the Military, for one Depleted Uranium I call DU, as a U.S. Air Force Staff Sergeant and a Helicopter Crew Chief for both the 66<sup>th</sup> Air Rescue Squadron at Nellis AFB and Kuwait during Desert Storm, and the 31<sup>st</sup> Special Operations Black Knights Squadron in Korea, it is a safe bet that all Staff Sergeants and above had the Anthrax Vaccine its written in a Red Warning Label every time I am admitted into any Hospital.

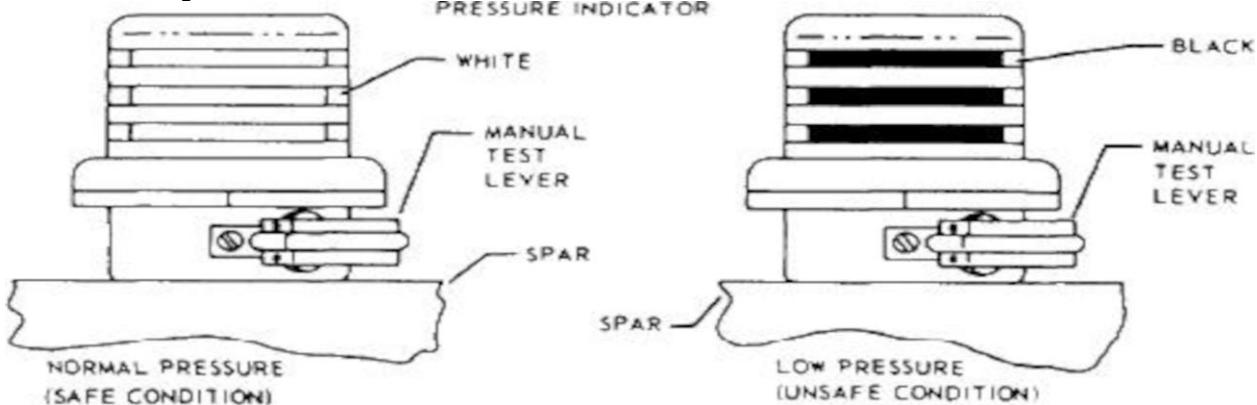

**Red Alert Ban for Allergy Alert: Anthrax Vaccine and Codeine**

Red Alert Anthrax Vaccine, since it is a known Cancer Causing Agents in the Blood, and Codeine, because it messes with my Neuropathy pain, and withdrawal, but I am sure the DU we Helicopter Crew Chiefs have to work with directly by physically handling it, for weight and balance on the Rotor Heads of MH-60 and MH-53 Helicopters, not to mention the BIM Indicator, the pressure indicator, usually known as a BIM or a Blade Inspection Method, such that the Tail and Main Rotor Blades have built in the Spar of the Blade a pressure gauge, that connects to a round cylinder, which has a Radioactive Uranium Isotope, that our Radiation Detectors can detect, works great, but you are being Radiated by it every time it flashes, and you have to test it, it has a button that you push down, and you get flashed, within millimeters of the source every time you test it, and full time if you actually have a leak in a blade, and that happens more times then

I care to talk about, but so you will know what I am talking about, look at these two images.

**MH-53 Helicopter Main Rotor Head Blade Indicator Mechanism**

**Blade Indicator Mechanism is also known as BIM**

**My Normal Hand, Hypotension, never raised veins, and after the VA Emergency Room released me**

Little wonder I got a Rare-Form of Skin Cancer, ask my wife, she was also Medically Retired from the U.S. Air Force, she was my support for this Operation, where they cut a 1 inch round Squamous and Basal

Cell Carcinoma Cluster Cancer ball out of my back, the cut was over 2 inches wide on my Spine, getting as close to it as is safe, above it is seen a circle, it looks like a round patch of freckles, from an operation in 1997, in the picture below it, you see another operation similar to the one in the circle, and note how the scars are moving on my back, strange, but skin moves, all of the operations for the scars were centered over my spine, as it can be seen, the cancer is progressing down my spine, so my wife and I know all about its Effects on the Human Body. I have a patch of Skin Cancer on each hand, it looks like a sore that never goes away, it sits on top of a surface blood vein, making burning it off difficult.

Any kind of Cancer Hurts, Skin Cancer tends to hurt more, and is the deadliest of all cancers since there is no cure for it, nor any treatment other than cutting or burning it out, about 20 people die a day from some sort of skin cancer, and I have had all 3 types, plus a new one, Cluster Cell Cancer, rare but so is my form of Lymphoma, and my sleeping issue since I have no REM sleep since the War, and this cancer is growing on my Spine, so I worry about it as any Paranoid Dog would, and the Treatment I get from Sheep, Pigs, and a Rant Infestation in my Back or on it, I have plenty of reason to Fear for this Dogs Life, since it is clear they are trying to Kill Me, and we all know who they are, and have Video Proof of it, since they are Required to Video Record it for this very reason, no one trusts them, and should not knowing this is true.

**Basal and Squamous Cell Carcinoma Cluster Cancer Operations**

My memories are starting to come back, PTSD, I remember when I was lying on the stretcher, this nurse came up to me, there is so much noise in this Emergency Room (ER), that I cannot hear myself think, and I did not have my Hearing Aids, nor Glasses, or even Clothes, and have scars on both Ear Membranes, after over a decade of Computer Test Stations, with dB levels of over 120, and Jet Engines at over 150, two of them, so it is no wonder I lost  $\frac{1}{3}$  of my hearing range, and need hearing aids, and I have permanent Vertigo, that I told them about, so my head is spinning out of control, and this Nurse wants me to listen to her, she takes her knuckle and kept grinding it into my chest where I complained it hurt when I came in, she knows this because she sent me to get it X-Rayed, just to make more money, and take up more of my time.

I came in complaining that the VA released me severely dehydrated, telling me it is not my Blood Clot, but I think it is, Friday I think I had a heat stroke, Saturday and Sunday I did not feel any better, and on Monday I started to feel chest pain and watch my veins turn to Varicose Veins in seconds, and no way I could open my eyes, or talk, try talking when you feel so nauseous from Vertigo, then they Forced me up, I remember one of their Rent of Pigs was there, they were trying to force open my eyes, all I could see was the room spinning, and I still could not talk without throwing up, so they made me write, my hands are hurting so bad, imagine trying to pass a blood clot that is 1 inch by  $\frac{1}{4}$  inch, it hurts, then she tries to force feed me pills when my Vertigo is making me feel like hurling, then they put me out in the waiting room and called me a taxi, refusing to treat me for what they caused.

**My Left arm cleared blood clot 1 inch long by  $\frac{1}{4}$  inch wide**

You can see the scar from where the Military ripped out an IV, so why anyone would put one in that same vein, telling me it will be fine, only to have a blood clot for over a year, and to have such a violent way of ejecting it, by dialating my veins to look like varicose veins, that was scarey when you have no idea what is going on, and I did not, I just know it was causing a PTSD attack, and was very painful, so much that I would rate the pain up there as one of my worse, and everyone just let me lay there in so much pain that it is clear that something is seriously wrong with me, but they just do not care and allowed me to be in su much pain for over a Year just to save a Buck, and that is not only Evil, but Illegal and Imoral, and there is nothing I can do about it but Complain, so that is what I am going to do, but I need a lot of Help Complaining, so I want everyone to Help Me Complain to Everyone in the World.

**My Left arm the next day, and on the 3<sup>rd</sup> day**

I remember asking for water, they told me to get my lazy ass up and find a Vending Machine, so I have only memories of abuse, so Sheep made it clear this is all about money, and not Medical Treatment.

**IV Blowout, EMT put in IV fine, the bag fell on the trip, does not hurt much, removing it hurt less.**

Wonder why I fear IV's, this was an Appendicitis Attack, caused by the Hospital releasing me sick, and a picture of my scar from having my Descending Colon removed after it was injured while on Active Duty, the cut me next to this surgery, making 4 more knife wounds, surgeries went fine, thanks to great surgeons, but now it hurts all the time, thanks to the Satanic Staff of the Hospital, and this was not the VA, they only operated on my head back in 1992, that was done by the Military, and was great for over 20 years, but now the older I get, the more issues I have from it, my sinuses are always congested nowadays, I have Concha Bullosa issues from a head injury, see scar between eyes.

Anyone that believes that the U.S. is the best country in the world are so Satanic they have no concept of what it would be like to be sane, they are so retarded and only retarded people think they are not retarded, I am retarded about a lot of things, I can engineer electronic circuits and write computer programs, but when it comes to people and their feelings, I am very retarded, no clue as to how anyone can be so stupid as to not understand what the U.S. is, which a prison for retarded people.

When you have a Law System that enforces Treason, you know you are in Hell, and that is what the U.S. is, nothing more than a Satanic prison for the mentally insane, who believe they have Freedom, when all they have is Freedumb, and American's like anything Free, so they stock up on Dumb so they can lie to everyone about having a Constitution that was Amended to allow Treason, and Laws that Enforce that Treason, and they need you to believe this is all Legal, when we all know Treason can never be made Legal, so this whole Legal System is not Legal, it is Treason, and they use Blackmail to keep everyone in line with their Propaganda Machine known as Mainstream Media, where you get nothing but lies, the truth is the Criminals are in charge, and have been for the last two centuries.

If the human race wants to survive these 3 events, people will have to come together to find a solution to this problem, and do not think the Governments will help anyone, they are the ones that are responsible for me being kidnapped by the Police and Tortured to the point I lost an organ, so there is no Law System, only Treason and those Enforcing it, so never trust the Government, nor the Police, nor anyone Religious, they are all insane liars, the only way anything will change is if everyone decides to walk away from all the Governments and let them dig their Graves, you find Land you can build on without any Taxation or ownership attached to it, or go extinct, personally I do not care anymore, People have proven the Human Race is not worth saving, those that know the End of Time is near are not telling anyone as they build their underground tombs so they can bury all their money deep underground where only Satan can get to it, but humans are lazy, stupid, retarded, and all things Sheep are famous for, so they will do nothing, and the human race will go extinct all because of Money, so never try to tell me it is not Evil, that backward Spell for Live, because Satan cannot Live without Money, the richer you are the more Satanic you are, it is a one to one relationship that cannot be denied, it is clear that if you allow Treason, you have absolutely no morals whatsoever, and are just Satanic, so walk away, just tell everyone this and see if things change.

## **Chapter 6: Dog-gone Conclusion**

The Pigs, and do not ever lecture me on being Respectful to the most Disrespectful People on this Planet, there only job is to enforce Treason proving they are all Criminals, and they are the cause of my Gallbladder having to be removed, I had been Arrested, and put in Jail for having PTSD in my own Home, I did not even know that was illegal, and I was tortured the entire time I was in there, moving cell to cell, jail to jail, just to make a buck off me, Pigs deserve no Respect, they are Criminals that are Guilty of Treason to the United States of America, they make money off of Prisoners by forced cheap labor, this whole Government is nothing but a Scam, its owned and Operated by the Bank that prints its Money, and anyone that tells you that we have a Constitution in the United States of America, is a LIAR, and Religious Sheep are just insane, that is what you call the Belief in things that do not Physically Exist, and the Worship of Angels is called Satanic, it is actually the belief in multiple Gods, since God is just the Name of one of the Angels, leader of the “A-Team”, seriously, they are all the same, this is not God Worship, but Angel Worship, ones that do not exist, so Satan and God are just Names, like Jesus, just a name, nothing more, Satan only deals with Sinners, and it is more than a Sin to use Money, it is Treason if the Bank Prints it and Not Congress, all so the Banks can steal everything before the End of Time, and notice how I am the only one talking about this, no one else on the entire Planet with billions of people, proving how Stupid everyone is, or how Sold out to the Bank they are, Money Junkies never think they are Addicts, and all you need to do to prove it, is figure out when the Magnetosphere will be completely diminished, and subtract 42 years, but Sheep are not Intelligent enough to think on their own, and why they need a Shepard to wipe their Ass, when they are done screwing them there, and why Sheep make this Dog sick.

All my pain and suffering I am going through right now, is because of some Punk Pigs, who arrested me and my wife in our own home, and tortured me for weeks till my Gallbladder failed, and Appendix was severely infected, I can remember those Assholes, they drove like they were totally insane, 86 to 100 miles an hour in residential streets, cutting through fields, running stop signs, bouncing me back and forth, knowing I am recovering from Colon Surgery, and just had Cancer removed from my Back, I was denied any medical treatment for blood pressure that was just under 180, I have been confirmed to have Hypotension, that clearly 180 is way passed the “*Danger Zone*”, but Pigs do not Care, they are Satanic Liars, and Pedophilia Ring Leaders, they are discussing Sheeple, that do not deserved any Respect, the site of them in their Uniform makes me want to throw up on them, Satan is no one I want to have anything to do with, I was also denied the Right to make a Phone call or even have the ability to do so.

The Pigs are 100% to blame for me losing my Gallbladder and the pinched nerve in my shoulder and back, and they get away with far worse, and because the Bank owns the Pigs, Lawyers, Judges, and anyone who Works for Money, so there is no Justice, they are allowed to Torture and Maim, and then they threaten to take you back to Jail if you say anything about it, to anyone, and they know they can get away with it, and that is the only reason the Pigs are doing it, besides the fact it is a Satanic Organization, that History proves that they are responsible for more Crime then they Prevent, the United States Constitution was written to allow its citizens to be armed, so Pigs would not be required, and they are not, no more required than Judges or Lawyers that are the ones that are enforcing the Treason in the United States, making them the Enemy of the State for Treason, and everyone should treat them accordingly.

How anyone can be so stupid as to not understand that this Government is not Real, its nothing but a bunch of Treasonous Traders Pretending that this is all Real, so these Satanic Creeps can cover their Ass long enough for 2027, 2033, and 2061 to come and go, and all those Sheep left on the surface of the Planet, will die, and they do not care they have made plans to allow the Chinese to come in and wipe out all the American Sheep, and this Fake Corona Pandemic is just a Joke on Stupid Sheep, to steal all their businesses once they all Fail for Pennies on the Dollar, the Banks only care about money, and what do you think the Government was doing while everything was shut down, they were doing stuff behind our back.

Watch the Movie 2010 a few times till it sinks in, instead of Ships, it is Underground Cities yew know exists, and instead of the Sun causing CME’s, it is our Magnetosphere that we all know will be gone by the year 2103, and most of it will be gone by 2033 when our Magnetosphere reverses, so there is no pretending this Event is not going to happen when it is in the process of happening right now, and everyone Intelligent

knows this, unfortunately, Sheep are not Intelligent, only the Wizards are, and there are not many of them around nowadays, so the Sheep that do not listen to this Dog, will not survive the coming Ice Age.

Being Born on the Day and Hour for the “Chosen One” to be Born and come back in the “Flesh”, and having that given to me by Name, is Entertaining at least, and worth Entertaining that thought, think about it, if the Book or Canon Merlin is right, and in case you are not familiar with the Book of Merlin, I will try to tell Yew what Ewe need to know. The Book of Merlin is about a race of 3 Tribes, the Ash, Ke, and Nazi, who lived under the Great Pyramid when the Earth went through the Galactic Plane around 3 million-years ago. Merlin is not a Man, although one of the Authors were named Merlin, it was more likely he was named after the Place, than the other way around, since he talks about it in the past tense, but the Stories are about a Place, Land is on the Surface so Merlan, Lin is under it so Merlin, where Mer means Made of, Mer-Made, but Mer also refers to where it is made, as such Mer Land or Mer Lin is a Place. Merlin refers to a place known to be the center Hub of what the Bible calls Paradise, to understand this relationship, Paradise is where everyone lives, and no work is allowed there, other than maintenance and new construction, so Merlin is a place you go to work, and everything is made, and this Canon is about this aspect of the Underground Cities, that we know exist, Rear Admiral Richard E. Byrd reported sighting them to the President of the U.S. so we all know they exist. The book is about how 3 Tribes got along for Millions of Years underground, during the periods the Surface was uninhabitable, all because they followed one rule, they did not mate outside of what Society found to be acceptable Mates, and in this Canon, it tells why Adam and Eve were Banished from Paradise, to live on the surface of the Earth forever, all because they only cared about Love, and not its consequences, in this case, Eve helped her Son Cain, kidnap a group of women, and they fled to the surface, and Adam came looking for them, but Cain killed him as well, and Cain vowed to raise an Army and Destroy the Great Pyramid, and that is the Story of Moses, the Dark Wizard. The Pyramids fed pure water to the Cities below, by breaking Sea Salt Water, into Hydrogen and Oxygen, when burned together produce Heat, Electricity, and exhaust pure Water Vapor.

The Reason why the Dark Wizards do Underground Nuclear Test is to try to kill those living underground, these are called Satan’s or Santa’s Helpers, I am also Dyslexic and do not know the difference between the two Spellings, both are centered around the Root of All that is Evil, Money. Sheep believe Money is a Tool, Money Printed by the Bank instead of Congress is Called Treason, and the Sheep will be Executed for Treason, in some point in History to come, because the Bible, meaning the Torah before the 4<sup>th</sup> Century, said that Satan will tell Sheep (Psalms 23) Half-Truths, for example, the Bible only defines what God is once in the entire set of Canons in the Torah, each being larger than the condense version of that same Bible, that most Sheep call the Bible, and in all of them it is the same definition, God is All Light without Darkness, only Satan would tell you anything different, and Satan will go as far as redefining what Light and Darkness mean, but Ewe would have to be very Stupid to be LIEve it, there is always a Lie in everything Ewe believe, because if Light is Good, and Darkness is Evil, that means when we turn on a Light it is Good, when we turn it off that is Evil, so I am Good when I turn the Light on, but Evil when I turn it off, my Refrigerator must be Hell, this logic is what Satan uses to confuse its Sheep, all because the Electric Company is Selling God by the Kilowatt, and the Government is making God Bombs, since God is the Light inside the Atom they are splitting, thus trying to Kill God, and lying about it, just like they lie about the Constitution, they are Satanic, and only Satanic Sheep would do such a thing.

As a Military Dog I have a different Duty in Life, my wife is also a Medically Retired Air Force Vet like myself, but retirement has been very painful for this Dog, who suffers from Cancer, and was arrested for PTSD and lost my Gallbladder because of my Torture Treatment they put me through, that caused my Blood Clot, that felt like it was killing me, all because of Money, the Hospital put me through a year of pain and suffering, all because they did not want spend the money to treat the blood clot they caused, that is called criminal neglect, the Pigs refused me any Rights, like the Right to make a Phone Call, the Right to Medical Treatment for what turned out to be a Gallbladder attack the Pigs caused by making all the Jail Dogs drink Toilet Water, and why they are Called “Pigs”, and I will never refer to them as any other Animal, since that is one they are identified with for Centuries for a reason, these are Satan’s Helpers, the Hospital is not here to help Ewe any more than the Pigs are here to protect ewe, there idea of protection is

called Jail or Prison, also known as Forced Labor, I was arrested for PTSD knowing I just had my Descending Colon removed, and just had Cancer Surgery, they came into my House and Arrested Me, this is a Crime, and they will all Go to Hell for their Crimes against the United States of America, for protecting Lincoln from a Public Trial, that Crime is specific to Pigs, and they will be Executed for Treason against this Country, and they know it, as do all the Lawyers, Judges, and Politician's, since they are the ones that are the cause of it and are now in charge of this Treason, as they make it treason to take back a corrupt Government, this is not even a Government, it is a Franchise like Circle-K and Sheep are OK with it, and why Sheep make this Dog sick, they are braindead, the stupidest of all Animals on the Planet Bar None.

The American Sheep are about to be slaughtered, there are prison camps built around every major city, these are just fenced-in areas where they will keep their Sheep for processing when the "End of Time" becomes known, and Sheep wake up to what the Pigs, Judges, Lawyers, Doctors, and Politicians are doing to the Sheep, all so they can steal everything they have including their life, just for Money for the Banks, that is Evil, the backward Spell for Live, since it is killing Sheep, its Satanic, and these are Satanic Titles, and Satanic Jobs, and only Satanic Sheep would do them, all because of Money, Sheeple are Valueless, other than to make money off the Suffering of Sheep, which is the only Job for the Pigs, only Psychopaths and Sociopath would take that job, it is a requirement. Everyone in the United States of America is Guilty of Treason for using Money Printed by the Bank that owns you like Sheep, as a Military Dog, if Ordered, and only if those Orders come down through a Legal Chain of Command, through Military Channels and Written Orders, that all Military Dogs that are on Active Duty, I am retired, so I would never be given any Active Duty Commands, but if I was on Active Duty, I would have no problem, rounding up all the Sheep, and putting them in Sheep Prisons for Treason against the United States of America, and that day is coming, and why all those Prisons are only built around Military Dog Bases, not all Military Dogs are Dogs, they are just Military Sheep in disguise, since they have no idea what is going on because they are just Sheep in Dogs Clothes, and no more intelligence than the brightest of mutts, and Sheep will not believe the Military Dogs would do this to its Citizens, all because they were not Japanese Dogs, who will never forget this, nor should anyone else, History repeats itself more than I do. I can bark all I want and the Sheep will just look at me like I am crazy, that is what the Hospital did to me, and why I never wanted to go there, but the Ambulance Drivers are only doing this for Money, to make Dogs like myself suffer for no reason, help me is something they did not know how to do, they sent me to a Hospital my wife and I said caused this, and I was scared to go there for that reason, so they sent me, causing me to have a full-blown PTSD attack, what Assholes, just for Money, those Sheep make me Sick, they are Satan himself, Money Junkies, nothing more, they Hate Military Dogs, they Hate this one at least, so what is the point, the Sheep will all die in 2061 on my 100<sup>th</sup> Birthday, so, Happy Birthday to me, short for meat, or Flesh, that the Pigs are trying to Kill, as is the Hospital, not the VA, those Doctors could not make it as a Civilian Doctor due to far too many malpractice suits against them to insure them, so I expect them to be ignorant, but Mainstream Hospitals, give me a break, I need someone to get a legal copy of the Video Recordings from Emergency Room that Caused the Blood Clot and Jail that caused my Organs to fail, and have a Medical Review board review those recordings, then it will become clear to everyone, that they were trying to kill me, they could see how much pain I was in, and did nothing, and then refuse to treat me, called me a taxi, and sent me home, giving me a Pig Escort out of there, like I was a criminal, thus becoming one, when it was them that are Satanic Murders, and everyone knows it. The Bible was very clear about what is about to happen, and the Federal Reserve knows this, and knows the date it will happen on, and there are many videos out there explaining how our Magnetosphere is at a constant rate of weakening, and will not exist by the year 2103, so this is a known date, and few are talking about it, and why is a question any Dog knows, anyone on the Surface of this Planet will die, a fact, maybe 10% will survive, but with the Ice Age now an instant reality, survival in an Ice Age is hard, and with no preparation it is suicide, and the Governments know this, and why they are Stealing all the Wealth from their Country, by Pretending they have a Constitution, when only Stupid Sheep would believe that Lie, knowing that a Privately own Bank called the Federal Reserve Prints the Money, and the U.S. is only a Franchise to them, no more than a 711, so a fake 911 should be no surprise, they are building their underground cities, that only the "Rich and Famous" have tickets to live,

not Sheep that do not know this, only those Dogs that know this, know this is the truth, evidence just confuses Sheep, they do not even know how to Read the Bible, so they let some known Gay Pedophile to interpret it for them, allowing Satan to tell Ewe God is just a Name of one of many Angels that do not Physically Exist, much like Christ never existed in History, but having two Jesus's in a Bible, is something most Sheep did not know about, or were led to believe Jesus Bar Abbas was a Bad Man for defending those sentenced to die for the Crime of not having any Money to pay Satan his Dues with, taken to the Roman Coliseum, Christians make me sick to my stomach, they are totally insane for believing in things that do not exist, that they have no concept of reality, and what God is, which is Light, and only Satan would Redefine what Light is, the Blind can see it. I want a Lawyer that will take this case on a Contingency, with a written agreement that none of this will cost me any money since I do not have it, to begin with, I am Medically 100% Disabled, and all my medical conditions are documented by both the Military and VA, and what I want is Justice, but at the same time do not ever want to talk to Lawyers, Judges or Police, for any reason, they cause me PTSD, and it would be up to my wife if she wants to deal with them, but I know I cannot, so I will not look for one. There is no way anyone can convince me that what the Pigs did was Legal by coming into my House when I was having a PTSD attack and Arrest me for it, just to make Money by Torturing me, by moving me from one cell to the next, one jail to the next, nothing but Toilet Water that I would not go near, and Food I could not eat, because they refused to give me the medication I need to digest it, and they know this, because I am recovering from having my Colon Removed, after 20 years of Colon Problems I got on active duty in the Military, and I have documented Hypotension they also knew about, I told them every time they took my Blood Pressure and it was 179 over almost dead, and they did not care, it has to go over 180 to be seen, people with Hypotension , do not ever get this high, so what they did was endanger my life, caused my organs to fail, and they almost killed me on purpose, this is a Criminal Act, I lost an organ because of the Torture treatment of sleep deprivation, no way I was allowed to sleep for several days, being moved every few hours, no water or food, no phone call, no medical help, no rights, this is illegal in the United States of America, but Pigs know that is gone, and they work for Satan, also known as the Federal Reserve, so I want to go after the Pigs, and Ambulance Company, Fire Department, and the Hospital they took me to, against both my and my wife's objection, due to the Bad Treatment I received by Staff, not Doctors, but Staff of the Hospital, the Doctors are great, why they work there is beyond me, starting from the 911 Operator, that decided I was just dangerous and insane, and had no medical emergency, to the Fire Department that only cared about getting my wife out of the house to explain to her that I was just dangerous and insane, and that this is not a Medical Emergency, so they treated me like I was dangerous and insane, and refused to treat me for what was a huge Medical Emergency, put a 1 inch by  $\frac{1}{4}$  inch blood clot in their arm for a year, and wait till their body decides to eject it, and you have this clot going through your whole body, in so much pain you pass out, that was a crime on everyone's part that got involved in this case, and they all need to be personally sued back into the Stone Age, and put in Jail for the Crimes they committed against me.

Even after I fully explain "The Principles of the Trinary Universe", Sheep just did not get it, they are way to Retarded to understand much, I explained the Math behind what Newton Calculated to be the "End of Time", Religious Leaders have known this since 1666, when Newton first discovered the date, while researching the Bible, in fact, all his Math comes from the Bible, as does mine for the same reason, it is right, proving Religion is wrong on way too many levels, all Satanic, starting with Witch and Wizard Hunts, and Kepler, Galileo, Newton, and Tesla, were all Wizards, so it was these Religious Leaders and Followers that Hunted down and Murdered them for what they wrote, and finding Christ was inserted into the Bible, was huge, it proves that Religious Leaders and Followers are Satanic, as if the 96% charges against most of them for being Gay Pedophiles was not enough to convince most Dogs, the Suffering they are always collecting Money for, never goes away, proving none of it was actually used to end the Suffering, only to make it highly profitable to keep it going, and expand on it, and they do not pay Taxes, so you know they are contributing to the National Debt, and that is Treason, as are they all. What Lincoln did was Treason, the Militia Legally tried to Serve him, but the Pigs would not allow it, so it was that Treason was allowed in this Country, because the Military Leaders were implicit in the Crime of Treason

by allowing the Banks to continue to print money, so it is the Job of the Pigs, Lawyers, Judges, Politician's, to lie to the Sheep about the Treason, so Ewe would not Execute them for Treason, the burning Bush told you it was Treason to take back a Treasonous Government, more Treason on top of Treason is a moot point, since anyone that uses Money Printed by the Bank, is working for the Bank, and that is Treason, so the Treason never ends, and Sheep are too Stupid to understand any of this, so why Sue for Money knowing that is Treason is a good Question, no such thing as the lesser of two Evils, so it is no surprise that I too work for the Bank, the Military is just the Dogs that do the Killing for them, so this Dog is Loyal to the Military, and I could give a shit less about the Constitution, since it allowed Congress to Print Money, and has not existed as real Constitution, for 100-Years before I was even born, so I was born a Slave, thanks to Lawyers, Politicians, and Pigs, who are still Guilty of Treason, and deserve to be Executed for Treason, and the Military Dogs, that are Sick of the Treatment that the Pigs give us Retired Military Dogs, I am ready for the War the Military is about to bring on its Treasonous Citizens. Anyone that wants to tell you that the Constitution was Amended are Guilty of Treason, as well as just being an outright Liar, they are insane, and so retarded, that they do not understand how Stupid they are, the Law States the U.S. is a Corporate Seal, and the Government is just a Franchise, this is what the Law States, so it must be True, and those that say otherwise are obviously Liars, that should be deported, or put in prison for Treason, but no one should ever listen to anything they say, because it is all lies, that only Insane mentally retarded Sheep would say, and why I only wrote this for Sheep, and not People that would hurt me, or belittle me for telling the Truth, or even try to Sue me for what I said, sue me for telling my Sheep the Truth, is not a Crime, but then again, neither is PTSD, but Satanic Pigs do not Care, but to a true Patriot, and trust me, I am the only one in this Country, well not true, and why I say never trust me, prove it, because there are a lot of us that just know, but do nothing, and those like JB that are Brave Enough to talk like a True Patriot, only to get Flack from Treasonous Traders, proving the Others are LIARS if they do not tell you the Truth about the Enumerated Powers Act found under the U.S. Code of Federal Law Title 12 Chapter 3 Sub-Chapter 9 Sub-Section 341, proving beyond a shadow of a doubt that this is all Treason, and saying it is the Best Country, is Satanic, since this is Hell, and we Vote on who gets to be Satan for 4 years, just so Stupid Sheep can Pretend we have a Constitution, anyone that talks like we have a Constitution, are Liars and Assholes, so why listen to them, you know this is all Treason, and you can be Executed for it, these Assholes need to be Bitch Slapped. What is the President of the United States? A Treasonous Trader, as are those that Voted for them. There is no way the Military will allow you to take back this Treasonous Government, they will Kill anyone that Tries, they know the Banks push a button, and we all get Nuked, it is called Blackmail, but when you own the Bank, and Print the Money, you can do anything you want, and Make it Legal, since you own the Banks, and everyone that Works for Money, everyone is Guilty of Treason, so there is no Fixing this Country, and it is Time for a New Country called "Trinary Sanctuary" since Newton hated the Teaching of Christ because it is a Satanic Belief, I renamed Trinity to Trinary, to remove Religion from Science, so I have "Trinary Science", which is the Science of God, and not the God All Religions bow down to... Could that be Satan? Who else is one of the Angels, so no insane Religious Sheep allowed, they are Guilty of Sin, and there is no place for Sinners except for Hell, as such, you can never allow Pigs, Lawyers, or Politicians into "Trinary Sanctuary" because they will turn it into Hell, that is what Satan's Helpers do, it is all they know, so is there anything else you want to know?

"Trinary Sanctuary" is for Militia Dogs that do not work for money, so they are not Slaves to the Banks that Print the Money, so Satanic Activity is not allowed here, no Gambling, no Prostitution, no getting Drunk in Public, no Bars, no Alcohol, that is Poison, and only allowed by Prescription from a Doctor, and we cannot allow any of them from Mainstream, we need our Trinary Doctors, that will not allow Vaccinations, nor Pharmaceutical Drugs, nor Pain and Suffering, like Mainstream Satanic Hospitals, in short, you do not want any Civilians, they are the Cause of the Treason that has been allowed till the End of Time, just so Satan can send your Soul to Hell during the next 3 major events, so no Fools allowed, only Militia, it then becomes a Birth Right to be a member of the Militia, that do not ever allow Money, Barter, or Trade to exist, that is called Slavery, and it is not allowed. Trinary Sanctuary is about finding Land that is stable to build a Pyramid on, and build a City inside one, no cars, the Pyramid is built in a way, that it has

rooms for everything from Food and Water, to living space, as well as Manufacturing Facilities, and other things any Advanced Society would require, and the one thing it will not, is consumers, those that do not want to do their fair share of the work required, in Modern Societies, the Sheep that have no Real Job, like Teachers, Fire and Police, Government Employees, Politicians, Lawyers, Bankers, and in general, Jobs that are not required in an Advanced Society, that know these Jobs are all about Controlling the Sheep, by Teaching them nothing but Lies, and who wants to be Controlled by Pigs, not this Dog, so do not invite any of those Assholes, or Paradise will be lost once More. The Main job for Trinary Sanctuary, is to produce all the Power for the World, for Free, so that Oil, that makes the Earth go around, is only required for that need, and all Pumping of Oil, will become a Crime called Treason against this Planet, that needs it to freely rotate around its Core, and is the Antifreeze for the coming Ice Age, and we also need to Feed the World and make sure they have Clean Water for Free because Freedom starts with Free.

You do not need to have a high IQ to understand anything I have ever wrote about, Sheep on the other hand are not Intelligent Enough to understand that Treason is Treason, but having everyone executed for that Treason, is insane, and I am not insane, and would never ask for anyone to be Punished for the Crime of Treason, considering all of us were born into Treason, the Sins of our Parents are not our Crime, and I will hear no talk about ever trying to take back this Treasonous Government, a Civil War is how we lost our Constitution, and that was how they took it, they funded both sides of the War, not caring who won, because the Country now belongs to them, for the Cost of a Salary, what a bargain, the price of Treason.

If you think I am too harsh on People that are guilty of Treason, you would be wrong, it is clear as to what the Government is about to do to them, the Prisons around all Major Cities should be the Clue, but Sheep are Clueless, and you know they are Sheep, how can Humans be so Stupid, and why would everyone allow Treason, and it is the same reason they allowed the Religion to teach them God does not exist, believing in Godless Theories by Einstein, proving only Paradoxes exist without the God that is All Light without Darkness, proving Satan's Rule is overall Sheep that do Satan's Bidding or the Bidding of Money, so I am not Harsh on People, IAM harsh on Sheep, and for Good Reasons, they are all Evil.

To allow all the Sheep to die on the Surface of the Planet in 2027, 2033 and 2061 is one thing, not to tell them that is what you are doing to them is another, and to pretend Ewe have a Constitution is just Stupid, and no one can ever deny that, and with only a decade left, there is no time to build shelter for everyone, and everyone has to understand why, Satan was going to take them all to Hell with them at the End of Time like the Bible told you, and Sinners are the ones to Blame, and the ones that will now Die in the End of Time, and this is Satan's doing, and not God's, since God has sent many messengers throughout Time, but Sheep only Worship Satan, all because of Satan's Helper's, known only as Money, that Greedy Sheep cannot live without, so they Force a Nation to Live in Sin and Treason, and Pretend they are Good Sheep, knowing they are all Bad Sheep, Sinners, and will Die for this Crime in the End of Time, and Sheep are too Stupid to understand the Magnitude of this Event, all Cities will be turned to rubble during the Polarity Shift, when the Magnetic Field Collapses, and starts back up in reverse, the Earth will get a kick start, and with very low Blood, also known as Oil to Treasonous Traders to the Planet, will not have enough to make this a Smooth Ride, and spinning over a thousand miles an hour, this will be a huge problem, one that might make the Planet go Nova, all because the Bankers do not Care, Nova, Bring in on is what all Oil Junkies want, why else would they do it, none that anyone using Logic and Reasoning could work out, only Treasonous Traders that will pay with this Crime with their Grandchildren's lives, the Children always pay for the Sins of the Parents. The Bible does not make Predictions, it does not talk about the future, it is telling Sheep in Psalms 23 what happened in the past, and telling you that History Repeats itself more than I do, and the reason is very simple, it is the way the Universe works, looking at the Zodiac Table I made, starting at the bottom, and going upward, Pisces the Fish is always the "End of Time" sign, the Sign is one of Science and not Religion, only Fools would identify as a Sheep just so they can share their Crimes in a Stall, thinking that is Confidential, knowing it is all recorded by Black Sheep to Blackmail the Sheep into giving them 10% of their Income to keep it a secret and have them Pay for what the Gay Pedophiles do to the Sheep's Kids, proving how Satanic, and really what a Scam, you know this now, are yew a Sheep? Yew is a Tree called Taxus and Ewe is a Sheep, but what about You? Freedom does not Cost

Money, what exist today, is called Freedumb, and it Cost a lot more because nothing is Free, and everyone is a Slave, but they swear they are Free, Liars, no one that Works for Money is Free, no one, not ever, it is not even Possible, so these Liars are not Welcome in a World of Real Freedom, because they will take it away from you, Greed and Money can never be Separated, nor more than you can separate the Evil it does, from the Good you perceive it doing, when Evil is Evil, no lessor of the Two exist, when Pigs are allowed to come into your own home and arrest you for PTSD, then torture you to the point you lost organs, that is Satan, and you never want to Allow any of those Pigs, to ever step one Foot on Trinary Sanctuary's soil, you Bar anyone that has passed one, or cannot, they are never to be Trusted again, once Satan, always Satanic, and why Sheep Deny all this is the Truth, and why Sheep believe they are Patriots, instead of Treasonous Traders, they are insane, no other way to explain it, it is like Religious Sheep, they actually think they are better than Non-Religious Sheep, knowing they only Serve Satan, by believing in a God that does not Physically Exist, proving they are insane since that is the very definition for insanity is believing in things that do not exist, or do not physically exist, only Liars about what God is... Light, Religion is the very definition for Insanity, because Religious Fools think they have the Right to believe what they Want, even if that is Insane, and Treasonous, so do not ever Listen to Satan's Helpers, they worship only Satan, because Satan is Prettier then God, who is just the name of an Angel that does not Physically Exist, insane, the Bible States God is All Light without Darkness, anyone that redefines what Light and Darkness is, just to Justify having Sex with your Kids, what is the thinking, so let me explain this to Stupid Sheep, if you allow your Children to be Circumcised, or Vaccinated, you will not be allowed to have any Children in Trinary Sanctuary, because you Harmed them on purpose, and God will never forgive you, nor will I, so these Sheep should never be allowed into Trinary Sanctuary for this Reason, they are Dangerous for anyone to be around, they are so incredibly Stupid, since there is no need for Sinners in this World, they are useless lifeforms, and deserve to be left on the Surface of this Planet to Die, and they will, even those living underground will be crushed or drown like the rats they are, because Sheep have no Courage, they do what their Masters the Federal Reserve Tell them to do, Mainstream is just Puppets for the Bankers to Manipulate, Lawyers, Judges and Pigs, are how they Keep the Sheep under Control, the Pigs only care about Money, nothing else, just like the Hospitals, Satan only Uses Money, the Bible tells you this, Religious Sheep Lie, because they are Satan's Helpers, they are Cowards, and Guilty of Treason, and the Cause of it, in fact, Satanic Sheep will Never Change, once Satan has your Soul, it is Gone forever, so never think they can change, they are Liars, they never change, unlike their Theories the change Daily, proving how Insane their Scientist are, all Retards, Stupidest Science in the Universe, what can I say, you have to be so insane, or Retarded, that Reality means nothing, totally Mad as Newton and Tesla put it, so do not allow any of Mainstreams BS to get into an Advanced Society, or it will become Retarded just as Mainstream is, nothing but Disinformation, and  $^{24}/7$  BS. No one alive knows anything about what I wrote about in all my books, or they would be talking about it, and that is a Fact, so it is a fact, that since Tesla Died, no one was Intelligent enough to figure this out, and has a Brave enough Heart to talk about it, even write about it, so I know for a fact, that no one will understand what I wrote about, because they are Retarded, you would have to be Retarded not to understand it, and that is a fact, yet why is Mainstream and the World the way it is, unless no one cares about the truth, and just goes with it, too lazy to mention it, no, retarded, every single Sheep on this Planet is Braindead, Retarded to the Point they are nothing but Dangerous to anyone not worth Money, so I know that most Sheep that Read this Book, will do nothing, and may not believe any of it, because Sheep have never heard the Truth in their whole life, and have no idea what it would sound like, the Vaccines made them Braindead, Stupid Vaccines only make you Stupid, and Stupid is what Stupid does.

My name is Jeffrey Scott Flesher, and I certify this is the Whole Truth, according to the Bible and all the Greatest Wizards in History: Kepler, Newton, Tesla, and others, and all I did was put this together into a Book, so my Sheep would understand why all the Humans went Extinct at the End of Time.
